Products Payroll Exceeds $3,000,000

$11,000,000 in Munitions is Record for Old Year

COMPANY PLEDGED TO WAR WORK FOR THE DURATION; VICTORY IS ONLY AIM

Eleven million dollars' worth of munitions for Victory! That is the record that has been established by the Tecumseh Products Company during the old year, now drawing to a close, and it will be exceeded during the New Year by several more millions, if the offensive warfare continues, Ray W. Herrick, president of the company, declared today.

"We are 100 per cent on war work—working right around the clock making tools for Victory. Our company has only one desire, to end this war speedily and victoriously. As for post-war plans, we have none. We're too busy with our present job to think of plans for peace times. We'll make those when we have achieved Victory," Mr. Herrick concluded.

Insofar as figures go, the $11,000,000 year for the Products company is the largest in its history. It by far exceeds the heaviest years the company ever had when it built its plant to become the largest independent manufacturer of refrigeration units in the world. The Products company is employing more men now than ever before—more than 1,200—and its payroll in 1942 set another record.

"I recall that I predicted a year ago that our payroll for 1942 would be about $3,000,000," Mr. Herrick said. "Well, it exceeded $3,000,000. As for the year of 1943, it appears now that we will increase our number of employees by from two to three hundred, and of course our payroll will increase, also. We undoubtedly will hire more women than we have in the past, because of the man-power problem. We are receiving new government contracts and heavier demands for production are being made upon us. As for the new year, we intend to strain every effort to increase our production, giving our boys in service every ounce of support possible for us to give."

The heavy demand upon the local industry for war materials, Mr. Herrick pointed out, is due to the offensive warfare being carried on by the United States and the Allied nations.

During the 12 months of 1942 the company used some 40 million pounds of steel, six million pounds of copper and 150,000 pounds of aluminum, to say nothing of other materials necessary in the process of manufacture.

"We're in an all-out war effort which means that we must turn every bit of our strength to the making of tools for Victory and forget 'business-as-usual' until after the war. We, of Tecumseh Products, are proud that we have won the Navy E pennant and the six months efficiency star that goes with it, as well as the Treasury's Minute Man Defense Flag. We have pledged ourselves to the cause of Victory for the duration of the war. It is a sacred pledge to God and to our Government."

Farmers Study Victory Foods

SPECIAL MEETINGS HELD WEEKLY TO SPEED UP PRODUCTION IN WAR EFFORT

A series of special meetings for farmers in this section of Lenawee county, looking toward the speeding up of the Foods for Victory program and making the farm more profitable to the farmer, are being launched by George E. Parsons, ag instructor in the Tecumseh high school, under the direction of the United States Department of Agriculture. The first of the meetings was held Tuesday evening at the local grange, another will be held next week at Tipton, and it is likely that two or three others will be organized.

"Instead of the farmers coming to us for the meetings, we are going to the farmers," Mr. Parsons said. "For instance, there will be 10 meetings at the grange hall here, 10 at Tipton, and 10 in each of the other places chosen. We will discuss just what the farmers want to discuss, and endeavor to make their load easier and more profitable. The meetings start at 8 o'clock in the evening, and continue for two hours."

At the grange here this week, the group chose for its discussion ways and means of increasing pork production, including management and feeding. The Tipton topic has not been chosen.

The value of these meetings was explained by Mr. Parsons when he talked to the Rotary club here on Tuesday, sharing the program with Fay Whelan, local implement dealer. Both men told of the farmers part in the Foods for Victory program.

In Lenawee county for the year 1943, Mr. Parsons said, the farmers have been asked to decrease their soy bean production seven per cent and other crops in per centage as follows: Dry beans, up 7; potatoes, up 29; sugar beets, down 5; corn, up 11; wheat, down 16; oats, down 6; rye, down 1; barley, down 4; hay, down 7; sheep, down 1; hens, up 3; sows, spring, up 10; sows, fall, up 15; chickens, up 10; turkeys, up 15. They also are asked to raise 64 less milk cows and 46 less feeder cattle than they did in 1942.

Mr. Whelan explained some of the problems facing the farmer in his effort to purchase agricultural machinery, but pointed out that as priorities to the farmer for steel far exceeds other industries.

Miss Helen Reeves Weds El Ray Finnegah

Miss Helen Reeves, daughter of Mr. and Mrs. Alfred Reeves of Tecumseh and El Ray Finnegan, son of Mr. and Mrs. George Finnegan of near Tecumseh, were married Tuesday evening, December 22, in Erie, Michigan. They were attended by Billy Chase of Macon, home on furlough from Great Lakes Naval Training Station, and Miss Gloria Winters of Adrian.

On Saturday Mr. and Mrs. George Finnegan entertained at a family dinner in honor of the ewly-weds. Other guests were the bride's parents, Mr. and Mrs. Alfred Reeves and daughters Margaret and Thelma, Mr. and Mrs. Wilmer Lee Kiser and children, Mr. and Mrs. Harold Brown and Mr. and Mrs. Jack Finnegan and family. The table was centered with a beautiful wedding cake, the gift of her parents. The couple received a variety of gifts.

The groom is stationed at present at the Great Lakes Naval Training Station in Illinois, where he returned Sunday evening. Mrs. Finnegan is employed at the Quaker Oats Co. where she will remain for the present.

Sheriff Names New Deputies

BRINGMAN TO TAKE OFFICE ON FRIDAY;

Elmer Bringman of Morenci, sheriff-elect of Lenawee county and who on Friday will assume his office succeeding Roscoe Scott, this week announced his selection of deputies who will assist him in the administration of his office.

The three members of the full-time force at Adrian are Wade Willet of Ogden, Willam Howe of Jasper and John Lowe of Adrian. The latter served as a deputy under Sheriff Scott. A fourth member will be added to the force a little later, Mr. Bringman said. He also announced that Mrs. Edith Hanna who has served under Sheriff Scott in charge of the automobile license bureau at the court house would be retained.

In Tecumseh, Mr. Bringman announced that William Hanna, former county sheriff, would serve as part-time deputy succeeding Geo. Isaacson. In Hudson, Frank Lawrence will continue to act as deputy. Roscoe Mercer will be the deputy in Morenci.

Sheriff Scott, who will turn over the keys to the county jail to Sheriff-elect Bringman at midnight tonight, said that he has no immediate plans for the future. He indicated, however, that he hoped to continue his residence in Adrian.

WAR AND ITS ATTENDANTS RESTRICTIONS PUTS MICHIGAN IN A CHANGING DRESS

Thursday (Dec. 31) marks completion of our first year of World War II.

The news parade of 1942 in Michigan might be summed up as follows:

Pearl Harbor angered us; Singapore shocked us. We tightened our belts in preparation for hardships. We witnessed the gradual conversion of Michigan automobile plants to war production. We waved goodbye to more Michigan boys in 1942 than the total of those who were called to service during World War I. Mother and Dad took to Red Cross training, air raid duty.

Our farms blessed us with bounteous harvests.

The summer tourist season, contrary to fears, proved to be surprisingly good in the lower peninsula, only fair in the upper peninsula.

Retailers struggled with price ceilings; consumers stood in lines for sugar coupons.

Michigan's political campaign, near eclipsed by war interest, was tame. Harry F. Kelly, secretary of state, was unopposed for Republican nomination for governor. The pendulum swung in November, and Democrat Prentiss M. Brown and Murray D. Van Wagoner were swept out of office in a Republican landslide.

History consists of events foreseen and unforeseen.

Few events of 1942 were as startling, in retrospect, as the stopping of the automobile assembly line and manufacture of passenger cars and trucks and a hurried conversion of all-out war production.

That, above all, "could not happen"—so we had been assured by authority of Alfred Sloan, chairman of the General Motors Corporation. Mr. Sloan had said that war requirements could be met by the automobile companies as an additional load on their civilian output. But don't criticize Mr. Sloan. Like most of us, he guessed badly—that's all.

Remember how we were stunned and then angered by the Japanese treachery at Pearl Harbor, while their diplomats acted as if they were seeking peace?

And didn't the radio commentator tell us that an American admiral had said we Americans could lick the dirty Japs "any Thursday morning"?

Of course, we thought, it would be a mere sideshow to the Nazi cleanup.

Then came Singapore: the march of Japs down the Malaya rubber plantations to that "impregnable" British fortress of the Orient.

Michigan and Malaya were linked in economic significance. Rubber tires! And that carried us back to the horse-and-buggy customs of grandfather's day—all because of Singapore in 1942.

Michigan newspapers carried news items daily of the sinking of American freighters and tankers off the Atlantic coast, victims of enemy submarines.

Next came a shortage of sugar. Sugar and tire rationing were in-

Heart Ailment Fatal To Wm. H. Pennington

William H. Pennington, aged 65 years, died suddenly of a heart attack Friday evening at his home east of Macon where his children and grandchildren had gathered to spend Christmas Day. Mr. Pennington had been in failing health for some time. He was born in Macon township, May 12, 1877 and had spent most of his life in the community.

He leaves the widow Helent, three sons Louis of Jackson, Glenn of Britton and Lavern of Macon; four daughters, Mrs. Donald Covell of Ridgeway, Mrs. Lyle Lewis of Jackson, Mrs. Lewis Crittenden of Saline, and Mrs. Dale Lemerand at home, also two brothers Grant Pennington of Van Nuys, Calif., and Maurice Pennington of Ridgeway; three sisters, Mrs. Mabel Needham of Saline, Mrs. Rose Gilmore of Macon and Mrs. Ellen Collins of Tecumseh, and 12 grandchildren.

Funeral services were held Tuesday afternoon at the Niblack Funeral Home in Britton. Rev. A. B. Johns officiated and burial was made in the Chelsea cemetery.

AN EVEN BREAK

It will take hundreds of millions of manhours to do the paper work and policing if we put the war economy on a wholly compulsory basis. This was the gist of a recent announcement by Boake Carter, noted commentator. Mr. Carter then suggested that voluntary measures be tried. They worked in the last war. Why not this time?

Most of the restrictions will be in the retail field: food and clothing, necessities which now go in large quantities to our allies and the military services. And although the task that would be imposed on the retailer would be staggering, the record shows that he will gladly do his part to secure the cooperation of consumers in every instance where it is decided the force of law shall not apply.

The merchandising industry, led by the chain stores, aggressively pursued price and rationing policies in close cooperation with government authorities, long before any laws were passed putting such action on a compulsory basis.

Every effort has been made by retail distributors to secure consumer cooperation in the fair distribution of meat, coffee, canned goods, candy, gum and scores of other items. Limits often have been placed on the quantity of goods sold to a single purchaser. In practically all cases, these voluntary controls have been accepted wholeheartedly by the public. One of the reasons for this wide acceptance is the fact that modern mass distribution is a closely integrated industry. Similar controls are in effect in all sections. Particularly is this true of the chain systems. Coffee in Kansas is no more expensive than coffee in California. Likewise, rationing of pineapple juice is not confined to one or two areas.

Regardless of whether the controls are voluntarily established by the merchant or enforced by government, public cooperation is essential if the consumer is to get an even break in the distribution of scarce commodities.

A New Year Dawns-
May It Bring Peace and Happiness

With the arrival of a New Year, our every wish is for Peace and Happiness—and the Victorious ending of the war.

For your loyal support and patronage during the past year, we express our appreciation. And to you and yours, we extend the greetings of the season.

Resolve
For the New Year

1. To reduce your fuel needs to a minimum by seeing to it that your furnace is operating efficiently.

2. To conserve fuel by the proper insulation of your home.

You can reduce your heating bill from 25 to 35 per cent by the proper insulation of your home. We suggest that you install storm windows and storm doors, and that you properly insulate your attic with Rock Wool to prevent heat loss through the roof. These improvements, so necessary in our war-time economy, will pay for themselves in from one to three years.

We Extend the Season's Greetings

And now, as the New Year dawns, we extend the season's greetings to our friends and customers. May 1943 be a year of Victory, Peace and Happiness.

PRAISE THE LORD

The following short poem was contributed by Mrs. Blanche Hanke of Adrian, formerly Blanche Vogel who graduated from Tecumseh high school in 1920 and will be remembered by many here. Mrs. Hanke has had other poems printed in books but says this is her first attempt at newspapers.

Please pass the sugar and the gas—
And we must make each drop last.
So count your cookies and your cakes,
Pies, rolls, bread and anything one bakes.

We walk blocks and blocks the gas to save—
But your shoes get thinner, so they all rave.
We waste the one, to save the other!
I wish I were little and home with Mother.

Blanche Vogel-Hanke.

Uncle Sam Carries the BALL

And on the Globular Gridiron of War We Must Strive for Final Victory!

With the rising of tomorrow's sun a New Year will dawn upon the world—a world torn with war and misery.

What does this New Year hold for us, the people of the United States, our Allies of the United Nations that circle the globe?

In the Old Year, the twelve months since Pearl Harbor, we tasted the horrors of war. And thanks to a Righteous God we saw defeat turn to victory on many fronts.

But the storm is not yet over. We must not slacken. We dare not let the dazzling rainbow of victories won blind us to the fact that the war clouds are still dark above us. The end is not yet.

We must take heed of the words of Winston Churchill when he said that this is the end of the beginning—not the beginning of the end.

The New Year, therefore, as we see it, marks the end of the beginning—of the period of indecision, of the hour in which we woke from dreams of peace to the reality of war, of the days and nights in which we had to reorganize not only our lives but our manner of thought, to reorient ourselves to a world ruled by the exigencies of war.

We cannot win the war by over-confidence, we cannot assume the game is over when the play begins to run our way. The decision will come at the end of the game when the last play has been made and the last battle fought. We cannot leave the field until the final second of the game.

We want to win this war that we may return to what we had. We do not want anything from any other nation. We want only for other peoples that freedom which we claim for ourselves—the freedom of speech, expression and religion, the freedom from want and fear.

We cannot win this war by wishing. We have to win it by work. The quickest way to win the war is the best way to win it, and this means disregarding everything that won't help in the all-out effort. To win the war we must have neither idle hours nor idle dollars. But money is not enough. Production is not enough. Men are not enough. We must add to these that extra effort, that all essential will to win. We must accept restrictions—willingly. We must do all we can, gladly.

We must not allow ourselves to be caught by Axis inspired propaganda. We must not be spreaders of rumor. We must not be disseminators of hatred toward any of our own people, regardless of class, race, creed or color. We must not be selfish hoarders. Conversely, we must work, we must sacrifice, we must fight for the common good. And we must have faith in the ultimate victory, while putting forth all our strength to win.

Yes, the beginning is ended as a New Year dawns. Now the road lies ahead. Ahead for all of us, including some 232 of our former employees who are now wearing the service uniform, fighting for all of us. May God bless them.

We, of the Tecumseh Products Company, are proud of the fact that we have contributed our bit to make possible the beginning of the end. We recognize that the road ahead may be rough in places—that it may skirt dangerous precipices, descend perhaps into quagmires of temporary defeat. But at the end it will lead, we are confident, to victory and to ultimate peace for all the peoples of all the earth.

That is our prayer to Almighty God as the New Year dawns.

On Dr. Goebbels' calendar there's a circle 'round January 1

ON JANUARY 1 the Nazis are going to find out just how we Americans really feel about this war—whether we're all of us in it *all the way*.

For January 1 is the date set by Uncle Sam when everybody on a payroll ought to be enrolled in the Payroll Savings Plan—so that at least 10% of the gross payroll of every firm goes into War Bonds every payday.

And when we reach that goal by January 1—it's going to be painful news for Dr. Goebbels and his cronies!

At the moment there are many of us who ought to be on Payroll Savings Plans—and aren't. And though some of us are investing more than 10%, a lot of us are doing less than we can and should.

So it's up to *you* to see that we "Top That 10% by New Year's." If you're not in on the Payroll Savings Plan, sign up today. If you're setting aside less than 10%, get signed up for more—and fast! If you can afford to invest more than 10% do it—and be glad you can.

For there's nothing that can end this war quicker, nothing that can shatter our enemies as completely as the knowledge that we Americans are all of us fighting this war with everything we've got! And doing it our own democratic way—because we know in our own minds we've got to do it to survive.

And in serving our country we serve ourselves—not only today, but tomorrow as well. For every $3 we put into War Bonds comes back to us as $4 when the Bonds mature—to buy the things we want and cannot get today.

Won't you put your name on the line today? Sign up on the Payroll Savings Plan for not 6% or 7% or 8% but at least *10%* of your wages every payday.

WHAT YOU SHOULD DO:

If you are . . .

1. Already investing 10% of your pay in War Bonds through the Payroll Savings Plan—boost that 10% if you can.
2. Working in a plant where the Plan is installed, but haven't signed up yet—sign up tomorrow.
3. Working in a plant where the Payroll Savings plan hasn't been installed, talk to your union head, foreman, or plant manager—and see if it can't be installed right away. The local bank will be glad to help.
4. Unable to get in on the Payroll Savings Plan for any reason, go to your local bank, or wherever Bonds are sold. They will be glad to help you start a Plan of your own.

"TOP THAT 10% BY NEW YEAR'S!"

troduced in April. Pontiac experimented with the "car club" idea for sharing transportation. On May 18 came another step in war regimentation, the arrival of price ceilings on thousands upon thousands of articles of merchandise.

Retailers struggled with questionaires and reports. They were apprehensive of Washington snoopers and consumer retaliation. Many citizens had misgivings that social reform, not anti-inflation, was the goal of the national planners.

Newspapers began to shrink slowly in size, as automobile and tire and radio advertising dropped to a mere dribble.

Simultaneously, people, hungry for information about the war and civilian defense preparations, bought more newspapers than ever before.

Editors looked to England, read with avid interest that survival of the press had been achieved through circulation revenue, that subscription rates had been raised again and again, while copies of papers were rationed to readers. The British demanded independent news and views, and the press had come through its greatest crisis.

As selective service began draining workers from business, industry and farms, a new problem arose. It was called "manpower."

Michigan cities saw the rapid growth of munition output, while thousands of young men left for military training camps. This meant a head-on collision of economic forces, and predictions were rife that the woman must leave the kitchen for the factory bench.

Willow Run smashed into the front pages in May, although it was six months later than the first bomber came off the assembly line and was flown to a fighting front.

Farmers saw their sons leave for war plants where wages were astronomically high or depat for taining camps. Draft boards were reluctant to grant permanent deferment to farm labor; not until November was the farm laborer given a deferred rating of an essential war worker—too late for thousands of Michigan farmers.

The 1942 political campaign was enlivened by the threat of Gerald L. K. Smith, ex-Huey Long lieutenant and new Michigan radio crusader.

Next came the high-pressure community mobilization to uncover scrap metal, keep the steel mills in operation. Michigan met that challenge.

December brought rationing of automobile mileage. Inflated payrolls motivated a consumer rush to buy goods, and retail sales soared to new heights.

We read about the victorious Yanks in Africa and on the Solomons. We sang of a "White Christmas" and walked to work.

Yes, it was a historic year.

Butler Motor Sales

THE TECUMSEH HERALD

NINETY-THIRD YEAR—NUMBER FIFTEEN | TECUMSEH, MICHIGAN, THURSDAY, JANUARY 7, 1943 | FIVE CENTS PER COPY

Inspect Tires Without Delay

JANUARY 31 IS LAST DAY FOR MOTORISTS; CONGESTION IS SEEN BY OPA

Unless Lenawee county motorists take heed of the rapidly approaching January 31 deadline for the inspection of automobile tires, several hundred drivers are likely to find it impossible to have the work done during the final days of the month and as a result may be faced with the revocation of their gasoline rationing cards, the Office of Price Administration warned today. The regulation calls for the revocation of rationing books in the event motorists attempt to drive without proper tire inspection, and in all probability requests for recapped and new tires would be refused by OPA.

"This tire inspection job is an important one and a job that takes time if it is done properly," Charles O. Butler of Butler Motor Sales, one of the local inspectors, said today. "Motorists must remember that there is a shortage of help in all garages and service stations today, and that because of this shortage everyone must wait his turn. Garages and service stations can do only so much work because of the handicap and the public should cooperate by bringing their cars to the official inspection stations as early in the month as possible."

Other inspection stations here are George Wilson's Service Station, the Beach Service Station and Clark's Service Station.

The law requires that all holders of gasoline rationing cards must have their tires inspected. Holders of "A" books must have the work done not later than January 31. Commercial cars and trucks must be inspected by January 15 and every 60 days thereafter. After the first inspection, holders of "A" books must have tires inspected every four months, and holders of "B" and "C" books every two months.

Inspectors are permitted to charge 25 cents for the inspection unless tire must be removed for internal examination. In such event a charge of 50 cents per tire is authorized.

Rationing At a Glance

This is the first of a regular feature designed to aid the public in their current purchases of items rationed by our government. OPA believes this service will enable individuals to cooperate more fully in winning the war on the home front.

VALID FOR MICHIGAN COFFEE

Coupon 28 of one pound value, valid starting January 4 and running through February 7.

No consumers is allowed to surrender or any dealer allowed to accept, any coupons good for one pound of coffee, from the book of a consumer, who was under fifteen years of age at the time of registration for the book. Non-observance of these regulations will undoubtedly prevent the consumer from receiving War Ration Book II.

SUGAR

Stamp number 10 good for three pounds through January 31st.

Both coffee and sugar coupons are from the same War Ration Book I.

MEAT—CANNED GOODS

A new War Ration Book II will be distributed during January, according to present plans. This will cover processed foods and other items much as meat, which will be rationed early in 1943. To obtain this new book, you must produce Book I, on the dates for registration to be announced later.

GASOLINE AND TIRES

Stamp number 3 from Basic Mileage Ration A Book, worth four gallons of gasoline, good through January 21st. Stamps in B and C books are also valued at 4 gallons, good for the period as noted on the front of such boks. All passenger car owners must have an official tire inspection by January 31. See your regular gas or tire dealer for location of official inspection stations. OPA urges this be done as soon as possible to avoid congestion.

No consumer is allowed to surrender or any dealer allowed to accept stamps from Basic Mileage Ration A book other than the periods designated by the number appearing on the stamp, as follows:

Stamp number 3 good through January 21st.

Stamp number 4 good January 22nd through March 21st.

Stamp number 5 good March 22nd through May 21st.

Stamp number 6 good May 22nd through July 21st.

FUEL OIL

Coupon III value increased from ten to eleven gallons. Good through February 22nd in Thermal Zone A (which includes Lenawee County).

Village will Dedicate Pilaster Honoring Boys in the Service

COMMUNITY PATRIOTIC SERVICE TO BE HELD AT PRESBYTERIAN CHURCH, JAN. 17

As a tribute to the men of Tecumseh and Tecumseh township who are serving in the armed forces of the United States, the Village of Tecumseh has arranged for the erection of a handsome Honor Roll Pilaster which will be dedicated at a patriotic community service, to be held on Sunday evening, January 17, in the Presbyterian church. The service will start at 7:45 o'clock.

The beautiful pilaster, especially designed by the world-famous artist, Churchill, is made of walnut and birch and is surmounted by the American flag and a statue of the Minute Man carved of solid walnut. The carving was done by Carl Hallsthammer. The pilaster stands seven feet in height and is 24 inches at the base which is made of Chinese mahogany. The panels are of birch with walnut trim. The name plates—and on the pilaster here there are some 222—are made of walnut embossed in 23 K. gold. The name of every man from the village or the township who has joined the service since the beginning of the war will be included in the honor roll. The pilaster is of sufficient size to permit the adding of other names as the men join the service, and in the event of casualty a gold star will be placed on the plate in front of the name.

The pilaster was purchased by the Council of the Village of Tecumseh, under the sponsorship of The Tecumseh Herald, as this village's tribute to its men in service.

"It is with great satisfaction that it is possible for us to prpvide this tangible evidence of the pride of the citizens of our village and township in the young men who have gone into service in the defense of our country," Mayor J. Floyd Elliott declared. "They are giving their all—their time and energy, their lives if necessary to preserve liberty and freedom in America. The least that we here at home can do is show them the proper honor.

"There is sufficient place on the pilaster to list the name of every man now in service and for those who join later. We have carefully checked the records of the Red Cross to obtain the list of names that will go on the honor roll at the dedication. We hope that we have overlooked no one. However, as the days go on, more and more men from this township and village will enter service. I am, therefore, urging that every wife or parent or next of kin of the The Herald as quickly as possible of future service entrants that their names may be added to the roll. As soon as these names are received and certified they will be added to list. It will be only in that way that we may be sure that the honor roll will always be complete."

Every parent, wife or next of kin of men who have joined the service from the village or township are urged to attend the patriotic service that they may receive a a gold-embossed Australian parchment certificate showing the name of the service man. The parchment will be signed by Mayor Elliott and Clerk Wade L. Jones, and is suitable for framing and may be a treasured heritage to those who love and honor the boy in uniform.

The principal speaker at the patriotic service, which is expected to attract a crowd that will tax the capacity of the church, will be Dwight L. Dumond, a member of the American Expeditionary Forces in the first World War and now a professor at the University of Michigan. Mr. Dumond is one of the finest speakers in the state.

The program will open with the singing of "America the Beautiful," followed by the invocation by the Rev. Edward Escolme of the Friends church. The scripture reading will be by the Rev. E. Thomas Rodda of St. Peter's Episcopal church and W. L. Berkhof, superintendent of schools, will introduce Mr. Dumond. The pilaster will be presented by Mayor Elliott and the dedication will be by the

Professor Dwight Dumond

Rev. Fr. John A. Ross of St. Elizabeth's church. The pilaster will be accepted on behalf of the community by Leon P. Williamson, who has three sons in service, two in the Navy and one in the Marines.

There will be brief remarks by Ray W. Herrick, president of the Tecumseh Products Company, from which organization more than 200 men have left to join the service.

The Rev. O. V. Robinson of the Baptist church will present the parchments to the next of kin who are at the service. The audience will join in the singing of the "Star Spangled Banner" and the benediction will be by the Rev. Norman MalNaughton of the Methodist church.

It was pointed out by those in charge of the program that because the service is a township-wide affair the seating capacity of the church, approximately 700, will be taxed to its capacity. It was urged that interested persons come to the church early, especially the next-of-kin of the service men. It will be the next of kin, as registered with the Red Cross, who will be called upon to receive the Australian parchment, bearing the service man's name.

After the service the pilaster will be removed from the church and in all probability will be placed in the village clerk's office where it will remain for the duration of the war.

MRS. ANNA SCHLATTERER DIES IN HOLLOWAY HOME

Mrs. Anna Schlatterer, widow of John Schlatterer, died yesterday morning at the home of her daughter Mrs. George Henry in Holloway where she had made her home for six years. Mrs. Schlatterer, who was 86 yars of age, had been seriously ill for three months.

She leaves two daughters Mrs. William Fry of Wellsville and Mrs. Henry of Holloway, a son George of Saskatchewan, Canada, and a number of grandchildren.

Funeral services will be held Friday afternoon at 2 o'clock in Henry home and at 2:30 in the North Blissfield Lutheran church. Rev. Wm. Weinlander will officiate and burial will be in Palmyra cemetery.

MISS WINONA RICHARDS BRIDE OF JOHN OTTO

Miss Winona Richardson, daughter of Mr. and Mrs. Leon Richardson of Tipton, and John Otto, son of Mr. and Mrs. J. G. Otto of Clinton, were married Sunday at the Congregational parsonage in Chelsea by the Rev. W. H. Skentelbury. Mr. and Mrs. Joseph Dennis of Saline were their attendants.

They will reside in Saline. Mr. Otto is employed in Ann Arbor.

KNIVES FOR MARINES

The United States government has made an appeal for hunting knives to be contributed by sportsmen and turned over to the American Expeditionary Forces. In Tecumseh, the knives will be received by George Isaacson at the village clerk's office, and he in turn will give them to the proper authorities. Already Mr. Isaacson has received two knives.

C. E. SMITH DIES

Charles E. Smith, aged 76 years, life long resident of Lenawee county, died early Monday at his home in Fairfield. Mr. Smith was born in Palmyra.

He leaves the widow, formerly Nellie M. Beevers of Ridgeway, one daughter Mrs. Ethel LeFever of Adrian, and a brother and sister in Palmyra. Mr. Smith was a brother-in-law of Adelbert and Guy Beevers of Tecumseh.

The funeral and burial will be held this afternoon in Adrian.

Music Club To Present Monday Club Program

Tecumseh Music Club met Tuesday evening at the home of Miss Agnes McIntyre and rehearsed numbers for the cantata "I Hear America Singing", by Walter Whitman and Harvey Gaul, which they will present January 27 for the Tecumseh Monday Club. It will be presented latter for the Britton Woman's Club and the Milan Music Club. Mrs. Neville Hart is directing the cantata and Mrs. Harley McConnell is the soloist and will be accompanied by the chorus.

The group will meet Tuesday evening January 12, at 7:30 with Miss Virginia Retter at the home of Mr. and Mrs. F. K. Smith on N. Union street. At this time Mr. Smith will make recordings of the cantata numbers and all those taking part in the chorus are requested to be present.

Britton Boy Killed In Pacific War Zone

Mr. and Mrs. Otto Bach of Britton were notified the last of the week by the War Department, of the death of Corporal Clifford A. Wheeler, who was killed in action in the southwest Pacific area.

Corp. Wheeler, whose parents are dead, had made his home with Mr. and Mrs. Bach for several years. He enlisted in the army in March 1941 and was in training at Camp Livingston, La., Ft. Jackson, S. C., and Ft. Devens, Mass., before going overseas.

He leaves three brothers Homer, was also lived in Britton and was inducted into the army December 29, Elmer of Detroit, and Theodore of Jackson, and one sister, also of Jackson.

Girls Needed For War Work

MORE GIRLS SOUGHT TO TRAIN FOR NURSES JOBS; LOCAL ASSISTANCE GIVEN

America's people a war, its men in the armed forces and its workers on the home front, must be kept well and it will take good nursing to do it. Nursing is one of the most critical womanpower shoratages of the present crisis. High school girls as prospective nursing student recruits are now being interviewed by the Lenawee County District Nurses' Association with the hope of interesting them in the vocation.

Since Pearl Harbor, 15,000 nurses have been taken into the Army and the Navy Nursing Corps, leaving hospitals, health agencies, and the sick in their homes suffering from an increasing lack of medical care. Still the Army and the Navy are calling for 3,000 more nurses each month. Industrial towns and defense areas with large war industries, public health services and civilian hospitals, are calling for thousands of nurses. Thousands of inactive nurses have come back into service and thousands of women and girls have been trained as nurses' aides. Six thousand more girls have entered schools of nursing this year than last. Still the demand for more and more nurses is heard. The constant threat of epidemics, disaster, sabotage or enemy action makes necessary a reserve of nurses throughout the country to prevent needless suffering and loss of life.

It is essential as a war measure that the schools of nursing be filled to capacity. Many of the larger schools are improvising new plans to make possible the accommodation of a maximum number of student nurses. Women or girls wishing further information on any of the new programs should write to the Michigan Nursing Council for War Service, 51 West Warren Avenue, Detroit, or inquire of the local student recruitment committee which is composed of Mrs. Esther Wetterholt, Adrian public schools nurse, Miss Gertrude Spaulding, Tecumseh Hospital, Tecumseh, and Miss Pearl Worley, Bixby Hospital, Adrian.

Harry Figy Injured In Auto Accident

Harry Figy of Morenci, formerly of Tecumseh, was seriously injured Tuesday morning in an automobile accident while on his way to work in Adrian. His automobile skidded on the ice and turned over three times. Mr. Figy suffered an injury to his back and severe face cuts and bruises. His son Donald and Ralph Swift, also in the car were unhurt. The car was badly damaged.

HOME FROM ALEUTIANS

Lt. James C. Beardsley of the Army Air Corps, who has been spending a holiday furlough at the home of his brother, W. M. Beardsley, leaves the last of the week on his return to his base in the Aleutian Islands. Lt. Beardsley made the trip by plane from the Islands by way of Anchorage, Alaska, and White Horse in the Yukon, then by train across Canada of Detroit. He will report in Seattle Wash., January 13.

CONSERVATION OFFICER

Clarence Wheeler of Lansing has arrived in Adrian to begin his new duties as Lenawee County Conservation officer. Mr. Wheeler succeeds R. L. Olmstead who recently resigned to join the Navy. He has been employed by the State Conservation department for 11 years.

DIES IN KANSAS

J. T. Rector his received word of the death of Mrs. Edward Doty which occurred December 28 in Sedgwick, Kansas. She was the widow of Mr. Rector's uncle who was a former resident here.

MISSION GUILD

The Florence Weld Mission Guild will meet Monday evening, January 11 at the home of Mrs. Frank Buck.

Ration Board In New Office

NEMIRE TO REMAIN AS SECRETARY FOR TIME, AT LEAST; FORRESTER CHAIRMAN

The Lenawee County Price and Rationing Board is now functioning in its new offices in the old National Bank of Commerce building on West Maumee street in Adrian, having completed the removal of its files and equipment from its former location in the court house.

Guy E. Nemire, secretary of the board, who two weeks ago tendered his resignation along with Harry Bradley, chairman, has announced that he will continue in the office for an indefinite time. He reconsidered his resignation at the request of the regional rationing office in Detroit, and members of the Lenawee board. Mr. Nemire has held the office since the board was organized in the county. It also was announced that Esther Rentschler, Mr. Nemire's assistant, will continue in her office. She had been named to succeed Nemire following his resignation.

Rex Forrester of Adrian, has been named as chairman of the board succeeding Mr. Bradley, who declared that his duties as county treasurer took up too much of his time to permit him to continue in the war-time office.

The county board is now busy processing applications from persons who are seeking kerosene for cooking purposes and it is expected that the job will be completed this week or the first of next week. Yesterday, the board was taking the applications alphabetically and had reached the letter "J".

The board's session on Tuesday evening was one of the longest yet held and members did not get through with their work until nearly 1 o'clock Wednesday morning.

There are nine employees in the rationing offices and this number may be increased to 12, the government allowing one employee to each 5,000 residents of the county.

Tipton Farm House Destroyed By Fire

Fire, believed to have been caused by either defection wiring or a defective chimney, destroyed a house located three miles south and one and one-half miles west of Tipton about 7 o'clock Monday morning. The building was on a farm recently purchased by Malcolm Linehan of Adrian and was occupied by Everett LaMay and family.

Mr. LaMay and his son discovered the fire in the floor and partitions around the chimney. The Adrian fire department was called but the flames were out of control before their arrival and the firemen were further hampered by the extreme cold, which froze ice in the hose lines.

Most of the furniture belonging to the LaMays was removed from the ground floor. The loss is estimated at $2500 partly covered by insurance.

STAMP SALE HEAVY

Pupils of the Tecumseh public schools purchased $2,574.90 worth of United States War Savings Stamps and bonds during the school period ending with the Christmas recess, it was announced at the office of the superintendent today. The stamp sale at the school yesterday afternoon totaled $339.10 and was divided by grades as follows: Kindergarten through sixth, $209.50, 7th, $7.70; 8th, $31.70; 9th, $19.35; 10th, $26.65; 11th, $39.50; 12th, $4.70.

TALK TO ROTARIANS

The tax problems of the average American citizen were explained to members of the Rotary club on Tuesday by Robert Fuller, certified public accountant of Detroit, following the regular noon-day luncheon meeting at Bress House. Mr. Fuller's talk was very interesting and instructive and later there was a round table discussion in which club members participated.

GRANGE TO MEET

Tecumseh Grange will meet in regular session Monday evening, January 14, when Mrs. Clarence Hunt will present a newspaper program.

At a special session held last week George Parsons explained the farm courses to be held soon. A pot luck supper was served and later dancing was enjoyed.

COUNCIL MEETS

The regular monthly meeting of the village council was held here on Monday evening and there was little business except for routine reports and the auditing of current bills. An ordinance was enacted authorizing the withholding of the five per cent Victory tax from the salaries of municipal employees.

PRISONER IN AFRICA

Mr. and Mrs. Forest Kahle of Holloway have received word that their son 7)6 Warden Kahle has been taken prisoner by the Italians in North Africa.

"Jack The Peek" Is No Longer Active Here

"Jack the Peep," the window peeker who has been active in Tecumseh for several weeks, has failed to make his appearance during the past few days and officers are of the opinion that his campaign has come to an end.

Chief of Police William Hanna said today that he had not received any new reports relative to the peeker but he declared that officers are still on the lookout for him.

Last week, it was learned, officers questioned one or two persons in connection with the investigation but no announcement was made of their findings, One official, however, did declare that he believed that the peeking was done by an individual or individuals who had not intend to harm or frighten the occupants of the homes visited.

Lodges to Buy Hospital Bed

ODDFELLOWS AND REBEKAHS TO SPONSOR CHICKEN SUPPER TO DEFRAY COST OF UNIT

The Odd Fellows and Rebekahs of Tecumseh have joined forces and are putting on a Benefit Old Fashioned Chicken Supper at the Odd Fellow Hall in Tecumseh, on Tuesday evening, January 12 for the purpose of raising money with which they will purchase a modern fully eqnipped hospital bed, which, after it is received, will be placed by those lodges in the homes of people in this community who are confined to their beds from sickness or injury.

By adopting this program, the Tecumseh lodges are taking part in a program of unity by which Odd Fellows and Rebekahs of Michigan have purchased more than 200 free hospital beds during the past two years and placed them in the homes of disabeld persons without cost to those persons. It is a community service as there is no preference shown in the placing of the beds, as to association with the order or to race or religion. The only requirement is that a person be totally confined to their bed. The beds are not placed on contagious diseases.

Robert Bellmore, Noble Grand Elect, of the Odd Fellow Lodge, is chairman of the local activity. He will be assisted by M. W. Mathews, E. C. Topps, Robert Pratt, Roudolph Pratt, and Augustus Hood. Co-chairman, for the Rebekah Lodge is Carmen Matthews. She will be assisted by Ruth Scriver, Agnes Breitenbach, Vivian Matthews, Ruth Bellmore, and Mary Furgason. Dinner will be served from 5:30 p.m. until 7:30 p.m. continuously.

Michigan Faces Food Shortages

M.S.C. DEAN DECLARES THAT WICKARD'S ANNOUNCEMENT ..WAS AN UNDERSTATEMENT

Lansing, Jan. 7—"I'm not a pessimistic nature, but Claude Wickard's radio announcement about a coming food shortage was a historic understatement of fact."

Coming from E. L. Anthony, dean of agriculture for Michigan State College, these plain words carry weight. For Anthony knows his stuff. He is Michigan's outstanding authority in the field of agriculture.

"It was just two weeks ago that Secretary Wickard conferred with a number of agricultural leaders at Chicago. He put his cards on the table for us, and he talked plain turkey. The facts as he presented them to us are a lot worse than he has given to the public. I suppose ... rest of the news will come gradually."

* * *

Here is the picture as Dean Anthony sees it.

Mother Nature was mighty good to Michigan farms in 1942. Blessed by favorable weather, the land yielded bumper crops. This production drained from the land a degree of soil fertility which cannot be replaced by available commercial fertilizers, for nitrogen fertilizers are hard to get.

Despite the possibility that the 1943 growing season may be less favorable, Uncle Sam is counting on Michigan farmers to grow more food.

More food with less labor, too.

And no more farm mahinery either.

* * *

Uncle Sam is pledged, by circumstances more than anything else, to feed millions of people in England and Russia and Africa, all in addition to the hungry men in the American armed forces and those of our Allies.

This demand for food is without precedent. It will be tremendous.

High wages in cities and the selective service have drained large farms (240 acres and up) of about 25 per cent of their labor, and all farms of an average running 6 per cent, according to a college survey just completed in Montcalm, Eaton and Lenawee counties.

Farm wages are going up, too, along with about everything else. It all puts the farmer at a disadvantage in delivering the goods.

* * *

The 1943 farm objectives, as announced for Michigan, call for the following:

Crops—Corn, 105 per cent of 1942 yield; hay, 100 per cent; oats, 93; barley, 100; wheat, 93; white beans 108; soy beans, 94; potatoes, 123; soybeans, 100.

Livestock—Cattle and calves, 111 per cent; sheep and lambs, 117; hogs, 112; milk cows, 102; hens, 103; milk, 102, and eggs, 106.

Livestock brings in two dollars for every dollar of field crops.

The three-county survey revealed that farmers expect to plant the same acres of field crops in 1943, but anticipate an increase of 8 per cent in livestock. All this despite the decline of labor averaging 6 per cent.

* * *

If food is so essential to win the war, where does the farmer get off, so to speak?

Farm income in the nation is at an all-time peak, grossing $18,600,000,000 in 1942 with $14,313,000,000 in 1941 and around 11 billions annually between 1936 and 1940.

In 1937 the farm population con-

Sergt. Donald West Wounded in Action

Mr. and Mrs. Nolan West of Adrian township, received word Sunday that their son Sgt. Donald D. West, 22, had been seriously wounded in action December 16 in the southwest Pacific area.

Sgt. West was a Golden Gloves boxer and is well known in the community. He attended Adrian College and enlisted in the Army in 1940. He received his training at Camp Livingston, La., and Ft. Devens, Mass., before going overseas.

TRIES FOR ENLISTMENT

James Cameron Murdoch, Jr., son of the Rev. and Mrs. J. C. Murdoch, left Saturday to enlist in the Canadian forces, with hopes of getting into the Scotch regiment. Mr. Murdoch who was a freshman at Marysville College, had attempted to enlist in the U. S. Army, Navy, Air Corps and Marine Reserve, but was rejected because of color blindness. He had secured his release from the draft board.

THE FARMER IS RIGHT

The new Michigan legislature will consider during the first hours of its session a proposal to change the state's official time. It is time that a change was considered, and we sincerely hope that Governor Kelly will not follow in Governor Van Wagoner's footsteps and veto the legislative action.

We fully realize that there is a certain group of people who favor war time as we now have it. But we also know that the farmers of Michigan are definitely opposed to it and we believe that the farmers are entitled to consideration. It is to the farm that we are looking for food to feed our soldiers, our allies and the folk at home. Anything that will make it a bit more convenient for the farmer, that will help him along his toil-worn path during these hectic days certainly will benefit the nation generally and our war effort in particular.

We fail to see where the present war time is of special benefit to anyone, except perhaps to the electric companies. We know that it is "claimed" that war time has saved thousands or perhaps millions of kilowatt hours, but we're from Missouri. It seems to us that had these savings been general a few of the residents of this area would have noted them in the bills they have been recovering and paying to the electric companies. We have yet to find anyone who has noticed even a slight decrease in their lighting bill. We do know dozens of folk who pass every time they receive them in the morning mail—before daylight.

In our opinion there is only one reason why the time should ever have been changed and that is to help the war effort. The farmer is very definitely a part of the war effort just as much as the man at the lathe and the punch press. The farmer says that the war-time program is wrong. He should know, because he has tried it. It has been put to the test.

In the factories, working right around the clock, 24 hours out of every day, we fail to see what difference it would possibly make in stepping up our war program. We didn't add another hour to our 24-hour day, and for the fellow who goes to work at 7 a.m., 3 p.m., or 11 p.m., we fail to see any material benefit.

During the summer months, perhaps from May 1 to October 1, the fast time or war time would not work any particular hardship on anyone, even the farmers. But you don't need to regiment the farmer's time. If the need arises, he'll be up an extra hour earlier in the morning and he'll work an extra hour longer in the evening. That's the way the American farmer has been trained from boyhood. He's learned from experience that the farm can't run on a 40-hour week.

If the Michigan legislature would like to get the real low-down on the time problem we'd be very happy to spend a day with a member of that body and take him to farm homes in this vicinity that he might get first hand information. Of course we'd want him to be up and dressed and ready for the trip at 5 a.m. That's the time the farmer gets up. And we feel sure that by the time daylight had arrived and he had visited a dozen or two farmers in their barns that he, too, would agree that the farmer's attitude was not without justification.

The Michigan farmer is a mighty important man in our war effort. He's playing a more important role today that ever before in the history of our nation. If the farmer wants Eastern Time instead of Eastern War Time we say give it to him.

INSULATION
Is the Answer to
Your Heating Problem
To help you to save fuel during these war days is a part of our service to the government. And we know of no better way for you to conserve fuel than to insulate your home—particularly the attic.
Proper insulation—plus storm doors and windows—will cut your fuel bill to a minimum.
IT PAYS FOR ITSELF
The insulation and storm doors and windows in your home will "pay for themselves" in a very short time. Some are of the opinion that the fuel saving offsets the cost in less than two seasons.
Statistics show that savings of one-third to 40 per cent per season in fuel are not uncommon.
Such savings are true war-time economy.

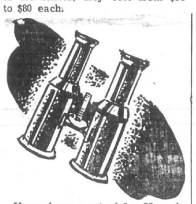
What You Buy With WAR BONDS

The Navy is making a plea to civilians to turn in their binoculars for military use during the War. The Army and Navy both need binoculars for navigation and scouting purposes. Depending on the power of the lenses, they cost from $50 to $80 each.



If you have a set of 6 x 30 up to 7 x 50-power lense binoculars loan them to the Army or Navy. If not, your purchase of War Bonds and Stamps will help buy this equipment for our fighting forces. At least ten percent of your income in War Bonds every payday will do the job . . . and provide the "eyes" through which a scouting pilot may spot an enemy battleship.

His job is vital to America's war effort . . . and he'll carry on!

● "Keep 'em rolling" is more than a slogan. It's a *must!* Every serviceable piece of automotive equipment is needed—needed on the road. That makes the service station dealer a vital cog in the nation's war machine. Just consider that—

★ ★ ★

Millions of war workers have no other means—except autos to get to work. In some sections over 75% of war workers reach their plants by car.

Over 65% of all freight going in and out of war plants is carried by truck. 54,000 communities are not reached by railroad, depend on trucks for supplies.

Nearly 100% of many vital crops are hauled to market by truck. Over 2,000 cities depend on cars for private transportation.

Every car owner must do a certain amount of necessary driving, as provided for under the rationing system.

Yes! America *must* remain a nation on wheels, and your Standard Oil Dealer is proud that he is playing a vital part in America's war effort. You can count on it—he'll carry on!

10:45 a. m.—Church service

"Sacrament" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, January 10.

The Golden Text (Ps. 116:13, 14) is: "I will take the cup of salvation and call upon the name of the Lord. I will pay my vows unto the Lord now in the presence of all his people."

Among the Bible citations is this passage (Psalm 19:14): "Let the words of my mouth, and the meditation of my heart, be [illegible] in thy sight, O Lord, my strength, and my redeemer."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scripture," by Mary Baker Eddy, include the following (p. 10): "Prayer means that we desire to walk and will walk in the light so far as we receive it, even though with bleeding footsteps, and that waiting patiently on the Lord, we will leave our real desires to be rewarded by Him."

You Don't Need to Sit With Your

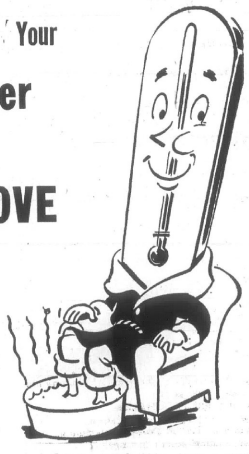
Feet in Hot Water

When You Burn a

U. S. ARMY STOVE

And Here is the Reason

1. They are different
2. They operate on an entirely new principle.
3. The inside in lined with heat-holding fire brick.
4. Your coal and your heat last longer.
5. Burn any kind of coal.



This Stove is Revolutionary

This stove is something that the coal-burning public has been looking for for a long time—it has just arrived. No longer need you waken in the morning to find your house cold, the fire out, the rooms uncomfortable.

This Army Stove is of the Magazine Type

Yes, this stove harkens back to the old hard-coal base burner for one of its advanced principles. It is of the MAGAZINE type—holds pounds and pounds of coal. Fill it at night, let the fuel get started, check it, and forget it until morning. In ordinary weather, you need care for this stove more than once or twice a day.

Think of the Convenience to say Nothing of the Saving

Think of the convenience you get when you burn one of these stoves—and think of the saving of fuel.

Today as Never Before Food Quality is Important-

Yes, today when some foods are difficult to buy due to priorities and shortages, it is important that you buy quality—because food must be nourishing.

We have always discussed quality foods in our advertisements. We have sold nothing but quality foods for many years.

We have learned that our customers care far more for quality than quantity and that satisfied customers always come back.

ELMER's pop-eyed surprise is perfectly natural. Twins! An unexpected *double order* of happiness from heaven!

A lot of other folks are pleasantly surprised these days to learn they're getting a *double order* of electric service, too.

Actually, the average American home enjoys *twice as much* electricity for its money as it did 10 to 15 years ago. Perhaps you haven't realized this because you kept adding appliances and using more electricity while the rates were coming down.

But that's the kind of bargain in which America leads the world. It is made possible by the experienced men and women of your electric company—and by business management under public regulation.

This is the American system of free enterprise at work. This is a prime part of what we're fighting for today. It has lifted power production and manufactions production to tremendous heights. It will help win the war and enrich the peace.

Acknowledging God's Blessings

AT THIS TIME of year, many people are recounting their blessings and giving thanks to God for the abundance of good bestowed on man. Some may think they have little for which to be grateful to God, but those who think this are judging His blessings by material things, and not by spiritual values. A kind word, a friendly deed, a loving hand outstretched to one in need, an understanding heart, all these are manifestations of God's love. Such expressions are spiritual, not material. Love, wisdom, and purity are spiritual qualities, and none of them can be destroyed or superseded by the material elements which claim to hold sway. Material things crumble to destruction, but the things of Spirit endure forever. And who will say that this fact is not something for which all can be grateful?

Spiritual understanding, then, is what we most need—a better understanding of God, of the real man, and of the universe of God's creating. . . . Spiritual understanding enables one to see the human need, often even before this need has been outwardly expressed. He who is [illegible] is rewarded with spiritual blessing. Even such a seemingly small thing as a happy smile may help to brighten the day for someone, and much good can come from it. Compensation may not be outwardly visible for loving kindness, but increased growth in grace is the richest compensation. Anyone should be happy to be able to bring, even in small degree, some joy to another. And happiness practically calls for gratitude.

Some might wonder what they have to give, particularly those who have no material riches. But what of the wealth of spiritual love that can be given unsparingly, because it comes from eternal and infinite Mind? Who does not at some time need the love which reflects divine Love, the tender compassion which reflects Soul, Spirit? Our need may often seem to be for money, clothing, food, and the other daily necessities. But as we give of our spiritual storehouse, of that wealth which the Father bestows impartially on all His children, not only will our own human needs be supplied, but those with whom we have shared a little of our understanding of the allness of God will also be blessed. They will be enriched in the measure of their increased understanding of spiritual truths, and their human needs will be supplied. Christ Jesus said (Matthew 6:32, 33), "Your heavenly Father knoweth that ye have need of all these things. But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." "All these things" may refer to any need; but God knows what we "have need of," and He supplies all good.

We may think our need is material; but the answer to our prayers, if rightly understood, is always of a spiritual nature and comes in the form of a demonstration of the allness of Love. For instance, the healing may be of unlovely traits of character, sometimes of long standing, which brought only suffering and unhappiness. As we gain a better understanding of God, we gain a better concept of the real man, as His reflection. The overcoming of false traits through more loving, unselfish thinking and living, contributes much to the harmony of the home and the outside world, and is surely cause for thanksgiving. As we know the unreality of such beliefs, and, in the measure of our own Christly example, help others to cast them out, we find real cause for thanksgiving.

Mary Baker Eddy says in "Science and Health with Key to the Scriptures" (Pref., p. vii), "To those leaning on the sustaining infinite, to-day is big with blessings." She also writes on page 1, "Desire is prayer; and no loss can occur from trusting God with our desires, that they may be moulded and exalted before they take form in words and in deeds." True prayer is the giving of thanks; thanks to God, the omniscient, omnipresent, omnipotent Being, who heals our sicknesses and sins. . . . —*The Christian Science Monitor.*

The Finance Committee reported favorably on bills as read. Moved and supported the report of Finance Committee be accepted and orders drawn on several amounts. Ayes: Van Vleet, Turnbull, Winter, Truesdale, Marshall, Smith. Nays: None. Motion Carried.

Trustee Turnbull offered the following Ordinance for adoption, supported by Trustee Van Vleet.

An Ordinance To Provide for the Collection of Employees Victory Tax Pursuant to the Requirements of the U. S. Revenue Act of 1942

The Village of Tecumseh ordains:

Section 1. Deduction to be made. That, beginning with the first payroll after January 1, 1942, the Village Clerk and/or Village Treasurer is hereby authorized and directed to deduct and withhold from the wages or salary paid to each officer or employee of the village, the victory tax in such an amount as is required by the Revenue Act of 1942, based on the wage bracket withholding authorized under Section 466 (c) (1) of that Act (or 5% of the amount thereof) on every payroll.

Section 2. Accumulation, depositing and payment of funds. The Village Clerk and/or Village Treasurer at the time of making up the payroll or immediately thereafter, shal transfer the monies deducted therefrom under the provisions of this ordinance to a separate account in the United Savings Bank of Tecumseh, Michigan, where they shall be deposited and designated as a "victory tax account, to the credit of the Collector of Internal Revenue." The monies accumulated from such withholdings during each quarter of the calendar year shall be paid by the Village Treasurer to the United States Collector of Internal Revenue for the District in which this Village is located on or before the last day of the month following the close of any such quarter.

Section 3. Report of Tax Withheld. On or before January 31 of each year subsequent to 1943, or when the last payment of wages is made, if employment is terminated before the close of the calendar year, the Village Clerk and/or Village Treasurer shall furnish to each employee with respect to his employment during the calendar year, a written statement showing the wages for the period covered and the amount of the tax withheld and paid in respect to such wages. A Copy of this statement for every employee shall be included with the final return for the calendar year to the collector of Internal Revenue. The afore said officer shall keep such records and make such reports to the Bureau of Internal Revenue of wages paid and the tax collected and paid with respect thereto as that Bureau may require and prescribe.

Section 4. Termination. The taxes to be withheld and collected under this ordinance shall not apply to any taxable year commencing after the date of cessation of hostilities in the present war and the account established for the receiving of the tax funds hereunder shall be closed with the last payment to the Federal Government of the funds withheld. The operation of this ordinance shall terminate at the time or sooner if the victory tax is terminated by Federal action prior to that time.

Section 5. Amendment. The provisions of all ordinances or parts thereof now in effect relating to payroll procedure of this Village inconsistent herewith or with the provisions of the Revenue Acts of 1942 relating to the victory tax are to that extend modified.

Section 6. Emergency. This ordinance is hereby declared to be an emergency measure made necessary for the preservation of the public peace, health and safety and to meet the requirements of the Revenue Acts of 1942 and shall take effect immediately.

J. FLOYD ELLIOTT,
Village President.

Attest:
WADE L. JONES
Village Clerk.

Motion made by Winter, supported by Truesdale, that Village Post lights in Business District be lighted from dusk until 12 o'clock midnight. Motion Carried.

Moved and supported that reports of Officers be received and placed on file. Motion Carried.

Moved and supported that Wade L. Jones be paid $150.00 for Civilian Defense Council Clerical Work. Ayes: Van Vleet, Truesdale, Turnbull, Winter, Marshall, Smith. Nays: None. Motion Carried.

On Motion Council Adjourned.

J. FLOYD ELLIOTT,
President.

Payroll Savings Plan. At least 10% of your salary every payday. Not 6%, or 7% or 8% — but at least 10%. And *more*, if possible.

Many Americans who *ought* to be buying War Bonds through the Payroll Savings Plan every payday, *aren't*. They just haven't yet STOPPED TO THINK what it means to Johnny.

Don't be like that, lady. Invest your 10% with Uncle Sam — payday after payday. You'll get a big kick out of it. Knowing that you, personally, are sending him the guns, planes, bombs, tanks — whatever it is he needs!

WHAT YOU SHOULD DO

If you are . . .

1. Already investing 10% of your pay in War Bonds through the Payroll Savings Plan — boost that 10% if you can.
2. Working in a plant where the Plan is installed, but haven't signed up yet — sign up tomorrow.
3. Working in a plant where the Payroll Savings Plan hasn't been installed, talk to your union head, foreman, or plant manager — and see if it can't be installed right away. The local bank will be glad to help.
4. Unable to get in on the Payroll Savings Plan for any reason, go to your local bank, or wherever bonds are sold. They will be glad to help you start a plan of your own.

Michigan Faces

(Continued from Page 1)

stituted 24.6 per cent of the total population while agricultural income produced was only 8.9 per cent of total national income. The war has changed the proportion. The 1942 net income was 45 per cent over 1941; double that of 1935-39. The farm surplus population of only a few years ago has vanished overnight.

The net farm income for 1942 is estimated at 136 per cent of parity (1935-39). When you recall that the highest farm income during the first World war was 14.6 billions in 1919, the staggering 1942 yield of 18.5 billions is a happy omen. Farmers today have a genuine financial inducement to produce the food.

* * *

Michigan's farm income is soaring. Here are the figured as cited by Dean Anthony at the college:

1937—256 millions
1938—215 millions
1939—228 millions
1940—247 millions
1941—309 millions
1942—325 millions

The 1943 farm income should top 1942, unless drouth or excessive rainfall interferes. It presents an opportunity and a challenge: To plan farm work more systematically, to stimulate greater production through use of fertilizer and better seed, to utilize labor and machinery more efficiently.

"Crops should be planted even if labor is not in sight to harvest them. Michigan must deliver the food! And Michigan farmers will not fail."

The dean's broad jaws reflected the determination of thousands of farmers as he said it.

* * *

Livestock farmers were not benefitted by development of combines and high test seed—two technological improvements which have helped the grain farmer to attain higher income despite non-parity prices.

Consequently, parity for the crop farmer is not parity for the livestock farmer, according to Dean Anthony.

Production costs are proportionately higher for livestock than for grain, he points out. If meat prices seem high and good steaks are hard to get, think of the farmer's problem and you will understand the reasons.

* * *

What are Michigan farmers doing with this new prosperity?

Yes, your guess is right.

They are putting new dollars into their capital investment—farm buildings, for example—and reducing their indebtedness as fast as they can.

Dean Anthony says that Michigan farmers remember the last boom. They know this crazy inflationary paradise is false, abnormal, and cannot last. But it is a heaven-sent opportunity to pay off the mortgage, paint the barn, or fix up the buildings with FHA assistance up to $1,000, while helping Uncle Sam to win the war.

SGT. HAROLD ANDERSON WEDS MAE K. CALVIN

Sgt. Harold W. Anderson of Camp Lee, Va., son of Mr. and Mrs. Harley Anderson of Tipton, and Miss Mae Kathryn Calvin, daughter of Mr. and Mrs. A. G. Calvin of Adrian were married New Years Eve by the Rev. A. H. Baer at the parsonage of St. Stephen's Lutheran church in Adrian. They were attended by Miss Kathryn Anderson of Adrian and Raynor Hardy of Tipton.

Following the ceremony a reception was held at the home of the bride's parents and the couple left later on a short wedding trip.

Sgt. Anderson is a graduate of Tecumseh high school and has been in army service since June 1941. He will return January 17 to Camp Lee, Va., where he is technical instructor in motor operations. Mrs. Anderson who is employed in Adrian will remain with her parents.

MISS RUTH BRAINARD WEDS FREDERICK BIDDIX

Miss Ruth Brainard, daughter of Mr. and Mrs. A. E. Brainard of Springville and Frederick Biddix of Morenci were married New Years Eve at the bride's home by the Rev. O. V. Robinson. Only the immediate families were present.

Following the ceremony refreshments were served, the bride's sister Miss Mary Heath Brainard presiding.

Mr. and Mrs. Biddix went at once to their new home at 108 West Shawnee street in Tecumseh. Mr. Biddix is employed by Tecumseh Products Company.

Out of town guests at the wedding included the bride's grandmother Mrs. C. H. Bramble of Grand Rapids.

80TH BIRTHDAY

Mrs. John McIntyre and daughter entertained at tea Tuesday afternoon for the former's sister Miss Agnes Cadmus who was celebrating her 80th birthday anniversary.

YOU MUST HAVE YOUR TIRES OFFICIALLY INSPECTED BEFORE JANUARY 31, 1943

The rubber conservation program provides for regular, periodic inspection of every tire on every registered motor vehicle in the country. January 21, 1943 is the deadline for the first tire inspection for all passenger cars and motorcycles. Failure to have tires inspected before January 31st and periodically thereafter will result in serious penalties: Your Tire Inspection Record must be officially signed or you cannot purchase other tires or recaps. School to Meet Demands of War

CHANGES IN PROGRAM OUTLINED BY SUPERINTENDENT AND O.K.'D BY BOARD

Changes in the Tecumseh high school program to meet the demands of war were approved by the board of education, in session here Tuesday evening, and for the most part the new schedule will go into effect at the beginning of the second semester, January 25. Similar changes have been made in schools throughout the nation, and it is possible that others will be effected as the war continues.

"Following a careful consideration of all factors involved, I am submitting this program for a reorganization of the work of our high school to enable us to meet more fully the demands which are being placed upon our school during this period of war emergency," W. L. Berkhof, superintendent, told the board. "Many of the proposals are the direct outgrowth of recommendations made by our military authorities, while others are based upon the guiding principles which were developed to assure a balanced, unified program designed to meet the needs of all concerned."

The exigencies of war demand that the traditional high school program be re-evaluated in terms of the immediate needs of students who may be called upon to serve in the armed forces of our country and in terms of national needs which have arisen as the result of the war effort.

For those liable for military duty there must be, the board believes, added physical training, training in the fields of mathematics and science, a broader understanding of national history and a practical knowledge of physiology and anatomy.

Current national needs demand that preparation also be made for students not liable for military service for active occupational participation as civilians. This, the school believes, must be done through a development of the understanding of the basic economic problems facing the nation as a result of the war and the principles which may apply in their solution.

Although the demands for specialized training and services are paramount at this time, the board thinks that the school cannot afford to overlook the broader educational needs of its high school youth, many of whom already face the prospect of losing a great share of their educational opportunities, are not to be further robbed. The temptation to drop a number of traditional courses simply because new rivals have appeared on the scene should be resisted in favor of a possible revision of the content and mode of treatment of such subjects so that the content may ally itself more directly with the problems at hand, the board decided. Discussions and forums can be substituted for the regular class activities and, if necessary, the time allotments can be shortened. The main thing, the board ruled, is to remember that by careful planning education and training can go hand in hand, each supporting the other both from the needs of today and those of tomorrow.

The reorganization program approved by the board and which will go into effect a week from next Monday are as follows:

1. A required daily period of physical training for all boys in grades nine through twelve and an incorporation of an after-school physical hardening program into those phases of the sport schedule which may be maintained. Credit for this work will amount to one-half unit per year.

2. Two periods per week of physical training will be required for all girls in grades nine through twelve with emphasis upon physical fitness. One-fourth unit credit will be allowed.

3. A course in aeronautics designed to give training in those aspects of aviation which are desired by military authorities will be introduced and one unit of credit will be given per year.

4. A course in community health service will be offered for senior girls, designed to qualify them for duty as assistants to nurses. This will be carried out in cooperation with the local hospital and the State Department of Health. A credit allowance of one or two units will be given depending upon the number of daily periods.

The revised program also calls for the incorporation of the war department's pre-induction courses in fundamentals of electricity, machines, shopwork and radio in the regular physics, exploratory science

Pilaster to be Dedicated At Service Here on Sunday

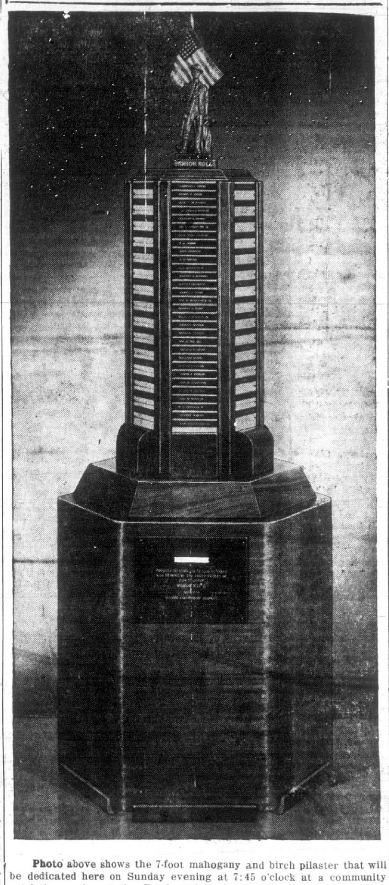

Photo above shows the 7-foot mahogany and birch pilaster that will be dedicated here on Sunday evening at 7:45 o'clock at a community patriotic service at the Presbyterian church. The honor roll on the pilaster will include 222 names of Tecumseh village and township men now in service, and other names will be added as the war progresses. The pilaster is the gift of the village and the principal speaker at the service will be Prof. Dwight Dumond of the University of Michigan. Next-of-kin attending the service will receive an inscribed parchment, suitable for framing, bearing the name of the man in service and signed by Mayor Floyd Elliott and Clerk W. L. Jones.

Senior Service Scouts Begin Story Hour

The Senior Service Scouts of Tecumseh are instituting a story hour for children, the first to be held Saturday morning at 10 o'clock at the library, Miss Edith Ingersoll, librarian, Miss Van Dommelen and Mrs. L. A. Carlson, leader, assisting.

The girls are trained to tell the children stories in an interesting way and will use material filed in the newly decorated children's room where they story hour will be held. This material should be of interest to all boys and girls up to Junior high age. Books may be drawn from the library at the close of the story hour.

The Senior Service Scouts are Nancy Tingley, Patricia Hickey, Florice Howe, Dolores Isaacson, Joan Lott, Dorothy Bowen and Mary Lou Carlson. They are distinguishable about town by their "overseas caps" of forest green bearing the Triple-S emblem in red, which were earned during the year by following the service program including first aid, salvage, knitting and sewing for Red Cross.

The story hour work is designed to make them of service in war emergency. If the civilian population were to be evacuated to some large shelter these girls could be of inestimable help in keeping children occupied and happy. Parents are requested to tell the children about the story hour and urge them to attend.

MEN IN SERVICE TO BE HONORED BY VILLAGE; U. OF M. PROFESSOR TO SPEAK

A civic tribute to the men from Tecumseh village and township who have joined the armed services of the United States in the present world conflict will be paid here on Sunday evening at the Presbyterian church when a 7-foot pilaster, designed by the famous artist, Churchill, will be dedicated at a community patriotic service beginning at 7:45 o'clock. Inscribed on the pilaster's honor roll will be the names of some 222 men who already have entered the service of their country, and more names will be added as the war continues.

The pilaster is the gift of the Village of Tecumseh and the ceremony is being sponsored by The Herald. It is believed that the church will be crowded to capacity, and for this reason it is urged that interested folk plan to arrive early—especially those next-of-kin of the servicemen—to whom will be presented a genuine Australian parchment, suitable for framing and inscribed with the service man's name. This parchment will be signed by Mayor J. Floyd Elliott and Clerk Wade L. Jones and will bear the official seal of the village.

The principal speaker will be Dwight L. Dumond, a member of the American Expeditionary Forces in World War No. 1, and now a professor at the University of Michigan. Prof. Dumond has spoken here previously and is considered one of the ablest on the University staff.

The program will open with the singing of "America the Beautiful," followed by the invocation by the Rev. Edward Escolme of the Friends church. The scripture reading will be by the Rev. H. Thomas Rodda of St. Peter's Episcopal church and W. L. Berkhof, superintendent of schools, will introduce Mr. Dumond. The pilaster will be presented by Mayor Elliott and the dedication will be by the Rev. Fr. John A. Ross of St. Elizabeth's church. The pilaster will be accepted on behalf of the community by Leon P. Williamson, who has three sons in service, two in the Navy and one in the Marines.

There will be brief remarks by Ray W. Herrick, president of the Tecumseh Products Company, from which organization more than 200 men have left to join the service.

The Rev. O. V. Robinson of the Baptist church will present the parchments to the next of kin who are at the service. The audience will join in the singing of the "Star Spangled Banner" and the benediction will be by the Rev. Norman MacNaughton of the Methodist church.

Dale Marsh Dies After Brief Illness

Dale Marsh, aged 42 years, died last evening at 6:30 at his home at 126 West Chicago Blvd., after a few days illness from pneumonia. He was employed at Russell's Tavern and was taken ill Saturday.

Besides his father he leaves the widow Velda, three sisters Mrs. Doris Campbell and Mrs. Mildred Currier of Tecumseh and Mrs. Bessie Sisson of Adrian, one brother Gerald Allen, of Tecumseh; two half brothers Earl Marsh of Tecumseh and Pvt. Clarence Marsh overseas with the U. S. Army; a stepdaughter Mrs. Clarence Kittle of Macon, a step sister Mrs. Calvin Hutchinson of Flint and a step brother Arthur Jepson of Tecumseh, also a step grand daughter, Belinda Kittle. His mother died a number of years ago.

Funeral services will be held Sunday afternoon at 2:30 at the Collins Funeral Home. Rev. J. C. Murdoch will officiate and burial will be in Brookside cemetery.

Officers Are Chosen By Past Noble Grands

At the regular meeting of the Past Noble Grand Club of the Rebekah lodge, held Tuesday evening at the home of Mrs. E. C. Topps, officers were elected for the coming year: Mrs. M. W. Mathews, president; Mrs. Cora Boyd, vice president; Mrs. Topps, secretary and Mrs. Jennie Hodges, treasurer.

This was the fifth anniversary of the club and Mrs. Jennie Hodges and Mrs. Martha Nye were given recognition, the former for perfect attendance and Mrs. Nye for attending all but one meeting in the five years.

Cards were the diversion and prizes were won by Mrs. C. C. Richard, Mrs. Mabel Wilson and Mrs. Carl Glancy. In conclusion refreshments were served.

1943—HOW HARD WILL IT BE?

The beginning of 1943 presents most Americans with problems that they never expected to face.

What with war all over the face of the globe, and with millions of our young men involved in the fray, there has become necessary some restrictions upon the right of the average American to do as he pleased.

Business men will face "hardships" says one commercial forecast which, by the way, did not remark upon the hardships and dangers to be endured by our fighting men.

Housewives will be unable to buy all the food that they can pay for, or charge at the grocery, and this will be terrible despite the fact that we will continue to be the world's best-fed people.

Adults and children will have to forego the use of the family automobile, occasionally, in order that ships and tanks get fuel for use in battle. However, none of them will wish to swap rides with soldiers or sailors.

Even so, the year may prove pretty good to the American people. If it does not bring them victory in one of their wars, it will probably give them positive proof that it is around the corner in both conflicts.

With such encouragement we can put up with inconveniences, discomforts and sacrifices and we ought to do so cheerfully, loyally and with stout hearts.

BIGGEST EVENT UNKNOWN

What was the biggest news event of the year 1942.

You will not find it chronicled in any of the reviews of the year; it took place in some unknown place, unrecognized as a great event and its importance will not be known for many years.

What was it? The birth of some little baby whose life will profoundly affect the future course of human thinking. It may have happened in the United States, the British Empire, Russia, China, Germany, Italy, Japan, South America or in other faraway places.

There was no undue commotion—just another mother was presenting the world with a little child, and nobody involved suspected the greatness of the occasion.

Our Government Needs Your Cooperation

Anticipate Your Coal Needs

Thus far we have had a sufficient supply of coal to meet the demands of our customers. But we must depend upon the railroads, and the railroads are busy.

That is why we urge you to anticipate your coal needs and order before you are completely out.

Your cooperation in ordering your fuel will be appreciated.

Thank You!

Today, everybody is busy. In the factories, in stores, in offices, the professional men—everywhere you hear it said that "time is lacking."

The reason for this condition is the war—our war against a common enemy. All of us have but little time to ourselves—it is up to us to make the most of what we have.

That is why we urge you to conserve your heat—the fuel you burn—by properly insulating your home. Storm windows and storm doors, weather strip, attic and sidewall insulation—all of these things help to reduce your heat loss—to save some one's time for the war effort.

We will be glad to assist you in an examination of your home to determine just what is best and most economical.

Proper insulation, you know, pays for itself in a short time.

and industrial arts courses.

Students also will be urged to enroll in mathematics courses and such subjects a English, social studies and vocational subjects will be maintained inofar as is possible.

The board also adopted a policy governing the granting of credits to students in the armed forces as follows:

Policy I.—Credit up to one unit will be granted to students who withdraw from the Tecumseh High School to join the armed forces upon presentation of evidence by the student that (1) he has completed the basic training course or-dinarily included in the first thirteen weeks in the armed forces and (2) that the work included in this training period is of a nature which allies itself with the general school program.

Policy II.—Credit beyond the one unit mentioned in Policy I will be granted upon the presentation of evidence that the student has received the equivalent of educational experience through an advanced training program beyond the basic thirteen weeks period. Such evidence may include performance upon achievement examinations given either by the armed forces or the school reports of achievement in correspondence courses taken while in service, or any other data, such as certification from superior officers, which may be considered valid. The amount of credit which will be allowed, will be determined by the administrative officials and will be based upon a comparison of the extent and nature of the work taken with the regular school program.

Policy III.—Full credit up to two units per semester will be allowed for students who withdrew from the local high school to enroll in some full-time school sponsored by the government to give training in special scientific fields of study, e.g. Meteorlogy Credit will be based upon the presentation by the student of evidence of a satisfactory completion of the course over a period similar to that of the school term.

Policy IV.—Credits will be granted at ony time that satisfactory evidence is received that it has been earned and diplomas will be issued to soldiers in absentia as soon as sufficient units of credit have been allowed.

10,000 Stores To Close Doors

BUT IT MAY LEAD TO A HEAL-THEIR RETAIL BUSINESS, WAYNE PROFESSOR SAYS

East Lansing, Jan. 14.—Whether Harry F. Kelly is re-elected governor of Michigan in 1944, thus breaking the one-term jinx of the past six governors, will depend upon many things, even down to cabbages and kings.

Among these is the test of his leadership with State Legislature. He starts out his administration with few handicaps, numerous blessings. Republican legislative leaders [illegible] unanimous last spring in demanding that Kelly run for governor in the September primary. He did so, unopposed. Four years as secretary of state have acquainted him well with the sure ways to get things done at Lansing. He does not rush into new ideas; he thinks them over carefully and deliberately. He talks little, saws wood persistently.

* * *

His legislative program, as announced last week, contained several interesting recommendations that give a clue to his philosophy of public service.

One group dealt with efficiency in government. Kelly proposed the streamlining of multi-department state structure by merging departments and commissions. For example: The corporation and securities department, finance company division of the treasury, building and loan division of the department of state, banking and insurance department, and the public trust commission would be merged into one agency.

In the efficiency classification was a recommendation to abolish the office of budget director and to transfer this function to the office of auditor general. Kelly also suggested that inspection staffs, now maintained independently by numerous departments, should be merged into one state inspection department.

Would all this result in economy? Perhaps. But it should make possible a better government by increasing its efficiency. In our opinion, Governor Kelly is more interested in efficiency than in economy. He probably remembers too well the easy promises of other governors, their records of failure to reduce bureaucracy.

* * *

The second classification deals with the opposite of economy, the spending of more money for causes which the governor deems to be worthy.

During his campaign Governor Kelly proposed $40 a month for old age pensions; the present state average is $22. He asks the legislature to increase this allowance.

He proposed that the state set aside $2,000,000 annually for state hospital building needs. He recommended a continuation of the present liberalized payments for unemployment compensation, and he said the legislature should investigate the feasibility of extending the unemployment compensation system to firms employing less than eight persons.

On the spending side also was a suggestion that a system of state pensions should be created for state employees.

* * *

Looking to the post-war era, Governor Kelly advocates a "rainy day" sinking fund of "not less" than $15,000,000 from the present state surplus.

As for reduction of the state sales tax, the governor cautioned that a slump in state revenue was inevitable during 1943 and all state revenues would be needed. During the fiscal year ending June 30, 1942, the state distributed more than 61 per cent of its fund back to home governments. The increase in local aid alone was around $8,000,000 in 1942 over 1941.

Economy in state government is not easy to achieve without stepping on the toes of people back home. You can't economize at Lansing without also economizing on Main Street. The governor and the state legislature probably realize it.

But greater efficiency in government, making for what we generally call "better government", is a reasonable possibility, abetted by the civil service amendment which serves as a dyke against patronage raids and resulting inefficiency and waste in public service.

Governor's chances in 1944 may rest on his ability to achieve better government, not economy in government. If he can do both, the age of miracles will have arrived! But don't look for it.

* * *

"10,000 Stores to Close." Such is the forecast for Michigan retailing in 1943 by E. W. McFarland, Wayne university professor and head of the Greater Detroit Consumers' Council.

McFarland regards the forthcoming casualties, however, as a partial blessing in disguise, a sign of a healthier economy in the future.

His reasoning: There are too many outlets for goods to allow all retailers to make a decent living.

* * *

The professor's conclusions reminded us of something we read once in one of the imposing monographs issued by the Temporary National Economic Committee, created by Congress a few years ago. Albert L. Meyers, senior economist or the United States department of agriculture, reported one trend since 1900 has been towards more stores. For example: In 1900 there was one food store for 486 persons; in 1935 this ratio had grown to one store for 358 persons.

Hence the verdict: "We must face the fact that because there are too many retail stores in existence there is not a sufficient volume of business to go around even at lower prices."

If these experts are right, Michigan's 1943 retail casualties may help to stabilize business for other stores, thus benefit ultimately the consumer.

* * *

Lieut. Col. Harold A. Furlong has been called into active army service, and thus Governor Kelly is presented with an immediate problem of selecting his successor as administrator of the Michigan Council of Defense.

At a farewell dinner in Lansing, Colonel Furlong revealed that he had always been a "dyed-in-the-wool Republican" in Pontiac and a life-long friend of former Governor Murray D. Van Wagoner said that Furlong's appointment had been prompted largely by the knowledge that Furlong was one of two men in Michigan to be honored by Congress with the Congressional Medal of Honor, highest award possible for distinguished service in the first World war.

It revealed a trait of "Pat" Van Wagoner that carried him a long ways in politics. He liked people. His friends came first.

CURTIS DOLAN IN CAMP IN ALABAMA SAYS IT IS MORE LIKE A COLLEGE

Mrs. Neal Pierson has received the following interesting letters from her son Curtis Dolan, an aviation cadet, recently transferred to Maxwell Field, Alabama.

December 29, 1942

Dear Mom:

Well here I am at Maxwell Field, Alabama, and they are really pouring it on us too. We arrived here last night about 7:30 and we have had very little rest since. Of course upon arrival we were greeted by our upper-classmen but as they so aptly put it "after lights out then (last night) we cease to be your friends. There is a great deal of formality about everything that they do here. It sounds rather silly but I guess that it serves the purpose. I guess that it is more of a disciplinary measure than anything else.

* * *

We came thru the beautiful country coming from Nashville to Montgomery. Most of the country was mountainus and very rocky. One section we passed through was literally lined with little streams dropping down over the hillsdes, some of the drops were big ones too, as high as 50 feet. You folks up there are having trouble getting coal and we came through one little town yesterday that had its streets paved with the stuff. It seemed that almost every shack that we saw for a long way had a little mine shaft sunk in their back yard where they mined their own coal.

* * *

December 30th

Well I didn't get much done on this letter yesterday, I had to fall out right then anyway, and they really kept us going all day long. I never had such a full day in all my life as yesterday was! Reville here is at 6:00 a.m. but in order to get ready for it we have to get up by 4:30 for before we fall out we have to have our shoes sined, our beds made, our rooms swept, and we have to be clean shaven, washed and fully dressed. The only free time we have is between 7:30 and 8:00 in the morning, the rest of the time we are on the go all of the time. We started classes yesterday afternoon too, we have math, code and a class in customs and courtesies. All of the instructors give us home work to do to so that fills up the evenings.

We are all having an awful time eating down here, we have to sit at attention, shoulders back, chest out, chin in so we can only see about half of our plates. To top it all off we have to keep our eyes centered on the top edge of our plates at all times. We won't get to eat at ease until we become upper class-men and that won't be for 4 weeks yet.

Well its almost time to fall out now so I guess that I'll have to quit. If I get some time tonight I'll start another letter with more details of what is happening to me. So until next time.

Love to All,
Curt.

December 31, 1942

Dear Mom:

Well I shall start this letter any way I don't imagine that I'll have time to finish it this morning. I am sort of getting used to all of this stuff that we have to take now. It reminds me of a college. One thing that I really like about it is that if you say something it is taken as the truth, there is no questioning of a man's word here. As they put it "A man's word is his Bond," and they mean it! If one of us needs money, all we have to do is ask and we receive it, even though the man you borrow from has never seen you before. They don't even ask for your name. I think that you could leave a $10.00 bill on your bed all day and it would still be there when you got back at night.

One little incident I saw yesterday amused me a great deal, one of the boys was in the mess hall and he happened to spill something on his shirt and an upperclassman saw him. Well the U-C (upper-classman) asked if he was a dribbler, of course the boy said no but it didn't satisfy the U-C so he had the boy repeat after him "I am a dribbler, dribble, dribble dribble!" They think up all sorts of silly things like that for us to do, but I don't mind it a bit. Most of their stuff is aime at giving us self control.

Well its almost time fall out so I'll wind this up. So until next time.

Love to All,
Curt.

A Few Ways To Help

Your Coal Dealer

1. Order one ton or more
2. If possible, anticipate your needs by four days.
3. Be at home to receive the coal. Have bin boards in, window unlocked, do not have your drive blocked with one or more cars.
4. Do not order more than your bin will hold. We do not have extra help to shovel back coal in your bin.
5. Do not request your coal to be carried by our drivers. Help is too scarce.

"Sure thing, Tim. Here's what I told him, Charlie. There's no such thing as votin' a nation, a state, a county, or even a community dry. We had proof enough of that during our 13 years of prohibition. What you really vote for is whether liquor is going to be sold *legally* or *illegally*... whether the community is going to get needed taxes for schools, hospitals, and the like, or whether this money is going to go to gangsters and bootleggers. That's the answer, boys... simple as A-B-C."

NOTICE—

Trustee Turnbull offered the following Ordinance for adoption, supported by Trustee Van Vleet.

An Ordinance To Provide for the Collection of Employees Victory Tax Pursuant to the Requirements of the U. S. Revenue Act of 1942

The Village of Tecumseh ordains:

Section 1. Deduction to be made. That, beginning with the first payroll after January 1, 1942, the Village Clerk and)or Village Treasurer is hereby authorized and directed to deduct and withhold from the wages or salary paid to each officer or employee of the village, the victory tax in such an amount as is required by the Revenue Act of 1942, based on the wage bracket withholding authorized under Section 466 (c) (1) of that Act or 5% of the amount thereof) on every payroll.

Section 2. Accumulation, depositing and payment of funds: The Village Clerk and)or Village Treasurer at the time of making up the payroll or immediately thereafter, shall transfer the monies deducted therefrom under the provisions of this ordinance to a separate account in the United Savings Bank of Tecumseh, Michigan, where they shall be deposited and designated as a "victory tax account, to the credit of the Collector of Internal Revenue." The monies accumulated from such withholdings during each quarter of the calendar year shall be paid by the Village Treasurer to the United States Collector of Internal Revenue for the District in which this Village is located on or before the last day of the month following the close of any such quarter.

Section 3. Report of Tax Withheld. On or before January 31 of each year subsequent to 1943, or when the last payment of wages is made, if employment is terminated before the close of the calendar year, the Village Clerk and)or Village Treasurer shall furnish to each employee with respect to his employment during the calendar year, a written statement showing the wages for the period covered and the amount of the tax withheld and paid in respect to such wages. A Copy of this statement for every employee shall be included with the final return for the calendar year to the collector of Internal Revenue. The afore said officer shall keep such records and make such reports to the Bureau of Internal Revenue of wages paid and the tax collected and paid with respect thereto as that Bureau may require and prescribe.

Section 4. Termination. The taxes to be withheld and collected under this ordinance shall not apply to any taxable year commencing after the date of cessation of hostilities in the present war and the account established for the receiving of the tax funds hereunder shall be closed with the last payment to the Federal Government of the funds withheld. The operation of this ordinance shall terminate at the time or sooner if the victory tax is terminated by Federal action prior to that time.

Section 5. Amendment. The provisions of all ordinances or parts thereof now in effect relating to the payroll procedure of this Village inconsistent herewith or with the provisions of the Revenue Acts of 1942 relating to the victory tax are to that extend modified.

Secion 6. Emergency. This ordinance is hereby declared to be an emergency measure made necessary for the preservation of the public peace, health and safety and to meet the requirements of the Revenue Acts of 1942 and shall take effect immediately.

J. FLOYD ELLIOTT,
Village President.

Attest:
WADE L. JONES
Village Clerk.

Motion made by Winter, supported by Truesdale, that Village Post lights in Business District be lighted from dusk until 12 o'clock midnight. Motion Carried.

CHRISTIAN SCIENCE CHURCH

"Life" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, January 17.

The Golden Text (Romans 6:23) is: "The gift of God is eternal life through Jesus Christ our Lord."

Among the Bible citations is this passage (Ps. 27:1): "The Lord is my light and my salvation; whom shall I fear? the Lord is the strength of my life; of whom shall I be afraid?"

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 289): "Because Life is God, Life must be eternal, self-existent. Life is the everlasting I am, the Being who was and is and shall be, whom nothing can erase."

A classified advertisement in The Herald pays big dividends.

Lucky because I just stopped one in the leg. But Smith and Weinberg and Farley . . . they're dead. *Dead because we didn't have one more grenade to throw!"*

That's an American soldier speaking. Speaking your language.

He's asking for more guns to fight with. More tanks, more planes, more grenades to crack down on the enemy with.

Well, let's give them to him!

Let's *loan* 10% of our pay to the Government. Let's put it in War Bonds. Let's loan Uncle Sant the money to make *more* tools of war.

It's a loan because the money you put into War Bonds *now* comes back to you in ten years *with a healthy bonus of good interest!* For every $3 you lay aside for War Bonds *pays back $4!*

So put at least 10%—not 6%, or 7%, or 8%, but 10% of your pay to work killing Japs and Nazis—and making money for you at the same time! Sign up in the Payroll Savings Plan *today!*

★ ★ ★ ★

WHAT YOU SHOULD DO:

If you are . . .

1. Already setting aside 10% of your pay in War Bonds through the Payroll Savings Plan—boost that 10% if you can.
2. Working in a plant where the Plan is installed, but haven't signed up yet—sign up tomorrow.
3. Working in a plant where the Payroll Savings Plan hasn't been installed, talk to your union head, foreman, or plant manager—and see if it can't be installed right away. The local bank will be glad to help.
4. Unable to get in on the Payroll Savings Plan for any reason, go to your local bank. They will be glad to help you start a Plan of your own.

Officers Installed By Pythian Sisters

The Pythian Sisters met last evening for installation of recently elected officers. Mrs. Claud Gray was installing officer and was assisted by Mrs. Lynn Hubbard as grand senior and Mrs. Mabel Wilson as grand manager. The officers installed were Mrs. Verdi Skinner, most excellent chief; Mrs. Earl Betser, past chief, Mrs. Al Beckman, most excellent senior; Mrs. Duncan Oliphant, most excellent junior; Mrs. Ed Everetts, manager; Mrs. Irvie Raymond, mistress of records and correspondence, Mrs. Frank Gray, mistress of finance; Mrs. C. A. Seitz, protector; Miss Martha Wilson, guard, Mrs. Frank Hoekstra, pianist; Mrs. Alta Lidke, trustee; Miss Nellie Wilson, captain; Mrs. Bert Aten and Mrs. Lynn Harris, delegates to Grand Temple; Mrs. Lynn Hubbard and Mrs. Sidney Wilson, delegates to district convention.

Lunch was served in conclusion.

Girl Scout Notes

BROWNIES

The Brownies have been quite busy lately. Before Christmas they made presents and Christmas cards for their mothers. They had a Christmas party with eats and a grab bag. And did you hear? The Brownies have adopted the hospital. We made them disposal bags and in the near future they will get their much needed pot-holders. And did we have fun? Ask any Brownie about the sleigh ride Tuesday!

JUNIOR HIGH

The Junior High group had a pot-luck dinner at the home of Marilyn Van Winkle on January twelfth. After dinner they all attended the basket-ball game.

INTERMEDIATE

Twenty-nine Girl Scouts and three leaders enjoyed an after Christmas pot-luck and party. We saw no evidences of rationing and there was plenty of everything.

Fifteen of our thirty girls have uniforms. We're tying hard to make it possible for all of us to have them.

We are working on health posters and studying foods to keep us healthy and full of Girl Scout spirit.

ENLISTS AS NURSE

Miss Lillis Brown, R.N., daughter of Mr. and Mrs. Lillard E. Brown, has enlisted in the Army Nurse Corps and reported Tuesday at Station hospital, Chicago.

Miss Brown graduated from Tecumseh high school and Toledo hospital School of Nursing and recently has been a member of the nursing staff at Tecumseh hospital.

WED IN OHIO

Mrs. Nellie Patterson, until recently of Tecumseh, and Oscar Whittaker of Delta, O., were married December 29 and are making their home on his farm south of Delta. While Mrs. Patterson was here, she was employed at the Cozy Cafe and made her home with her brother and wife, Mr. and Mrs. Charles Morris, proprietors of the cafe.

NURSES TO MEET

The Lenawee District Nurses Association will meet Wednesday, January 20, at the home of Mrs. Joseph Fischer in Adrian. Karl Hoch of Adrian will speak on "Civilian Defense."

FOUNDRY ELECTS

Officers and directors of the Bruce Foundry and Manufacturing Company were elected at a meeting at the company's offices, Monday. The directors are William Bruce, B. P. Bruce, D. J. Carson and John R. Zeigler. Mr. Zeigler succeeds the late Glenn L. Williams as a member of the board. The officers are William Bruce, president, Mr. Carson, vice-president, and B. P. Bruce, secretary.

Mecury Sinks To 16 Below

COLDEST WEATHER OR WINTER RECORDED; TRUCKS AND BUSSES ARE HALTED

With the thermometer registering at 18 and 19 degrees below zero, and with the weathermen forecasting continued cold for this section of Lower Michigan, Tecumseh today is digging itself out from a snowfall that in the past few days has mounted to approximately 29 inches, the heaviest in the last decade. Traffic, Tuesday night and Wednesday, was at a snail's pace and garages and service stations reported hundreds of calls from motorists marooned in the drifts.

Official thermometer readings at the Consumers Power Plant here at 9:30 yesterday morning showed the temperature at 16 degrees below the zero mark. In other sections of the town, however, readings as low as 19 were reported. Frosted ears and noses were the order of the day yesterday, and factories reported that workmen by the score were unable to report for the 7 o'clock morning shift. School attendance likewise was hard hit as a result of the storm, busses finding the roads impassable until state highway plows had forced their way through the drifts.

"We haven't seen weather like this in Tecumseh in a coon's age," one garageman said as he returned from a service call. "It's impossible to stand the cold for more than an hour at a time, then we change crews on the wrecker and start work all over again."

Busses, yesterday, as a result of the storm, were reported to be running two hours and more behind schedule, the toughest going being between here and Ann Arbor, and on M-52 between Dillington's Corners and the Underwood hill. The US-112 detour near Manchester was reported next to impassable, and Tuesday night scores of cars, trucks and busses were marooned in the detour section.

Dozens of employees of the Bamber Plant at Willow Run found it impossible to get to their jobs yesterday, and on the County Line Road east of Britton some 27 cars were counted in the drifts. Nearly a score of cars were marooned on the Macon road and abandoned by their drivers.

Ira Ashley, who carries the No. 2 rural mail route out of the Tecumseh office left on his trip as usual Tuesday about 10 a.m., and did not return until Wednesday afternoon at about 2 o'clock. He found the going too hazardous in the Macon area and telephoned to Tecumseh that he was "putting up" at a farmhouse until the storm had subsided and the roads were opened.

Other carriers were not attempting to carry mail to residents on roads that had not been opened by snow plows. Whether the mail would go through today was problematical, it was said, depending upon conditions in the rural areas.

The frigid temperature settled over this section of the state during the late afternoon on Tuesday and by 6 p.m. thermometers stood at one and two below zero. Midnight readings were close to the 10 degree mark and yesterday morning at 8 o'clock it was 14 below. There was a two or three degree dip in temperature during the next two hours.

All of the snow fighting equipment of the state and county was in operation here throughout the night Tuesday and Wednesday and although streets here yesterday seemed deserted, it was declared that main trunk line arteries were passable. Produce and food trucks from Toledo arrived two and three hours late in the morning.

Locally, hundreds of motorists were forced to save their gasoline rationing tickets because of inability to get their cars out of garages or through the heavy street-side drifts. Garages were filled to capacity with "storage" and plumbers reported an epidemic of frozen water pipes.

INFANT SON DIES

Martin J. Ferman, four months old son of Mr. and Mrs. Richard Ferman of Detroit, formerly of Britton, died Monday night in Providence hospital in that city.

His parents and grandparents Mr. and Mrs. Jay Ferman of Britton and a grandmother Mrs. Theodore Martin of Detroit, survive.

The funeral and burial will be held Friday afternoon in Detroit.

Two Fires Here Cause Considerable Damage

Fire which started in a basement stairway did considerable damage at the home of Mr. and Mrs. John C. Brown on North Oneida street Sunday morning. The blaze which was extinguished by the local fire department was confined to the basement but furnishings of the Browns adn those of Mr. and Mrs. John Saling, second floor tenants, were badly damaged by smoke.

The Tecumseh fire department was called to the home of John Gamboe on South Evans street Friday evening at 6:20 where chimney sparks had burned a hole in the roof. The damage was covered by insurance.

Music Club to Give Program

WILL PRESENT ENTERTAINMENT AT EVENING MEETING OF K. 2 MONDAY CLUB

"Paraguay" was the program topic at this week's meeting of the Tecumseh Monday Club. Mrs. Jennie Temple was leader and a paper was read by Mrs. George Green. Mrs. Maynard Mulvany reviewed the music of the country and played the national air.

Next week's meeting of the club will be held in the evening at the Methodist church where a musical program sponsored by the Tecumseh Music Club will be presented. Other clubs of the community will be guests and officers of the Monday Club, the hostesses.

The program will include a cantata by the music club members, and solos, duets and trios by Misses Lois Hatt, pianist, Joan Burr, cellolst, and Jeanne Burr, violinst, all of Adrian. Miss Hatt and Miss Joan Burr were winners of the county music festival awards in 1941 and 1942. Miss Jeanne Burr is a teacher in the Adrian schools.

The following numbers will be presented: Trio, "The Cloud," Mendelssohn, by Jeanne Burr, violinist, Jo Ann Burr, celloist and Lois Hatt, pianist; cello solos, "Gavotte", David Popper and "Liebestraum", Franz Liszt, by Jo Ann Burr; Prelude, Saint Saens, trio; piano solos, original compositions "ripples" and "At Eventide", and Impromptu in C minor, Rachmaninoff, by Lois Hatt; "Ecstasy," Louis Ganne, trio; violin solos, Mozart Concerto No. 4 in D major, Schon Rosmarin, Fritz Kreisler, Jeanne Burr; trio, "My Heart At Thy Sweet Voice", Saint Saens; Cantata "I Hear America Singing" by Walt Whitman and Hervey Goll, with chorus of the Music Club, Mrs. N. Hart, director; Mrs. Harley McConnell, soloist; Mrs. Kenton Hunt and Mrs. George Parsons, accompanists.

The Music Club will meet at 7:00 in the east parlor of the church for a short business meeting, preceding the concert.

Congregation Birthday Chairmen Are Named

Mrs. James C. Murdoch, general chairman of arrangements, assisted by Mrs. M. G. Partridge, has appointed the following chairman for each month, for the Presbyterian congregation birthday party, to be held February 19 in the high school gymnasium.

January, Mrs. Wade L. Jones; February, Mrs. E. E. Davis; March, Mrs. Paul Keyser; April, Mrs. Harold Wilson; May, Mrs. Al Helzrman; June, Mrs. John R. Lott; July, Mrs. Howard Truesdale; Ahgust, Mrs. John H. Smith; September, Mrs. Lynn Harris and Mrs. Don Parrett; Octobe, Mrs. D. J. Carson; November, Mrs. Earl Lindsley; December, Mrs. Frank Buck.

A table will be arranged and decorated for each month and members of the church and Sunday school and church societies, also friends of the church, will sit at the table of their birth month. Each month will furnish one number for the program.

FOUND DEAD IN HOME

Albert J. Westgate, aged 81 years, life long resident of Raisin township, was found dead Thursday in his home by neighbors who had been caring for him occasionally. He had been seen about the place Wednesday and the coroner decided death was due to natural causes.

Funeral services were held Monday in Adrian with burial in Raisin Center cemetery.

FOOTBALL DANCE

Following the Dundee-Tecumseh basket ball game Friday evening, a dance will be held at St. Peter's parish house for the young people of school age.

Aviation Cadet James E. McClure of Tecumseh graduated last week from the Aviation Cadet Center pre-flight school at San Antonio, Texas, and left for primary training fields.

Roll of Honor Dedicated Here

MORE THAN 500 ATTEND PATRIOTIC SERVICE IN PRESBYTERIAN CHURCH, SUNDAY

Men and women of Tecumseh village and township who are serving in the armed forces of the United States, received a fitting tribute on Sunday evening when a pilaster bearing an honor roll that listed some 207 names was dedicated at a community patriotic service at the Presbyterian church. More than 500 persons attended the service and next of kin of the soldiers, sailors and Marines who were present received a beautifully engraved Australian parchment certificate inscribed with the veteran's name.

Dwight L. Dumond, history professor at the University of Michigan and a veteran of World War No. 1 was principal speaker at the dedication service. Professor Dumond, whose son is a veteran of the present conflict and who has been wounded and is now in a German prison camp, warned his audience that today's war is an all-out war that demands all-out effort. The idea that Germany will fall because of internal dissatisfaction is propaganda, he said, declaring that Germany will not fall until its armies have been defeated. Likewise, he pointed out that the Japanese must suffer total defeat before victory will be ours.

The service opened with the singing of "America the Beautiful," and the Rev. Edward Escolme of the Friends church offered the invocation. The scripture reading was by the Rev. E. Thos. Rodda of St. Peter's Episcopal church and Mayor J. Floyd Elliott presented the pilaster as the gift of the Village of Tecumseh.

Leon P. Williamson, whose three sons are in the Nation's service, two in the Navy and one in the Marines, accepted the pilaster on behalf of the community. Briefly, but in well chosen words, Mr. Williamson expressed civic thanks for the tribute.

The Rev. Fr. John A. Ross, pastor of St. Elizabeth's Catholic church here and a veteran of the world war, dedicated the pilaster.

"We must not forget that this war can be lost, and if it is lost we must accept the responsibility," he warned. He then struck boldly at strikes in the anthracite coal fields, and in plants throughout the nation where munitions of war are being manufactured, and declared that something must be done to end these work stoppages if all-out production for victory is to be realized. He recalled that the soldiers of World War I were told that they had given their all in a war to end all wars. How well we have kept that promise, he said, is a matter of history.

The parchments were presented to the next-of-kin by the Rev. O. V. Robinson of the Baptist church and the Rev. Norman MacNaughton of the Methodist church offered the benediction. The Rev. James Cameron Murdoch acted as master of ceremonies and W. L. Berkhof, superintendent of schools, introduced Dr. Dumond. Ray W. Herrick, president of the Tecumseh Products Company, who was to have spoken, was unable to attend the service, being absent from the village.

The honor roll which now bears the names of 207 men and women from Tecumseh village and township who are in service, has been moved to the office of the village clerk, where it will remain for the duration of the war. Each month, as the war progresses and more persons join the nation's forces, names will be added to the roll.

The roll used at the dedication was compiled early in December and for that reason, perhaps, was not as complete as some residents might have expected. However, it is requested that next of kin who know of men in services whose names were not on the roll advise The Herald at once that name plates and parchments may be ordered. It must be remembered that the only names desired for the roll are those of residents of either Tecuseh village or township.

Next of kin who were unable to attend the Sunday service and for that reason did not receive their parchments are asked to call at the office of Wade L. Jones, village clerk. The parchments are there and will be turned over to interested relatives.

INTEREST LACKING

Sufficient replys have not yet been received for the new series of Red Cross Nutrition meetings which will begin the last of the month if enough women are enrolled. Those interested may enroll at once by calling Mrs. Edna Codling, phone 361-R.

FORMER RESIDENT DIES

Word has been received here of hte death of Roger Anthony, a former Tcumseh resident, which occurred January 13 in Chatham, Ontario. He was a son of Mr. and Mrs. Charles Anthony and will be remembered by many here.

Raisin Twp. Red Cross Workers Make Report

The Raisin Township Division of the American Red Cross has accomplished a very commendable amount of work. The sewing groups under the leadership of Mrs. Melvin McWilliams have made 36 nightgowns, 25 bathrobes, 70 boys' shirts, 42 infants' shirts and 40 pairs of boy lined pants.

Mrs. Frank Hedrick has supervised the knitting of 60 sweaters, 20 pairs of mittens, 18 beanies, 2 toddler's suits and 9 helmets.

There are two groups taking the Home Nursing courses under the direction of Miss Zura Kerr and Mrs. D. S. Carmichael.

Inspect Tires or No Gasoline

FEB. 28 LAST DAY FOR B and C BOOKHOLDERS; MARCH 31 FOR A BOOKS

Any doubt as to whether supplementary gasoline ration bookholders will be required to have their tires inspected before they can obtain ration book renewals was banished by a statement issued today by Edwin K. Gemrich, state rationing attorney for the Office of Price Administration.

The OPA has extended tire inspection deadlines for B, C and fleet ration book holders from Jan. 31 to Feb. 28 and for A bookholders from Jan. 31 to March 31. But all motorists still are required to have tire inspections before these books can be renewed, according to Mr. Gemrich.

"Changing of the tire inspection deadlines does not change the renewal requirements in the gasoline rationing regulations," he said. "The law still requires that the inspections must be made before gasoline ration books of all types may be renewed."

Meanwhile, Rex B. Forrister, local War Price and Rationing Board chairman, urged holders of supplementary books to make applications for renewals as soon as possible after Feb. 1. He has announced that forms for this purpose will be available after that date at OPA tire inspection stations and at War Price and Rationing Boards. He said: "The smart thing to do as far as any of this class of bookholders is concerned, is to have his tires inspected this month and get it over with. Then at the beginning of next month, fill out the renewal application and mail it to the rationing board. There will be no need to inclose your tire inspection record at that time."

"The board must have time in which to process this application. The earlier it is sent in, the sooner you will get notification to come in for the book. At that time, bring along your tire inspection record and your car registration cetificate.

"As Feb. 28 approaches, the more difficult it will become to get a tire inspection and to get your renewed gasoline book. It is quite possible because of the large amount of work to be done that B and C book holders who delay until the last minute will be without gasoline rationing coupons on March 1."

Inspection of tires of commercial motor vehicles has been extended to Feb. 28, the Office of Defense Transportation has announced. The previous deadline was Jan. 15.

TP Employees Hear Navy Plea

KEEP MACHINES RUNNING TO SHORTEN LIFE OF AXIS, IS COMMANDER'S WARNING

"Today we own Germany—tomorrow the whole world," that has been the chant of the German nation for the past ten years, and don't kid yourself, they mean it, and they include the United States," Commander L. H. Brendel of the United States Navy told employees of the Tecumseh Products Company when he addressed a mass meeting at the local munitions factory, Friday afternoon.

"Already, some 6,000,000 Europeans are serving Germany as human slaves and it is up to you and to me to do everything in our power to keep out of the clutches of the Axis. We must keep the machines of our factories humming so that it will drown out forever that villainous chant."

Warning that lost days of work only aid the enemy, Commander Brendel urged each employee to see to it that no worker is away from his bench or his machine unnecessarily.

Resistance of the Axis is not sufficient, the commander warned, and he recalled that in Greece there was resistance without full cooperation. In that country today, he said, in the city of Athens alone, 500 Greeks are starving to death daily. Bread on the black market is selling at $4 a loaf and at such a price is difficult to get. The average ration of a Greek is a slice of bread daily with water. And there are days when bread doesn't come, sometimes weeks.

Lieut. E. T. Butler of the United States Marines and who has just returned from Guadalcanal where he saw nine months of active service, also spoke to the assembled workers. Lieut. Butler told how the American Marines are dying in the defense of life, liberty and happiness and he pleaded for an all-out effort in their support.

"The Marines are willing to die and so is every other man in the service of this nation," the speaker said, "But death is not enough, it is munitions and supplies that will win this war. Keep your machines rolling."

The two officers were sent here by the government in recognition of the excellent record that the Products plant has been making in connection with its war production. The plant already has won the Navy E Pennant and the Six Months Service Star as well as the Treasury's Defense Flag.

The meeting was held in one of the Products factory buildings and was attended by more than 300 employees. Ray W. Herrick, president of the company, presided and introduced the speakers, who were accompanied here by Lieut. V. W. Middlesworth of the Detroit ordnance district.

Prior to the talks the Products orchestra played the national anthem and the assembly joined in singing.

IT'S TIME FOR ACTION

In the face of a desperate fuel shortage and in the midst of a world war, 25,000 anthracite coal miners have laid down their tools and gone out on strike.

What are the issues?

The miners want a wage increase of two dollars a day and they also are protesting an increase of fifty cents a month in dues to the United Mine Workers.

Labor union leaders have declared against strikes for the duration of the war. Machinery has been set up to deal with disputes such as these, and yet these strikes continue.

It's time for action, either by the White House or by the Congress. This is not the time to strike, not the time to bicker over fifty cents in dues to a labor union, not the time to shut off the fuel line to our battleships and to our factories that are making the munitions that will maintain America as a democracy.

This is an all-out war. Coal mines and labor unions are not exempt. It is time that Washington officially made such an announcement to Mr. John L. Lewis in language that he and other union leaders can understand.

The boys on our fighting front, in the air and on and below the sea MUST not be let down.

We, on the home front, must see to it that they are not let down. There are ways to settle disputes other than strikes, and this machinery must be set in motion NOW.

WORRIED ABOUT SURPLUSES

Governor Kelly, of Michigan, proposes that his state set aside $15,000,000 or more from its treasury surplus for use in post-war economic adjustments.

The recommendation seems to be wise because no state can foresee what conditions may develop when the war ends. Moreover, it calls attention to the flourishing condition of the various states of the Union, practically all of which now have large surplus funds available.

Just what to do about such a situation is engaging the attention of some of the best legislative minds in the nation.

Inevitably, the demand will be heard throughout the land that the states immediately reduce taxes, thus utilizing the surpluses to ease the burden of tax payers during the period of heavy federal taxation. Naturally, there are other demands, for enlargement of the services of the states to their people, including increased public welfare assistance.

A general rule will be found acceptable to all states. The probability is that most of them will retain some of their surplus funds and adopt a middle course between reducing taxation and increasing expenditure for public welfare.

A clergyman, who had been badly beaten on the links by a parishioner 30 years his senior, returned to the club house rather disgruntled.

"Cheer up," his opponent said. "Remember, you win at the finish. You'll probably be burying me some day."

"Even then," replied the preacher, "it will be your hole."

What You Buy With WAR BONDS

Save now to buy later, after the War. That's good common sense because if you spend now, you help to drive prices up for everything you buy. Durable goods are scarce so invest in War Bonds today and do that house remodeling when Victory is won.

If you have not done so, join a Payroll Savings Plan at your office or factory. If you are not investing at least ten percent in War Bonds, increase your regular deductions on your Payroll Savings Plan. Let's "Top that ten percent."

Kelly to Sign New Time Bill

IF LEGISLATURE CHANGES TIME ZONE, GOVERNOR IS LIKELY TO GIVE O.K.

(Special To The Herald)

Lansing, Jan. 21.—The question of the hour for members of the Michigan State Legislature this week was just that—60 minutes of time.

Should Michigan set back its clock one hour to former Eastern Standard Time which would be the same as Central War Time in Indiana, Kentucky, Tennessee and other states just south of most of the Michigan state line

Or, in the interest of "winning the war", should the clocks be kept just as they are?

Judging from the heated statements being expressed these days, both in the rural areas and in the metropoliton industrial centers, the war itself may be lost or won right here in Michigan, all over these 60 minutes, of time. Controversies have a traditional habit of becoming emotional, and the time issue is rapidly reaching that stage.

* * *

Sentiment among legislators tends to reflect prevalent public opinion of upstate cities and towns, especially those in western counties of the lower peninsula.

Grand Rapids, for example, is in the Chicago orbit. The city council started the fireworks weeks ago by adopting a resolution to return to old time, legislature or no legislature. but members reconsidered it pending action at Lansing.

Among the farmers the 60-minute issue is said to have defeated Murray D. Van Wagoner for re-election. Many growers marked an "X" for Harry F. Kelly in order to protest in the old-fashioned American way of what Kelly's opponent failed to do. But now the hot potato is due to land on Governor Kelly's lap, but there isn't one chance in 10,000 that it remain there.

If the legislature enacts the bill, and such were indications early this week, then Governor Kelly will sign it. Such was the belief at Lansing.

* * *

Why does Washington announce weeks in advance the date when commodities are to be rationed?

Answer: To create a temporary shortage so that consumers will welcome the new restrictions. At least, we hasten to add, this is the interpretation given at Lansing by one state public relations executive whose knowledge of public psychology rates him a top salary.

The OPA and the Office of War Information would differ violently with this Lansing expert. The Washington viewpoint is that the public must be "sold" on the necessity of strict rationing and then informed how it is to be done.

Rationing of canned, bottled and frozen fruits and vegetables, fruit and vegetable juices, dried fruits and all canned soups is to begin in February. Meat rationing will follow, probably in March.

* * *

George Tomlinson of Grand Rapids, state director for victory gardens, Michigan Council of Defense, is trying to convert every idle acre and lot of land into food-growing gardens.

Auditor General Vernon J. Brown announces that a special man will be assigned in Detroit in making arrangements for use of state-owned land for gardens.

The day of "Potato" Fingree, Detroit commoner in the Gay Nineties who went from the mayor's chair to the governor's chair, all because of potato patches and kindred reforms, may return to Michigan in 1943.

Tomlinson adds: Get your vegetable seeds early!

* * *

All sales of five critical used farm machines, whether made by the dealer, auctioneers or farmers themselves, were placed under price control Jan. 5 by the OPA.

Action was taken to relieve farmers from paying excessive prices resulting from rapidly increasing demand. Machines covered: Used farm tractors, combines, corn pickers, corn binders and motor or tractor operated hay balers.

Your favorite home-town newspaper may cost you 1 cent a week if it is a weekly publication, or 5 cents more a week if it is a daily, before next Dec. 31.

Cost of newsprint is due to rise, while revenue from sale of advertising has been steadily declining. Like the Saturday Evening Post which cost only 5 cents as long as advertising revenue could be maintained, the home-town newspaper must adjust its circulation rates if it expects to keep out of the red.

In Chicago the Tribune and Sun have gone to 3 cents; the other dailies have gone to 4 cents. In Michigan more than 50 per cent of the daily papers increased circulation rates in 1942, while only a few weekly newspapers did so.

One bright spot on the home front appears to be the doughnut industry.

It's like this, folks. So many people are staying home at night, playing dominoes, popping corn, reading newspapers, listening to the radio and otherwise avoiding the use of the family car, the demand for evening refreshments has been soaring.

Wife is busy with first aid or Red Cross. Hence, the humble doughnut is suddenly glorified into new importance. If everyone demands doughnuts, the OPA will probably be forced to act. Rationing of the doughnut holes may come yet.

P. S. Prentiss M. Brown of St. Ignace, new OPA administrator, arrived in Washington this week. You can count on Brown to put some old fashioned common sense into practice in this rationing business.

CHILD STUDY CLUB

Hospital Auxiliary Committees Named

Mrs. R. K. Anderson, the new president of Tecumseh Hospital Auxiliary, announces the standing committees chosen for this year's work, as follows: House and finance committee, Mrs. O. W. Farver, chairman, Mrs. C. O. Butler, Mrs. E. M. Campbell, Mrs. W. A. Wright, Mrs. Frank K. Smith; membership, Mrs. C. F. Sage, chairan, Mrs. Albert Bagshaw, Mrs. L. A. Carlson, Mrs. Paul Keyser and Mrs. Harold Sisson; hospital library, Mrs. Donald F. Wright; sewing, Mrs. K. M. Schneider, chairman, Mrs. E. E. Berry, secretary, Mrs. George E. Wilson, Mrs. Joseph Rohweder and Mrs. Paul Ammer; publicity, Mrs. Frank Buck.

The next meeting of the Auxiliary will be held February 9 and will be combined with the graduation program of the nurses aid class. Mrs. Edith C. Smith is chairman of arrangements for this meeting and others serving will be Mrs. B. J. Pulver, Mrs. Ammer, Mrs. George Isaacson and Mrs. and Mrs. Berry.

Because of the large amount of sewing and mending needed at the hospital, two sewing days were planned for this week, Wednesday and Friday afternoons from 2 to 4:30 o'clock. Those who go to the hospital for this work are Mrs. Anderson, Mrs. Schneider, Mrs. George Wilson, Mrs. Rohweder, Miss Ethelyn Garlinghouse, Mrs. Ehinger, Mrs. J. V. Mullaney and Mrs. Ammer. Any persons who would like to do some of the sewing or mending in their homes, may telephone Mrs. Schneider.

JOINS WAVES

Miss Emily Todd, who is employed in the office of the Village Clerk, has enlisted in the WAVES and is awaiting call for training. She is the first woman from Tecumseh to join this organization.

PAUL VON HINDENBURG was a professional soldier with little taste for politics—and little love for the upstart paperhanger, Hitler, whom he had to accept as Chancellor.

After the last war, the shrewd old Prussian put his finger on one prime reason for Germany's defeat: "America's brilliant war industry had entered the service of patriotism. . . . They understood war."

Now history is repeating itself for Hindenburg's successor!

America's war industry *again* is pouring out planes, tanks and guns—meeting production goals that seemed fantastic at first.

Back of this fast-growing military power is *electric power*—far *more* power than Hitler and all his henchmen have—turning the machines that turn out everything from bullets to battleships.

Behind the great bulk of this power are the electric companies under experienced business management—doing their job and delivering electric power in ever-increasing quantities!

And back of it all, of course, is the American way of life at work—where free men are encouraged to invent, invest, produce, and *everybody* benefits.

CONSUMERS POWER COMPANY

THE OLD JUDGE SAYS...

"Judge, I didn't realize till the other night when I ran across an article in the paper what a whale of a lot of industrial alcohol the government needs for the war."

"I should say it does, Chet. I understand the beverage distillers around the country are producing about 240,000,000 gallons of industrial alcohol this year for ammunition, tires, and other things. I'd say it's mighty fortunate these distilleries are available to do the job. Otherwise, if we still had prohibition, the government would have had to spend millions of dollars and use up a lot of critical materials to build plants...to say nothing of all the time it would take. It might have been just another case of 'too little, too late'."

Conference of Alcoholic Beverage Industries, Inc.

What You Buy With WAR BONDS

Stop Spending, and Save for the future. That has been good advice since biblical days. You cannot buy tires today, but you can start saving to buy that new set of tires when they go on the market again.

Your regular investment of ten percent or more of your earnings in War Bonds through your Payroll Savings Plan will provide the necessary funds to buy those tires later and help win the war now. Let's "Top that Ten Percent."

NOTICE—

An Ordinance To Provide for the Collection of Employees Victory Tax Pursuant to the Requirements of the U. S. Revenue Act of 1942

The Village of Tecumseh ordains:

Section 1. Deduction to be made. That, beginning with the first payroll after January 1, 1943, the Village Clerk and /or Village Treasurer is hereby authorized and directed to deduct and withhold from the wages or salary paid to each officer or employee of the village, the victory tax in such an amount as is required by the Revenue Act of 1942, based on the wage bracket withholding authorized under Section 466 (c) (1) of that Act (or 5% of the amount thereof) on every payroll.

Section 2. Accumulation, depositing and payment of funds: The Village Clerk and/or Village Treasurer at the time of making up the payroll or immediately thereafter, shal transfer the monies deducted therefrom under the provisions of this ordinance to a separate account in the United Savings Bank of Tecumseh, Michigan, where they shall be deposited and designated as a "victory tax account, to the credit of the Collector of Internal Revenue." The monies accumulated from such withholdings during each quarter of the calendar year shall be paid by the Village Treasurer to the United States Collector of Internal Revenue for the District in which this Village is located on or before the last day of the month following the close of any such quarter.

Section 3. Report of Tax Withheld. On or before January 31 of each year subsequent to 1943, or when the last payment of wages is made, if employment is terminated before the close of the calendar year, the Village Clerk and/or Village Treasurer shall furnish to each employee with respect to his employment during the calendar year, a written statement showing the wages for the period covered and the amount of the tax withheld and paid in respect to such wages. A Copy of this statement for every employee shall be included with the final return for the calendar year to the collector of Internal Revenue. The afore said officer shall keep such records and make such reports to the Bureau of Internal Revenue of wages paid and the tax collected and paid with respect thereto as that Bureau may require and prescribe.

Section 4. Termination. The taxes to be withheld and collected under this ordinance shall not apply to any taxable year commencing after the date of cessation of hostilities in the present war and the account established for the receiving of the tax funds hereunder shall be closed with the last payment to the Federal Government of the funds withheld. The operation of this ordinance shall terminate at the time or sooner if the victory tax is terminated by Federal action prior to that time.

Section 5. Amendment. The provisions of all ordinances or parts thereof now in effect relating to the payroll procedure of this Village inconsistent herewith or with the provisions of the Revenue Acts of 1942 relating to the victory tax are to that extend modified.

Section 6. Emergency. This ordinance is hereby declared to be an emergency measure made necessary for the preservation of the public peace, health and safety and to meet the requirements of the Revenue Acts of 1942 and shall take effect immediately.

J. FLOYD ELLIOTT,
Village President.

Attest:
WADE L. JONES
Village Clerk.

"Truth" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, January 24.
The Golden Text (Psams 86:11) is: "Teach me thy way, O Lord; I will walk in thy truth: unite my heart to fear thy name."
Among the Bible citations is this passage (II Timothy 2:15): "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 183): "Divine Mind rightly demands man's entire obedience, affection, and strength. No reservation is made for any lesserloyaty. Obedience to Truth gives man power and strength. Submission to error superinduces loss of power."

WOMEN AT WAR

Betsy

The little girl tugged gently at her mother's sleeve.

"Now, Mother?" she asked. "Now can't we write my letter?"

"Why of course, Betsy," Mrs. Carson grinned. "Are you going to write it or am I?"

"Well," Betsy said. "Maybe you'd better kind of say it to me. Only I'd love to write it."

"All right, then, Miss Carson, take a letter," her mother said, walking slowly up and down the room. "Ready? 'Dear Mr. Morgenthau: The way I save money for War Stamp buying is to steer all the small household jobs toward my daughter, who is eight years old. She is so keen about buying War Stamps that I know all the money I might have paid to someone else for doing the jobs will go toward Victory when paid to her.'

"Now make a list, Betsy. 'Windows washed, 60 cents. Apples picked from under the tree, 25 cents. Emptied trash cans, 4 cents. Sold string beans from the garden, 15 cents. Sold strips of spoiled film to children for sungazing, at one cent a yard, 20 cents. Total, $1.24. Yours helpfully, I hope,'—and then I'll sign it at the bottom."

Betsy was puffing like a grampus from her labors. The tall, painstaking letters tottered bravely across the sheet of paper. Gravely Mrs. Carson took the pen to sign.

"Mother, would it be the proper etiquette if I signed it too?"

"Perfectly proper, I think," Mrs. Carson said without a smile, and handed the pen back to Betsy.

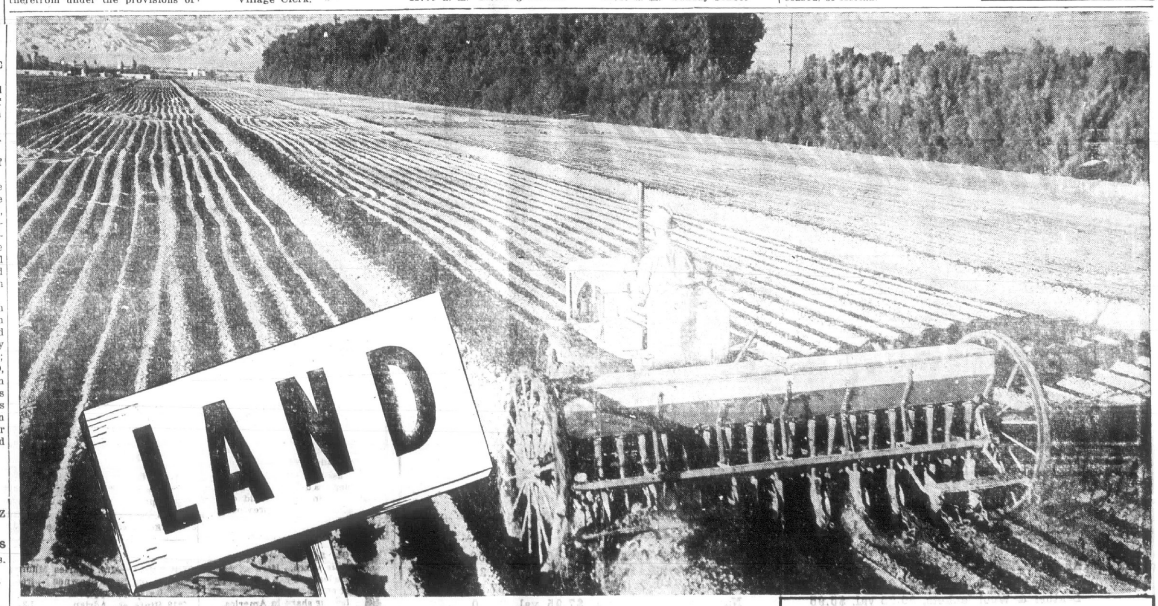
Our Job Is to Save Dollars
Buy War Bonds
Every Pay Day



Buy a Share in America!

LAND . . . Thousands of acres of the finest land in the world . . . black earth, rich loam, green pastures and hills where trees reach to the clouds and their boughs touch. . . . Wide, flat, well-drained land on which corn, wheat, and other crops grow thick and fast.

Also upland farms, stock farms, ranches, and citrus groves as well as truck farms, tobacco farms, and cotton plantations. This land described above is America . . . not 20 acres, not 50 or 100 acres, but all of it that lies between the Atlantic and the Pacific.

How can you buy all that land? What would it cost you? *A dime will buy a share of all of it* . . . a 10-cent War Savings Stamp. Every War Bond that you buy gives you a bigger share of this land *and it is the finest land buy in the world today!*

Your government needs money to win this war, and is offering you good interest and a "money-back" guarantee for it. War Bonds offer the soundest investment in the world. With each Bond purchase you are buying a share of this great, fertile country of ours . . . and protecting your own investment in it, too!

Make EVERY Market Day "Bond Day!" Buy WAR BONDS!

NOTE: Now You Can Buy War Bonds Through Your Rural Postman!

YOU GET A $25.00 BOND FOR ONLY $18.75

Brief Facts About War Savings Bonds (Series E)

How much do they cost? You LEND Uncle Sam	*Upon Maturity You Get Back*
$18.75	$25.00
37.50	50.00
75.00	100.00
375.00	500.00
750.00	1,000.00

What is a War Bond? It is a written promise by the United States Government to pay you the amount of money stated on the Bond.

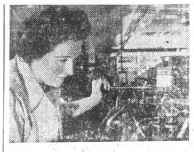
What interest does my money earn? When held 10 years, Bonds yield 2.9 percent on your investment, compounded semiannually. You get back $4 for every $3.

When can I get my money back? Any time after 60 days from the date the Bond was issued. Naturally, the longer you hold the Bond, up to 10 years, the more money you'll get back. But you'll never get back less than you put in.

Can anyone cash the bond? Only the person or persons whose names appear on the Bond as owners.

18% OF HER PAY GOES INTO WAR BONDS

War Plant Worker Buys Bonds for Warrior Husband



Although she has two children to support on her wages as a power press operator at a war plant, Mrs. Mabel W. puts 18% of her pay every week into War Bonds through the Payroll Savings Plan.

Mrs. W. thinks of every bond she buys in terms of what it can do for her soldier husband out in Australia. "Already," she says, "I've bought Jim a Garand rifle and a gas mask in War Bonds. I feel I'm helping to bring him back safe and sound!"

You Can Spare 10%!

Maybe you can't save as much as 18% of your salary in War Bonds. But you can stretch yourself a bit more—make a few "sacrifices"—and reach Uncle Sam's goal of **10% for War Bonds every payday!** Sign up today with the Payroll Savings Plan where you work!

TELLS OF CHINA

Robert Kemp, a missionary who has spent more than 30 years in China and who until very recently was connected with the Boone School in Wuchang, was the guest speaker at the regular noon-day luncheon meeting of the Rotary club here, Tuesday at Brees House. The program was in charge of Yale Kerby.

Mr. Kemp, who is thoroughly familiar with the Chinese customs and the people, gave an interesting close-up word picture of conditions in the country that is now oppressed by the Japanese, and told of bombings that he saw before he left on an "exchange" ship for the United States. He expects to return to China as quickly as conditions permit.

Mr. Kemp is a cousin of Rev. and Mrs. E. T. Rodda.

Robert H. Moore, a new member of the club, attended his first meeting, Tuesday.

MUSICAL SERVICE

On Sunday evening at 7:30 o'clock, Mrs. Helen Crane and Mrs. Gladys Perryman, both of Detroit, will conduct a service of vocal and instrumental gospel music at the Tecumseh Friends Church. They will be using the cathedral chimes and two xylophones. These ladies have many friends in Tecumseh and vicinity as they have been conducting similar services in the Friends church from time to time for the past several years. The public is invited.

LYSTER LEAGUE

The Lyster League will meet Wednesday evening, January 27 at the parish house for a pot luck supper at 6:30 followed by the regular meeting.

Mrs. E. T. Rodda, president of the League, has appointed Mrs. Leland Randall and Mrs. Carl Cedarquist as new program chairmen for the year; Mrs. Lilah Rutherford as chaplain; Mrs. Mary Nichols and Mrs. Ziska Alderdyce as news reporters and Mrs. Wadah Raiszk as secretary in place of Mrs. Clover Dunbar as announced previously.

MRS. MARY SERVICE BURIED HERE, SATURDAY

Funeral services were held Saturday afternoon at Collins Funeral Home for Mrs. Mary Service, whose death occurred January 10 after a ten days illness. Rev. J. C. Murdoch officiated and bearers were William, Charles and H. H. Hanna, Russell Thurlby, Ernest Topps and Duane Service. Members of the Rebekah lodge attended in a body. Burial was made in Brookside cemetery.

WESTMINSTER LEAGUE

The Westminster Junior League met Tuesday evening at the home of Mrs. Curtis Ashley on East Pottawatamie street, with Mrs. E. F. Hess assisting in entertaining. Members of the Lyster League were guests.

Mrs. Frank Beal conducted devotions and Mrs. Stanley Kruse was leader of the program which consisted of a talk on the Red Cross Home Service Department by Miss Clara Waldron, local chairman. Miss Waldron also gave some of her original poems. In conclusion refreshments were served.

WED IN FLORIDA

Miss Nerissa Haight and Sgt. George V. Brady, both of Tecumseh, were married Saturday at West Palm Beach, Fla., where he is stationed with the U. S. Army.

OBITUARY

DALE S. MARSH

Dale S. Marsh, third son of Harry D. and Linnie Marsh, was born April 15, 1901, in Tecumseh where he spent all his life except for a few years in Detroit. On March 24, 1934, he was married to Velda Lee Campbell of Adrian.

He had been employed by Floyd Russell at the Tavern for several years and worked until taken ill of pneumonia on Saturday previous to his death which occurred January 13.

Besides the widow he leaves his father, four sisters, Doris Campbell and Mildred Currier, all of Tecumseh, Bessie Sisson of Adrian, and Wilhelmina Hutchinson of Flint; four brothers Gerald Allen, Arthur Jepson and Earl Marsh of Tecumseh and Pvt. Clarence Marsh overseas; a step-daughter Mrs. Edith Kittle of Macon and step granddaughter Diana Kittle. His mother and a brother Harry preceded him in death.

Funeral services were held Sunday afternoon at Collins Funeral Home. Rev. J. C. Murdoch officiated and bearers were Arthur Jepson, Earl Marsh, Gerald Allen, Claud Hill, Clarence Kittle and Calvin Hutchinson.

Relatives and friends attended from Adrian, Jasper, Flint, Jackson, Macon, Britton, Dundee, Ridgeway and the surrounding community.

CARD OF THANKS

We wish to thank the many friends for the kindness during the illness and death of our husband and son, for the many flowers and kind acts, especially to Floyd Russell, the American Legion, the business men and all those who assisted in any way.

NINETY-THIRD YEAR—NUMBER EIGHTEEN | TECUMSEH, MICHIGAN, THURSDAY, JANUARY 28, 1943 | FIVE CENTS PER COPY

Products Wins Another Honor

FIRST PLANT IN MICHIGAN TO GET BULL'S EYE FLAG; CEREMONY IN FEBRUARY

The United State's Treasury's Bull's Eye Flag, the first one to be awarded in the State of Michigan, has been won by the Tecumseh Products Company and the banner will be awarded with a fitting ceremony, early in February.

The Bull's Eye Flag is awarded for an extremely high per centage of company employees who buy War Savings Bonds on the payroll deduction plan. At Products, 98 per cent of all employees are using the payroll deduction plan, and in the month of December 21.7 per cent of the total payroll—more than one-fifth—was spent for War Bonds.

Ray W. Herrick, president of the company, said that he was in communication with the Treasury department and that the new banner would be presented to the employees of the company, early in February. It is expected that both Army and Navy officers will be present.

This is the fourth honor that has been won by the employees of Products since the company went 100 per cent into war production. On April 27, 1942, Products was awarded the Treasury's Minute Man Defense Flag and the Navy's E pennant, the first factory in the United States to receive the honors simultaneously. In October, the factory was awarded the six months efficiency star on the Navy E pennant, signifying that the plant had kept faith with the government in production. Two weeks ago the government sent a naval officer and a Marine lieutenant to the factory to give employees first hand information of the war and to express appreciation for their excellent production job.

The Bull's Eye Flag to be presented next month, the Treasury department advised Mr. Herrick, is the first banner of its kind to be presented to a Michigan war plant and expressed appreciation to Products employees for their excellent record. At the presentation service, the Treasury said, a similar banner would be presented to the Products Union.

Wm. McCarbery, Wife Married Fifty Years

Mr. and Mrs. William McCarbery life long residents of Britton and vicinity, celebrated their golden wedding anniversary Sunday at their home in Britton with open house from 3 till 8 o'clock for their many friends.

Preceding the reception dinner for members of the family and a few close friends was held at 12:30 at the Britton hotel. About 100 were seated for the dinner.

Mrs. Tim Coughlin of Adrian was mistress of ceremonies for the program which opened with invocation by Rev. Willis Weaver and consisted of vocal selection by Mrs. Belva Welchner accompanied by Mrs. Doris Exelby; remarks by Rev. Weaver, Alexander Gibson and Mrs. Minnie Gittus; musical numbers by Mr. Nixon of Adrian; assembly singing of "Blest be the Tie that Binds."

The dinner place cards were tiny books with gold covers, tied with gold ribbon, and inside were photographs of Mr. and Mrs. McCarbery taken 50 years ago and others of the present time. The dinner napkins were stamped in gold, 1892-1943. The honored couple received many lovely gifts.

Mrs. McCarbery was formerly Agnes Stewart, daughter of John and Mary Stewart and Mr. McCarbery was the son of Henry and Nancy McCarbery, all pioneer settlers of Macon township. They were married January 6, 1893 by the Rev. W. K. Spencer at the Presbyterian manse in Adrian and began keeping house in their new home north of Britton where they lived for 43 years until he retired from farming and they moved into Britton.

They are the parents of four children Ralph McCarbery of Romeo, Mrs. Myrtle McHugh of Royal Oak, Mrs. Veva Coughlin of Adrian and Mrs. Rhea Burch of Saline. They also have 12 grandchildren, three of whom are in the armed forces, Billy McHugh and Paul Coughlin, overseas and John Henry McHugh in the Army Air Corps in Montana.

Guests from Detroit, Royal Oak, Adrian, Ann Arbor, Clinton, Manchester, Romeo, Saline and Tecumseh attended the celebration.

TOWNSHIP TAXES

Until further notice, I will be at the United Savings Bank every Tuesday and Friday for the collection of township taxes, dog tax and insurance.

AMEY K. SCUTT,
Tecumseh Township Treasurer.

NOTICE

Accounts due Dr. R. F. Holzerman may be paid at the office of F. C. Hanna until further notice.

Mr. and Mrs. Jay Pawson Observe 50th Anniversary

Mr. and Mrs. Jay Pawson, former residents of Franklin township, celebrated their golden wedding anniversary Sunday with open house at their home in Onsted. Relatives and friends from Tipton, Adrian, Clinton, Blissfield, Onsted and Tecumseh attended and refreshments featured a large wedding cake trimmed in gold and topped with a golden bell. Mrs. Pawson wore a corsage of golden roses and Mr. Pawson a button hole bouquet, gifts from Mr. and Mrs. Leon Van Tuyle.

Jay Pawson and Carrie Lewis were married January 25, 1893, at the home of her parents Mr. and Mrs. Halsey Lewis of North Adrian, by Rev. William Spence, a cousin of the bride. They made their home on a farm in Franklin township until four years ago when they moved to Onsted. Mr. Pawson celebrated his 78th birthday Tuesday.

They are the parents of two daughters Mrs. Hubert Caulkins and Mrs. Herbert Wheeler of Adrian, and two sons Halsey of Clinton and Milburn of Battle Creek, all of whom were present for the celebration except Milburn. They received a variety of useful and lovely gifts.

Children Enjoy Story Program

ATTENDANCE AT LIBRARY HOUR INCREASES AS DOES DEMAND FOR BOOKS

The Story Hour attendance last Saturday morning increased from 30 to 47 young folks, and all sat in rapt attention while Patricia Hickey, Nancy Tingley, Dorothy Bowen, Joan Lott and Mary Lou Carlson told of King Midas; Billy Button and the Buttered Biscuits, King Arthur and his Knights and Mary Poppins. The last story is told in installments and the next chapter will relate her comical complications with Laughing Gas.

As many pre-school age children are attending the group, there will be two circles this week. The first will include all children through the first grade; the second those from the second, third and fourth grades and up. As older children appear new groups will be formed to take care of their particular reading interests.

The Senior Service Scouts who are in charge will continue the Story Hour at 10 o'clock each Saturday morning as long as popular. This week dramatization of Nursery Rhymes and Fairy Tales will be included in addition to the group already mentioned, Dolores Isaacson and Floris Howe will aid in story telling.

Coincident with the establishment of the Story Hour has been the arrival of a great number of new children's books, beautifully illustrated and charmingly written. Perhaps both factors combined have been responsible for the enormously increased circulation of children's books during the week of Jan. 17-23. Said Miss Ingersoll, librarian, regarding that week: "More children's books have been taken out during that one week than during all the weeks since last July." Miss Ingersoll gives her gratis during the Story Hour each Saturday morning, at the close of which children are permitted to draw books. When one thanks her for her graciousness, she simply beams, "I love it!" Books from the County Library will further augment the supply in the near future.

OFFICERS INSTALLED

The Maccabees met Monday evening at the home of Mrs. Alta Laidke and installed the recently elected officers: Mrs. Lulu Everetts, commander; Mrs. Mertie Waring, past commander; Mrs. Martha Nye, lieutenant commander; Mrs. Ethel Cole, record keeper; Miss Nellie Wilson, chaplain; Mrs. Laidke, sergeant; Mrs. Carrie Saul, moster of arms; Mrs. Eugenia Powell, sentinel and picket; Mrs. Gertrude Pangle, first lady of the guard; Mrs. Frances VanAntwerp, second lady of the guard.

3 SONS IN SERVICE

Corp. Aaron Manwaring has been transferred from Pine Camp, N. Y., to Camp Pickett, Va. This is Aaron's eighth camp in the past 20 months. His brother Clair, who is in the Navy is now stationed at Norton Heights, Conn., and another brother, Vern, is in the Marines, stationed at San Diego, Calif. All are sons of Mrs. Jessie Manwaring of Tecumseh.

BROTHER DIES

Mrs. John Harrison has received word of the death of her brother Wade Hebb, which occurred at his army camp in Wyoming. No particulars of his death were learned.

BAKERY CLOSED

Van's Pastry Shop has been closed this week because of the serious illness of Leroy Van Winkle, proprietor, and the inability to find another baker.

Two Local Boys In New Guinea

COPYRIGHTED ARTICLE PRAISES THE DEEDS OF CONKLIN AND MUNKENSTRUM

Two Tecumseh boys, Carroll Conklin and Sergt. E. William Munkenstrum, are among those mentioned in a copyrighted article appearing in Sunday's Detroit News, written by George Weller, a correspondent with the advanced forces before Sanananda, New Guinea, carrying a date line of January 17.

Weller's story deals with the fighting in and around the village of Tarakena, socket of the American spearhead on Sanananda's eastern seaside flank.

Regarding the activities of the battle, of which Weller writes a running account, he has this to say of the Tecumseh boys:

The infantry's only boat was a black, rubber, bathtubby affair left behind by the Japs which, with only six men in it, was virtually awash. Beyond the question of getting enough men across alive to establish a landing place, the question was who would be the guide back through the Jap fire toward Terakena. The Schwartz-Charnon-Griffith force had been somewhat cut up and a new ocmpany had to be sent.

"Are you prepared to go back into that fire again?" Angas (a lieutenant) was asked, and he answered simply, "Yes, sir."

Seven times Angas took the sagging little Jap toyboat across the creek. When he finished, the beachhead had 40 men.

The last man who had left Tarakena was among those who burrowed into the sand on the far side of the creek bed, opposite Siwori. It was Carroll Conklin, of Tecumseh, Mich. Conklin, who is 32, looks as Hollywood's Oliver Hardy would look if he were twice as big and was employed as a professional hockey player.

Conklin Natural Fighting Man

Conklin is one of those natural fighting men, unfatigued even though they had hiked over the bitter road across the Owen Stanley Mountains, led by Capt. Melvin Shuly, of Muskegon, Mich. He fought at Tarakena with Schwartz and volunteered again with Angas.

On the other shore from Angas' assault party, the command went into the hands of Lieut. James Coker, of Durant, Okla.

"I took the men after the boat landing was established and started along the trail at the edge of the jungle," said Coker.

When Coker was establishing his line along the beach trail, Angas, with 12 men, crawled from their scooped holes on the right hand side of the beach beside the lagoon which is the creek's outlet.

"Holding our rifles and grenades above the water as best we could," Angas said, "we slipped along in water to our waist. The Japs were firing machineguns, just skimming the crest of the beach, but on our side, the creek bed was just deep enough for the fire to pass over our heads."

The situation was now that the swamp column on the left and the beach column in the middle had advanced as far as the sandspit column on the right to get under way. But in order that the enemy's position could be hit by mortars, 37-MM guns and 50-calIber machineguns already smuggled onto the sandspit, it was necessary to feel out the enemy's lines.

In this attack Segt. E. William Munkenstrum, of Tecumseh, Mich., threw grenades with accuracy into the Jap trenches. But the Japs retaliated with their Charlie McCarthy knee-mortars. Munkenstrum shot several Japs in the open field in front of Tarakena, but his force was pinned down.

POTLUCK DINNER

The Royal Neighbors drill team met Tuesday at the home of Mrs. Forrest Louden for potluck dinner followed by the regular meeting and social afternoon.

During the business session officers were elected for the coming year as follows: Mrs. Eva Beevers, president; Mrs. Florence Kopka, secretary, and Mrs. Mary Nichols, treasurer.

Prizes at cards were won by Mrs. Kopka, Mrs. Ziska Alderdyce, Mrs. Jennie Hodges and Mrs. Nichols.

The next meeting will be held February 23, at the home of Mrs. Beevers, with potluck dinner at noon.

MISSION GUILD

The Florence Weld Mission Guild met Tuesday evening at the home of Mrs. Al Heizerman. Miss Marie Koering presided and Miss Mary Whitelock conducted devotions.

The Guild voted to donate $5 toward the purchase of three flags by the Ladies Aid Society, the American flag, the Christian flag and a service flag.

Mrs. M. G. Partridge was leader of the program on "Outlook in Mexico" and was assisted by Miss Bess Spayde, Mrs. Guy Nemire and Mrs. B. E. Davis.

88 Persons Attend Banquet at Friends

Eighty-eight persons enjoyed the mother and daughter banquet held Tuesday evening in the downstairs room of the Tecumseh Friends church. The room was beautifully decorated with U. S. flags and patriotic colors. The service flag of the church and Sunday School was displayed for the first time. This beautiful flag bearing thirteen stars was made by Mrs. Naomi Sallows.

The following was presented: Invocation, Mrs. Percy Slater; assembly singing; Toast to the Daughters, Mrs. Edward Escolme; Toast to the Mothers, Elizabeth Mary Escolme; piano solo, "The Green Cathedral" Joyce Ruby Sallows; reading "The Story of Beethoven's Moonlight Sonata" by Mary Jane Hayden, with piano accompaniment by Margaret Comfort; selections by the ladies quartet composed of Mrs. W. L. Berkhof, Mrs. Escolme, Mrs. Perry Hayden and Mrs. Naomi Sallows.

The address of the evening was given by Mrs. Vercia P. Cox, a missionary home from China.

Delinquency is On the Upgrade

JUDGE TRIPP BLAMES BUSY WAR TIMES, MOTHERS WORKING FOR SHARP RISE

Child delinquency is on the upgrade, in fact there has been a 40 per cent increase among girls and 20 per cent among boys since Pearl Harbor, Judge Maurice E. Tripp told members of the Tecumseh Rotary club at their noon-day luncheon meeting, Tuesday, at Brees House. The reason for the delinquency, the judge believes, is the nation's all-out war effort, with both fathers and mothers at work and the children shifting for themselves.

Judge Tripp believes that "an ounce of prevention is worth a pound of cure," and for that reason he urges that in homes where both mothers and fathers work, an effort be made to stagger the hours so that one of the parents may be with the children, especially during the evening and night hours. He cited instances in his court where children have been brought in for one offense or another, and he laid the blame for delinquency directly at the parents' doorstep.

It costs approximately $500 a year to keep a prisoner at Jackson and that is an expense upon the taxpayers of this state. If we can prevent crime—and it is a community project, this crime prevention—we can save ourselves a lot of money," the judge said.

Judge Tripp also urged public cooperation in the March of Dimes program in connection with the President's Birthday Ball declaring that one-half of all funds raised remain in the home county. Much good has come in Lenawee county from this project, he said, and he also pointed out that more than $250,000 has been returned to Michigan from the national organization for research work in state colleges.

Judge Tripp was the guest of Guy E. Belding, who had charge of the program.

Music Club Presents Program at Monday Club

Misses Jeanne and Jo Ann Burr and Miss Lois Hatt, all of Adrian, presented an excellent musicale at this week's meeting of Tecumseh Monday Club held Monday evening in the Methodist church parlors, which were filled to capacity. The program was sponsored by the Tecumseh Music club and the youthful musicians gave a variety of solos, duets and trio numbers as follows: Trio "The Cloud" and "Prelude", Jeanne Burr, violin, Jo Ann Burr, cello and Lois Hatt, pianist; cello solos, "Gavotte" and "Liebestraum", Jo Ann Burr; trio, "My Lady Chloe"; piano solos, "At Eventide" and "Ripples" an original composition, Lois Hatt; violin solos, "Malaguena" and "Midnight Bells", Jeanne Burr; trio, "Ecstasy."

Members of the Music Club presented a cantata "I Hear America Singing" under the direction of Mrs. N. Hart, with Mrs. Harley McConnell as soloist; Mrs. Kenton Hunt and Mrs. George Parsons, accompanists.

"Argentina" is the topic for next week's meeting of the Monday Club with Mrs. Raymond Platt as leader. Miss Ethelyn Garlinghouse will give a paper on "Argentina" and Lenore Larsen will appear in a group of South American dances.

Hostesses are Mrs. Howard Matthews and Mrs. Floyd Waring.

Out of town guests at the musicale were Mr. and Mrs. Roswell Burr of Adrian, Mrs. Mabel Sylvester of Onsted, Mrs. Athol Brainerd of Sprinville and Mrs. Mae Dillion of Hudson.

AUXILIARY TO MEET

The American Legion Auxiliary will meet Monday evening, February 1, at the Legion hall.

Post-War Peace Needs Religion

MORE INTENSIVE RELIGIOUS TRAINING FOR YOUTH STRESSED BY MINISTER

The return of the family altar, a more aggressive and broader program of religious education for youth, and a greater desire on the part of the church membership to introduce Christ into the lives of non-members were the fundamentals stressed by Dr. Frederick H. Olert, minister of the First Presbyterian church, Detroit, when he addressed a men's meeting at the Presbyterian church here, last Thursday evening. The dinner program was sponsored by the board of trustees and attendance ran well over 100.

Looking to the day of the universal church with a true missionary spirit, Dr. Olert pointed out that in the post-war days to come the people of the totalitarian countries who have been trained in the ways of Nazism must be given a new hope if a lasting peace is to prevail. The spirit of Christ, he declared, must be carried to these people and His teachings permitted to replace those of the "modern devils" who have brought war, death, misery and suffering to the entire world.

"I am asked, if I had my life to live over again would I choose the ministry as my vocation. My answer is yes. I am proud to be a minister, and proud of the opportunities the ministry presents. I know of no greater work than that of acting as the bridge over which men and women trod on the road to Christ."

Dr. Olert urged greater fellowship within the church and the community that the church, itself, may present a more solid Christian front in its work.

The Rev. James Cameron Murdoch, pastor of the local church, presided at the meeting. The assembly voted to hold five or six similar dinner programs during the coming year.

John R. Thompson, a member of the church board, spoke briefly. The invocation was by the Rev. Harold Paul Sloan, also of Detroit, and W. L. Berkhof led in group singing.

The local Presbyterian church, now in its 114th year, has well over 300 communicants. The Rev. Mr. Murdoch, who has served locally for about a year, has introduced a program to double the church membership and to bring about improvements to the church property, including the excavating and finishing of the church basement, alterations to the front of the sanctuary and the installation of a new organ, or the rebuilding of the present one.

A canvass of church membership in Tecumseh shows that in the village and the township there are 2,600 residents who do not have church connections.

CHINESE MISSIONARY WILL SPEAK HERE

Mrs. Carson W. Cox will give a series of addresses on China and the Chinese people at the Tecumseh Friends Church as follows: Thursday (tonight) 7:30 p.m. "Commerce and Christianity in China"; Friday, 7:30 p.m. "Education and Christianity in China"; Sunday, 10 a.m. "The Church in China"; Sunday, 7:30 p.m. "The Love of God". Mrs. Cox has spent about twenty-two years in missionary labors in China and she is familiar with conditions in Shanghai, Nanking, and Kunming (Yunnanfu) the latter the capital of Yunnan, through which runs the Burma Road. Mrs. Cox worked the last five and a half years in Kunming, where, for ten months she experienced intense bombing by the Japanese.

He leaves the widow Hannah, three daughters Mrs. A. A. Stanley, Mrs. C. J. Hook and Mrs. E. C. Banks, all of Detroit, one son Melvin of Toledo, a sister Mrs. Charles Howe north of Tecumseh and a brother Hugh Kerr of Toledo, also eight grandchildren and one great grandchild.

The funeral and burial were held in Detroit.

Draft Boards Issue Warning

CLASSIFICATION CARDS MUST BE CARRIED BY REGISTRANTS UNDER PENALTY OF FINE

All men in Michigan between the ages of 18 and 38, who have been subject to Selective Service registration for as long as six months and who do not have their classification cards, were advised today by State Selective Service Headquarters to communicate with their local boards at once. On and after February 1, any man in this age group who does not have in his personal possession his Classification Card (Form 57) as well as his Certificate of Registration is liable to fine or imprisonment, or both.

The recent order of the Selective Service Bureau of the War Manpower Commission, setting the February 1 deadline for possession of Classification Cards by men of military ages, has met with prompt response in Michigan, it was reported. Many registrants are reporting to their local boards, requesting classification or asking that lost Classification Cards be duplicated. However, it is believed there are still a few who have failed to get in touch with their boards because of carelessness or negligence.

Registrants in the 45-to-66-year-old group are not affected by the order. There are relatively few men in the state who can be considered as delinquent, according to Selective Service regulations, for failure to keep in touch with their local boards. Nevertheless, in the present emergency no man will be allowed to avoid military responsibility.

Food Rationing Plan Revealed

POINT SYSTEM EXPECTED TO BE PUT INTO EFFECT SOMETIME IN FEBRUARY

Des Moines, Ia., Jan. 28—The Office of Price Administration for the first time has revealed details of the general food rationing program, expected to begin before the end of February.

How the program will operated was explained by Kenneth E. Stauffer, chief of the OPA's processed food division. He spoke recently before retail and wholesale grocers from nine Midwestern states at the first of several regional meetings to acquaint the food industry with the program.

The following foods, constituting more than 200 grocery items, will be rationed immediately when the program begins:

Canned—Fruits, vegetables, all soups, juices, baby foods;

Bottled—Juices, soups, catsup, chili sauce;

Frozen—Fruits, vegetables;

In jars—Fruits, vegetables, soups, juices.

Meat will be rationed later in the program. Sugar and coffee already are rationed.

Under the program a consumer will be permitted to shop in any grocery store. He may buy expensive or inexpensive brands of food. The number of items he may buy will be limited, however. If he buys high point-value items he will get fewer cans than if he buys low point-value items. He will have to learn to budget his ration points as well as his money.

Before rationing begins the sale of canned goods and other items to be rationed will be frozen for one week. Sometime during this week every consumer will have to register for Ration Book No. 1. Registration was expected to be held again in schools.

Each consumer should be prepared for registration in three ways:

1. He must have with him and show all No. 1 ration books for himself and every member of his family;

2. He must know how many commercially canned, or otherwise preserved foods he has at home;

3. He must be able to say how much coffee he had at home as of November, 1942.

The consumer will continue to use Ration Book No. 1 for buying coffee and sugar.

At the registration site, the consumer will be given one Ration Book No. 2 for each member of the family, regardless of age. These books must be carefully preserved.

Ration Book No. 2 has two sets of stamps, one, red, and the other, blue. The red stamps are for meat, the blue stamps for canned foods. Since meat will not be rationed immediately, the blue stamps will be used first.

Each stamp has both a letter and a number on it. The letter shows when that stamp may be used. The number shows its value.

The letters run from A through Z, except for the letters I and O which are omitted. Each letter appears on four stamps. Thus, there are four A stamps, four B stamps, and so on. In all, there are 90 blue stamps in Ration Book No. 2.

The stamps will be used in three letter groups. That is, stamps with A, B and C on them will be used during the first ration period. Then stamps with D, E and F will be used during the second ration period. And so on. The length of each ration period will be announced later by the OPA.

Since each letter appears on four stamps, and since three letters may be used, a total of 12 stamps may be spent during each ration period.

One of the four stamps under each letter has a figure 8, one has a 5, and one has a 2 and one has a 1. Thus, with three letters in each ration period, the consumer will have three 8-point stamps, three 5-s, three 2's and three 1's. This is a total of 48 points per ration period per consumer.

During the week sales are frozen, the OPA will announce the point value of the various rationed items. Abundant foods will be assigned lesser value in points. Scarce foods will be assigned greater value in points.

The point values of the rationed goods will be announced in the newspapers and will be posted in grocery stores.

O P A ANNOUNCEMENT

On account of the increasing amount of detail work required of the employees of the Lenawee County War Price and Rationing Board, the board requests the cooperation of the public by adoption of office hours from 9:30 a.m. to 4:30 p.m. daily, except Wednesdays when the hours will be 9 a.m. to 12 noon. This schedule will be effective February 1.

A NEW VERSE FOR "AMERICA"

The songs of a nation are symbolic of the spirit of a nation. We, as Americans, sing proudly of the "Star Spangled Banner", of "Columbia, the Gem of the Ocean", of "America, the Beautiful", and most reverently, of "My Country 'Tis of Thee". All of them are stirring, heart-touching songs that breathe of patriotism.

But one thing more is needed. We have learned in this war of travail and in this time of trouble, that not only are we not isolated from the rest of the world, but that we are all one people, no matter from what shores we have come, nor to what faith we owe allegiance. We have learned that being an American is not a mere accident of birth, but a state of mind, that to be truly American is to offer a devotion, religious in character, to the cause of democracy, to accept wholeheartedly the credo that all men are created equal.

Dr. Henry Harold Horne, Professor of Religious Education at New York University, sensing the yearning for an expression of the brotherhood that is democracy, the faith that has brought about the United Nations, has written a new verse for "America"—one which does not detract from pride of country, but which gives it further, broader meaning.

"Father of Every Race,
Giver of Every Grace,
Hear us we pray!
Let every land be free,
May all men brothers be,
All nations honor Thee,
Now and for aye."

Dr. Spencer Miller, Jr., State Highway Commissioner of New Jersey, and long a leader in workers' education, has made a suggestion to the school board of his state, which should be made by each and every one of us in our own communities—namely that this verse be added to "America" and be sung as the final stanza on all occasions.

Join in singing this new song. Make this expressive verse your theme song of faith in victory, not merely of the war but of the peace to come, when the spirit of brotherhood shall find practical application in the lives of all mankind.

This is the creed of America. It is this for which our fathers fought, for which we today are fighting—freedom, not for ourselves alone, but for all the peoples of all the earth. By virtue of our laws and our traditions, our hands are clasped in fellowship with all those who believe in the fatherhood of God and the brotherhood of man. Let us sing of this proudly, and acclaim to the world what we all believe and by what we live!

GOOD REASON

"Why is it that you go steady with her?"

"Well, because she's different from other girls."

"How's that?"

"She'll go with me." —Froth.

Fuel is Ammunition--
Waste Aids the Enemy
To waste fuel in times like these—when transportation is limited and labor is scarce—is an unconscious way to aid the enemy.
That is why we tell our customers to burn the type of fuel in their heating plant that is most advantageous, and also, urge them to install storm doors and windows and properly insulate their homes.
Insulation Pays It's Own Way
Records show that insulation will pay its own way, that it will actually return a sufficient saving in fuel over two or three heating seasons, to offset its cost.
That is the economic side of the picture. Besides the savings you make you also have the comforts of a much warmer home in winter, a much cooler home in summer.
Won't you come in and discuss your home-heating problem with us? We will be glad to give you the benefit of our years of experience.

What You Buy With WAR BONDS

Save now to buy later, after the War. That's good common sense because if you spend now, you help to drive prices up for everything you buy. Durable goods are scarce so invest in War Bonds today and do that house remodeling when Victory is won.

If you have not done so, join a Payroll Savings Plan at your office or factory. If you are not investing at least ten percent in War Bonds, increase your regular deductions on your Payroll Savings Plan. Let's "Top that ten percent."

ability merely because of failure to keep his local board advised of his whereabouts.

While, after February 1, those registrants who fail to carry their Classification Cards will be liable to fine, imprisonment, or both, State Headquarters made it plain that neither arrest or prosecution of violators of the Selective Training and Service Act, or Regulations promulgated under it, is the function of the Selective Service System or of its agents, including local board members. The Federal Bureau of Investigation investigates most of the cases, as the Department of Justice is authorized enforcement agency. When there is suspected delinquency, the case is referred to the appropriate United States District Attorney.

Violators of the Act, or its regulations, are liable under the law to a maximum fine of $10,000, or five years in prison, or both.

So that each registrant in Michigan will comply with the order requiring possession of Classification Cards as well as Registration Certificates, State Headquarters issued the following guide:

(1) If he is subject to registration he should be registered and have his Registration Certificate (Form 2) in his possession.

(2) If he belongs to an age group required to register as long as six months ago, exclusive of the 45-to-65-year-old group, he should have his Classification Card (Form 57) as well as his Registration Card in his possession, not later than February 1.

Those subject to the new requirement who are not in compliance with it or not certain whether they are in compliance should:

(1) Register at the nearest local board if they have not registered, and obtain their Registration Certificate (Form 2).

(2) Go to or write to their local board if they have not received their Classification Card (Form 57) and be certain that their local board knows their proper address where mail will reach them at all times.

(3) If they have received a Classification Card (Form 57) and have lost it, they should so notify their local boards, requesting a duplicate.

Any man who is not certain of the address of his local board should go to the nearest local board and ask that a communication from him be referred to the board having jurisdiction over the area which he described as his place of residence at the time he registered.

COURAGEOUS CHINA

Speaking out of an experience of about twenty-two years in China, Vercia P. Cox will give four addresses on China and the brave Chinese people, as follows:

"Commerce and Christianity in China" Thursday at 7:30 p.m.

"Education and Christianity in China", Friday at 7:30 p.m.

"The Church in China", Sunday at 10 a.m.

"The Love of God", Sunday at 7:30 p.m.

Plan now to hear each one of these stirring messages.

"JESUS, THE BREAD OF LIFE"

Sunday at 11:15 a.m. we consider another of the great lessons from the Gospel of St. John. The aim of the lesson is "to appreciate what the miracle of the feeding of the five thousand reveals about the sufficiency of Christ for the world's spiritual need." We have a fine group of men in the men's class, and they have a cordial welcome for any man who is not connected with any other Sunday School. Text John 6:1-35.

CHRISTIAN ENDEAVOR CHALLENGES YOUTH

Are You Preparing For a Rainy Day?

Now, while wages are big and employment is steady is the time to prepare for the "rainy day" that is likely to arrive during the post-war period.

The purchase of War Savings Bonds and Stamps regularly, and the laying aside of additional dollars in a savings account are the best ways that we know to prepare for the "rain".

Why not open a savings account today? Or, if you have an account, resolve to add to it regularly each pay-day.

Let's Talk About Money . . . and WAR

When you hear that bombing planes cost $335,000, tanks $75,000, anti-aircraft guns $50,000—And when you hear, too, that America needs 60,000 planes, 45,000 tanks, and 20,000 anti-aircraft guns at once—

It doesn't take much figuring to see that winning this war calls for every dollar all of us can scrape together. With our freedom at stake—with our farms, families, even our very lives depending upon the outcome, we'd gladly give this money.

But we aren't asked to do that. Our Government asks us only to lend the money—to put our increased earnings into War Bonds—month after month—until this war is won. In doing so, we save for our own security as well. For we get back $4 for every $3 we invest, when the Bonds are held 10 years. And if we need the money, we can get it all back any time after 60 days from issue date.

This is the American way—the volunteer way—to raise the billions needed for Victory. And the money can . . . will . . . must be raised.

So let's show them that the farmers of America are helping to win this war in two vitally important ways—by producing more Food for Freedom and by saving more in War Bonds.

WOMEN AT WAR

Irene

When Irene got home from the airplane factory she was good and tired. This was the hour, after work and before dinner, that she always looked forward to. Her private name for it was "My sissy hour." Into it, these days, she packed all the lazy, luxurious little things she loved—things that used to take up a lot more than an hour of her peace-time days.

She sat down at the little desk in her room. You could tell quite a lot about Irene from that desk. The water-glass filled with the small bouquet of flowers she sometimes bought on the way home. The paper-weight of pink marble. The thin, crackly blue air-mail stationery. And the big, framed photograph of a young man in a corporal's uniform—as good-looking a man as Irene was pretty. On the blotter pad lay the telegram that had come that morning just as she was leaving for work.

With those long, well-shaped fingers she reached for a sheet of paper. She nibbled the end of her pen for a bit, and then she wrinkled up her nose at the picture of the soldier and began to write, "Dear Mr. Morgenthau", but the corporal's name was Jackson and she called him Pete. Her round handwriting spread across the page. "My boy friend is with the A.E.F. in Ireland. He has cabled me fifty dollars with which to buy a diamond ring. I've been thinking it over and decided to buy a War Bond to help Uncle Sam instead. This may help to bring my boy friend home sooner, and then he can help me select my ring."

Slowly she began to sign her name. "Irene ——"

There is No Substitute For Quality in Food

In these days of war we are hearing a lot about substitutes, something that will make the coffee, the sugar, the butter go just a little farther. Housewives are doubly conscious of the need for substitutes, and rightfully.

But we pause here to remind you that there is no substitute for quality in foods. Top notch quality is needed more right now than ever before. Your food dollars must do double duty, as does the food you eat to produce energy.

At Anderson's there's no substitute for quality. Our customers buy with complete confidence.

There's More to Your Laundry Than Washing Your Clothes

Yes, folks, there's far more to doing the family washing—if it's done properly—than washing the clothes in soap and water.

Clothing, today, you know, requires washing care. Proper cleansing agents must be used, water temperatures must be correct, and in the ironing, heat regulation is all-important if that newness of material is to be retained.

Allies Certain Of Axis Defeat

LATE SUMMER BROUGHT TURNING POINT IN BATTLE AGAINST HITLER

Washington, Jan. —Our present optimism in regard to the ultimate outcome of the great war rests upon a solid foundation which can be best appreciated by reviewing the situation that existed a year ago.

In January, 1942, the outlook was dark for the United Nations everywhere. The Japanese moving at an accelerated pace in the Far East, Marshall - Rommel launched his drive against the British in North Africa, German U-boats were striking powerful blows in American coastal waters and, while the Red Army was beginning its Winter offensive, there was no hope of a decisive victory in Russia.

In the late Spring and Summer, the Allied fortunes reached a distinct low. Germany was again on the offensive in Russia. The armies of Japan were completing the conquest of rich colonial areas in the Far East. There was concern lest the two Axis powers effect a junction which would enable them to supplement their war efforts. There was worry about the fate of Egypt and steady German progress in Russia added to the anxiety of the democratic nations.

June was a month of peril. Sevastopol was besieged and the Germans surged toward the Don. Rommel swept into Egypt and British control of the Near East quivered. However, June brought the great naval victory off Midway, the RAF pounded the Rhineland cities of Germany and Churchill conferred with President Roosevelt in Washington. They decided on the great offensive in North Africa and secret orders were issued for the stupendous preparations which had to be made.

Despite the check of Rommel's army at El Alamein, the month of July saw the capture of Sevastopol and the evacuation of Rostov as the Nazis started into the Caucasus. In the Far East, the Japanese landed in New Guinea to begin their drive on the Allied base of Port Moresby.

In August, the Nazis approached Stalingrad as Mr. Churchill conferred with Stalin in Moscow. The most hopeful event of the month, however, was **the landing of U. S. Marines in the Southern Solomons in a surprise stroke which initiated our offensive strategy in the Southwest Pacific.**

September seemed to confirm the turn of the tide in August as Hitler nullified his drive in Russia had failed, warning the Germans that "we must hold everything and wait to see who tries soonest." In the Pacific there were additional indications that the Japanese had lost the initiative as they began their retreat in New Guinea.

October found the Germans making little progress in Russia while in Egypt, the British, after defeating Rommel's attempt to break through at El Alamein, were beginning to batter his fortifications. Encouraging was the major air and land and sea attack in the Solomons where the United States won the "first round" as the Japanese fleet withdrew.

November brought news that altered the complexion of the entire struggle, Rommel's army broke and fled under the attack of the British Eighth Army and on the preliminary force landed in French North Africa. The seventy-six-hour campaign was ended by an armistice arranged through Admiral Darlan, giving the United Nations control of Algeria and Morocco, strategic areas in the battle for the Mediterranean and control of the South Atlantic.

Immediately, the Germans occupied all France, except Toulon, where a little later, the French fleet was scuttled to foil a Nazi effort to seize the warships. During the middle of the month, the greatest naval battle since the first World War, lasting three days, took place in the Solomons area, ending in a great victory for the American fleet, including surface ships and aircraft.

Subsequently, in November, the Germans and Italians in Africa fled precipitately although Axis forces thrown into Tunisia managed to hold an important tip of Africa against light Allied forces racing ahead to seize Tunis.

In Russia, the Red Army opened its Winter offensive and the Australians and Americans made significant gains in New Guinea, taking Buna and threatening the entire Japanese position in that area. On the last day of the month, the third round of the battle in the Solomons began, ending after two days, when the Americans again repulsed Japanese efforts to reinforce Guadalcanal.

The closing month of the year witnessed a continuation of successes by the United Nations in Russia, in the Far East and in North Africa. Clearly, as 1942 ended, the initiative was in the possession of the Allies and there was definite evidence that the German air force was suffering under the strain of battle and, in the Far East, the Japanese exhibited similar weakness, coupled with an apparent lack of merchant shipping.

When the year began, the United Nations were playing for time in which to marshal their forces. During the year, the production of war material and the training of fighting men proceeded, with more than one million American soldiers being sent overseas.

As 1943 begins, it is clear that the United Nations, apparently acting in harmonious concert, are ready to launch heavier and more decisive blows against the Axis powers in Europe and in the Far East.

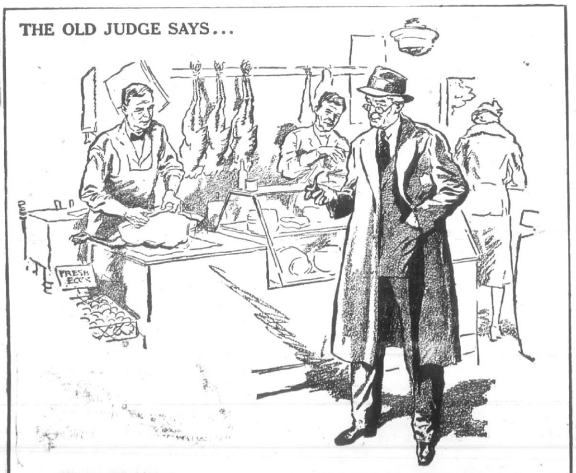
THE OLD JUDGE SAYS...



"Quite a discussion some of the boys were having down at lodge meeting last night, Judge...you know, in the anteroom before the election of officers."

"Sure was...and Herb was dead wrong. The alcoholic beverage industry *does* account for more taxes than any other industry. I checked the figures in my office this morning. Why the figure on alcoholic beverages is pretty close to a billion and a half dollars a year. Lucky thing we haven't got prohibition or the government would have to make up the money some other way. And there's only one answer to that—more taxes. You know what that would add up to?... about $25 more taxes a year for every man and woman in the country. In other words you and Sue would have to pay about $50 more in some form of tax. I guess about the only ones who'd come out ahead on that deal would be the bootleggers and gangsters."

"Love" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, January 31.

The Golden Text (Jude 1:21) is: "Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life."

Among the Bible citations is this passage (Matthew 9:35): "And Jesus went about all the cities and villages, teaching in their syhagogues, and preaching the gospel of the kingdom, and healing every sickness, and every disease among the people."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 494): "Divine Love always has met and always will meet every human need. It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since to all mankind and in every hour, divine Love supplies all good."

EAT, DRINK and BE MERRY...

Have a good time—*you're* not out behind a gun with the ground trembling beneath you.

You're not on a battleship with death screaming out of the sky all around you.

You're not in a trench, knee-deep in mud, with a thousand rifle and machine-gun barrels waiting for you.

Have a good time!

Order yourself a swell dinner tonight. A little turtle soup with sherry to start, then a filet mignon. And top it off with a coupe aux marrons.

Stock up on suits—there's going to be a shortage. Use all the tricks you can think of to get more than three gallons of gas a week for your car so you can go joy-riding on Sunday.

Gamble for a little more at bridge. Spend your money like water. Inflation's here—bring it on faster. What do *you* care if the world goes to pot?

Eat, drink and be merry . . . *and then try looking yourself in the face in a mirror.*

Mister, this is *your* war as well as the soldiers' war. And if you think "life as usual" is doing your bit . . . if you think that "getting by" is awful patriotic . . . then take yourself into a dark room and think things over.

Ask yourself what you're doing to help win this fracas. And ask yourself what *more* you can do. And *do* it!

Above all, ask yourself if you're really buying enough War Bonds. And then buy *more.*

And if you can't find enough patriotic reasons to put 10% of your income into them, then try these very personal reasons on yourself:

▶ 1. War Bonds give you a systematic means of saving money. *Systematically* is the only way anybody ever saves.

▶ 2. War Bonds pay you 2.9% interest at maturity—higher interest than any other Government security being offered today.

▶ 3. War Bonds will provide you with a grand backlog for all the good things the post-war world will bring.

And if those reasons aren't enough, well—*why do you want to stay in this country anyway?*

War Time Bill Is Hot Potato

SOMEBODY IS GOING TO BE DISGRUNTLED, REGARDLESS OF WHAT LEGISLATURE DOES

(Special to The Herald)

Lansing, Jan. 28.—Consider the political importance of Michigan farmers on issues of price parity and war time and on the public careers of Prentiss M. Brown, Murray D. Van Wagoner and Harry F. Kelly:

Prentiss M. Brown, a lawyer at St. Ignace (pop. 2669) who "made good" at Washington, lost the Michigan election last fall by 28,000 votes. There were that many farmers in Michigan who didn't like his courageous and independent stand on the matter of farm parity in the price control bill before Congress.

In opposing the racket-busting Homer Ferguson of Detroit, Brown had the political fight of his life. He needed every vote to win. Yet he stuck to his convictions, opposed the American Farm Bureau Federation, National Grange and the Milk Producers association on the issue of giving the farmers more than parity for their crops, and was defeated by Judge Ferguson by a margin of votes which easily could have been a few thousand disgruntled farmers.

* * *

Today, as the new administrator of the Office of Price Administration, the small town lawyer from the Upper Peninsula has one of the most difficult and disagreeable tasks at the nation's capital.

He will try to sell rationing of gasoline, tires, food and whatnot to the American people. This assumes correctly that at present it is not "sold" altogether to the nation, and such may be the case.

As some citizens see it, the vitriolic Leon Henderson (Mr. Brown's predecessor) made the mistake of trying to impose the same pattern of transportation rationing upon every square mile of land in the United States, disregarding the obvious fact that transportation needs vary according to facilities.

* * *

The new OPA czar, as the newspapermen like to characterize anyone who has authority at Washington, has the canny ability of getting along with folks.

Prentiss Brown may be expected to talk little, act deliberately, and try always to keep in touch with "the folks back home."

He will return in February to sound out opinion in Michigan on various problems, and he has already indicated an intention of making the state an experimental "test tube" in the matter of food rationing, particularly in the industrial war centers.

In rationing food, Brown again finds himself dealing with farmers. That is a bit ironical, perhaps, for a man who staked his political future on a personal conviction of what was right.

* * *

Murray D. Van Wagoner also risked his future in vetoing the Michigan legislature's time bill.

He lost the election by 72,000 votes.

There are political observers who believe that this veto alone cost Van Wagoner the election. You will find this theory popular among upstate Republican legislators, especially among those in the western counties of the state.

Again, here is an illustration of how a man's personal conviction (incidentally it was not backed at that time by the attorney general in any formal opinion, such as Rushton issued recently to the legislature) may affect a political career.

* * *

The political plight of Prentiss Brown and Murray D. Van Wagoner brings a parallel case in 1943:

What will the Republican legislature do to the time bill?

And if the legislature enacts a straight return to Eastern Standard Time for the entire state, what will Governor Harry F. Kelly do about it?

A few days ago, when this column was being written, the house of representatives had approved a bill which provided for two time zones: War time for the Detroit metropolitan area and standard time for the upstate rural area. The Senate was given the chore of ironing out possible legal flaws as to constitutionality and to arrive at some judgment of what was best for the public.

In the first place, Governor Kelly owes his election to upstate counties.

Van Wagoner carried Wayne county, the Detroit area. The Democratic majority in Wayne county was reduced considerably by the popular Kelly of Detroit, and the evident favor which his running mate, Dr. Eugene Keyes, enjoys among the voters.

Second, Governor Kelly is endeavoring to represent the "people of Michigan", not the farmers, not the factory worker, not the merchant—but the collective public.

He asked the legislature to investigate carefully the question of time before it acted. This attitude was criticized by some persons, and we personally believe in hasty error, as "hedging" on the subject. They do not know Kelly. This man acts slowly, deliberately, carefully ALWAYS.

* * *

A third observation: Regardless what the legislature does, or does not do—regardless of what the governor or does not do—the "people" must expect to contend with TIME INCONVENIENCE as one of the sacrifices expected in a war.

Let's put it this way: If the time is not changed, then the farmer and others who do not approve the present time, will continue to be inconvenienced. Farm production may be handicapped by loss of labor daily on thousands of farms.

If the time is changed for all the state, then the vast armament production program in Michigan—and this runs upwards to 14 BILLION DOLLARS in 1943!—may encounter handicaps in difference of time between Washington and Michigan. That is also an inconvenience in production, to put it mildly.

If TWO time zones are established, one for the eastern industrial belt of Michigan and another for the upstate rural counties, the citizens of each zone will be inconvenienced every time they deal outside of their own area.

From a war production viewpoint, eastern war time for the industrial war workers and eastern standard time for the farm war worker would result in the greatest efficiency in output of munitions and food, respectively.

But regardless of what is done, you cannot escape the annoyance of inconvenience. It sums up to about this: Which will be the greater inconveniences—one uniform time for everyone, industrial worker and farm worker alike, or two sets of time, one for each group? Take your choice.

But no matter which is done, everyone must expect sacrifice. It is part of the price of winning a war.

Victory Via Vegetables

Why is Rationing necessary.

Regardless of the volume of food production, it will be increasingly difficult to maintain a desirable level of food supplies because of difficulties in processing and distribution.—Roland Welborn, member of the Agricultural War Relations Committee, Washington, D. C.

Tin-Cans must go to War

In a year's time we normally use enough steel in tins cans to build a fleet of TWO HUNDRED 10,000 ton FREIGHTERS or FOURTEEN THOUSAND 30 Ton TANKS. You certainly want to do your share in winning this war.

Save Rubber used in Transportation

72,000 carloads of fresh fruits and vegetables were taken to urban markets in 1941. Of this quantity 45 per cent was moved by truck, and in September 1941 25 per cent of those trucks were already out of business. 30,000 carloads were moved by boat. There are entirely out of the picture. Other ways are not available to transport this.

It is estimated that a community can save 50,000 to 150,000 ton miles of potential freight, by growing and preserving their own food stuff.

Co-operation and planning will secure you plenty of food.

M.S.C. Speaker Feb. 11th

Two people from the Michigan State College divisions of Home Economics, and Horticulture, will be here at the High School at 2 p.m., to help you with "Your Family Food Supply". Be sure to come, and find out all about it.

NECESSARY RECORDS NEEDED BY ALL STOVE DEALERS

On or after December 20, 1942, all dealers, wholesalers and manufacturers must keep for two years (a) a permanent record containing the following information:

(1) The number of complete new coal or new oil heating stoves in their inventory at 12:01 a.m. on December 18, 1952;

(2) The date of each delivery of new coal or new oil heating stoves received by them on or after 12:01 a.m. of December 18, 1942, the name and address of the person or firm from whom such equipment was received and the number of stoves of each type received;

(3) The date of each sale of new coal or new oil heating stoves made by them on or after 12:01 a.m. of December 18, 1942, the name and address of the person to whom such stove was sold, the type of stove sold, and the serial number of the Certificate received for each stove if sold to a consumer.

No reports need be filed at the War Price and Rationing Board under this Ration Order No. 9 unless the Office of Price Administration specifically requests them.

LYSTER LEAGUE

The Lyster League met last evening at the parish house for a pot-luck supper followed by the regular meeting.

Tecumseh May Keep War Time

COUNCIL IS EXPECTED TO TAKE OFFICIAL ACTION AT MEETING FEB. 16TH

A special meeting of the Village Council on Tuesday evening, February 16, to consider the problem of whether or not Tecumseh should remain on Eastern Standard War Time or turn its clocks back one hour, as has been authorized by the Michigan Legislature, was announced today by Wade L. Jones, village clerk. Mr. Jones said that the meeting was not called especially to consider the time problem but he declared that it would be discussed and some action taken. The primary purpose of the meeting, he said, is to receive any outstanding bills against the village that the books may be closed for the fiscal year.

The time change, as provided by state law and optional with the municipalities of the state, would set clocks back one hour at midnight on Monday, February 15. Tecumseh, Mr. Jones said, will not set its clocks back on Monday, however, unless the council decides to hold a special meeting before that date and takes some action.

In the next few days, it was indicated, members of the council intend to contact manufacturers here and determine whether they prefer the present War Time or the time that is one hour slower. It is believed that the council will be guided in a large measure by the reaction of the manufacturers.

Detroit has indicated that it will not turn its clocks back despite the legislative act and a week ago a poll in the City of Adrian showed that there, too, the fast time would be retained. However, farmers have declared themselves almost 100 per cent in favor of the slow time and some believe that inasmuch as Lenawee is principally a farm county the slow time should be adopted.

The council held its regular meeting here Monday evening but there was little business to be transacted except for the audit of current bills and the receipt of reports from committees and officers.

Mrs. Elizabeth Meads Dies In Hospital Here

Mrs. Elizabeth E. Meads, aged 82 years, widow of the late George Meads, died early Monday morning at Tecumseh hospital where she had been taken the day previous. Mrs. Meads was born in Kansas but had lived in Tecumseh over 30 years and made her home at 601 South Evans street.

She leaves seven sons, Dr. Edgar Meads of Oxford, Dr. Jason B. Meads of Jackson, Charles E. of Lyons, O., Arthur of Milan, Allen of Conroy, O., Oscar and Homer of Tecumseh; two daughters, Mrs. O. E. Rose of Springfield, Ore., and Mrs. Hazel G. Hyder of Tecumseh, five sisters, Mrs. Alice Craig and Mrs. Grace Morrison of Los Angeles, Mrs. Martha Mitchell of Glendale, and Mrs. Jessie Hunt of Long Beach, all in California and Mrs. Hattie Turner of Marshfield, Oregon; two brothers Edward Hudsspeth of Mulhall, Okla., and Lambert Hudspeth of LaHabra, Calif.; also 34 grandchildren and 20 great grandchildren. Mr. Meads' death occurred in 1932 and a daughter passed away in Oregon last year.

Funeral services were held Wednesday afternoon at the Belding Funeral Home, Rev. Edward Escolme officiated and burial was in Hillcrest Memorial Park in Jackson.

Important Announcement At St. Peter's, Sunday

An important announcement, of interest to all parishioners and communicants, will be made at the eleven o'clock service at St. Peter's Episcopal Church next Sunday morning, February 7. At that time a plan will be explained for a new church activity, which, according to the Rev. E. Thomas Rodda, rector, is unique in the diocese. The Rev. Mr. Rodda urges that all parishioners make a special effort to be present at this service.

Preliminary details of the plan are not available but will be fully explained on Sunday and further announcement made in The Herald in ext week's issue.

The regular Holy Communion will be celebrated at that service.

WED IN ADDISON

Hollis E. Bournes of Tipton and Mary C. Rutkofsky of Ypsilanti were married Sunday evening by Justice U. L. Sanders in Addison. They were attended by Mr. and Mrs. Fred Westfield.

Mrs. McIntyre Is Buried Here

FUNERAL SERVICES HELD ON MONDAY FOR WELL-KNOWN LOCAL WOMAN

Mrs. Hettie E. McIntyre, widow of the late John A. McIntyre, died Friday morning in her home on South Ottawa street, after several months illness. Mrs. McIntyre, who was 75 years of age, was formerly Hettie Cadmus, a daughter of the late John and Charity Swick Cadmus, and one of a family of eight children. She was born in Raisin township October 10, 1867, and was married April 15, 1894, to John McIntyre, who preceded her in death in 1927. Previous to her marriage she taught in the rural schools and later served as treasurer of the Tecumseh Board of Education. She was a member of the Methodist Church, Tecumseh Monday Club, the Order of the Eastern Star, the Research Circle and Temple Dependable class, the Pythian Sisters and Pythian Past Chiefs club.

Survivors are four daughters, Miss Agnes McIntyre and Mrs. Helen Sisson of Tecumseh, Mrs. Ethel Newman of Dallas, Texas, and Mrs. Isabel Moore of Detroit, one son J. Alton McIntyre of Detroit, a sister Miss Agnes Cadmus and a brother John Cadmus both of Tecumseh, also three grandchildren.

Funeral services were held Monday afternoon at the Collins Funeral Home, Rev. Norman MacNaughton officiated. Members of the Monday Club attended in a body. The bearers were Roy Cadmus, Percy Cadmus, Charles McIntyre, Wayne Sowers, Clark Ford and Royal Fisher and burial was in Brookside cemetery.

Relatives from away who attended services were Mrs. George Newman of Dallas, Texas, Mr. and Mrs. Frank Moore and J. A. McIntyre of Detroit, Mr. and Mrs. W. J. Morse, Mrs. Charles McIntyre, Charles McIntyre Jr. and Miss Daisy Davis of Monroe, Mr. and Mrs. Clark Ford of Rockwood, Mr. and Mrs. Royal Fisher and J. E. Wood of Dundee, Mr. and Mrs. Wayne Sowers and Mrs. W. D. McIntyre, Mr. and Mrs. Wm. Budwit and Charles Miller of Adrian and William Swick of Macon.

Study of Human Might End Wars

MAN MUST LEARN TO LIVE WITH MAN, IS THE OPINION OF PSYCHOLOGIST

Predicting that there will be no end to wars until the people generally have learned to "live with each other," Dr. Norman MacNaughton, professor of psychology at Adrian College and pastor of the Methodist church here, delivered an interesting 30-minute talk to the Rotary Club on Tuesday, following its noon-day luncheon at Brees House.

"When man has learned as much about the people with whom he associates as he now knows about the air in which he flies, then we will be nearing our goal," Dr. MacNaughton declared. He pointed out that man's success in aeronautics is due to his knowledge of the air. "He has become the master and is no longer afraid," the professor said.

Freedom, the psychologist pointed out, is not doing what you like to do but liking to do what you are doing. He observed that some Nazis are in a sense free because they like to do as they are doing.

People generaly, he said, should not get a false sense of security due to smugness, pointing out that too great a sense of security is sometimes ruinous. A lack of security keeps men on their guard.

"It is much easier to swim than to walk and less tiresome," Dr. MacNaughton said, "and still many of us are afraid to swim. The reason we are afraid is that we lack security. We are afraid of the water, we want to keep too much of our bodies out of the water. Tests, however, have proved that under proper training infants can swim quite well at four months."

Dr. MacNaughton pointed out that our nation comprising one-fifteenth of the world's population controls 47 per cent of its wealth. "That is why other people are jealous of us. That," he declared, "is something else for us to think about."

If the world is to live in harmony, he believes, then there must be a more thorough understanding between its inhabitants.

Dr. MacNaughton was the guest of th Rev. James Cameron Murdoch, pastor of the Presbyterian church.

Mrs. Louis Roberts, Tipton Resident, Dies

Mrs. Louis A. Roberts, aged 82 years, a resident of Tipton for many years, died Wednesday morning at the home of her daughter, Mrs. Roy Cline in Findlay, O., where she and Mrs. Roberts had been since October. She was born in Deerfield and was a member of St. Alphonsus Catholic church in that village.

She leaves her husband, three daughters Mrs. Cline of Findlay, Mrs. Beulah Crane of Tipton and Mrs. Lela Munson of Toledo, three sons Sherman Cooley of Traverse City, Alfred Cooley of Edmore and Willard Cooley of Alma, and one brother Henry Leonard of Bowling Green, O.

Funeral services will be held Saturday morning at 9:30 at St. Alphonsus church in Deerfield and burial will be in Deerfield cemetery. The body will be taken to the funeral home in Deerfield today.

Boys Chorus of 18 To Appear on Sunday

The Boys Chorus of 18 members under the direction of Mrs. O. V. Robinson, will make its initial appearance at the Baptist church on Sunday morning February 7. They will sing "Marching With The Heroes" and "I Want To Be A Christian", a negro spiritual with solo parts taken by Richard Hoag, David Green, Roy Baker, Jack Gillin and Darwin McClure. Donald Everhart will also play a cornet solo.

This is also Boy Scout Sunday and local Boy Scouts have been invited to attend the morning service, in observance of Boy Scout Week February 6-13.

House and Contents Destroyed By Flames

Fire, which broke out in the kitchen of their home, Friday morning shortly after 9 o'clock, completely destroyed the house occupied by Mr. and Mrs. Don Morley. The house is owned by Miss Emily Bailey of Adrian, formerly of Tecumseh, and is located at 201 North Democrat street, corner of Logan.

The fire department answered the alarm but the blaze spread so rapidly it was impossible to save the house or contents. All furniture and clothing were included in the loss which is partly covered by insurance. The loss on the house also is covered by insurance.

Neighbors responded with clothing for the children who were still in their night clothes, at the time of the blaze. Mr. and Mrs. Morley are staying with her parents, Mr. and Mrs. Irvie Raymond and two of their children are with relatives in Hillsdale.

Christian Endeavor To Mark Anniversary

On the evening of February 2, 1881, in the parsonage of Williston Church a young people's society was organized by Rev. Francis E. Clark at that time pastor of the Williston Congregational Church in Portland, Me. This society had a very small beginning but at the present time extents to all parts of the world.

On Sunday evening the Christian Endeavor Society of the Tecumseh Friends Church is observing the 62nd anniversary of this great society known as the Christian Endeavor Young People's Society. They are to have complete charge of the Sunday evening service which will be held at 7:30 at the Friends church.

The speaker of the evening will be the president of the Lenawee County Christian Endeavor Union, Robert Barton of Blissfield. He will speak on the Christian Endeavor motto, Always for Christ and the Church.

Other features on the program will be a vocal solo by Gordon Comfort, a piano trio by Mary Jane Hayden, Margaret Comfort and Joyce Sallows, a paper on the Life and Works of Francis E. Clark, founder of the Christian Endeavor has been prepared and will be given by Elizabeth Mary Escolme. Others taking part on the program will be William Hayden, Ardis Drewyor and Naomi Sallows.

This meeting is open to the public and all interested are invited to attend.

Mrs. Orris Tubbs, 39, Britton Resident, Dies

Mrs. Orris Tubbs, aged 39 years, died early Saturday at Tecumseh hospital where she had been a patient about a week. Mrs. Tubbs was formerly Muriel Stotler and the family moved to Britton from Ottawa Lake four years ago.

She leaves her husband, two daughters, Mrs. Wallace Hartley of Tecumseh and Eloise at home, one son Lavon at home, her father Bert Stotler of West Branch, two brothers Rex Stotler of Toledo and Budd of West Branch, a sister Mrs. L. McCrae of Eden, O., and two grandchildren.

The body was removed to the Niblack Funeral Home in Britton where funeral services were held Monday afternoon. Rev. A. B. Johns officiated and burial was in Whiteford Center cemetery.

Food Rationing Starts March 1

SALE OF CANNED GOODS TO BE HALTED FEB. 20; REGISTRATION NEAR

The sale of canned goods, fruits, vegetables, soups and other commodities to be rationed by the Office of Price Administration, will end at midnight on February 20, and the actual rationing of the foodstuffs will begin on March 1, Washington announced yesterday. Dried vegetables will not be included in the rationing.

How the registration will be accomplished in Lenawee county is expected to be made known this week. It is likely, however, that the work will be carried on much in the same manner as when Ration Book No. 1 was issued—through the public schools.

At the time of registration, which can be accomplished by one member of the family, an inventory of rationed goods on cupboard shelves must be declared. Macaroni, olives, canned milk, chili and home canned goods do not count and neither do cans holding less than eight ounces. Cans larger than eight ounces must be declared if households have more than five such cans for each member of the family.

The rationing of foods will be done on a point basis, the point value of coupons to be announced later.

It is expected that the rationing of meat will begin about April 1.

Mrs. George H. Kay, Former Resident, Dies

Mrs. George H. Kay of Pleasant Ridge, a former resident of Tecumseh, died Saturday night at Grace hospital in Detroit after a few days illness from pneumonia. She was nearly 84 years of age.

Mrs. Kay was formerly Libbie Edwards and was born in Tipton, spending her life in this community until the family moved to Detroit several years ago. Mr. and Mrs. Kay celebrated their 50th wedding anniversary February 18, 1936.

33rd Birthday For Boy Scouts

"TOUGHEN UP, BUCKLE DOWN AND CARRY ON TO VICTORY" IS SLOGAN ADOPTED

"Toughen Up! Buckle Down! And carry on to Victory!" has been chosen as the theme for this year's Boy Scout Week, February 6-12, which marks the 33rd Birthday of the Boy Scouts of America. Special emphasis is being placed on all those Scout activities which build physical health, mental alertness and moral strength for growing boys. Along with this program, Scout leaders are rededicating their Troops and Patrols to the Civilian Defense, salvage and kindred tasks which Scouts have been performing as their share in the war effort.

Approximately 400,000 Boy Scouts are aged fifteen or over, and it is entirely possible that they may see military service before the conflict ends. Army chiefs have praised Scout training as ideal pre-induction preparation, and both the Navy and the Merchant Marine have asked national Boy Scout headquarters to help enlist former Sea Scouts as special officer material.

The theme is designed to make better soldiers and sailors—as well as better citizens—by emphasizing the outdoor hikes, camps and cruises which develop stamina. Scouting practices which develop mental alertness, such as stalking, tracking, observation, signalling, compass and map work, will be stepped up, along with night "commando" stunts and message-to-Garcia hikes which build self-reliance, resourcefulness and initiative.

Funeral on Tuesday For Richard Hathaway

Richard Hathaway, aged 73 years, retired farmer, died Saturday night at the home of Charles Butts on West Logan street after a weeks illness. He had been in failing health for some time. Mr. Hathaway was born July 13, 1869, in Dover townsh i the son of Mr. and Mrs. Jacob Hathaway. Will Discuss War Gardening

FOOD FOR VICTORY AND HOW TO GROW IT, TOPIC AT MEETING HERE FEBRUARY 11

There will be a drastic reduction in the amount of fresh vegetables for sale to the general public this summer and next winter, due to government regulation. This, coupled with the rationing of other foods, will make it necessary for each family to supplement purchases with fresh foods direct from their own garden.

The nutrition experts declare that a family of five needs about 3,000 pounds of vegetables per year. This means that if the average to receive its share of vegetables, a victory garden will become a necessity.

On February 11, two specialists on gardening from Michigan State College will discuss the family food supply. This meeting will be held at the Tecumseh high school at 2 p.m.

If you would like to learn more about:

1. What a home garden will do for you and your family.
2. How to plan a garden.
3. What to plant.
4. How much to plant.
5. How much food to produce for each person in your family for an adequate years supply.
6. How much food to store and how to store it.
7. Money saving that come form a garden; then attend this meeting.

These two specialists will answer the above questions and any other problems for you. They are driving 80 miles to help you, so be sure that you and your neighbors hear them.

In planning the garden they will discuss (1) The grouping of crops and order in which to plant. (2) Space between rows. (3) Varieties to plant for best results. (4) Location of gardens. (5) Amount of each vegetable to plant. (6) How to increase the productiveness of a small garden. (7) Some vegetables for a change on the menu. (8) The Don'ts of gardening.

After discussing how to produce these good things to eat, they will also give instructions on the preservation and storage of graden products.

Your ration book supplemented by a good garden will be a big benefit next winter.

FANTASTIC!

The better brains of the country have been drawn into the war administration. Politics has to be forgotten when a burglar has a gun at your head.

Domestic problems have been largely sidetracked in the public mind, as they have seemed superficial compared with the war.

Bureaucracy has run wild in Washington. The simplest acts in family life have been made complicated issues. One has but to read the requirements for cutting up a beef in order to comply with price ceilings, to see how confused a local butcher must be. Running a grocery or merchandise store has become a problem so complicated that stores are going out of business by the thousands. Instead of receiving cooperation from government bureaus, everyone is threatened with a $10,000 fine or ten years in jail, or both, as the penalty for every failure to comply.

The people are heart and soul for winning the war on the battle-front. Boys from every family are there. We are proud of the results they are accomplishing. The people are also heart and soul for winning the production and distribution problems on the home front to back up our whole war effort. But they are beginning to open their eyes to waste and confusion and politics as usual on the home front.

The situation has become fantastic and it is high time that thousands of bureaucrats who never raised a chicken, a hog, or a cow, and who never produced an article by manual labor, and who never maintained a payroll or sold a yard of goods, be replaced by men who know something of the actual problems of production and distribution.

Let brains come to the top in domestic affairs as they have in military affairs.

THERE IS A DIFFERENCE

Captain Eddie Rickenbacker, after returning from his gruelling experience in the South Seas and his inspection of fighting fronts, is the only man who has said what the American people needed to hear in connection with production problems. In the newspapers and in the news reels he said that if the soldiers could be transferred from the hell holes they occupy on the battle-fronts, to our factories, and if the employes in the factories could be transferred to the battle-fronts, production in this country would double in thirty days.

By the tone of his voice and his expression, you could see that he was disgusted with the Pollyanna talk about workers at home being classed as filling "battle stations."

Captain Rickenbacker emphasized that nothing the people in this country can do will in any measure equal what the boys on the battle lines are doing. They don't get overtime pay and they work day and night if necessary.

The people screw with Captain Rickenbacker. Battle stations are where the bullets fly and men are dying; where men work as long as there is something to do; where orders are obeyed; where overtime pay and profits are not an issue; and where the perpetuation of liberty and freedom for the individual are the guiding stars.

Wartime Priorities Affect Your Clothes-

Yes, we no longer can buy clothing as we did a few months ago because wartime priorities have affected the manufacture of garments.

That's why its mighty important to care for the clothes we now have—through careful laundering.

We use nothing but soft water in our laundry work and we know how clothes should be washed to add life to the garments.

For washday satisfaction, bring your family washing to us.

Our Labor Problem Is Your Problem, Too

The next time you order fuel there are a few things that you should consider, things that will aid you and aid us, and help our defense program.

First, you should anticipate your fuel needs a few days in advance and order your coal before you are out.

Second, your coal bin should be ready to receive the fuel when our truck arrives.

Third, your driveway should be open, cars should not be parked in "blocked" places, and cause our trucks unnecessary delay.

Fourth, order as much coal as your bin will hold, but not more. We do not have time to send our men into your coal bin to "store away" your fuel.

The reason we are making these requests is because of the acute labor shortage, not only here but throughout the nation.

We are attempting to give our customers the best possible service, and we urge their cooperation in our effort.

A CAR PUT "TO BED" IN DEAD STORAGE REQUIRES AN EXPERT JOB OF PREPARATION FOR STORAGE. ELSE IT DETERIORATES FASTER THAN IF DRIVEN CAREFULLY AND SERVICED PROPERLY. PREPARATION FOR STORAGE COSTS ABOUT $30.

WHEN A CAR IS NORMALLY "ON THE GO" IT EASILY THROWS OFF MOST OF THE WATER THAT HITS LUBRICATON POINTS. WITH MINIMUM DRIVING, WATER STAYS THERE LONGER, CAUSES RUST. A GREASE JOB AT LEAST EVERY TWO MONTHS IS A WISE PLAN.

Is Your Car pro-Japanese?

Of course, you wouldn't keep it long if you really thought that it was, but, consider. Does your car waste precious gas and oil so necessary in our war effort? If it does, then such waste if helpful to our enemies.

Why not see us and stop the waste and spend the savings for Stamps and Bonds?

Land is 700 miles away—

BUT WHICH WAY?

WHEN you go overboard from a sinking plane or ship, you've got to *know* where you are. A bad guess is your last guess.

You've got to understand sun and stars and wind and drift—if you hope to endure long days of thirst and hunger—and steer a course to safety on white sand.

Practical, applied knowledge of the kind that helps men survive the sea can also be a national life-saver on dry land.

Because America's manufacturers *know how*, our booming war production is the biggest in the world. Because America's electric industry *knows how*, our war plants have available far more electric power than all the Axis countries combined.

And *seven-eighths* of all this vast supply of power is provided by the electric companies under business management. They've stepped power production *up* and *up* to meet all industrial demands. They've reduced rates so that the average American family gets *twice as much electricity for its money* as it did 10 to 15 years ago.

These are the accomplishments of experienced men and women who *know* their business because they learned it the American way—by growing up in it and advancing on ability. These are the results of sound business management under public regulation—the system that has made America strong.

Mrs. Guy Pocklington will be leader of the program at next week's meeting of the Tecumseh Monday Club when "A Day in a Naturalization Court" will be presented.

This sketch was compiled by Mrs. Naomi Williamson and the late Mrs. Jennie Law Hardy from actual courtroom procedure, with a few numbers added for entertainment value. It was first produced here about 15 years ago and proved so popular that it was repeated in Ypsilanti, Adrian, Ann Arbor and surrounding towns. The script has been brought up-to-date but is virtually the same, as when first given. The "candidates" all wear appropriate costumes.

The cast of characters follows: Judge of circuit court, Mrs. B. J. Pulver; Clerk of court, Mrs. T. Rentschler; federal examiner, Mrs. L. A. Carlson; applicants for naturalization papers, Christina Fasting, Norwegian, Mrs. Kenton Hunt who plays a Norwegian composition witness, Hilda Jungquist; Sister Rose Marie, a French nun, Miss Ethelyn Garlinghouse; witness, Mme. Carpenter, Mrs. Earl Wickwire; Melitza Njagus, a Montenegran, Mrs. William Barnes; witness, Elena Karageorgevitch, Mrs. Leon Temple; Nora O'Reilly, an Irish woman, Mrs. P. B. O'Brien; witness, Mrs. Finnegan, Mrs. Harold Wilson; Enrico Garibaldi, Italian laborer, Mrs. Fred Sheldon, who recites in Italian dialect; witness, Maria Lanni; Slavka Wichterlova, a Czcheck, Mrs. Al Helzerman; witness, Marfo Zonfall, Mrs. I. W. Boltz; Mme. Cavalleria Rusticana, Italian opera singer, Mrs. J. M. Mulvany, who sings an Italian aria; witness, Mrs. Zanardelli; Gusta Dropavtski, a Yugo-Slavian peasant, Mrs. Clarence Hunt; representative D.A.R., Mrs. Edith Cotton Smith; representative of Legion Auxiliary, Mrs. Al Bagshaw.

The program will be given in the Sunday school room of the Methodist church, after a short business meeting which will open at 2:30 p.m. Members of the D. A. R., the Legion Auxiliary and any groups interested in Americanism are invited to atend as guests of the Monday Club.

No meeting was held this week because of the funeral of Mrs. John McIntyre, a member for many years. The program on "Argentina" scheduled for February 1, will be presented at the February 15 meeting.

HARMONY HOME MAKERS

The Harmony Home Makers will meet Wednesday, Febsuary 10, at the home of Mrs. Elmer Barleson, with a potluck dinner at noon followed by a social afternoon. The co-hostesses are Miss Fern DePuy, Mrs. Ralph Atchison and Mrs. Roscoe Hewlett.

MRS. AURELIA GOMEZ DIES IN HOSPITAL

Mrs. Aurelia Gomez, aged 17 years, died Thursday at Tecumseh hospital. She was the wife of Louis Armando Gomez and with her husband made her home with her parents Mr. and Mrs. Inez Santos near Britton. The men have been employed at Tecumseh Products Company, for some time.

Besides her husband and parents she leaves a sister also of near Britton.

The body was taken to Cotulla, Texas, for burial and was accompanied by the parents and husband.

Our Customer's Interest Is Our Interest, Too

In these times, when every can of food you buy must be made to return nourishment and energy for defense, we fully realize that it is our obligation to sell only top quality foods.

Such a policy, however, is not new in our store. We have sold only quality foods for several decades, in fact we have built our business on quality.

Inferior quality foods have no place in our store. Our customers buy with confidence today just as they have bought for a generation.

Do Your Duty By a VALENTINE Beauty

Please Her with a Gift for the Home!

A NEW RUG

If she were to choose, we'd gamble she's put a majority of her votes on a new Bigelow Sanford Rug for one of the rooms in your home. Why not choose a new rug as her Valentine gift? Visit our rug and carpet department.

CURTAINS - DRAPES

Curtains and drapes do make the home look brighter and we are certain that she'd be very happy with such a gift. If you are not just sure of the size or pattern, feel free to purchase and permit her to exchange. That's our policy.

ARMSTRONG LINOLEUM

Yes, we carry the famous Armstrong Linoleums in a large selection of patterns. Right now we are offering linoleums at a very low price. Choose a pattern for her kitchen or bathroom. We also have Room Size Rugs.

GIFTS FOR THE BEDROOM

Of course she will be very proud of any gift that you might make for her bedroom. If not a new rug, why not a new mattress, a new spread, or sheets or pillow cases.

Despite shortages of materials, we still have an excellent stock to show you at a price that you'll instantly recognize as a bargain.

This year, for Valentine's Day, give a practical gift—a gift for the home and for Her and the Entire Family.

DRIP DRIP DRIP

Out of the pockets of free men they come—nickels and dimes and dollars—fighting dollars.

Exchanged for U. S. War Bonds, they go down to the docks and out on the troop ships and into battle. They give our soldiers the steel and sinew that they need to do the job.

Every week you can send a few of these fighting dollars off with our boys—by putting aside 10% of your pay check each week—regularly.

And after your fighting dollars have helped win the war, they will come back to you—with interest—for War Bonds give you a better, safer return than you can get in many other places.

You will be very glad to have these War Bonds ten years from now in peace. They will help furnish your new home, educate your family, or buy you quiet, pleasant leisure days in the peace that is to come.

If you need the money at any time before then, you can get back every cent you put in, after the first 60 days.

If you turn your spare dollars into fighting dollars by buying War Bonds on a regular weekly or monthly basis now, you are not only securing victory, but you are securing your own future—and guarding against the possibility of dangerous inflation.

How many of the dollars in your weekly pay envelope are you willing to send to the front with our men? Think it over. Every one will help shorten the war.

Try and set aside at least 10% of your pay—let Uncle Sam have your pledge.

REGISTRATION NOTICE for VILLAGE ELECTION MONDAY, MARCH 8, 1943

To the Qualified Electors of the Village of Tecumseh
State of Michigan

Notice is hereby given that in conformity of the "Michigan Election Law," I, the undersigned, Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal vote in said Township or City not already registered who may Apply To Me Personally for such registration. Provided, however, that I may receive no names for registration during the time intervening between the 20th day preceding any such election or primary election and the day of such election or primary election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. (See Registration by Affidavit.)

Notice is hereby that I will be at Village Clerk's Office

TUESDAY, FEB. 16, 1943
The Twentieth Day Preceding Said Election

As provided by Sec. 1, Chapter 3, Part 2, Michigan Election Law—Revision of 1941.

From 8 o'clock a.m. until 8 o'clock p.m., for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Village as Shall Properly Apply therefor.

In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby further given that I will be at Clerk's Office each day from 9 o'clock a.m., to 5 p.m.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration By Affidavit

Sec. 10—Registering of Electors: Any absent voter, as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the village clerk an affidavit for registration which shall be in substantially the following form:

Affidavit For Registration

STATE OF MICHIGAN
County of ..... ss.

I being duly sworn, depose and say that I am a citizen and duly qualified elector of the ..... precinct of the village of ..... in the county of ..... and State of Michigan; that my post-office address is No. ..... street ..... or R. F. D. No. ..... P. O. .....; that I am not now registered as an elector herein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the ..... day of ....., 19.., the application for which ballot accompanies this application; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan Election Law: Age .....; Race .....; Birthplace .....; Date of Naturalization ..... I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Taken, subscribed and sworn to before me this ..... day of ....., 19..

Signed .....

Notary Public in and for said County, State of Michigan

My commission expires ..... 19.....

Upon receipt of such affidavit in the time specified herein, the clerk shall write in the registration book the name of the applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and property registered.

Note—If this acknowledgment is taken outside of the State, the Certificate of the officer that the person taking the acknowledgment is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township, village or city 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or of some member of his family, or owing to his absence from the township, village or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law cor the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury: PROVIDED, That any city may provide by its charter or by resolution approved by a majority of the members of its legislative body for the registration of such sick and absent voters on the last Saturday preceding any election or primary election at the places of voting in the several voting districts of such city, instead of on election or primary election day. (See Sec. 9, Part II, Chap. III of Act 351 as amended 1939.)

All the provisions relative to registration in Townships and Cities shall apply and be in force as to registration in Villages.

DATED THIS 2nd DAY OF FEBRUARY A. D. 1943.

WADE L. JONES,
F-11 Clerk of said Village.

THE OLD JUDGE SAYS...

"I couldn't help overhearing you, Mary, when you asked Jim here why they let the liquor companies use sugar to make whiskey when all the rest of us have to cut down on it. I happen to know the answer to that.

"You see, the fact of the matter is, the industry never has used a single pound of sugar to make whiskey. The bootleggers were the only ones who used sugar to make whiskey. On top of that, there's not a single large distillery in the country making whiskey any more. They're all working day and night making war alcohol for the government for gunpowder, synthetic rubber, chemicals, and medical supplies.

"Just as I told Ed down at the courthouse this morning, the government simply wouldn't be able to get all this alcohol it needs in time if we didn't have these distilleries available and on the job."

Draft Dodgers Given Warning

FEBRUARY 14 IS THE LAST DAY TO REGISTER; PROSECUTIONS FOLLOW

Selective Service delinquents will have until February 14 in which to clear their status with their local boards before prosecutive action by the Department of Justice, it was announced today by State Selective Service Headquarters. Previously February 1 had been set as the deadline.

Delinquent or lost registrants should get in touch immediately with their local boards, Selective Service officials advised. If such cases are not cleared by the end of this week, they will be turned over to the Department of Justice for investigation and prosecution.

Men who have been registered for at least six months were advised to contact their local boards immediately if they have not yet received or have lost their Selective Service notice of classification. Classification notices, as well as registration certificates, must be carried by all registrants in the military age group of 18 through 45. Eighteen-year-old youths who registered in December will not be required to have classification notices until six months after their registration date.

The current Selective Service delinquency program will be followed up by a national roundup of violators by the Department of Justice. All delinquents will be turned over to U. S. district attorneys for investigation hirough the F.B.I; Selective Service officials reported 2395 delinquents as of December 31.

Newspapers have been requested to publish names of all delinquents. Selective Service is particularly concerned with locating for compliance or prosecution those men who failed to register as required and those who did register, but whose records have been lost. Other delinquents who may be subject to prosecution include men who have failed to respond to instructions from their local board as well as those known as deliberate violators currently subject to prosecution.

Floyd Swain Farm Home Destroyed By Fire

Word was received here last week that the farm home of Mr. and Mrs. Floyd Swain near Turner had been completely destroyed by fire on Monday, February 1. Mr. Swain was at work, the children at school, and Mrs. Swain was in town when the fire occurred and knew nothing of the fire until they arrived home at supper time. Their automobile parked a short distance from the house, also burned and a water spaniel left at the house, lost his life in the fire. The barns, stock and a tractor were not included in the fire. All other belongings were a total loss. The farm belonged to the parents of Mrs. Swain who reside in Turner. Mr. Swain is a son of Mr. and Mrs. S. J. Swain of Springville and a brother of Stanley Swain of Tecumseh.

OFFICERS CHOSEN

Palmer Gray Auxiliary met Monday evening at the home of Mrs. R. R. Van Winkle and Mrs. Naomi Sallows on East Shawnee and elected officers for the coming year. They are: President, Mrs. Clare Beland; senior vice, Mrs. Herbert Murphy; junior vice, Mrs. Zilla Gray; chaplain, Mrs. R. Van Winkle; secretary, Mrs. Naomi Sallows; treasurer, Mrs. Maude Cummings; patriotic instructor, Mrs. Grace Coffey; historian, Mrs. Pearl Wright; conductress, Mrs. Fred Marsh; guard, Mrs. Elsie Gates; musician, Mrs. Murphy.

GRANGE MEETS TONIGHT

Tecumseh Grange will meet tonight in regular session. A potluck supper will precede the meeting. Members are to bring sandwiches and a dish to pass. The refreshment committee is composed of Mr. and Mrs. E. Harris, Mr. and Mrs. Howard Matthews and Mr. and Mrs. E. J. Aebersold. The program is in charge of Mr. and Mrs. Harris, Mr. and Mrs. Norman McConnell and Mr and Mrs. Roy Matthews.

A CORRECTION

Through error, the name of Arthur J. Eaton was omitted from the list of past masters of Tecumseh Grange in last week's report.

St. Valentine's Service at St. Peter's, Sunday

Special services are announced by the Rev. E. Thomas Rodda, rector of St. Peter's Episcopal Church for Sunday morning, February 14.

All of those who have no church home in Tecumseh, are urged to attend the St. Valentine's Day service at 11:15 a.m. The Rev. Mr. Rodda will speak on the subject, "The Church, The Hope of The World." Special music by the parish choir has been arranged.

At the close of the morning worship, there will be a reception in the guild hall for the visitors and communicants of the parish. The members of St. Peter's have been informed by mail and urged to bring a neighbor to church with them.

Mr. Rodda states that several parishioners have already indicated they will bring friends to this service and he is looking forward to a full congregation at the St. Valentine's Day service.

Peoples Party Caucus Monday

WILL BE ONLY ONE TICKET IN THE FIELD; CONTESTS ARE NOT LIKELY

The Peoples Party will hold its caucus in the Council Building here next Monday evening, February 15, at 7 p.m., to nominate a ticket that will be presented to the voters of Tecumseh at the regular Spring election next month. The Peoples Party is the only one to give notice that a caucus will be held and, because the statutory time for such a notice elapsed last Friday, nomination by the caucus should be equivalent to election.

The terms of Mayor J. Floyd Elliott and Trustees E. H. Van Vleet, Howard Truesdale and E. J. Marshall expire with the approaching election, as to those of Wade L. Jones, clerk, LeRoy Titley, treasurer, and Sam Sisson, assessor. All are members of the Peoples Party and it is likely that their names will be offered in nomination at the caucus on Monday.

Father, Son Banquet Planned By Friends

Rev. Edgar A. Wollam, a former pastor of the Tecumseh Friends church, now of Canoga Park, Cal., is to be the speaker at a Father and Son Banquet to be served in the downstairs room of the church at 6:30 p.m., Thursday, February 18.

The program will be as follows: chairman, Perry Hayden; invocation, Ray Smith; welcome to sons, Ronald Marsh; response, Billy Hayden; group singing, William L. Berkhof; reading: "The Old Man and Jim" by Silas Kring; male quartet; movies of 1940 banquet, Ralph B. Comfort; baritone solo, Kenneth Weisner; introduction of speaker, Reuben Van Winkle; speaker, Rev. Edgar A. Wollam; benediction, Edward Escolme.

Invitations to the banquet will be in the mail soon.

CHILD STUDY CLUB HOLDS GUEST NIGHT

The Child Study Club observed guest night at the home of Mrs. E. T. Rogda Monday evening, with Mrs. Leland Randall, Mrs. W. A. Wright, Mrs. J. W. Spafford and Mrs Garth Hall as the co-hostesses. Mrs. Paul Johnson presided at the business session and Mr. E. C. Braudt introduced the speaker Mrs. O. W. Laidlaw who gave an interesting talk on "Nuriton". Mrs. Brandt read two poems and in conclusion refreshments were served.

The next meeting will be held February 22 at the home of Mrs. Walter Pfaus.

STORE IS ENTERED

Burglars, sometime Monday night, entered the Flower Shop on East Chicago boulevard, by removing a glass from a rear window. Bert Ousterhout, proprietor of the store, said that a survey showed that nothing was taken or damaged. Members of the sheriff's department and local police are conducting an investigation.

HAPPY CIRCLE P.T.A.

The Happy Circle P.T.A. will meet Friday evening at the Centennial school and following the business session a program of motion pictures will be shown. Refreshments of sandwiches, pickles, cookies and coffee will be served.

No Time Change Here on Feb. 15

CHANGE, IF ANY, WILL COME FOLLOWING MEETING OF COUNCIL NEXT TUESDAY

The Village of Tecumseh will not set its clocks back one hour at midnight on Monday, February 15, in accordance with the newly enacted Michigan law, Mayor J. Floyd Elliott said today. The change, if any, will come later, following a special meeting of the village council, to be held on Tuesday evening, February 16, at 7:30 p.m.

"I can't say today what will happen to Tecumseh's time," was the mayor's comment. "I can't say because I don't know, and I will not know until after the council meets and makes a decision. If, however, we do decide to turn the clocks back, an announcement will be made giving residents ample notice."

The new Michigan law turns the state's clocks back to Eastern Standard Time next Monday midnight, but it also grants the right to municipalities to choose between Eastern time and the present War Time. It is understood that Detroit and Adrian intend to remain on War Time and will not turn their clocks back.

The reason for delaying a decision in Tecumseh, it was said, is to permit local manufacturers to express their desires regarding a change. Mayor Elliott said that the canvass of local manufacturers had not yet been completed, but he indicated that it would be before next Tuesday.

Farmers are principally interested in the slower time and have taken a very definite stand against the present War Time, inasmuch as Tecumseh's retail stores depend to a large measure upon rural trade, there is considerable sentiment favoring a return to Eastern Time. The public schools here have rearranged their schedule to meet the War Time by advancing the opening of school to 9 a.m.

Dinner and Program Enjoyed By B. & P.W. Club

The February meeting of the Business and Professional Womens club was held Tuesday evening at Brees house with dinner preceding the meeting served to 46 members and guests. Tables were decorated in patriotic colors and places were marked with small cards bearing American flags.

Mrs. Pearl Elliott and Mrs. Anna Hardenburg were in charge of the program which opened with assembly singing of "America". Miss Mary Jane Hayden gave a musical reading "The Story of Beethoven's Moonlight Sonata" with Mrs. Ralph Comfort as her piano accompanist, and also sang a solo "This is My Heart". Two Beethoven piano numbers were played by Miss Gay Larsen and Mrs. Fred Sheldon read a story of Abraham Lincoln. The program closed with the singing of "The Star Spangled Banner."

Mrs. E. M. Campbell presided at the business session when plans were made for the March meeting when the Adrian, Progressive Woman's Club will be entertained and will furnish the program. This will be an evening meeting with refreshments instead of the usual dinner.

Miss Nora McKendry Dies After Operation

Miss Nora McKendry, aged 45 years, a lifelong resident of Tecumseh, died Tuesday at Harper hospital in Detroit where she was operated on January 30, after several weeks illness.

Miss McKendry is survived by her mother Mrs. William McKendry of Tecumseh, five sisters Mrs. Anna McClure, Mrs. Helen Powers, Mrs. Wilma Davis, Miss Ruth McKendry of Detroit and Mrs. Mary McKee of Tecumseh, two brothers John of Adrian and George of Tecumseh and a niece Stephanie Davis who makes her home with her grandmother Mrs. Kendry here.

The body was brought Wednesday to the Belding Funeral Home where services will be held Friday afternoon at 2 o'clock with burial in Brookside cemetery.

DIES IN DETROIT

Mrs. Ed Leighton has been in Detroit for several days because of the illness and death of her father John Poppinger.

Mr. Poppinger who was 80 years of age, had been ill for six months and seriously ill for a week before his death which occurred Tuesday night.

He leaves the widow, five sons and six daughters, and several grandchildren.

The funeral and burial will be held this afternoon in Detroit.

Nurses Aides Get Diplomas

17 RED CROSS VOLUNTEERS RECEIVE CERTIFICATES AT SERVICE HERE, TUESDAY

Seventeen Red Cross Volunteers Nuses Aides who have completed their training period, received their graduation certificates Tuesday evening at the regular meeting of the Tecumseh Hospital Auxiliary held at St. Peter's parish house. All were in uniform and cap of blue and white.

Mrs. P. B. O'Brien acted as mistress of ceremonies for the graduation program which consisted of the class history read by Mrs. G. A. Rathbun; the class poem by Miss Elizabeth Dickinson, the class song sung by Mrs. Robert H. Moore and the giftatory by Mrs. Frank K. Smith, who presented corsages to Mrs. Dorothy O'Reilly of Clinton, class instructor; to Miss Gertrude Spaulding, hospital superintendent and to Mrs. Rathbun, class organizer. Mrs. O'Reilly then presented diplomas to Mrs. Rathbun, Mrs. William Barnes, Mrs. Lewis Lent, Mrs. Sam Sisson, Mrs. O'Brien, Mrs. J. B. McLaughlin, Miss Dickinson, Miss Helen Teske, Miss Bertha Mae Kring, Mrs. Elmo O'Dell, Mrs. Margaret Swift, Mrs. Helen Milheim, Mrs. Norman Bailey, Mrs. Frank Beal, Mrs. Smith and Mrs. Moore. Mrs. Glenn Driscoll, another member of the class was not present because of illness.

Mrs. R. K. Anderson presided at the business session of the auxiliary and reports of officers and standing committees were given. Among plans made for raising funds are a dance at the high school gym in March; a silver tea in April; a tag day in May, and a bake sale in June.

Mrs. Edith Cotton Smith announced the program which included two solos "British Children's Prayer" and "Star Eyes" by Mrs. Harley McConnell, with Mrs. George Parsons as accompanist; a piano duet "Dance of the Wooden Soldiers" by Mrs. Parsons and Mrs. O. V. Robinson; and short talks by E. M. Campbell and E. C. Heilman of Tecumseh, Miss Jessie Fee and Roy McPhail of Adrian. The meeting closed with the singing of "America."

A special meeting of the Auxiliary will be held Monday afternoon at 4 o'clock to consider the purchase of necessary hospital equipment. Each member is requested to be present.

Two Flags Dedicated at Friends Church

At the close of the Sunday school Sunday morning at the Friends church, two beautiful flags, an American flag and a Christian flag were dedicated.

The American flag was presented to the church and Sunday school by Mr. and Mrs. R. R. Van Winkle, Mrs. Naomi Sallows and daughter Joyce and was carried by Mr. Van Winkle.

The Christian flag was carried by Mrs A. A. Comfort and was presented by the Sunday school.

A pledge of allegiance was given to both flags, followed by the prayer of dedication by the pastor, the Rev. Edward Escolme.

Otis R. Smith aged 58 years, a life long resident of Adrian, died Saturday at University hospital in Ann Arbor where he had been a patient for four months.

He leaves the widow formerly Mary Kreidler of Tecumseh, a daughter Coleen, his parents Mr. and Mrs. Frank D. Smith, and a sister Mrs. Edna Barrow all of Adrian, and one brother Wilbur of Champaign, Ill.

Funeral services were held Tuesday afternoon. Rev. Harley Bowerman officiated and burial was in East Rome cemetery.

L. W. LARSEN SPEAKS

L. W. Larsen, assistant sales manager of the Tecumseh Refrigeration Sales and Service, was the speaker at the regular noon-day luncheon meeting of the Rotary club, Tuesday, at Brees House. Mr. Larsen's subject was, "Nothing to Sell," and he developed an interesting 30-minute discussion of the problems facing salesmen and advertising executives.

Shoe Rationing Now in Force

COUPON NO. 17 FROM SUGAR RATION BOOK MUST BE USED; 3 PAIRS YEARLY

The rationing of shoes—men's, women's and children's—became effective at 3:30 p.m., Eastern War Time, Sunday, and today purchasers must use Stamp No. 17 from their Sugar Ration Book if they desire to buy shoes, the Office of Price Administration at Washington has decreed. The reason for the rationing, it was said, is due to the lack of leather for soles, and the need for materials in our war effort.

Under the federal order, every person will be allowed to purchase three pairs of shoes annually, using stamps from the ration books. How long Stamp No. 17 will be good, the order did not say. However, if, in the same family, one person needs more shoes than another, ration stamps may be given to others in the family to permit such extra purchases. The order does not cover soft soled shoes for infants or bedroom slippers, rubber, galoshes and rain boots are not rationed.

The rationing order came from the White House shortly after noon on Sunday and was first carried to the public by radio. Stores in some cities, open on Sunday, did a land-office-business in shoes during the period before 3:30 p.m., when the order became effective.

The rationing of shoes has led some people to believe that clothing might be rationed in the near future and the result has been a buying spree in many nearby cities including both Toledo and Detroit. Some stores reported a "holiday business" on Monday and Tuesday, some men buying three and four suits of clothes, a half dozen hats, shirts and other accessories.

Merchant locally said that they had heard nothing about the rumor to ration clothing and from Washington on Tuesday came an assurance that no such rationing was intended.

The shoe rationing order will greatly narrow the styles of shoes to be offered this year and there will be only four colors, black, white and two shades of brown. So-called fad-conscious buyers will be "out of luck" it was said.

Mrs. Mary S. Wingate, Britton Resident, Dies

Mrs. Mary S. Wingate, aged 61 years, widow of Luther Wingate, died Monday at her home six miles north of Britton where she had lived about a year moving from Saline. She had been in failing health for some time but was confined to her bed about a week.

Survivors are five daughters, Mrs. Edith Uphause of Ann Arbor, Mrs. Nita Jacobs at home, Mrs. Ida Rose of Adrian, Mrs. Lucinda Franks of Fostoria, O., and Mrs. Clara Hayner of Brighton, three sons Earl at home, Thomas of Chelsea and Daniel of Detroit; one sister, Mrs. Lizzie Dyer of Washington, D. C., and 14 grandchildren. Mr. Wingate's death occurred in 1929.

Funeral services will be held this afternoon at 2 o'clock at the Niblack Funeral Home in Britton, with burial in Ridgeway cemetery.

Red Cross Plans Drive For $25,000 In County

President Roosevelt, the titular head of the American Red Cross has issued a call for a War Fund of Red Cross needs of $125,000,000.00, $80,000,000.00 of this sum will be expended for work in army camps and hospitals throughout the world, and $45,000,000.00 for local chapters throughout the United States.

This campaign will begin March first. F. P. Wood of Adrian is county chairman. On the War Fund Committee for the county is also Russell McAfee and Edwin Baker. A complete city and township organization is being completed, and will be announced soon.

The quota for Lenawee County is $25,000, compared to $10,000 quota for the last Red Cross Drive a year ago last December.

As this is a National Campaign, full publicity will be given through the newspapers, screens and radio. Quotas are being worked out for the various cities and townships and will be announced later.

Headquarters will be at the Chapter House, No. 126, North Broad street, Adrian.

A state campaign planning meeting was held in Lansing on February 10th, at the Masonic Temple, attended by Mr. Wood, Mr. McPhail ad others.

Victory Foods Must Be Grown

AMERICA'S SHORTAGE OF FOOD IS NOT ALONE A WORRY FOR FARMERS

Lansing, Feb. 11—The Michigan food problem isn't the exclusive worry of farmers.

Far from it, It concerns every man, woman and child in the state.

And furthermore, it is linked inexodably to the military demands imposed upon the United States for the unconditional surrender of the Nazi in Europe and of the Japanese in the Pacific. You can't separate the need of corn, or cattle, or anything else on the agricultural front from the needs of the United Nations on their fighting fronts today and tomorrow.

For an appreciation of the enormity of the food problem, we must first see in proper perspective the vastness of the war and its challenge to what we fondly call "the American way of life."

* * *

Louis P. Lochner, for 21 years an Associated Press correspondent at Berlin, provided such a perspective to an audience of 4,000 farmers at Michigan State College last week.

Lochner dissipated any complacency that the war will be over in 1943.

He pictured the job ahead as long and costly.

The Nazis, he said, are prepared for possible revolution at home—a breakdown of the morale on the home front which preceded the Armistice in November, 1918. Machine gun nests in Berlin and other cities guard intersections of prominent streets and public squares.

"In my opinion, we must inflict a crushing military defeat upon Germany itself," he said. "This cannot be accomplished easily."

* * *

Arrival of the Yanks in Africa is regarded by Lochner as a turning point of the war, as it brought needed relief to the Russians through diversion of German airplanes to the Mediterranean.

But Rommel's flight into Tunisia, covering a distance as great as from New York City to Minneapolis by war of Terre Haute, Indiana, is only a prelude to the big task of invading the European continent and ultimately Germany itself, the speaker reminded.

"American correspondents in Berlin forewarned the world years ago of what the Nazis were scheming," he said. "I wrote a dispatch in 1936, three years before the war, telling about underground hangars for airplanes. The Americans wouldn't believe the facts they read in their newspapers. We were criticized for spreading Nazi propaganda."

* * *

Another sign: Paul McNutt has announced that effective April 2, the dependency draft deferment will be discontinued and that 10 out of every 14 men from the ages of 18 to 38 "will be in the armed services . . . by the end of this year."

Local selective service boards will be given huge quotas to fill.

The pressure will be great upon men in non-essential industries.

President Roosevelt informed leading legislators at a White House conference that he held no hopes for a quick conclusion of the war.

* * *

Quentin Reynolds, ace war correspondent, shocked an audience at the Detroit Athletic club with this statement:

(Continued on Page 4)

ARGENTINA WILL BE MONDAY CLUB TOPIC

"Argentina" will be the topic of next week's program of Tecumseh Monday club, continuing the 'Good Will Tour. The program was originally planned for February 1.

This week's program consisted of the dramatization of a day in a naturalization court by members of the club with Mrs. Guy T. Pockington as leader. The court scenes were interspersed with musical selections by Mrs. Kenton Hunt and Mrs. Maynard Mulvany and a reading in Italian dialect by Mrs. Fred Sheldon. Mrs. E. T. Armstrong of Adrian, a past president of the club, spoke briefly at the close of the program.

BOY SCOUT WEEK

This is Boy Scout Week. The whole nation pauses to salute the organization which has contributed so greatly, in this World War as in the last, to the winning of the War. But Scouting does not rest on its laurels. The praises which Scouts so justly have deserved for their countless services to their country only spur them on to greater endeavor.

It is hard to see how War Bonds and Stamps could be sold, or vital materials salvaged, or all the varied forms of printed information distributed, without the untiring help of these public servants. But there are higher services ahead. Almost 400,000 Scouts are 15 years old or older; they may change ranks to the armed forces before the conflict is over.

The soldier who has been a Boy Scout makes a better soldier, and former Sea Scouts are officer material for the Navy, the Coast Guard and the Merchant Marine. The "Toughen Up! Buckle Down! And Carry on to Victory" theme of Scouting until the war ends will save lives through consummate training—and will make better citizens in the process.

Scouting is training for a way of life, the kind of life America chooses to lead, the kind for which her sons are fighting across the seas. On those fronts, and on the front at home, the qualities which Scouting stands for—courage and character, assure us of Victory and a lasting peace.

Is In Our Storage Rooms

Yes, we have scores of suits in our storage that should be in their owner's homes, and, frankly, we are cramped for space.

May we suggest that you check up on your wardrobe and determine if you have a suit or two at our shop. If you have, and it has been here longer than a week or 10 days, please call for it.

We'll appreciate it, and, too, you'll enjoy wearing a clean, freshly-pressed garment.

Thank You!

THE OLD JUDGE SAYS...

"Here's a piece, Judge, that says that in spite of more cars and faster speeds, the first six years of repeal showed 12% less deaths from automobile accidents than during the last six years of prohibition."

"Now doesn't that just go to show you, Henry, you've got to be on pretty solid ground as far as your facts go before you make an out-and-out prediction. Why, back in the days just before repeal quite a few folks around the country made pretty powerful predictions about how automobile accidents were going to jump up if we got legal liquor back.

"About the only thing along that line you're ever safe in predicting, Henry, is this. No community or county or nation, for that matter, ever became or ever will become dry just because it voted that way. All that the votin' decides is whether you have legal or bootleg liquor. We had nearly 14 years of experience on that, didn't we?"

Hart's Market In A & P Store

We Reserve the Right to Limit the Quantities

Hey, Hart!

Why advertise meat when there's a shortage of it?

Well, folks, it's this way. I'm not advertising meat to sell more of it. I'm advertising so as to help you to plan your meals.

Everyone wants to stretch the meat as far as possible and this takes some thought and planning. Newspapers, magazines and the radio are daily giving recipes or suggestions on how to stretch the meat. Naturally, you want to cooperate and plan your meals accordingly.

You no doubt have already planned a meal and found that the meat suggested was not available. This called for the immediate planning of another meat meal which often proves wasteful not only of the meat you buy but also of the whole meal. I'm not blaming the newspapers, radio, etc., for this situation. They are doing a wonderful job.

You no doubt have planned a meal from some meat you saw in a market on a previous day and returned to buy it, only to find it gone. Yes, the meat situation changes from day to day. That's why I continue to advertise, hoping that by advertising the most plentiful meats I will be doing my bit in this emergency and thereby helping you to plan your meals and to stretch the meat further.

Sincerely,

When the highways are blockaded . . . the airliners are grounded and Rural America is temporarily isolated — that is when the TELEPHONE proves its worth as a servant and a friend in need.

Emergency help can be summoned and obtained from the neighbors in case of fire, accident, sickness and many other difficulties.

Isolation can be relieved, comfort increased and solace gained by the mere thought that you are in contact with the outside world.

There is no substitute for the TELEPHONE in the performance of the 101 odd tasks about the American Home.

RECEPTION IS HELD

A large number of members and friends of the Congregational Christian church attended the reception held last Wednesday evening for the new pastor and wife, the Rev. and Mrs. C. B. Gould. Mrs. C. J. Smith presented the following program: Hymn by the congregation; invocation, the Rev. Edward Escolme of Tecumseh; vocal trio, Mrs. Belva Weichner, Joyce Gripton and Connie Packingham; greetings from departments of the church and superintendent of schools; two readings by Mrs. John Teufel; remarks by the Rev. Charles Bragg, the Rev. O. E. Priest, Mrs. Edward Escolme and Mr. Gould ; vocal solo, Mrs. Ford Exelby; benediction, Mr. Escolme.

WOMAN'S CLUB MEETS

The regular meeting of the Britton Womans Club was held at the home of Mrs. Elmer Eberhardt, with Mrs. Carl Brablee presiding. Resolutions were read in memory of Mrs. Minnie Russell. Two names were accepted and one name presented for membership.

The program on "Fashions in Art" was under the leadership of Mrs. T. M. Birdsall and consisted of a group of vocal solos by Mrs. A. B. Johns, accompanied by Mrs. W. S. Niblack, violinist and Mrs. Ford Exelby, pianist; a group of poems, read by Mrs. Charles Packingham; a musical reading and an exhibition of art pictures by Mrs. Birdsall; and a violin solo by Mrs. Niblack, accompanied by Mrs. Exelby.

A hard times party will be held at the next meeting on Tuesday February 16 at the home of Mrs. Niblack.

Mrs. Barlow Wood is confined to her home from injuries received in a fall on the ice.

Mrs. Viva Brown who fell on the ice two weeks ago and has since been confined to her home, is able to be out again.

Mrs. Laveta Armantrout, local Red Cross chairman, announces that because of the large quota of surgical dressings, more workers and possibly night classes will be necessary. The use of a large room in the home of Mr. and Mrs. Edgar Brandow has been donated for the work and volunteers are asked to call Mrs. Florence Gripton.

The regular monthly meeting of the Barnca Philathea class was held Sunday evening at the home of Mr. and Mrs. Charles Patterson. A potluck supper was served to about 30 members and guests. A devotional service was conducted by Mrs. Ford Exelby after which the president Mrs. Patterson conducted the business session and Mr. Harland Meyers conducted a quiz.

Miss Helen Crandall was in Lansing recently where she visited her father who underwent a major operation.

The annual business meeting of the ceemtery association will be held this Thursday afternoon at the home of Mrs. W. L. Exelby.

"it is awfully easy for Hitler to win this war. He can retire his armies from Russia and park them somewhere near the Polish border where we are informed he has already built strong defense lines. He could fight a defensive war, and it would be up to us to dislodge him—a military feat I believe almost impossible to accomplish. Hitler could thus achieve a stalemate, and a stalemate means he wins the war and dictates the peace."

* * *

The United States News, edited by David Lawrence, and Kiplinger's confidential Washington letters stress the same theme: The odds are greatly against victory over Germany in 1943; the war in Europe will go well into 1944.

Another winter of war on the basis of victory in 1944 over Germany points conclusively to a long, long war before the job is finished in both Europe and the Orient.

Two or more years of bitter warfare—costly in lives, money and property—would impose a staggering burden of food upon the American farmers. Such is the prospect which confronts the growers of Michigan in 1943.

* * *

Mother Hubbard's cupboard will not have an abundance of food. Point rationing begins in a few weeks—March 1.

According to the White House, the supplies of goods and services available to civilians in 1943 will be reduced by almost 25 per cent. Standards of living are going down, while prices may be expected slowly to rise.

The shortage of labor on the farm will become critical. Employment of women, boys and girls and possibly foreign labor—Japanese-Americans, Mexicans or Porto Ricans—will be resorted to harvest the 1943 crops.

Michigan selective service boards have not been lenient with farm deferments. Acreage is being abandoned because of this critical attitude by draft boards. The Michigan Milk Producers association has warned of a shortage of milk, butter and cheese due to reduction of dairy herds, and the federal government has been reported to be ready to purchase with government funds all dairy cattle coming on the market.

* * *

Victory Gardens will supply city residents with food they may not be able to obtain otherwise.

Home canning will grow to an unprecedented volume, according to predictions. Truck gardens will pay handsome dividends, food prices will be the highest in many years.

These facts and observations echo a statement made recently by Claude Wickard, secretary of agriculture. Wickard said the nation was "too complacent" about the food situation, and that it was high time we realized how serious it was.

Michigan farmers have been given a supreme challenge in the urgent call for increased food production in 1943. This challenge grows in magnitude as we get a realistic appreciation of the long, long trail that is ahead for all of us.

The Lyster Junior Service League will meet this (Thursday) evening at the home of Mrs. Leo Alderdyce on East Logan street. Mrs. Edward Escolme will be the guest speaker.

POTLUCK DINNER

The Grace Lutheran church will hold a congregational potluck dinner at the church tonight at 6:30. The Ladies Aid Society will meet at 4 o'clock preceding the dinner.

Holy Communion will be celebrated at the church February 14, iwth communion announcements February 13. Adult confirmation will also be held February 14.

R N A PARTY

The Royal Neighbors will hold a birthday supper and Valentine party Tuesday evening, February 16, in connection with their regular meeting. Potluck supper will be served at 6:30 and each member is also to bring a five cent valentine for the party to be held following the meeting.

A National Necessity!

To preserve the good clothes you have saves material, machines and men for the war need. Teach your family the patriotism of clothes care, that good cleaning prolongs clothes life.

Who Said -
LAUNDRY WORK IS A "JOB

Well, perhaps it is in the average kitchen, but when you send the family washing to us your job is over.

We know just how clothes should be washed and ironed to give them that store-fresh appearance.

And, too, we know how to do this work without damaging the fabric, adding months of wear to the garments.

In these busy war days, when clothing is difficult to get, added life to your garments is really important.

Revival Speaker

The Church of The Nazarene at Ridgeway will conduct special evangelistic services February 16th through February 28th. The Richards' Quartet of Potterville, Michigan, composed of Rev. and Mrs. William Richards, and Mr. and Mrs. Douglas Richards, will be in charge of the music and preaching. Rev. Richards is an ordained minister and many have been won to Christ through his earnest preaching, his consistent life, and his tender spirit. The four make many friends with their ministry in music.

Services each week night (except Saturday) at 8:00 o'clock. Preaching on Sundays at 11:00 a.m., and 7:45 p.m. The public is cordially invited.

W. E. Weaver, Pastor.

Here's A Sure Way
To Have Cash For Taxes

Cash for taxes, for insurance and for a dozen and one other purposes, is always available if you will follow this tried and true method well known to regular depositors.

The "tried and true" way of having money is to save money regularly, every payday. Deposit a few of the dollars you earn in a savings account—do it systematically.

Then, when tax time comes or insurance premiums are due, you'll have the needed funds.

If you do not have a savings account, we invite you to open one next pay day.

Are Your Wheels In Line?

Wheels that are out of line causing undue tire wear are "dangerous wheels"—wheels that slow down our March to Victory.

When you bring your car to us for service suggest that we check your wheel alignment. It is an inexpensive operation, yet it may save you hundreds of miles of unnecessary tire wear.

Don't Get Worried
True, the government has rationed the sale of shoes—they're not frozen or off the market.
You are allowed three pairs of shoes a year—that's about what you buy, anyway.
If "Pa" and "Ma" need fewer shoes you can give the extra rationing coupons to the children.
Infants shoes, bedroom shoes and rubbers are not restricted.
Bring In Your Coupon
If you need shoes, we have them for any member of the family. Just bring in your rationing coupon—Number 17 in your Sugar Rationing Book. We'll fit you to your satisfaction—both in style and in price.

F-O-O-D SPELLS
Ammunition to the World
Yes, for the first time in America's history, we are learning that food is ammunition in a world that is torn by war, a large part of it hungry and suffering.
Today, we Americans are sharing our food with our Allies and we may be asked to share more of it as months go by.
On "short rations" it is important that we buy good food, nourishing food, food that we can trust.
In the three-quarters of a century that we have been in business we have sold nothing but the best—food that we could guarantee unconditionally.

REGISTRATION NOTICE
for
VILLAGE ELECTION
MONDAY, MARCH 8, 1943
To the Qualified Electors of the Village of Tecumseh:

State of Michigan

Notice is hereby given that in conformity of the "Michigan Election Law," I, the undersigned, Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal vote in said Township or City not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the 20th day preceding any such election or primary election and the day of such election or primary election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. (See Registration by Affidavit.)

Notice is hereby that I will be at Village Clerk's Office

TUESDAY, FEB. 16, 1943
The Twentieth Day Preceding Said Election

As provided by Sec. 1, Chapter 3, Part 2, Michigan Election Law—Revision of 1941.

From 8 o'clock a.m. until 8 o'clock p.m., for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Village as Shall Properly Apply therefor.

In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby further given that I will be at Clerk's Office each day from 9 o'clock a.m., to 5 p.m.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration By Affidavit

Sec. 10—Registering of Electors: Any absent voter, as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the village clerk an affidavit for registration which shall be in substantially the following form:

Affidavit For Registration

STATE OF MICHIGAN
County of ..... ss.

I being duly sworn, depose and say that I am a citizen and duly qualified elector of the ..... precinct of the village of ..... in the county of ..... and State of Michigan; that my post-office address is No. ..... street ..... or R. F. D. No. .... P. O. ..... ; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the ..... day of ....., 19..., the application for which ballot accompanies this application; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan Election Law; Age .....; Race .....; Birthplace .....; Date of Naturalization .....; I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Taken, subscribed and sworn to before me this ..... day of ..... 19....

Signed .....

Notary Public in and for said County, State of Michigan
My commission expires ..... 19.....

Upon receipt of such affidavit in the place specified herein, the clerk shal write in the registration book the name of the applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and properly registered.

Note—If this acknowledgment is taken outside of the State, the Certificate of the Court that the person taking the acknowledgment is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township, village or city 20 days next preceding such election, designating particularly the place of his residence, and that he possess the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or of some member of his family, or owing to his absence from the township, village or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law or the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury: PROVIDED, That any city may provide by its charter or by resolution approved by a majority of the members of its legislative body for the registration of such sick and absent voters on the last Saturday preceding any election or primary election at the places of voting in the several voting districts of such city, instead of on election or primary election day. (See Sec. 9, Part II, Chap. III of Act 351 as amended 1939.)

All the provisions relative to registration in Townships and Cities shall apply and be in force as to registration in Villages.

DATED THIS 2nd DAY OF FEBRUARY A. D. 1943.

TITLE OF ORDINANCE

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to construct, maintain and commercially use electric lines consisting of towers, masts, poles, cross-arms, guys, braces, wires, transformers and other electrical appliances on, along and across the public highways, streets, alleys, bridges and other public places, and to do a local electric business in the TOWNSHIP of TECUMSEH, LENAWEE COUNTY, MICHIGAN, for a period of Thirty years.

Rights Granted

SECTION 1. The Township of Tecumseh, Lenawee County, Michigan, hereby grants the right, power and authority to the Consumers Power Company, a corporation authorized to transact business in Michigan, its successors and assigns, hereinafter called the Grantee, to contruct, maintain and commercially use electric lines consisting of towers, masts, poles, cross-arms, guys, braces, wires, transformers and other electrical appliances, for the purpose of transmitting, transforming and distributing electricity on, along and across the public highways, streets, alleys, bridges, and other public places, and to do a local electric business in the Township of Tecumseh, Lenawee County, Michigan, for a period of thirty years.

Obligations of Grantee

SECTION 2. In consideration of the rights, power and authority hereby granted, all of which shall vest in the Grantee for a period of thirty (30) years as aforesaid, said Grantee shall faithfully perform all things required by the terms hereof, and such performance by the Grantee shall be in lieu of all license fees, rentals or charges of every name and nature, except property taxes, which the township might otherwise levy and impose.

Erection of Lines

SECTION 3. All of Grantee's towers, masts and poles shall be neat and sightly, and so placed on either side of the highways as not to unnecessarily interfere with the use thereof for street or highway purposes. All of Grantee's wires carrying electricity shall be securely fastened so as not to endanger or injure persons or property in said streets and highways. All work performed by said Grantee in said streets and highways shall be done so as not to interfere with the use thereof, and when completed, the same shall be left in as good condition as when work was commenced. The Grantee shall have the right to trim trees if necessary in the conducting of such business, subject, however, to the supervision of the highway authorities.

Liability

SECTION 4. Said Grantee shall at all times keep and save the Township free and harmless from all loss, costs and expense to which it may be subject by reason of the construction and maintenance of the structures hereby authorized. In case any action is commenced against the Township on account of the permission herein given, said Grantee shall, upon notice, defend the Township and save it free and harmless from all loss, cost and damage.

Rates

SECTION 5. Said Grantee shall be entitled to charge the inhabitants of said Township for electric energy furnished therein, the rates, including minimum charges, as approved by the Michigan Public Service Commission, to which Commission authority and jurisdiction to fix and regulate electric rates and rules regulating such service in said Township, are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time upon petition therefor being made by either said Township, acting by its Township Board, or by said Grantee.

Rights Not Exclusive

SECTION 6. The rights, power and authority herein granted, are not exclusive.

Acceptance-Confirmation by Vote

Section 7. This ordinance shall cease and be of no effect after thirty days from its adoption, unless within said period the Grantee shall accept the same in writing filed with the Township Clerk, subject to confirmation of the grant hereof by at least a majority of the electors of said Township voting thereon at a regular or special township election to be held in the manner provided by law. Upon the acceptance and confirmation thereof, the same shall constitute a contract between said Township and said Grantee for a period of thirty years from the date of such acceptance.

County Library Gets $3,000 In State Aid

The Lenawee County Library received a check for $3,000 today from the State Board for Libraries, according to Mrs. Aileen Lindbert, county librarian. This is a partial payment on a grant for which the library is qualified according to the requirements set up in the state aid to libraries law.

The first requirement was met last October when the county board of supervisors appropriated the sum of $3,328.67 for the county library budget.

Three counties, Cass, Genesee, and Lenawee have applied for establishment grants this year and are working to fulfill the requirements set up by the state board for libraries.

The state aid law allows the grants to be used for salaries, books, longer hours of service, and for equipment or supplies. Any expenditures are allowed except for the construction or remodeling of a building or the payment of indebtedness.

An appropriation of $250,000 for the year 1942-43 was set apart by the Michigan legislature to add to the public library service given by local communities. One division of the fund is for new county and regional libraries, each of which may be allowed an establishment grant of at least $3,000, with a top of $7,000 possible.

It is this allotment that will aid the Lenawee county library to give increased service to both the adult and school population, even with the withdrawal of WPA assistance which has amounted to much more annually than the entire yearly budget for the county library. On January 28, 1943 the Works Projects Administration, which has paid salaries of all branch library assistants, withdrew its support, so it was necessary for the county to hire custodians. The establishment grant money made this possible. Although library schedules in branches necessarily must be somewhat curtailed to keep within the budget, county library service will be uninterrupted by the reorganization.

Mrs. Lindbert states that the following persons have been added to the county library staff and will serve as branch library custodians in their respective towns: Mrs. Marie Thompson of Deerfield, Mrs. Ollie S. Fe of Addison, and Mrs. Minnie Swartout of Cement City. Mrs. Myrtle Brighton of Adrian will continue as library clerk at the county library headquarters in Adrian.

Don't Wait Until

THE LAST MINUTE!

If You Want Gas
You Must Have

Your Tires Inspected

Complete 5 Tire Inspection on the car

25c per car

This price is fixed by order of the O. P. A.

Yes, if you want to keep on driving—if you want gasoline, whether on an A, B, or C book—if you want another tire when you need one—you must have your TIRES INSPECTED by an authorized O.P.A. Tire Inspector.

The deadline for B and C and T cards is February 28. A card is March 31

But don't wait until then. Don't cause unnecessary delays for yourself—don't build up a last minute jam for the inspectors—have the inspection made now.

This inspection saves your tires because it is intended to locate little faults that otherwise might result in blowouts.

We are authorized O.P.A. Inspectors. An excellent time to have your tires inspected is when you bring your car to us for a grease job or an oil change.

Because of government regulations we dispense gasoline only during these hours: Monday through Friday, 7:30 a.m., to 7 p.m.; Saturday, 9 a.m., to 9 p.m. Closed Sundays and holidays.

THE TECUMSEH HERALD

NINETY-THIRD YEAR—NUMBER TWENTY-ONE | TECUMSEH, MICHIGAN, THURSDAY, FEBRUARY 18, 1943 | FIVE CENTS PER COPY

Registration Begins Monday For Food Book

BOARD TO SIT AT COUNCIL BUILDING; EVERY PERSON MUST REGISTER

Registration for War Ration Book No. 2, containing unit coupons to be used for the purchase of rationed foods, after Sunday, February 28, will begin at 9 o'clock Monday morning at the Council Building in Tecumseh, and continue daily through Thursday, February 25. The hours daily are from 9 a.m., to 4:30 p.m., except on Wednesday, when there will be evening hours, from 7 to 9 p.m.

Residents of Tecumseh township and others in this area who find Tecumseh the most convenient place to register, are asked to obtain their books from the local board. Other places of registration in this area are:

Britton, at the high school, Mrs. Carl Brubler, chairman; Clinton, town hall, Dr. J. B. Foreman, chairman; Onsted, Baptist church, Mrs. Harold Reynolds, chairman; Tipton, grange hall, Mrs. Alden Erlenbush, chairman; Macon, town hall, Mrs. Mills Swick, chairman; Holloway, Blonch's store, Rev. D. S. Carmichael, chairman.

In Tecumseh, Wade L. Jones, village clerk, is the chairman of the registration board, and today he made an urgent appeal for 20 men or women who will act as volunteer workers.

"There is no allowance for pay made in the rationing setup, and we must have volunteer helpers if this work is to be done speedily and efficiently. I wish that volunteers would call me at once, phone 223, and let me know they are willing to assist. Please call as quickly as possible that our organization may be perfected," Mr. Jones said.

The first floor of the council building will be used by the rationing board, and if the 20 volunteer workers are available, Mr. Jones thinks that the local registration can be completed within the designated time.

Elsewhere on this page is reproduced the consumer's declaration form necessary for obtaining War Ration Book No. 2. Every resident eligible for a book must fill out the declaration published in the newspaper for the reason that there is not a sufficient supply to furnish everyone with an individual copy at the time they visit the registration board.

When visiting the rationing board, registrants must bring with them their War Ration Book No. 1. One adult member of a family should register for the entire family related by blood, marriage or adoption. He also may act as agent for other persons living with the family.

"I cannot stress too much," Guy E. Nemire, secretary of the Lenawee Rationing Board said, "that all declarations must be filled out in full before applicants visit their board. There will be no time to do this work at the registration sites, and those who have failed to fill out their blanks will be asked to step aside and give way to those who have conformed to the request."

Here are some of the important things to remember:

If you are registering for someone besides yourself, be sure that your declaration shows for whom you are registering and that you have his or her Ration Book No. 1 with you.

Be sure that your declaration is filled out completely—every item—and properly signed.

Be sure that your declaration

Products Gets Bulls-eye Flag

PRESENTATION MADE BY REAR PEARSOL AT SERVICE HERE, TUESDAY

"That boy who this very minute is giving up his life that American liberty may be preserved is depending upon you, the men and women of the home front, to keep the ammunition coming that it may be used in our battle for freedom," Reardon Pearsol of Ann Arbor, deputy administrator of the Michigan War Savings Committee, told some 1,200 employees of the Tecumseh Products Company here Tuesday afternoon when he presented that organization with the Treasury's Bulls-eye flag. The new honor banner signifies that more than 90 per cent of the company's employees are investing at least 10 per cent of their earnings in war bonds and stamps. Records show that last year, Products employees invested nearly $300,000 in war savings.

"Yours is a signal honor," Mr. Pearsol said, as he made the joint presentation to R. W. Herrick, president of the company, and Carl Dobbender, representing the Products Union. "You have done this job by yourselves. You haven't had to have any outside urging. You are fine, loyal American citizens and you have set a record for many more war plants in this nation to follow. You, here in Tecumseh, have won the Navy E, and with it the Six Months Star. You won the Treasury's Minute Man Flag and now the Bulls-eye. Your plant was one of the first in the nation to get a Navy E flag and the first in the country to receive the Navy E and Minute Flags, simultaneously. Keep up the good work, produce at top speed, because each day we are a day nearer to victory."

W. L. Berkhof acted as master of ceremonies at the presentation service, held in one of the company's buildings. After the singing of "America," Mr. Berkhof presented Major W. M. Young of the United States Army, and Ensign H. O. Danielson of the Navy, who came from Detroit for the service.

Music was furished by the Products orchestra made up of Paul Johnson, Wiley McCann, Archie Boyd, Ned Harrington and Roma Waters. A Products quartet, composed of Neil DePuy, W. S. Costigan, Leonard Weissner and Mr. McCann sang several numbers, including one that was composed by Mr. DePuy.

Former Friends Pastor To Speak This Week-end

The Rev. Edgar A. Wollam, a former pastor of the Tecumseh Friends Church will preach three times in the local Friends church this week-end, speaking Friday evening at 7:30 o'clock, Sunday at 10 a.m., and again at 7:30 p.m. The public is invited to each of these services. The Rev. Mr Wollam also speaks this evening at the father and son banquet being held in the downstairs room of the Friends church at 6:45 p.m. Invitations to the latter have been mailed. There are many in Tecumseh who remember with appreciation the ministry of Mr. Wollam while in Tecumseh.

Mr. Wollam received his education at Earlham College, Richmond, Indiana, and the Friends Bible Training Institute of Cleveland, Ohio, being associated with the latter institution for ten years, later becoming its president. He also took special courses at Moody Bible Institute in Chicago and the Bible Seminary in New York. He has travelled widely in Europe, the Near East, and Holy lands. Among his pastorates was that of the University Friends Church, Wichita, Kansas. In California he has held pastorates in Los Angeles and San Diego. He was also chaplain of the San Diego Army and Navy Academy. He is now in the field of evangelism and conferences, having had wide experience in these activities. He comes from a family of preachers, his father and two brothers having been in the ministry.

Miss Jean Sluyter Is Now Navy Nurse

Miss Jean Sluyter who recently enlisted as a navy nurse, received her official appointment to the Navy Nursing Corps from Washington, D. C., on Monday and is awaiting call to active service.

Miss Sluyter is the daughter of Mr. and Mrs. Ray Sluyter, and a graduate of Tecumseh High school in 1939. She later enrolled for nurses training and graduated from Mercy College of Nursing in Detroit in September, 1942. Since that time she has been a member of the nursing staff at St. Joseph's Hospital in Ann Arbor.

MISSION GUILD

The Florence Weld Mission Guild will meet Monday evening, February 22, at the home of Mrs. Margaret Kidman.

Deer on Spence Farm Near Here Is Enjoying Life; Plays With Dog

One of the strangest pets to be found on a Lenawee county farm may be seen almost any day at the home of Mr. and Mrs. Floyd Spence, who reside on the Goheen farm, four miles northeast of here. The pet, a five-point buck, plays with the Spence dog, chases the chickens and most of the time is "boss of the barnyard."

The deer came to the Spence farm last November and at first was a bit shy. In a few days, however, he learned that Mr. Spence was his friend and now he follows his adopted master as does the faithful family dog. The buck sleeps each night in the barnyard, is on hand a meal time for his corn and oats, and he is very friendly with the horses. Chickens —well, at times he likes to chase them, and he really enjoys a sprint down the snow-covered pasture with the dog.

The buck is a bit shy when strangers appear, Mr. Spence says, and he looks to the farmer for protection when a strange dog comes onto the farm.

"He's a nice fat buck, and a dandy specimen," was Mr. Spence's comment. "He's been seen by a lot of our friends and some passers-by wonder why it is that I haven't shot him. Well, I couldn't shoot the deer, and I wouldn't advise anybody else to shoot him, either. He's our pet, welcome to stay with us as long as he likes."

Recently said Spence, the buck lost one of his horns. The other can be seen in the picture, which was taken in the Spence farmyard while the animal was playing with the dog.

Emmett Brighton Is Reported To Be Missing in Action

ENLISTED IN ARMY LAST JUNE 8; SON OF MR. AND MRS. EMMETT BRIGHTON

Private Emmett Brighton, 21-year-old son of Mr. and Mrs. Emmett Brighton of Tecumseh, is reported as missing in action by the United States Army.

Mr. and Mrs. Brighton received the following telegram last Saturday afternoon from the Adjutant General at Washington:

"The Secretory of War desires me to express his deep regret that your son, Pvt. Emmett J. Brighton, has been reported missing in action in the North American Area since February 2. Additional information will be sent to you when received."

Pvt. Brighton enlisted in the Army Air Corps last June 8. He received his basic training at Ft. Eustis, Va. and was transferred on November 23 to Taunton, Mass. His folks last heard from him on January 19 when he sent his radio home with a note that he expected soon to be transferred to another camp.

A brother of the missing soldier Corp. Richard Brighton, aged 24, is now at Indiantown Gap, Pa.

It's Got To Be Done, Says Sgt. Ralph Clough

Mr. and Mrs. Sam Clough have received the following letter from their nephew, Sgt. Ralph Clough, Co. B., 126th Inf., somewhere in New Guiana.

23 January, 1943

Dear Uncle Sam and Aunt Vera:

I received your Christmas card and I really did appreciate it.

I was at the front when I received it and it really means lots to know those back home are thinking of us.

I hope you all are well, and that every thing is going ok with you. I hope it won't be long until this mess is over and we can be back home but for now.

"Its got to be done."

Thanks again
Love, Ralph.

TALKS TO ROTARY

Reardon Pearsol of Ann Arbor, deputy state administrator of the Michigan War Savings Bond staff, was the guest speaker at the regular meeting of the Rotary club here Tuesday at Brees House. He was the guest of M. L. Donnells.

Mr. Pearsol praised the showing that Tecumseh is making in its sale of War Bonds and Stamps and especially congratulated the Tecumseh Products Company on the fine record that it is making, statewide, in war bond purchases.

Elliott Again Peoples Choice

MAYOR TO BE UNOPPOSED AT ELECTION; HALL AND ROHWEDER ON TICKET

The Peoples Party, in caucus at the Council Building here on Monday evening, named Mayor J. Floyd Elliott to head its tickets again this year, and selected other names to appear on the ballot at the village election next month.

The ticket will be as follows: President, J. Floyd Elliott; trustees, E. H. Van Vleet, Howard Truesdale and J. H. Rohweder; clerk, Wade L. Jones; treasurer, Kenneth Hall; assessor, Sam Sisson.

In the nomination for the office of mayor, Mr. Elliott was opposed by R. J. McCoy and in the balloting, Elliott received 91 votes to Mr. McCoy's 42. In the contest for nomination for treasurer, Mr. Hall was opposed by A. B. Hammond. The ballott gave Hall 101 votes and Mr. Hammond 36 votes. There were no other contests, nominations being by acclamation.

There are only two new names on the ticket, Mr. Hall's and Mr. Rohweder's. Hall, about 10 years ago, was village clerk for three terms. Rohweder is a newcomer in local politics but is well known here. He was manager for several years of the old Citizens Light & Power Company.

LeRoy Titley, present treasurer, and E. J. Marshall, trustee, were not candidates for renomination.

R. K. Anderson acted as chairman of the caucus and Ellsworth Collins as clerk. Tellers were Florence Howe, Mrs. Sam Sisson, Leon Rosacrans and Paul Breitenwischer.

Social Evening Is Enjoyed By Grange

Tecumseh Grange met in regular session Thursday evening, with a pot luck supper preceding the business meeting.

Ernest Harris as leader introduced the following program: song by the Grange; readings by Mrs. Clarence Hunt and Mrs. Fred Sheldon; vocal solos by Mrs. Harley McConnell accompanied by Mrs. George Parsons; talk on their trip to California by Mr. and Mrs. M. G. Partridge; song by the Grange.

On Tuesday evening the third in a series of farm extension meetings was held in the hall. These meetings have been very well attended and a great deal of interest shown. George Parsons is the instructor.

The next meeting of the Grange will be held Thursday evening, February 25, with a pot luck supper preceding the meeting and a program under the direction of Mr. and Mrs. A. J. Eaton, Mr. and Mrs. Owen Partridge and Percy Cadmus.

CONFER 3 DEGREES

Tecumseh Lodge, No. 69, F. & A.M., will hold a special meeting Saturday afternoon February 20, where the three degrees will be conferred. Lodge will convene at 4:30 and dinner will be served at 6:30.

It is very unusual for all three degrees to be conferred in one meeing and is permitted only through a special dispensation from the Grand Master.

At last week's special communication held Friday evening to Guy E. Belding and Leon F. Rosacrans of Tecumseh, W. E. Wilson of Gaylord, J. M. Daniels of Altadena, Calif., Frank Hammond of Flint and Harry Miller of Maybee. The third degree was conferred on Carlisle Mason and Robert Rogers. Dinner at 6:30 preceded the meeting.

Tecumseh Will Keep War Time

CHANGE, IF ANY, WILL BE MADE AFTER BOARD OF SUPERVISORS ACTS

Temporarily, at least, Tecumseh village will remain on Eastern War Time, the village council decided in special session here, Tuesday evening.

"I feel," Mayor J. Floyd Elliott told the council, "that it would not be advisable for us to tamper with the clocks at this time but rather we would wait to see what the Board of Supervisors, in session at Adrian this week, decides to do insofar as the county is concerned. We can change our clocks whenever we desire, but for us to act now would, in my judgment, lead to further confusion."

Although the state legislature enacted a law changing Michigan's official time to Eastern Standard, the City of Detroit has voted nearly five to one to remain on War Time. Likewise in Lenawee county, the City of Adrian has decided to remain on War Time. What the board of supervisors will do is still problematical, but farmers in this area are nearly 100 per cent in favor of setting the clocks back, to meet the state's law.

A communication from Tecumseh Grange regarding the time change, will be found in another page of this newspaper. The local grange favors the slow time.

"I think," Mayor Elliott said, "that the state legislature is a buck- passing group. The legislature should have defined the time that Michigan should use, and that should be it. The idea of allowing each municipality to fix its own time is a joke."

A canvass of factories here showed that they were indifferent as to the time used locally. However, it is considered a possibility that the War Production Board will request that all war plants operate on Eastern War Time and should such a directive be received them, it was said, Tecumseh would be expected to operate on the fast time.

The special council meeting was held for the purpose of closing the village books for the fiscal year. Current bills were audited and ordered paid, and a control account for Civilian Defense expenditures was set up and expenses to date, amounting to $848.77 were approved.

An election board for the coming village election was named as follows: Inspectors, Florence Howe, A. B. Harding, Ed. Smallidge, Myrna Tingley and Bess Spayde; clerks, Edith Gray and Doris Bagshaw; gate keepers, Robert Quackenbush and William Howe; election commissioners, Clarence Gilmore, Minnie Russell and Jay St. Johns.

George Cox, Aged 79 Buried at Ridgeway

George Cox, aged 79 years, life long resident of this vicinity died Saturday morning at his home south of Ridgeway. Mr. Cox was born in Raisin township where most of his life was spent.

He leaves the widow Florence, two sons, Harry and Charles Cox, one grandson and two great grandchildren.

Funeral services were held Tuesday afternoon in the home. Rev. A. B. Johns officiated and Ernest Harris sang two hymns. Bearers were George Baker, Ray Lembrick, Foster Hardesty, Milan Avery, Roy Van Vleet and Fay Kempf with N. C. McConnell and Fred Anderson in charge of flowers. Burial was in Ridgeway cemetery.

LYSTER LEAGUE

THE CHALLENGE OF HEROISM

February is the month of heroes, the month in which we do honor both to Washington and to Lincoln—to the first President and to the Great Emancipator.

But what makes an American hero? It is not class—our heroes range from Washington, the landed aristocrat, to Lincoln, the rail-splitter. It is not nationality—there was Columbus, the Italian; Von Steuben, the German; Rochambeau, the Frenchman; Kosciusko, the Pole. It is not religion—William Bradford was a Protestant; William Penn, a Quaker; Charles Carroll of Carrollton, a Catholic; and Haym Solomon, a Jew. It is not race—the Negro mess boy who set a standard of bravery at Pearl Harbor was but carrying on a tradition that started with Crispus Attucks, the first of fall in the Revolution.

The challenge of heroism lies before each and every one of us. A hero is anyone displaying great valor or fortitude. Heroism is a height to which any of us may climb, a path on which there are no barriers of discrimination. A brave heart, a valiant spirit and a sincere desire to serve others are all that is needed.

The heroes of today are the best we have to offer. They come from all ranks of society, from all faiths, from all national backgrounds—Thompson, Kelly, Goldberg and Giardina. They are not the hard-boiled, hard-living adventurers of the swash-buckling tales of the past but are fine, clean living youth with high ideals, firm faith and a great desire to ast boldly for the right.

Today we are face to face with destiny. The need for heroes has never been greater. Across the pages of the past echo again Lincoln's words, with added significance and import in this fateful hour: "Fellow citizens, we cannot escape history. * * * The fiery trial through which we pass will light us down in honor or dishonor to the latest generation. We shall nobly save or meanly lose the last, best hope of earth."

Courage is contagious. We can translate the inspiration of the bravery of both new and storied American heroes into positive action. No repining, no complaints, just a determination to win this war and to win it so thoroughly that this time there will be no Armistice, no mere cessation of hostilities, but Peace on a firm foundation! This is the least we can do for our honoured dead.

Is Your Laundry Work "Another Headache?"

There's positively no reason why you should allow the family washing to "get you down" in these times when the war is making so many demands upon your time and energy.

Free yourself of the wash-day-burden by sending the family washing to us. Tell us you'd like to have it washed and ironed to your family's satisfaction.

Our laundry process is easy on your clothing and that is mighty important in these times when prices are high and clothing is difficult to buy.

THE OLD JUDGE SAYS...

"How soon do you leave for camp, Bob?"

"Next Tuesday. Judge Bill and George are leaving the same time. We're hoping to wind up in a tank outfit."

"Well, the way I've seen you handle a tractor, Bob, you ought to be right at home in one of those tanks. You're going to like the service, they're a great bunch of fellows. Just last week I went down to camp to see a young nephew of mine and he introduced me to some of his buddies. Fine fellows—real he-men just like you and Bill and George—from good American homes. Handle themselves well, too.

"You know, I've been checking up on it, Bob, and I've found out that the American army today is healthier, better disciplined, better trained, better taken care of than it has ever been in its history. And you can take my word for it, Mary, he'll come back to you a fine man in great shape. Best of luck to you, Bob."

Mrs. John T. Clark Dies In Clinton Home

Mrs. John T. Clark, aged 84 years, one of Lenawee's most prominent club women, died Saturday afternoon at her home in Clinton after several weeks illness. Mrs. Clark was formerly Jane Newcomb and was born in Blissfield where she graduated from high school. She later attended Ypsilanti Normal and Lake Erie College and taught in Clinton and other county schools. In September 1880 she was married to Mr. Clark who survives. She was the first president of the Clinton Culture Club, also served as president of the County Federation of Women's Clubs. She was author of "Lenawee, My Lenawee," the federations official song.

Besides her husband she leaves three daughters, Mrs. C. L. Kimball and Mrs. Hazel Barnard of Clinton and Mrs. J. A. Blanchard of Morenci, one son Captain John R. Clark of Detroit, a brother E. D. Newcomb of Jackson and eight grand children.

Funeral services were held Monday afternoon at the Hause Funeral Home in Clinton. Rev. O. E. Priest and Rev. W. H. Skentelbury officiated and burial was in Riverside cemetery, Clinton.

OFFICERS CHOSEN

The Lamkin P.T.A. met Friday evening at the home of Mr. and Mrs. Raynor Aylesworth and elected the following officers: Mrs. Ned Kotts, president; Mrs. Aylesworth, vice president; Miss Juanita Jackson, secretary and treasurer.

The meeting was followed by a program and social hour with games and refreshments and gifts were presented to Mr. and Mrs. Arthur Strahle, Mr. and Mrs. Leon Strahle, Mr. and Mrs. Carl Opel and Mr. and Mrs. Herman Theeke who are moving from the district.

JUNIOR LEAGUE

The Westminster Junior League met Tuesday evening at the home of Mrs. Don Parrett with Mrs. Frank Beal assisting in entertaining. Mrs. Carlisle Mason conducted devotions and Mrs. Frederick Dickinson was in charge of the program which consisted of a talk by Dorothy Bowen who told of the work and activities of the Senior Service Scouts. In conclusion refreshments were served.

The next meeting will be held Monday evening March 1, instead of Tuesday, because of the Presbyterian League meeting March 2 which the Westminsters have been invited to attend.

D. A. R. Celebrates 16th Anniversary

Abi Evans Chapter Daughters of the American Revolution observed its 16th birthday anniversary Friday afternoon with a "guest day" meeting in the home of Mrs. R. S. Moore on West Chicago Boulevard.

Mrs. Edith C. Smith, vice regent, presided and during the business session Mrs. Neil Pearson, Mrs. Roy J. Whiting, Mrs. Ernest M. Linger and Miss Helen Claus were received as new members, and delegates to the State Conference and Continental Congress were elected. Those to represent the chapter at the state conference in Detroit, March 24-26, are the regent Mrs. Hoyt E. Whelan, Mrs. Florence Roberts, Mrs. D. F. Wright, Mrs. Edith C. Smith and Mrs. B. B. Turnbull. Delegates to the Continental Congress in Cincinnati, April 16-21 are Mrs. Whelan, Miss Marion Whelan, Mrs. Robert H. Moore and Mrs. Leon Rosacrans; alternates are Mrs. C. C. Beland, Mrs. E. D. Brown, Mrs. E. T. Armstrong and Miss Margaret Roberts. It was announced that Mrs. Lewis Lent, a member of the chapter, had recently graduated with the Red Cross Nurses Aide class of Tecumseh hospital.

Mrs. R. S. Moore, in costume of Guatemela, then presented for the program a "Good Neighbor Tour" of Latin America, with those taking part in Latin American costume. The program consisted of a piano selection, "The National Air of Argentina" by Mrs. O. V. Robinson; vocal solo "Tango Dream" an Argentine song, by Mrs. Edward Beal, accompanied by Mrs. Kenton Hunt; a piano solo "Tango in D" by Mrs. Hunt; vocal solo "Omba" by Mrs. Harley McConnell, accompanied by Mrs. Neville Hart; piano solo, a composition brought by her mother from South America, by Mrs. Robinson; a descriptive talk on "Argentine" by Miss Ethelyn Garlinghouse, illustrated with maps and pictures; a South American dance by Lenore Larsen.

Buffet refreshments were served at the close of the program by Mrs. Robinson and Mrs. Hunt from a table patriotically decorated and lighted. The assistant hostesses were Mrs. O. W. Laidlaw, Mrs. H. H. Loveland, Mrs. Hunt, Mrs. Ida Spencer and Miss Edith Ingersoll. Mrs. E. T. Armstrong of Adrian attended the meeting.

The Temple Dependable class of the Methodist church will meet Friday afternoon February 19 at 2:30 at the parsonage with Mrs. N. MacNaughton, Mrs. W. G. Bryan and Mrs. R. S. Bumpus as hostesses.

Mrs. Jessie L. Dove Buried Here, Tuesday

Mrs. Jessie L. Dove, widow of William L. Dove, formerly of Tecumseh, died suddenly Saturday morning at her home in Adrian the result of a heart attack suffered the day previous.

Mrs. Dove who was 69 years of age, was born in Raisin township, February 12, 1874 and was the daughter of Barton J. and Harriett Nottingham. Her entire life with the exception of five years was spent in this vicinity.

Survivors are two sons Bart and Sexton Dove of Adrian, four grandchildren and a sister Mrs. Lenora Wood of Adrian. Her husband died in July 1941 and a daughter Mabel died in November 1911.

The body was brought to the Belding Funeral Home where funeral services were held Tuesday afternoon, Rev. J. C. Murdoch officiated and bearers were John and Lavern Austin, Lavern Dove, Wallace Bryan, Earl Russell and Garland Gove. Burial was in Brookside cemetery and relatives attended from Adrian, Plymouth, Tipton and vicinity.

Tecumseh Library Gets $58 From State Aid

The Tecumseh Public Library received a check today for $58.42, Miss Edith L. Ingersoll, librarian, announced. The check is the first half of a grant from the State Aid to Libraries Fund for which the library has qualified this year.

The State Aid Law allows these grants to be used for books, salaries, supplies and equipment, or to keep the library open more hours. The money is to be used to extend the services which the library is now able to give. The only expenditures not allowed in the terms of the law are the construction and remodeling of a building, or the payment of bonded indebtedness.

The distribution of this fund is an important part of a long range program outlined by the State Board for Libraries to improve Michigan's public libraries and to provide library service for the people who do not have books available at present.

Federation of Clubs To Meet April 22nd

The annual convention of the Lenawee County Federation of Women's Clubs will be held April 22 at the Methodist church in Clayton. The date was announced at the mid-winter meeting of the executive board held Thursday in Adrian.

COMMUNICATIONS

KEEPING UP WITH THE TIME

To the Editor,

We, the members of the Tecumseh Grange have watched and read with much interest the many discussions and articles written on the important issues of "Time," and we'd like to express our views.

We, as farmers are doing and expect to continue to do everything possible to win this war. We are told that food will win the war and write the peace, therefore why shouldn't we have a voice in this important decision: Shall our clocks stay on Eastern War Time or set back one hour to Central War Time? We think it should be set back for a number of reasons:

First: We feel that the situation as it stands is a mess. If a part of our state is to change it's time, it all should. Two cities 25 miles apart, one has E.W.T. and the other C. W. T. what about the farmers who live between not knowing which stores close at 5 and which at 6.

Second: Little children start to school before daybreak. A small matter maybe but after all: Today's children are To-morrow's Men and Women. Shouldn't they be shown some consideration.

Third: We hate to think how we are going to work to the best advantage during the planting and harvesting seasons. Let's take a day during the haying season. Labor is going to be scarce. If we are fortunate enough to hire a day hand, he'll come to work at 7 o'clock. Hay has been cut a few days and will be ready to draw when the dew is off. Dinner is served at noon E.W.T., which is really 10:30 sun time. The hay is ready to draw about 2 o'clock. At 6 the hired help expects his evening meal and the day's work is done as far as he's concerned. How can a farmer with labor shortage get his crops harvested with this set-up? Is that helping our boys on the battle front? Never fear the farmer will do his share, working 12, 14 and 16 hours a day. But he does ask a little understanding and help.

Fourth: We are told that the new War Time conserves electricity. It certainly doesn't on a farm with the sun rising at 9 o'clock. Especially if a farmer has a number of cows to milk which is expected of him. A factory working 24 hours a day on 3 shifts; just what difference does it make whether the plant is on E.W.T. or C. W. T.

In closing may we say we believe our state as a whole should go back to Central War Time and in this way help the farmer to win this horrible war.

Plan Oxygen Tent Campaign

The American Legion Auxiliary wish to announce that this year they are sponsoring a subscription campaign for the purchase of Oxygen Tents. These tents are portable and can be taken wherever needed. They are endorsed by the Council of Physical Therapy of the American Medical Association, and are very effective in the treatment of pneumonia, carbon monoxide poisoning, heart cases, etc. The tents are noiseless and adjustable to any position.

The tents will be for service to the residents of Tecumseh, Clinton Britton and all rural vicinity without charge to anyone.

Representatives carrying letters of identification will call on all residents and will explain the plan, whereby the funds for the purchase of the tents will be raised.

The Auxiliary feels that in sponsoring the purchase of these tents every resident will be behind this cause, which should be of interest to all.

Please give your support to this plan, and help make this campaign a big success.

No Cash Donations Will Be Accepted

Just a piece of cloth

That's all it is—just a piece of cloth.

You can count the threads in it and it's no different from any other piece of cloth.

But then a little breeze comes along, and it stirs and sort of comes to life and flutters and snaps in the wind, all red and white and blue.

And then you realize that no other piece of cloth could be like it.

It has your whole life wrapped up in it. The meals you're going to eat. The time you're going to spend with your wife. The kind of things your boy will learn at school. Those strange and wonderful thoughts you get inside a church, on Sunday.

Those stars in it—they make you feel just as free as the stars in the wide, deep night. And those stripes—they're bars of blood to any dictator who'd try to change it.

Just a piece of cloth, that's all it is until you put your soul into it, and all that your soul sounds for and wants and aspires to be.

Get that straight—it's just a piece of cloth. It don't mean a thing that you don't make it mean.

What do you want to make it mean? A symbol of liberty and decency and fair-dealing for everyone?

Then snap out of it. The enemy's been getting closer every day. Don't let him get any closer. Start driving him back now.

Now?

There aren't enough ships yet. Aren't enough cannon, tanks, planes.

How are we going to get them? Make them, of course.

But how are we going to make them—force people, the way they do in Germany?

No, sir. We're going to pay our way. And you've got to help.

Got to help? No, you don't even have to give up your dough. All you have to do is land it—at interest. Higher interest than you can get in almost any other way—in U. S. War Bonds.

Interest that makes the Bond worth ½ again as much as you paid for it, in just ten years—just at the time you'll be wanting to take that vacation or buy that home in a world that's free and peaceful and swell to live in again.

Yes, that flag is just a piece of cloth until you breathe life into it. Until you make it stand for everything you believe in and want and refuse to live without.

Mister, is it worth pledging 10% of your income for, in U. S. War Bonds?

TITLE OF ORDINANCE

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to construct, maintain and commercially use electric lines consisting of towers, mas s, poles, cross-arms, guys, braces, wires, transformers and other electrical appliances on, along and across the public highways, streets, alleys, bridges and other public places, and to do a local electric business in the TOWNSHIP OF RIDGEWAY, LENAWEE COUNTY, MICHIGAN, for a period of Thirty years.

Rights Granted

SECTION 1. The Township of Ridgeway, Lenawee County, Michigan, hereby grants the right, power and authority to the Consumers Power Company, a corporation authorized to transact business in Michigan, its successors and assigns, hereinafter called the Grantee, to construct, maintain and commercially use electric lines consisting of towers, masts, poles, cross-arms, guys, braces, wires, transformers and other electrical appliances, for the purpose of transmitting, transforming and distributing electricity on, along and across the public highways, streets, alleys, bridges and other public places, and to do a local electric business in the Township of Ridgeway, Lenawee County, Michigan, for a period of thirty years.

Obligations of Grantee

SECTION 2. In consideration of the rights, power and authority hereby granted, all of which shall vest in the Grantee for a period of thirty (30) years as aforesaid, said Grantee shall faithfully perform all things required by the terms hereof, and such performance by the Grantee shall be in lieu of all license fees, rentals or charges of every name and nature, except property taxes, which the township might otherwise levy and impose.

Erection of Lines

SECTION 3. All of Grantee's towers, masts and poles shall be neat and sightly, and so placed on either side of the highways as not to unnecessarily interfere with the use thereof for street or highway purposes. All of Grantee's wires carrying electricity shall be securely fastened so as not to endanger or injure persons or property in said streets and highways. All work performed by said Grantee in said streets and highways shall be done so as not to interfere with the use thereof, and when completed, the same shall be left in as good condition as when work was commenced. The Grantee shall have the right to trim trees if necessary in the conducting of such business, subject, however, to the supervision of the highway authorities.

Liability

SECTION 4. Said Grantee shall at all times keep and save the Township free and harmless from all loss, costs and expense to which it may be subject by reason of the construction and maintenance of the structures hereby authorized. In case any action is commenced against the Township on account of the permission herein given, said Grantee shall, upon notice, defend the Township and save it free and harmless from all loss, cost and damage.

Rates

SECTION 5. Said Grantee shall be entitled to charge the inhabitants of said Township for electric energy furnished therein, the rates, including minimum charges, as approved by the Michigan Public Service Commission, to which Commission authority and jurisdiction to fix and revaluate electric rates and rules regulating such service in said Township, are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time upon petition therefor being made by either said Township, acting by its Township Board, or by said Grantee.

Rights Not Exclusive

SECTION 6. The rights, power and authority herein granted, are not exclusive.

Acceptance-Confirmation by Vote

SECTION 7. This ordinance shall cease and be of no effect after thirty days from its adoption, unless within said period the Grantee shall accept the same in writing filed with the Township Clerk, subject to confirmation of the grant hereof by at least a majority of the electors of said Township voting thereon at a regular or special township election to be held in the manner provided by law. Upon the acceptance and confirmation thereof, the same shall constitute a contract between said Township and said Grantee for a period of thirty years from the date of such acceptance.

Feb. 18.

Scouting is a world-wide movement—*but there are no Boy Scouts in any Axis country. . . . Why?*

Perhaps it is because Scouting teaches tolerance and human brotherhood, regardless of race or religion.

Perhaps it is because Scouting is broader than national boundaries or political parties.

Perhaps it is because Scouting encourages independence and self-reliance, instead of regimentation.

At any rate, the finest possible tribute to the Boy Scouts *is the fact that Adolf, Benito and Hirohito are afraid of them!*

* * *

The spirit of Scouting is the spirit of America. The restless, searching spirit of a pioneer people. Free men and women, working out their own lives. Building, inventing, improving. Taking the risks and enjoying the rewards. Bettering the world as they better themselves.

Out of this freedom of individual opportunity grew the great American industries that are pouring out planes and tanks today.

Out of this freedom grew the electric companies under American business management that are furnishing far more power for war production than all the Axis countries combined.

All commercially canned fruits (including spiced); canned vegetables, canned fruit and vegetable juices; canned soups, chili sauce and catsup, in cans of eight ounces or more, in excess of five cans per person, must be declared. Home canned fruits and vegetables need not be included.

Registrars are instructed to exclude anyone who expects to be absent for a period of 30 days, such as college students.

There will be no further issuance of War Ration Book No. 1 until March 15.

Remember, some 54,000 ration books must be issued in Lenawee county. The job is tremendous. Check your declaration carefully to be sure its right. Saving time will be important.

The rationing of canned foods in the United States will begin on Monday, March 1. Next week, by federal order, retailers are denied the right to sell canned foods listed for rationing, under penalty. Sometime next week, the value of the points in Ration Book No. 2 will be made public, that housewives may familiarize themselves with the use of the book before actual buying is permitted on March 1.

Nearly 3,000 Register Here For War Books

TODAY IS LAST DAY TO OBTAIN RATION BOOKS THROUGH TECUMSEH BOARD

With nearly 3,000 War Ration Books No. 2 already issued, and with another eight hours of work still ahead, Wade L. Jones, chairman of the War Rationing Board in Tecumseh township, estimated this morning that Tecumseh's registration might near the 4,000 mark before the official closng hour at 4:30 this afternoon.

"We have had a very heavy and a very unusual registration," was Mr. Jones comment. "We have registered far more persons than we anticipated, many of them from outside of the township. Of course, it is perhaps easier for some of the rural residents to register here than at other places, and we are always glad to be of service to them."

The Rationing Board set up its offices in the Council Building and began operations at 9 o'clock on Monday morning. Since that time there has been a constant flow of registrants, and during the first two days that the board was in

RATION CHART WILL BE FOUND ON PAGE SIX

session more than 2,000 registrations were taken. Yesterday was an exceptionally heavy day, the board remaining open until 9 o'clock last evening to accomodate those who found it inconvenient to obtain their books during the daytime.

County wide, the Ration Board expects to issue about 56,000 books that will permit residents to purchase their supplies of canned and dried food after sales are resumed again, March 1. Until that time, all canned and dried foods, including vegetables and fruits, have been frozen on grocers shelves.

To obtain War Ration Book No. 2 the applicant must first fill out a certificate of declaration, listing all cans and bottles of rationed foods exceeding five per person. For each can or bottle of rationed food in excess of the maximum allowance, a deduction of eight points is made from the new ration book. Locally, it was said, several hundreds of cans of food have been declared by applicants but in few instances were home stocks unusually large.

That consumers may know just how many points are required to purchase rationed food, the official government rationing chart is being published in this issue of The Herald, on page six. It is suggested that subscribers clip this chart and keep it handy in the kitchen, that housewives may know just how many points are needed to purchase their desired fruits and vegetables.

Grocers locally said that customers were taking the rationing in an easy stride and that there was little or no complaint. Unable to buy canned fruits and vegetables, housewives are buying as much fresh produce as possible, remarking that "we have to do it, we might as well start now." Soup bones and soup meat also were in heavy demand, it was said, due to the freezing of canned soups until the first of the month.

EARL UPDYKE ESCAPES SERIOUS INJURY IN CRASH

Earl Updyke narrowly escaped serious injury last Wednesday while backing out of the driveway at his home on West Chicago Blvd. He paused for a large dual wheeled truck to pass, when a rear outside tire on the truck came loose, and rolled toward him. Mr. Updyke, who had the car door open to watch traffic while backing, attempted to close the door but the tire smashed into it, and Mr. Updyke's head was cut and his glasses broken in the crash. His car was badly damaged.

Birthday Party Attended By 400

SUPPER AND PROGRAM PRESENTED BY PRESBYTERIAN CONGREGATION AT H. S.

Nearly 400 persons attended the Presbyterian Birthday Party held Friday evening in the high school gymnasium. The affair sponsored by the Ladies Aid Society of the church, was a huge success. Tables representing each month of the year were arranged through out the gym. Each table was decorated for the month it represented and a prize was awarded to the September table, which was centered with a minature schoolhouse and places marked with tiny school books. Mrs. Lynn Harris and Mrs. Don Parrett were chairman for the winning table and the prize, a huge decorated birthday cake, was presented before the co-operative supper and program. Preceding the meal all joined in singing the Doxology and following supper again joined in singing "The More We Get Together" and "My Faith Looks Up To Thee."

Rev. James Cameron Murdoch was master of ceremonies and preceding the program introduced the guests, Mayor and Mrs. Floyd Elliott, Mr. and Mrs. R. W. Herrick and daughter Jean Marie, Rev. and Mrs. O. V. Robinson and Mr. and Mrs. T. L. Wickwire and daughter Marjorie.

Each table furnished a number for the program, January opening with a New Year celebration with A. W. Porter, whose birthday falls on New Years, leading the group in a parade of the gym, in dance caps and with noise makers and plenty of confetti, to the tune of "Should Old Acquaintance Be Forgot," For February Miss Bernice Parker rendered two vocal solos, and for March Miss Crystal Wise sang "Somewhere a Voice is Calling."

The April program was announced by Fred C. Dickinson, and as the first chord was struck on the piano, all shouted "April Fool" and sat down. A very short and snappy number. June the brides month, was introduced with a reading by Mrs. W. J. Penman and a vocal solo by Mrs. Florence Johns of Detroit.

This completed the first half of the year and was followed by a song "The Church in the Wildwood" sung by all men present, led by Mrs. Robinson. Rev. Murdoch then introduced the months from July to December and Mrs. Fritz Gygi representing July gave a Fourth of July story. For August Jolene Barron gave a reading and Marilyn Lindsley a piano solo and gifts were presented to Mrs. Esther Gobeen, and Mrs. Jennie Tallman, older members of the church in the August group. Mrs. Alice Slayton, also a member of the group was unable to be present but was remembered with a plant.

The September offering on the program was the singing of "School Days" by the entire assembly and a piano solo by Jack Puffer. A recitation by Keith Barron, Jr., introduced October, the Halloween month, and for November Mrs. H. E. Whelan gave a Thanksgiving reading. The year was brought to a close with the December group singing "Jingle Bells," after which John J. Orr was introduced as the oldest member of the congregation and presented with a gift. Birthday bags were then opened and yielded $179.32. After remorks by Earl Lindsley and Rev. Murdoch, and assembly singing of "Blest Be the Tie that Binds", all gave pledge of allegiance to the flag and sang verses of "The Star Spangled Banner" and "America". Rev. O. V. Robinson pronounced the benediction.

Mrs. F. C. Dickinson, Mrs. E. E. Davis, Jack Puffer and Mrs. C. A. Stautter were accompanists for the various program numbers and the group singing led by Mrs. Robinson.

Mrs. Murdoch and Mrs. M. G. Partridge were general chairman of the party and those in charge of tables were Mrs. Wade L. Jones, Mrs. E. E. Davis, Mrs. Paul Keyser, Mrs. Harold Wilson, Mrs. Al Helzerman, Mrs. John Lott, Mrs. Howard Truesdale, Mrs. John H. Smith, Mrs. Lynn Harris, Mrs. Don Parett, Mrs. D. J. Carson, Mrs. Earl Lindsley and Mrs. Frank Buck.

THS Operetta Here Mar. 4-5

"THE CHIMES OF NORMANDY" CHOSEN BY MUSIC DEPARTMENT FOR PRESENTATION

Old France will come to life once again when the music and dramatic departments of Tecumseh high school present their annual operetta, "The Chimes of Normandy," March 4 and 5, in the school auditorium.

The setting is in Corneville, one of the old-fashioned villages of Normandy, France, where the annual hiring fair is in progress. Henri, Count de Corneville who has been in exile since childhood, because of the civil war, returns to claim his ancestral home. He is told by Germaine, ward of Gaspard, the village miser, that the chateau is haunted and that when the rightful heir returns the bells of the castle will be rung by ghostly watchmen.

Gaspard has made plans for Germaine to marry the bailli, so in order to escape his power she hires out as a maidservant to Henri.

Henri is determined to learn the true character of the apparitions seen at the chatau and ventures into the castle grounds one night with a group of his menservants. Serpolette, Grenicheux and the Bailli are also found near the castle and from then on events move to an exciting climax and romantic conclusion.

The opera is the masetrpiece of Robert Planquette, a French composer, who lived during the nineteenth century. It is produced by special arrangement.

The members of the cast and chorus were chosen largely from the Tecumseh high school chorus. The main characters are:

Germaine, Mary Jane Hayden; Henri, Count de Corneville, Jack Puffer; Serpolette, Kathleen Powell; Grenicheux, Burton Van Valkenburg; Gaspard, Archie Porter; The Bailli, Jack Osburn; Manette, Yolande Baldwin and Gertrude, Isabel Hamilton.

The chorus members are: Joyce Zeigler, Phyllis Kelly, Marilyn Wesecky, Alva Leech, Viola Lerch, Gwen Kring, Joyce Sallows, Dorothy Van Giesen, Judy King, Priscilla Sisson, Beverly John, Marjorie Colson, Lois Francis, Barbara Humble, Jack Tonneberger, Lillard Brown, George Murdoch, Dermont Kelly, Durwin Creger, Harvey Proctor, Cliff Dickson, Wayne Dunbar, Lee Coffey, Dean Hamilton, Max Brandt, Leland Kerby and Don Everhart.

The director is Miss Jean Moulding; she is assisted by Miss Jane Elliott. Gay Larsen is accompanist. The stage crew is composed of Jean Herrick as stage manager and Jacquelyn Costigan and Dolores Isaacson as prompters.

Two performances of the opera will be given on Thursday and Friday nights, March 4 and 5. Tickets may be purchased from high school and grade school students. There will be no reserved seats.

Future of U. S. Colleges Discussed By Harrison

The future of the American small college was discussed by Dr. Samuel Harrison, president of Adrian College, when he addressed the regular noon-day luncheon meeting of the Rotary club here on Tuesday, at Brees House. He was the guest of the Rev. E. T. Rodda.

Dr. Harrison pointed out that many of the nation's most brilliant minds have had their early training in small colleges which today are struggling for existence as the result of the war. Hundreds of the larger and medium sized schools are being contracted for by the government in connection with the war training program, but the smaller units, he said, are unable to participate in the set-up. Dr. Harrison warned that even in war time the nation can ill afford to lose sight of its institutions of higher learning, lest we ultimately suffer from intellectual malnutrition.

The enrollment of Adrian College Dr. Harrison said, is excellent considering the 24 per cent drop experienced nation-wide by similar schools.

Time Change Is Urged By Board

COUNTY SCHOOL COMMISSIONER ALSO ASKS SLOW TIME IN RURAL SCHOOLS

The Lenawee County Board of Supervisors, in special session at Adrian last week, officially adopted Central Standard time for the county, and instructed that a communication be sent to all city and village governments within the area, urging that clocks be turned back one hour, " in the interests of community unity." The board's action was in the form of a motion made by Rollo Conlin of Franklin township, and while the session was not a legal meeting, it was indicative of what the board will do at its March assembly. Nineteen supervisors were present at the meeting, none from the City of Adrian.

Mrs. E. T. Armstrong, county school commissioner, has recommended that all rural schools follow a new slow time schedule, opening at 8:30 a.m., and adjourning at 3:30 p.m. Mrs. Armstrong's action followed the motion by the board of supervisors.

The South Lenawee unit of the Farm Bureau has adopted a resolution asking the board of supervisors to comply with the new Michigan law which makes Central Standard time official in the state. The fact that the city of Adrian has decided to remain on Eastern War time "has created a condition of confusion and great inconvenience for the farmers in their business relations with the merchanst of the city," the resolution read.

Thus far, it appears that the City of Morenci is the only municipality in the county to officially adopt Central Standard time. In some sections of the county, however, it is understood that some farm areas have turned back their clocks.

In Tecumseh, the council is marking time, awaiting to join with a majority of the county in whatever time is adopted. It is expected that a meeting of municipal councils and the board of supervisors will be held soon, probaby before the March session, to discuss the time problem.

High School Girls To Assist Shoppers

Red Cross Roll Call on March 8

TECUMSEH'S QUOTA FIXED AT $3,000; COUNTY'S SHARE IS $28,000

The annual Red Cross Roll Call and War Emergency Fund drive will be officially launched in Tecumseh township and village on Monday, March 8, and completed the following day, the Rev. E. Thomas Rodda, chairman, announced today. Tecumseh's share of the county's quota of $28,000 is $3,000, and the Rev. Mr. Rodda is certain that locally the campaign will be over the top in the two-day period.

"I recall that a year ago our quota was $1,200 and we over-subscribed it—we raised $2,200—in two days," Mr. Rodda said. Certainly, we are more war conscious now that we were a year ago and while our quota is slightly larger, I feel that we will far exceed the amount requested."

The Roll Call this year is included in the emergency fund campaign and Mr. Rodda said that every dollar raised will be used by the Red Cross for the relief of prisoners of war. He pointed out that the American prisoner list in Africa already is very heavy, to say nothing of those held captive in other parts of the world.

Heretofore, at this time of the year, the Red Cross has conducted its Roll Call drive and $1 or more makes the giver a member of the organization. This year, however, because of the emergency need for prisoner's relief, subscriptions should be substantially increased.

Tecumseh's original quota was set at $4,000, but at a meeting in Adrian Tuesday evening this figure was adjusted and changed to the lower amount.

Tecumseh's permanent Red Cross organization, effected a year ago, met at the United Savings Bank on Monday evening and outlined plans for the approaching drive. This group is made up of Guy E. Belding, E. M. Camubell, John R. Thompson, the Rev. James Murdoch, the Rev. O. V. Robinson, John Zeigler, W. L. Berkhof, E. L. Wickwire, Wade L. Jones, the Rev. Edward Escolme, Ned Baldwin, the Rev. E. T. Rodda, Lyman Curtiss, E. C. Hellman, Yale Kerby and Ralph Oliver.

It was at the Monday meeting that Mr. Rodda was named as chairman of the March drive and Mr. Thompson was named as treasurer. Mr. Kerby and the Rev. Mr. Murdoch were named to head the publicity and display advertising campaign; the Rev. Mr. Robinson, the minute men; George McCombs to solicit at the Bruce Foundry; P. M. Hayden at Hayden Flour Mills; Lyman Curtiss and R. R. TurnBull at Tecumseh Products; R. J. Clark at Fram Farms; Mr. Belding, the business district; Dan Nixon, Quaker Oats Co.; John Austin, H. Brewer; Bruce Hoffman, Meyers Aircraft; Mrs. Edna Codling, residential district; LeRoy Titley, the township outside Tecumseh village; P. C. Satterthwait, special gifts; Earl L. Wickwire, newspaper publicity.

Mr. Rodda is planning a house-to-house campaign in both the township and the village and in addition, booths will be set up in several places to receive contributions.

Florence Weld Guild Names New Officers

Mrs. W. H. Harper was elected president of the Florence Weld Mission Guild at its annual meeting held Monday evening at the home of Mrs. Margaret Kidman. Other officers chosen were Miss Marie Koernig, vice president; Miss Ruby Partridge, secretary; and Miss Bess Spayde, treasurer. Mrs. W. J. Penman presided and Miss Koernig led the devotions. Mrs. Al Helzerman presented a George Washington program and read a poem. Mrs. E. E. Davis and Mrs. James C. Murdoch played two piano duets, Miss Preston sang "The British Children's Prayer;" Mrs. M. G. Partridge, Mrs. Jennie Satterlee and Miss Bess Spayde read stories of Washington and patriotic songs were sung by the group.

The next meeting in two weeks will be held at the home of Mrs. Wade L. Jones.

PRISONERS OF GERMANY

Rev. E. T. Rodda has received word that his aunt and uncle, residents of Guernsey, in the Channel Islands, off the coast of France, have been deported to Germany as prisoners for labor. The Rev. Mr. Rodda has a grandfather, aged 87, and several uncles and aunts, still on the Islands.

TEAM TO MEET

COST OF DISILLUSIONMENT

It has been popular of late to say that if industry fails to meet the demands of the "common man" when this war is over, the government will. Suppose plans for full employment falter? Suppose government does step into the picture?

It is predicted that socialization would be the order of the day. If that happened, the common man, which means all of us, would begin to lose personal liberties. The right to strike, the privilege of going to the boss for a raise, the opportunity for personal advancement, the chance to go into business—these are the things that would begin to disappear one by one. The reason for their disappearance would be simple. No man strikes against government. It would be impossible to go to the boss with a grievance, for the boss would be the government, and a socialistic government is merely a collection of bureaucrats. Under socialism, the man who has a new idea cannot go into business for himself because he cannot compete with government.

Disillusionment would come when it was finally realized that government is not a producer; that every social security check, every government job, and every public official must be supported by the common man, the taxpayer. This is so because the common man is the producer. There is no one else to do the job. All so-called government guarantees must be made good by the efforts of the common man, from corporation president to ditch digger.

In the last analysis, there remains but one way to guarantee progress and personal security. And that way is to allow free enterprise and constitutional government at all costs. We must preserve the right of men to forge ahead, to make new discoveries, build new industries and expand payrolls. We must encourage industry to produce as never before from our vast latent natural resources, under the ownership of private citizens, with the knowledge that this combination is the only source of progress and real national wealth. Failure to recognize these fundamental truths will result in servitude and suffering.

DESIGNED FOR EMPTY CUPBOARDS

If an army moves on its stomach, what does a nation that keeps an army supplied, move on? Its stomach also.

Calling "empty grocery store shelves and meatless markets" the tragic consequence of a national policy of holding down farm prices, Fred H. Sexauer, of Auburn, New York, predicts "the American people may find themselves really hungry unless Washington is made to recognize farmers' organizations and utilize the service they can perform in drafting effective food production programs."

Food scarcity has suddenly become news, he said. Farm organizations warned of these conditions developing as early as November, 1941. The government program of holding down farm prices was accompanied "by propaganda claiming that increases in farm prices meat inflation and disaster. No propaganda was unloosed to indicate that rising wages combined with scarcity of goods and services opens the way for inflation.

"The philosophy of low farm prices leads inevitably to rationing. With rationing started, there is grave danger of government officials assuming that we can't get higher production, so what there is must be doled out in smaller and smaller quantities." To enable farmers to produce more, "the first requisite is prices for farm products that will enable farmers to meet their costs and have enough to support their families, rather than prices that force them to quit farming and go off to urban jobs."

Food doesn't just happen—it has to be produced the same as an airplane or a battleship. It is subject to all production costs—high-priced labor cannot except low-priced food.

Victory via Vegetables

In planning your garden, do you wonder what is the most important thing for you to include from the nutrition standpoint? Below are a few facts that are important for the planning of the amount of seed, but this amount may be on a much larger scale than you want your garden. Do not waste the seed! Either share with your neighbor, or save the seed left over for another year. These are suggestions of the seeds to be sure to include in your garden for an adequate diet, nutritionally.

Item No. 1, might be plenty of tomatoes. Tomatoes, or other citrus fruits should be included in the diet of least five to six times a week. In one year's time one person should use 100 to 150 pounds. One package of tomato seed produces about 300 pounds of fruit, and requires 200 line feet of garden space. Of this amount 30 to 35 quarts of tomatoes should be canned for the winter's use, for each person in the family.

Item No. 2 could be the amount of green, leafy and yellow vegetables to include. Each persons needs 150 to 200 pounds during the course of the year. Spinach is one of the easiest to grow. One ounce of seed will produce 50 pounds of vegetable, or a 100 feet row. Plan on canning 25 to 30 pints, of each the green string beans, and asparagus. Lettuce, is a very good fresh vegetable, and one packet will plant a 50 to 75 foot garden row, producing 25 pounds of vegetable. Using a variety of early, medium and late peas, three pounds of seed will plant 300 feet of garden space, and produce 60 pounds of peas. Plan on canning 12 pints per person. Green beans are much easier to grow, and they are much better yielders. One pound of seed will plant 200 feet and will yield 60 pounds of vegetable. Broccolli is a green vegetable that can be easily grown here. One package will plant 200 feet, and will produce 100 pounds of vegetable.

Yellow vegetables to be included are: carrots, which are very high on the special list, easy to produce, and good yielders. One ounce of seed will require 200 to 300 feet of space. Only plant 3 to 4 seeds per inch. This vegetable does not need to be canned but stored under directions of root vegetables. Yellow beans are great producers also, and only half a pound of seed is required to plant 100 feet. This should produce 40 pounds of beans. Sweet corn is a great favorite, but do not use too much ground for this, because it is not as high in nutrients. One and a half pounds will plant 500 feet, and produce 375 pounds of produce. Don't plan on preserving more than 12 pints to the person.

Item No. 3. Besides servings of the above, you should have a serving of other vegetables each day. Cabbage is very high in vitamins, two packages will plant 200 to 400 feet, and will produce 100 to 150 pounds of vegetable. The yearly suggestion for one person to preserve is only 20 to 30 pounds. Beets make a very good vegetable, and can be stored both by canning and by root vegetable methods. One ounce of seed will produce 100 pounds of vegetable from 100 feet of garden space. It is recommended that 50 to 60 pounds of beets, carrots and squash is the supply to store for one year. Parsnips make a tasty change. One package will plant 50 feet in your garden and furnish 50 pounds of vegetable. It is suggested that you store 25 pounds of turnips, parsnips and rutabaga per person.

These are just suggestions of the different vegetables to be included in small gardens, and tell how much to expect from the amount of seed used.

Be very careful to adopt these amounts to your own use, and do not waste seed! If you desire more information be sure to watch for the Garden Booth when you register for your next ration book.

THE OLD JUDGE SAYS...

"Judge, there's been quite a bit of talk going around about prohibiting liquor in various spots around the country . . . around the Army camps for one thing. What do you make of it?"

"Well, Henry, I size it up about like this. It looks to me like the folks who are doing the talking are shooting a little bit higher than most people seem to realize. Sort of like the salesman who gets his foot in the door and before you know it he's sold you a bill of goods. Wouldn't surprise me a bit if what they're really aiming for is to take in the whole country again. We all know it didn't work the last time. All we got was *bootleg* liquor instead of *legal* liquor . . . plus racketeers, gangsters and the worst crime wave the country ever saw.

"Seems to me we've all got our hands full to win this war without starting up an argument we just got through settling a few years back."

HOGS Have Gone To WAR, Too

Hogs Are Worth Money

Yes, hogs like chickens, have gone to war—in fact they are one of the best "money crops" on the farm today.

Do you have enough hog houses to care for your swine, do barns or fences need to be repaired or enlarged to makehog raising more profitable.

If you need lumber or other materials to help to make your farm work easier or more profitable, just call on us for the stock.

Farmers do not need priorities to buy lumber or materials to maintain their farm and buildings.

BRITTON

WIN CAGE CROWN

The Britton Big Reds won their first Raisin Valley basketball since 1938, last Wednesday night by defeating the Ida team Ida floor, score 28 to 22. A defeat by the Ida team earlier in the season was the only black mark on the Big Red record this season.

The game was played with only five men and without the regular center, Carl Brown, who was in the hospital because of monoxide poisoning. Lavon Tubbs and Dick Wiggins were their high-scoring forwards.

NAMES NOMINATING COMMITTEE

The Britton Womans Club held its regular meeting at the home of Mrs. W. S. Niblack February 16 when a nominating committee was appointed to prepare for election of officers at the next meeting. The committee includes Mrs. Lilah Cadmus, Mrs. Phyllis Patterson and Mrs. Glyde Wittrup. It was also voted to purchase a war bond.

This was a "hard times" party and entertainment was in charge of Miss Helen Crandall, Miss Martha Van Pelt and Mrs. Fay Wiggins. Games were played and prizes awarded.

The next meeting will be held at the home of Mrs. Flora Exelby and a surprise program will be presented by Mrs. Effie Gibson.

Mrs. Grace Fairbanks has received word that her son Elwood Fairbanks has arrived safely overseas.

Mr and Mrs. John Beal have moved from the late Andrew Cheever house to the C. J. Smith house on North street.

Suzanne Spohr, little daughter of Mr. and Mrs. Edwin Spohr, who was a patient in Tecumseh hospital with pneumonia returned home Sunday.

Judy Kniffen, daughter of Mr. and Mrs. Frank Kniffen, has returned home from Tecumseh hospital.

The Junior Farm Bureau met Tuesday evening at the home of Douglas Hintz.

Carl Brown, son of Mrs. Viva Brown, was a patient in Tecumseh hospital the past week, recovering from the effects of carbon monoxide poisoning. He was polishing a car in the Reynolds garage Sunday, February 14 while a truck was in the garage with its motor running. Mr. Brown drove his car home and as he was walking into the house he lost consciousness. He soon revived but later became ill.

Pvts. Lavern Oliver and Lynn Harriott have been transferred from Ft. Custer to a camp in southern Alabama. Pvt. Wilmer Lorenz has been transferred from Ft. Custer to St. Petersburg, Fla., and Pvt. Myrlen Moore has been transferred from Ft. Custer o het medical detachment at an army air base near Salt Lake City, Utah.

Mr. and Mrs. Robert Nivision of Detroit, who were married February 13 in the Baptist parsonage in Adrian, called later on Mr. and Mrs. Raynor Benedict. Mr. Nivison is the son of Mr. and Mrs. Loree Nivision who formerly lived in Britton.

Pvt. Henry Brown, son of Mrs. Viva Brown, has been graduated from a radio mechanic's school in San Francisco. Her other son, Ned, is recovering from an operation in the Beyer Memorial hospital in Ypsilanti.

Mr. and Mrs. Leland Phillips and Mr. and Mrs. LeRoy Phillips have moved from Adrian to the Mrs. Robert Moore farm recently vacated by William Munson and family.

The condition of Shirley Pilbeam who is a patient in University hospital at Ann Arbor remains serious.

HONOR BIRTHDAY

Mr. and Mrs. Cecil Alderdyce entertained at a family party Saturday evening in honor of his birthday. The guests were his parents Mr. and Mrs. Thomas Alderdyce, his sister and husband Mr. and Mrs. Clifford Ostrander and daughter and Mr. and Mrs. Willard Whelan of Onsted and Mr. and Mrs. Leo Alderdyce and daughter of Tecumseh.

The evening was spent socially and ice cream and a birthday cake were served.

MANCHESTER

ORDAINED AS PRIEST

Edwin C. Bauer, CSC, son of Mrs. Anna Bauer of Manchester, was ordained as a priest February 16 at the National Shrine of Immaculate Conception in Washington, D. C. and celebrated his first solemn high mass at St. Mary's Catholic church in Manchester Sunday morning, at 10 o'clock. At noon a dinner was served for members of the family by the Altar Society of the church and was followed by a public reception.

Fr. Bauer is the ninth member of family of 14 children to take up a religious vocation.

A brother, Rev. Fr. Lawrence Bauer, CSC, is now stationed at Dacca, India where he is doing missionary work. Two other brothers are serving as brothers in the Congregation of the Holy Coss, Brother Christopher at Watertown, Wis. and Brother Protase at Notre Dame university. Four sisters are nuns. Sister Rita and Augustine are at St. Lawrence hospital in Lansing, Sister Bernard at Mercy hospital at Jackson and Sister Philomena at Hammond, Ind. A fifth sister, Sister Mary Joseph died several years ago.

Other members of the family are John Bauer, a teacher at St. Mary's Ky.; Joseph Bauer of Jackson; Alphonse Bauer of Brooklyn; Anna Bauer of Manchester and Mrs. T. J. Connelly of Jackson.

INSTRUCTIONS.—To find the Point Value of an item:
1. Find out the net weight of the contents (from the label, if any).
2. In the line across the top of the chart, showing the weight in ounces and pounds, find the column in which this weight belongs.
3. Find the item in the listing of items in the column to the left.
4. The POINT VALUE of the item appears on the same line as the item and in the column listing the correct weight.

All Point Values must be determined by weights. If no weight is marked on the item, the item must be weighed.
In finding the Point Value of a container where contents are given in *fluid* ounces, consider the fluid ounce to be the same as the *avoirdupois weight ounce*. One pint is one pound; one quart is two pounds.

The Point Value of any item weighing over four (4) pounds shall be arrived at by multiplying the number of pounds of that item by the Point Value per pound of that item as given in the "Per Pound" column. Fractions of a pound should be figured in quarter-pounds. Fractions of a quarter-pound should be figured to the next higher quarter-pound. Thus, an item weighing 4 pounds 9 ounces would be considered as weighing 4 pounds 12 ounces for the purpose of getting the Point Value of the item.

Election Revision of 1931—No. 410 Chapter VIII

Section 1. On the day of any election polls shall be opened at seven o'clock in the forenoon, and shall be continued open until six o'clock in the afternoon and no longer: PROVIDED, That in townships the board of inspectors of election may, in its discretion, adjourn the polls at twelve o'clock noon, for one hour, and that the township board in townships and the legislative body in cities and villages may, by resolution, provide that the polls shall be opened at six o'clock in the forenoon and may also provide that the polls shall be kept open not later than eight o'clock in the evening of the same day. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

THE POLLS of said election will open at 7 o'clock a. m., or as soon thereafter as may be, and will remain open until six o'clock p. m. Eastern (War) Time, on said day of election.

Dated this 5th day of February, A. D. 1943.

REPAIR FARM BUILDINGS
for greater production

How to do it with
CONCRETE
and save scarce materials

To increase food production to meet war requirements it is essential that buildings used to house livestock and store crops be in good repair.

Concrete foundations under barns, hog houses or poultry houses will restore these buildings to usefulness and provide protection against rot, termites and waste and damage caused by rats.

Free booklet, "Restoring Old Farm Buildings With Concrete" tells how to make essential repairs with the use of little or no steel or other scarce materials.

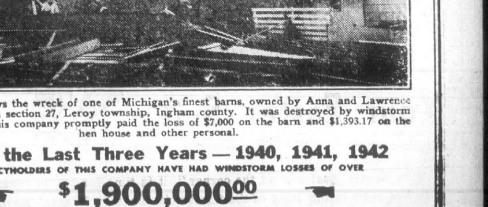
Adequate Insurance
THE ONLY PROTECTION AGAINST WINDSTORMS



This picture shows the wreck of one of Michigan's finest barns, owned by Anna and Lawrence Stowe, located on section 27, Leroy township, Ingham county. It was destroyed by windstorm May 29, 1942. This company promptly paid the loss of $7,000 on the barn and $1,393.17 on the hen house and other personal.

During the Last Three Years — 1940, 1941, 1942
THE POLICYHOLDERS OF THIS COMPANY HAVE HAD WINDSTORM LOSSES OF OVER
$1,900,000.00

The Equitable adjustment and prompt payment of these tremendous losses could have been made only by a company well prepared to meet such a circumstance. The Michigan Mutual of Hastings paid all these heavy losses just as promptly as was humanly possible and without increasing the assessments or borrowing money.

Red Cross Drive Opens Monday

TECUMSEH'S QUOTA IS SET AT $3,000; TWO-DAY CAMPAIGN IS PLANNED

When you subscribe to the Red Cross fund you will be given a sticker for display in the window of your home or office. See to it that these stickers are displayed, the Rev. E. T. Rodda, chairman of the drive, declared. Solicitors have been asked to call at all homes and places of business where stickers are not found. The display of the sticker will save not only your time but the time of the solicitor.

"Over the top in two days."

That was the slogan of the solicitors for the Red Cross Roll Call and War Emergency Fund Campaign today as they prepared to launch the official drive here next Monday and complete the canvass on the following day.

"I feel confident that we can do the job in two days," said the Rev. E. Thomas Rodda, chairman in Tecumseh. "Our quota has been set at $3,000, a little more than twice the one of a year ago, but I also know that Tecumseh is more war-conscious now than it was then, and I feel that the amount needed will be cheerfully given."

Last year, the Rev. Mr. Rodda recalled, Tecumseh's quota was $1,200 and it was over subscribed by $1000. Like this year's campaign the job was completed in two days, solicitors starting their job early on the first morning and ending it the second evening.

"The campaign this year," Mr. Rodda said," is double-barreled, in that it combines the Red Cross Roll Call with the Emergency Fund drive. Ordinarily, the drives are separate, but the need for funds at this time is urgent. Practically every cent raised in the campaign of next week will be used to care for our prisoners in Axis camps."

Overstuffy the gift of $1 makes the donor a member of the Red Cross, and it still does. But in addition, the Red Cross this year is asking that donations be more than doubled to assure the continued care of our boys in prison camps.

"Tecumseh will not fail is this effort," Mr. Rodda said "When I think that last year we oversubscribed out quota by $1,000 I feel confident that we will hit our goal this year."

A final meeting of organization was held here last evening at the United Savings Bank when directors of the local campaign met with Mr. Rodda. Committee assignments were made and plans for a house-to-house solicitations in the village and in the township were completed. Mrs. Edna Codling will have charge of this in Tecumseh village and LeRoy Titley in the township.

"We will attempt to reach everyone through solicitation," Rodda said, "but we also will set up Red Cross booths at the United Savings Bank and in the village clerk's office. We would appreciate it if residents would patronize these booths freely and not wait for the solicitor to call at their home or place of business."

GLOBOLONEY IS TOPIC AT ROTARY MEETING

"Globoloney" was the subject of an interesting 30-minute talk to members of the Tecumseh Rotary club on Tuesday by William Bruce. The meeting followed the noon-day luncheon at Brees House.

Mr. Bruce, who has made several trips to England, traced the history of transportation by water and then conducted a quiz program on important cities and rivers of the world. Guests at the meeting included Ensign William Wright.

SIX BELOW ZERO

After a few days of moderate weather, Mr. Zero played another trick on Lenawee residents Tuesday night when the thermometer registered six degrees below zero. "Don't expect spring too quickly," say the old timers, recalling that there was 24-inch ice this year in the Mill Pond and they point out that there is still sufficient ice there to keep warm breezes away from this area for a considerable time.

COUNCIL MEETS

The regular monthly meeting of the village council was held on Monday evening. Except for auditing bills and reports of committee and department heads, there was little business. The council adjourned until the evening of March 11, when the vote at next Monday's village election will be canvassed.

97 PCT. COLLECTION

Mrs. Amey K. Scutt, township treasurer, reports uncollected taxes amounting to $1603 out of a total levy of $48,600, making a 97 percent collection.

Proclamation

Whereas, The American Red Cross makes an annual Roll Call and drive for funds to carry on its work; and

Whereas, The American Red Cross is this year engaged in the great humanitarian task of administering not only to victims of disaster in our own country, but of those abroad, including many of our own friends and neighbors who are serving in the Armed Forces in far off places; and

Whereas, It is not only a right, but our solemn duty to provide the funds with which to carry on this task.

I, Therefore, as President of the Village of Tecumseh, do hereby proclaim next Monday and Tuesday, March 8th and 9th, as Red Cross days, and earnestly urge each and every resident of our community to subscribe to the cause of the American Red Cross as liberally as you can and uphold the reputation of the Village for its whole hearted support of this worthy cause.

Dated at Tecumseh, Michigan, this 3rd day of March A. D. 1943.

J. FLOYD ELLIOTT,
President of the Village of Tecumseh.

Light Vote Is Likely, Monday

ONLY ONE TICKET IN THE FIELD AND LITTLE INTEREST IS SEEN IN ELECTION

With only one ticket in the field and with no special issues on the ballot, political dopesters declared today that next Monday's village election here would be light, some being willing to wager that the total vote would not reach 100. The voting, as usual, will take place in the council building, where booths will be installed, and the polls will be open from 7 o'clock in the morning until 6 o'clock in the evening.

J. Floyd Elliott, veteran member of the council and several times president of the village, again heads the Peoples Party ticket for re-election. Wade L. Jones is seeking re-election as village clerk, and E. H. Van Vleet and Howard W. Truesdale re-election as members of the board of trustees. Sam Sisson is again a candidate to succeed himself in the office of assessor.

Two new names, however, appear on the Peoples ballot. Kenneth D. Hall is seeking election as village treasurer, and Joseph Rohweder is seeking a seat at the council table. Mr. Hall is not a new comer in local politics, having served two terms about 12 years ago as village clerk. For Mr. Rohweder, however, this is his first venture, politically.

Women, Aged 21 to 44, Sought For WAACS

Mrs. Ruby Warner, at the Local office in Clinton, is in charge of local applications for enlistment in the WAACS—the Women's Army Auxiliary Corps. Any one desiring complete information may obtain it from Mrs. Warner at the Local office.

Women between the ages of 21 and 44 with no dependents are eligible for enlistment. They will be assigned to non-combat jobs to release soldiers for front line duty, but they may be sent on foreign service. They will be under Army discipline and will receive regulation Army pay.

No effort is being made to enlist women now employed in war production plants, The Michigan quota in the recruiting campaign is 3145 women. An army mobile recruiting service unit is being sent to each county to give intelligence and aptitude tests to those who enroll.

PRESBYTERIANS SPONSOR ANOTHER MEN'S MEETING

On Thursday evening, March 18, the second in a series of men's dinner meeting will be held at the Presbyterian church. Rev. Herbert Beecher Hudnut, D.D., of the Woodward Avenue Presbyterian church, Detroit, will be the speaker. His topic will be "Building A Finer Community." It is hoped to organize a Men's club at this meeting.

SCHOOL NURSE SPEAKS

Mrs. Estehr Wetterholt, school nurse at Adrian, was speaker at the meeting of the later elementary group of Tecumseh P.T.A., last Wednesday afternoon at the high school building. Mrs. Wetterholt told of her work among the schoo's.

Mrs. William Barnes presided at the business session when the question of furnishing books for students was discussed. The program included songs by the sixth grade pupils.

Do you need glass for a broken window. We'll cut it to size, double or single strength. W. D. Hite, E. Chicago Blvd. adv.

Rural School Razed By Fire

BUILDING AT RIDGEWAY COMPLETELY DESTROYED; ORIGIN OF BLAZE UNKNOWN

Fire, of unknown origin, completely destroyed the Ridgeway schoolhouse Friday morning. The fire was discovered by Miss Alice Filter, a teacher, upon her arrival at the school about 9 o'clock. Smoke was pouring from the roof and ceiling. Miss Lillian Dibble, the other teacher at the school, spread the alarm and equipment from Ridgeway, Britton, Macon and Tecumseh responded in an effort to save the building, but the fire was out of control before the outside trucks arrived, the slate roof of the building falling in soon after.

The janitor built the furnace fire as usual that morning. The furnace is located in the basement.

Fifty-five students attended the two room brick school house, 39 in the lower four grades and 16 from the fifth through the 9th. They are at present without class rooms. The suggestions has been made that upper grades meet at the home of Miss Dibble and the lower grades in the Ridgeway library, but the approval of the State Department of Public Instruction must be given before the plan can be carried out. Carl Brablec, superintendent of Britton schools, also offered the facilities of the Britton system but this would mean a problem in transportation.

The construction of a new building is being considered by the board which is composed of Veru Thomas, president. Mrs. Glenn Jones, secretary; Clifford Southard, treasurer; Mrs. Warren Benham and Albet Filter, trustees but plans must be approved by the state department.

Five From Tecumseh Report To Ft. Custer

Melvin Boyd, recent manager of the Kroger store, and Norman Bailey, proprietor of the Quality Shoe Shop were among the group who left Friday for Fort Custer to begin military training. Mrs. Boyd expects to go to Detroit to remain with her mother and Mrs. Bailey will go to the home of her parents in Coldwater. Others from Tecumseh were Raymond Wayne, Donald Clarke and Donald Carlson.

Among those from nearby towns were Frederick L. German and Harry W. Schaffer of Clinton; Charles E. Morris and Clifford Bennett of Onsted; Austin Pickford and George DuBois of Britton; Robert L. Baker and Richard Kelley of Tipton; and Richard L. Horn of Irish Hills.

The following were assigned to the Marine Corps and Navy: Jack Marr, Onsted and Eldon S. Swick of Britton. Lawrence Dowling of Onsted has enlisted in the Navy.

Among the group to leave this week for examination from Tecumseh are Norman Higgins, Cecil Alderdyce, Harvey Dinse, Ted Brooks, Junior Frayer and George Kopka.

SACRED LILY PLANT GROWS WITHOUT WATER

Mrs. William Hiser of Dundee has a curious plant which is attracting much attention, the Sacred Lily of India. The bulb which was presented to her at Christmas time was placed on a paper on the floor with neither water or dirt then or since. It has grown a six inch sprout. The stalk is dark red with white streaks and is now in bud, just about ready to flower.

After blooming the bulb will be planted outside after the frost is gone. In the fall it will be taken up and kept in a warm dry place until Christmas when it will be ready to bloom again when brought out.

GETS EAGLE BADGE

Charles Badura of Britton who is stationed at Lincoln Air Base at Lincoln, Nebraska, recently received his Eagle Scout badge which was sent him after the last court of honor for Wolverine Council of Boy Scouts. Badura qualified for the honor last summer but enlisted soon after and before the badge was presented.

4,033 Register For Food Books

RATIONING NOW IN EFFECT IN STORES BUT CUSTOMERS TAKE IT IN STRIDE

Meats, cheese, butter, cooking fats and oils, will be rationed beginning April 1, it was announced at Washington last night. Red coupons in the ration books will be used and it is expected that about one and three-fourths pounds of meat per person per week will be permitted.

"How's your food points?"

That question seemed to be the most important of the week, not only among housewives but husbands, as well, as Tecumseh began this week to take food rationing in its usual stride. From the grocery stores came reports that a few shoppers were having difficulty figuring out how to "spend" their coupons most advantageously, but all in all it was said that there was little concern over the point system.

"It's just another step in our all-out war program and everybody seems to be happy to make any sacrifice," was one business man's comment. "True, our orders are somewhat reduced because canned goods cannot be bought under the point system in such large quantities. But the fresh produce business is good, even though the price is high. People are turning to substitutes and in a few weeks the average shopper will pay no more attention to point rationing than he now does about sugar or coffee."

In the registration for rationing books here last week, Wade L. Jones, chairman for Tecumseh township, said that 4,033 persons registered in this village. This number is nearly 1,000 more than was at first anticipated.

"We at first believed that we would register about 3,200 but many of those who received their books here were from outside the township, in the Macon, Ridgeway, Franklin and Raisin areas. The work was handled by some 30 women who did a grand job, and I'd like to say thank you to them for their efforts. At no time was there a long waiting line at the registration tables, and I believe that every one felt that they received prompt, courteous and efficient attention."

Mr. Jones returned all of the unused rationing books to Adrian following last week's registration and he said today that it would be necessary for persons who have not received their books to make application to the Adrian board for them. However, the Adrian board will not begin the issuance of the food coupon books until Monday, March 15.

In Lenawee county more than 50,000 coupon books were issued during the registration, of that number some 17,000 being in the city of Adrian.

That readers may become better acquainted with the rationing dates of all commodities, The Herald prints the following calendar:

Shoes—Coupon No. 17, good for one pair, expires June 15.

Canned Goods—Blue A, B and C Stamps good through March 31.

Canned Meats and Fish—Sales halted indefinitely.

Fuel Oil—Period 4 coupons good through April 17.

Tire Inspection—Deadline for A book holders March 31.

Sugar—Stamp No. 11, good for three pounds, expires March 15.

Coffee—Stamp No. 25, good for one pound, expires March 21.

Gasoline—No. 4 coupon, good for four gallons, expires March 21.

SAVING OUR SHIRT

For many years, "soak the rich" was the slogan for raising tax money. It was very misleading, but a vote-getter. Taxes were something for the guy who had three shirts, instead of one or two, to worry about.

So the three-shirt man was finally squeezed dry. Then the two-shirt man was put through the wringer.

Last year, the tax collector, for the first time, was forced to turn to the one-shirt man. Tax waste of peacetime had come home to roost in wartime.

Senator Bennet Champ Clark of Missouri, says that we face a "crisis in Federal taxation" and advocates prompt passage of a pay-as-you-go tax law. Millions of "first time" taxpayers find themselves faced with paying taxes on 1942 income, without cash saved for that purpose. On top of that, taxes on 1943 income are already accumulating.

So far, the only definite solution that has been proposed is the so-called Ruml plan. Briefly stated, it would provide that taxes on 1942 personal incomes be disregarded and that the payments which we will all have to make at the new and higher rates during 1943 be considered as taxes on 1943 income rather than 1942 income.

"No one would escape the payment of taxes," says Senator Clark. "The only difference would be that we would each be paying in 1943 on 1943 income, instead of paying in 1943 on 1942 income and waiting for 1944 to pay for the old dead horse of 1943."

"Theoretically, the government would lose a year's taxes scattered over a period of 40 or 50 years as the present generation of taxpayers cease to be taxpayers. This would, in the opinion of the most responsible authorities on accountancy be far more than offset by the greater promptness and certainty of collection.

"I urge every man and woman who is interested in this vital problem to write to his Congressmen and Senators expressing his view whatever it may be."

By a Ruml plan the nation may save its remaining shirt and prevent chaos in government financial affairs which would result from inability of millions of citizens to pay income taxes on income long since spent.

HELPING THE RED CROSS

The American Red Cross asks the people of this nation for $125,000,000 to be used in the interests of its sons now engaged in battle.

While this may seem like a large amount to some citizens, it is actually only two-thirds as much as was subscribed by the public in response to a similar request in 1918.

The Red Cross appears in the distinguished role of one seeking nothing for itself; all that it wants is the funds with which to render great service to those who fight for our existence as a free people.

The people of Lenawee County will have the privilege of making their contribution to the amount of $28,000 required to finance the expanded work of the Red Cross which, we should understand, is a quasi-governmental organization, primarily organized for war-time service.

The $125,000,000 does not include the vast contribution of time and talent that is being made by millions of patriotic men and women, performing as volunteers in war service under the direction of trained Red Cross officials.

Every reader of The Herald, we believe, will anxiously seek the privilege of participating in the splendid work of the great organization of mercy. To do so is to acknowledge not so much its service as the debt that we owe heroic men of this nation, engaged in desperate battle against the foe.

BRITTON

Born, February 24, to Mr. and Mrs. Raymond Cousino, a son, at Bixby hospital, Adrian.

The U. D. Club met Thursday ith Mrs. Paul Clement for pot luck dinner and regular meeting.

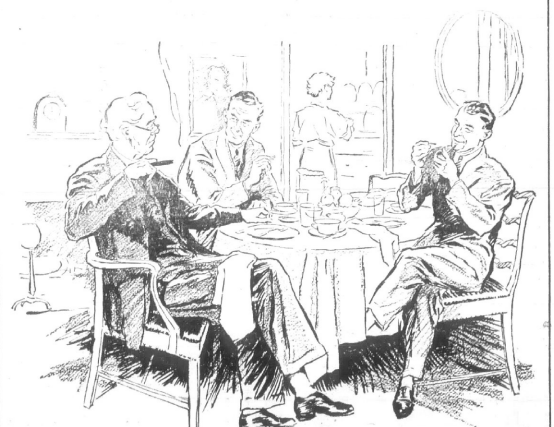
THE OLD JUDGE SAYS...



"Looks like a pretty expensive cigar you've got there, Judge."

"Yesiree, it's a real good one, Bill. Won it from Chris down at the cigar store yesterday. He got pretty positive in a discussion we had and I had to take him up on it. Bet me three good cigars to my one that the three states that still have prohibition have less crime than the other states. Well, all I had to do was step across the street to my office where I had some recent F. B. I. figures in my desk drawer. Why, on the average, those three states have a worse crime record than the whole rest of the country. And there's a good sound reason for it, Bill. There's no such thing as a dry community. It's only a question of whether liquor is sold *legally* or *illegally*. And when it's sold *illegally* it means bootleggers, gangsters and more crime."

Here's How to Shop for Rationed Foods at A&P Markets

Here is a helpful service A&P offers you to make your ration-point shopping easier. Shelves and bins stocked with rationed foods carry both price tags and ration points (see illustration) to quickly tell you how much you are required to pay in cash and ration-points for each item on display. This means you can make quick comparisons of the points each food requires for purchase as you shop from display to display.

You shop as you always have . . . serving yourself from the bins and shelves . . . making your selections to suit your taste, purse and convenience. And when you complete your selections of point-rationed foods, as well as everything else you wish to buy, you do as you have always done: just wheel your glider to the check-out counter. Our cashiers will figure the amount of ration-points you will be required to surrender for your rationed foods . . . and total your entire bill. You will pay ration-points and cash at one place, the check-out counter.

How's Your Gas Mileage?

Are you satisfied with the gasoline mileage your car is giving? Could it be increased?

We'd almost bet that a careful inspection of your car and a few minor adjustments would boost your mileage considerably. Why don't you bring your car in for an inspection?

100,000 MILES IS A LONG WAY!

Let's say the life of an automobile is 100,000 miles. That is just the number of miles of automobile travel required for a single reading of this Company's meters in 58 Michigan counties.

So you might say that a new automobile was worn out every month — together with several sets of tires — when meters were read monthly.

Now it's every two months, for in line with the Governments program of conserving automobiles, tires and gasoline, we are reading household meters and some commercial meters only once in two months. This is in the customer's interest for it prolongs the usefulness of the automobiles and tires needed to maintain essential service to homes, offices and industries.

Because most customers like to budget their expenses on a monthly basis, we are continuing to send you a bill every month. Your payment for the month when the meter is not read represents a payment on account and keeps the bill from piling up on you.

Give Generously To The Red Cross

Tecumseh's Quota Is $3,000

Courageous, self sacrificing, Red Cross nurses are serving in far corners of the war torn world . . . at a time when our brave fighting men most need the comforting and competent aid of an understanding woman.

The American Red Cross has launched its membership and war emergency fund campaign to raise $125,000,000 to perpetuate this service for the coming year. Practically every dollar that you give will be spent for the relief of American prisoners in Axis prison camps.

Tecumseh's share of this grand total is $3,000. Lenawee's quota is $28,000. We MUST NOT FAIL.

You can place a healing touch on the broken bodies of American soldiers, sailors and Marines, scattered across the world's frontiers, by doing your bit for the American Red Cross.

REGISTRATION NOTICE
for
TOWNSHIP ELECTION
TUESDAY, APRIL 6, 1943
To the Qualified Electors of the Township of Tecumseh

County of Lenawee and State of Michigan

Notice is hereby given that in conformity of the "Michigan Election Law," I, the undersigned, Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the 20th day preceding any such election or primary election and the day of such election or primary election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. (See Registration by Affidavit.)

Notice is hereby that I will be at Supervisor's Office

TUESDAY, MARCH 16, 1943
The Twentieth Day Preceding Said Election

As provided by Sec. 1, Chapter 3, Part 2, Michigan Election Law—Revision of 1941.

From 8 o'clock a.m. until 8 o'clock p.m. for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as Shall Properly Apply therefor.

In any township in which the clerk does not maintain regular daily office hours, the township board may require that the clerk of such township shall be at his office or other designated place for the purpose of receiving applications for registration on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby further given that I will be at the Supervisor's Office each day from 9 o'clock a.m., to 5 p.m.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration By Affidavit

Sec. 10—Registering of Electors: Any absent voter, as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the township clerk an affidavit for registration which shall be in substantially the following form:

Affidavit For Registration

STATE OF MICHIGAN
County of ..... ss.

I being duly sworn, depose and say that I am a citizen and duly qualified elector of the ..... precinct of the township of ..... in the county of ..... and State of Michigan; that my post-office address is No. ....., street ..... or R. F. D. No. ....., ... P. O. .....; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the ..... day of ....., 19.., the application for which ballot accompanies this application; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan Election Law: Age .....; Race .....; Birthplace .....; Date of Naturalization ....., I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Taken, subscribed and sworn to before me this ..... day of ....., 19...

Signed .....

.....

Notary Public in and for said County, State of Michigan

My commission expires .....
19.....

Upon receipt of such affidavit in the time specified herein, the clerk shal write in the registration book the name of the applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and property registered.

Note—If this acknowledgment is taken outside of the State, the Certificate of the Court that the person taking the acknowledgment is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township, village or city 20 days next preceding such election, designating particularly the place of his residence, and that he possess the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or of some member of his family, or owing to his absence from the township, village or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law cor the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury: PROVIDED, That any city may provide by its charter or by resolution approved by a majority of the members of its legislative body for the registration of such sick and absent voters on the last Saturday preceding any election or primary election at the several voting districts of such city, instead of on election or primary election day.

DATED THIS 4th DAY OF MARCH A. D. 1943.

NINETY-THIRD YEAR—NUMBER TWENTY-FOUR | TECUMSEH, MICHIGAN, THURSDAY, MARCH 11, 1943 | FIVE CENTS PER COPY

Only 54 Votes Cast on Monday

PEOPLES PARTY TICKET UNOPPOSED AND ELECTED; CLINTON HAS UPSET

With only 54 of Tecumseh's electors showing sufficient interest in the village's government to cast their ballots at the election on Monday—there was only one ticket in the field—this municipality registered one of the smallest votes in its history.

The Peoples party ticket, headed by J. Floyd Elliott for re-election as president, was unopposed and all candidates on that ticket were elected to office. The ticket included Wade L. Jones, clerk; Sam Sisson, assessor; Kenneth Hall, treasurer; E. H. Van Vleet, Howard Truesdale and J. H. Rohweder, trustees.

The council will hold a special session this evening to canvass the vote and declare the successful candidates elected. They will enter upon their new terms of office the first Monday in April.

In the village of Clinton, 342 votes were cast, the electors being attracted to the polls because of a sticker campaign which began last Saturday to return Dr. J. R. Foreman as president, an office he had held for 18 years. Dr. Foreman was not the candidate of the party's caucus this year which nominated G. A. Van Dusen. In the voting, Mr. Van Dusen received 197 votes to Dr. Foreman's 136. New trustees named in Clinton are C. L. Kimball, Charles Kane and Harold Gasner. R. F. Marshall was re-elected clerk, Grace Silvers, treasurer, and E. C. Young, assessor.

In Onsted the Independent ticket won easily in a light vote. Owen Dunn, Elwyn Onsted and Ronald Winters were elected trustees.

In Britton there were two complete tickets and a total of 81 votes were cast. The Peoples party succeeded in taki[illegible] office, Raynor Benedict defeating J. M. Fe[illegible]an, incumbent, for president. Edmund Miller defeated the incumbent clerk, Tom Wardle, and Maud Craig defeated Mary L. Brown, treasurer. Clarence Exelby was name assessor defeating Florence Gripton and Leon Kniffen defeated Stanley Smith as trustee, as did Carl Auten over Archie Spohn.

Dr. Herbert B. Hudnut To Talk to Men's Club

Dr. Herbert Beecher Hudnut, minister of the Woodward Avenue Presbyterian church, Detroit, will be the speaker at the second of a series of Men's Club meetings, to be held Thursday evening, March 18, in the parlors of the First Presbyterian church here. It is expected that more than 100 men will be present.

Dr. Hudnut, who served as a lieutenant in the field artillery in World War No. 1 and was active in the war zone in France, is a fluent speaker. His subject will be "Builder a Finer Community."

Dr. Hudnut graduated from Princeton University in 1916, later from Western Theological Seminary and received his doctor's degree from Washington and Jefferson College. He is a director of the Detroit Council of Churches, a member of the Board of National Missions of the Presbyterian church, and a former director of the Pittsburgh Community Fund.

The dinner is by the courtesy of the board of trustees of the local church. At the conclusion of the meeting there will be a brief period devoted to organization.

Mrs. Nettie J. Wells Buried In Ridgeway

Mrs. Nettie J. Wells of Ridgeway widow of the late Stanley B. Wells, died Friday afternoon at University hospital in Ann Arbor where she had been a patient for several weeks. She had been ill for some time and entered the hospital January 2. Mr. and Mrs. Wells moved to Ridgeway from Dundee two years ago and Mr. Wells passed away March 27, 1942.

Survivors are one son Stanley B. Wells, Jr., of Petersburg, two daughters Dorothy of Farmington and Martha Jane at home, one sister Mrs. Lena Heide who made her home with Mrs. Wells, a grandson and several nieces and nphews.

Funeral services were held Monday afternoon at the home in Ridgeway, Rev. F. W. Pefler of Dundee officiated and burial was in Ridgeway cemetery.

Victory Book Drive Here Next Saturday

Girl Scouts and Brownies will gather donations of books for the Victory Book Drive on Saturday, March 13. Novels, detective stories, mysteries and other books are acceptable, but no text-books are desired. The books may be left on the porch if persons are away from home or do not wish to be disturbed.

Girl Scouts are also conducting a fat salvage campaign and will collect all fats ready. Fats not ready may be saved for the next collection.

Brownie Scouts are assisting in the drive by collecting tin cans for Uncle Sam, and will pick up any cans with both ends removed and flattened, sometime next week.

The drive starts Saturday March 13 at one o'clock and housewives are asked to have all books, fats and tin cans ready—to help Uncle Sam.

Thomas Conlin Dies In Detroit

WAS FORMER FRANKLIN SUPERVISOR AND 14 YEARS COUNTY DRAIN COMMISSIONER

Thomas Conlin, former Franklin township supervisor and county drain Commissioner for 14 years, died Friday morning at the home of his daughter Mrs. Walter Hoefer in Detroit where he had spent the past year. Mr. Conlin who was 86 years of age, had been ill for about four months and on March 3, suffered a paralytic stroke from which he never recovered.

Mr. Conlin was born in Everton, Ont., the son of Henry and Mary Aiken Conlin, ad obtained his early schooling in that community. After coming to Lenawee he attended Adrian College and engaged in farm work later taking up the carpenter trade, and teaching school during the winter season.

In 1896 he was married to Annetta Camburn of Tipton and soon after bought a farm in Franklin township which is now occupied by his son Rollo Conlin.

Mr. Conlin served as school inspector of Franklin township, clerk and treasurer and served on the board of supervisors from 1915 to 1923, resigning after being elected drain commissioner. He also held this position until 1936 when he retired from active service.

Survivors are a son Rollo G. Conlin of Tipton, a daughter Mrs. Lucille Hoefer of Detroit, a brother Henry Conlin of Berkeley, Calif., a sister Mrs. W. W. Tremaine of Oberlin, O. and a granddaughter Jean Conlin of Tipton. Mrs. Conlin's death occurred in 1929. Four brothers and three sistes also preceded him in death.

Funeral services were held Sunday afternoon at the Everiss Funeral Home in Adrian. Rev. W. T. Grove of Curtice, O., officiated and bearers were Dr. Gladstone Conlin, John Conlin, Earl Conlin and Robert Cullinane. Burial was in Tipton cemetery.

Mrs. Lavie Zeluff, 70, Dies In Britton Home

Mrs. Lavie Zeluff, widow of the late Frank Zeluff, died Monday morning at the home of her daughter Mrs. Elmer W. Eberhardt in Britton. Mrs. Zeluff, who was 70 years of age, was formerly Lavie Underwood, daughter of Mr. and Mrs. William Underwood. She had always lived in Britton and vicinity and was a member of the Christian church.

She leaves two daughters, Mrs. Doris Exelby and Mrs. Frances Eberhardt of Britton, two sisters Mrs. Edgar Exelby of Britton and Mrs. S. S. Main of Lansing, four brothers John, Amos Clay and Clarence Underwood of Britton, four grandchildren Polly Ann and Patricia Eberhardt and Margaret Alice and Willard Exelby; two half sisters Mrs. Ray Smith of Britton adn Mrs. William Curry of Monroe, and a step sister Mrs. M. E. Bachman of Ridgeway. Her husband, an infant on and two brothers preceded her in death.

Funeral services were held Wednesday afternoon at the Niblack Funeral Home in Britton and burial was in Ridgeway cemetery.

DATE IS CHANGED

Abi Evans Chapter, Daughters of the American Revolution, will meet Friday, March 19, instead of March 12, because of the World Day of Prayer on that date. The meeting will be held at the home of Mrs. Arthur H. Brown and the program will include a book review by Miss Jane Elliott and musical readings by Mrs. L. A. Carlson and Mrs. Neville L. Hart.

GIVEN CITIZENSHIP

Jack Gooding, son of Mrs. Hal Lewis, received his final citizenship papers March 3. He is being transferred from Miami, Fla., to Langley Field, Va., with a combat crew as radio and machine gun specialist on a B-24.

School Health Exams Planned

REGISTERED NURSE TO HAVE CHARGE OF WORK; IS AN ANNUAL PROGRAM

Plans have again been completed for the annual school health check which will be carried out in the local public schools during the next two weeks, Mrs. Dorothy O'Reilly, a registered nurse from Clinton, has been employed to conduct the examinations which will include all students enrolled in the kindergarten and in grades two, four, six, eight and ten. The program will be carried out under the direction of Paul Johnson, guidance director, in the local high school and with the assistance of members of the local Child Study Club and P.T.A. groups. Senior girls enrolled in the Community Health Service Class in the local high school will also assist in certain phases of the program.

The annual school health check is designed, primarily, to obtain certain health data regarding pupils which may prove valuable to the teacher and also to stimulate a greater interest in health throughout the schools. The examinations can in no sense of the word be considered exhaustive but they serve, rather, as a means of discovering a possible need for a more thorough examination by the family physician and dentist. Information regarding this possibility will be forwarded to the parents in a letter which is a part of the follow-up program.

Other special school health activities which are being carried out in the local schools during the present school year include a greatly expanded physical education program on the high school level designed to harden the students physically for active combat or civilian duties, and a special class in community health service with an enrollment of 27 senior girls.

The latter course is one approximately twenty-five similar courses throughout the state which are being sponsored by the State Department of Public Instruction in cooperation with the State Department of Health. The course is under the direction of Mrs. Ayesha Laddaw who is assisted by Mrs. Dorothy O'Reilly in the demonstration phases of the work. Miss Gertrude Spaulding, superintendent of Tecumseh hospital, has charge of the instructional phase of the program which is carried out in the local hospital. The course is designed to equip girls to render valuable service either in their own homes or in the community in case assistance is needed in the care of the sick.

Local Woman's Mother Dies In Northville

Mrs. Delbert Westcott, mtother of Mrs. Maynard Mulvany of Tecumseh died Monday at her home in Northville after a few days' illness. Mrs. Mulvany had been in Northville with her mother the past week.

She leaves three daughters, Mrs. Mulvany, Mrs. George Burley of Lansing and Mrs. Jos. Lipp of Northville, one son Thomas Caswell of Flint and four grandchildren.

Funeral services were held in Northville Wednesday afternoon and the body was brought to Tecumseh for burial in Brookside cemetery.

FIRE BUT NO DAMAGE

The fire department was called Thursday afternoon to extinguish a blaze which had started in a pile of sawdust near Tecumseh Products Co. No damage resulted. The department was called back an hour later and again at 6:30 when the flames broke out again close to the paint shop. The firemen remained to prevent damage to the plant.

Goal In Sight For Red Cross

RODDA OPTIMISTIC AS CANVASSERS BEGIN HOUSE-TO-HOUSE WORK TODAY

With the house-to-house canvass of Tecumseh village and township still to be completed, the Rev. E. Thomas Rodda, chairman of Tecumseh's drive for $3,000 for the American Red Cross membership and war relief campaign, was optimistic this morning as to the outcome.

"I think that we will reach our goal before the week is over and do it easily," was the statement issued from the Rev. Mr. Rodda's office. "Our solicitors have met with whole-hearted support wherever they have been and I know that the house-to-house campaign in town and in the country will find similar welcomes."

Mr. Rodda said that he was not at liberty to announce total figures for the Tecumseh campaign, but he estimated that contributions already are nearing two-thirds of the total needed to over the top. Solicitors have been at work in the business section of the village, he said, and some of the industrial plants have been contacted.

"We will know where we stand by a week from today, and we will announce the campaign results at that time." Rodda said. "I don't like to make a statement today, because it might be confusing. I haven't heard from only a few of the solicitors, but I know that they are all working, despite of inclement weather."

The house-to-house campaign in the township is in charge of Le-Roy Titley and his solicitors started their work last Monday morning. However, Mr. Titley has spent most of his time this week with the board of supervisors in Adrian, and reports from him have not been received by the chairman.

The house-to-house campaign in the village gets under way today with Mrs. Edna Codling in charge. Every house that does not display a Red Cross sticker, showing that contributions have been previously made, will be solicited.

The campaign this year combines the regular membership drive and in addition there is a campaign to raise funds for the relief of Americans in Axis prison camps. Mr. Rodda said that practically every dollar of the emergency funds would be used for prisoners' relief.

The county's quota in the present campaign is $28,000 of which amount a large portion is shared by the city of Adrian. Tecumseh's original quota in the drive was fixed at $4,000 but was revised at a meeting of chairmen in Adrian, last week.

Mrs. Clarence Fisher Heads Monday Club

Mrs. Clarence Fisher was elected president of Tecumseh Monday Club at this week's meeting held in the Methodist church parlors. Mrs. Fisher succeeds Mrs. Robert H. Moore. Other officers elected are Mrs. J. O. Eaton, vice president; Mrs. L. C. Jacokes, second vice president; Mrs. C. C. Ruppell, corresponding secretary; Mrs Kenton Hunt, secretary; Miss Ethelyn Garlinghouse treasurer. The members of the executive board remain the same as last year.

The program consisted of a panel discussion on "Women in Public Life" in charge of Mrs. T. Rentschler and Mrs. Clare Boland. Mrs. J. W. Spafford gave a review of the life of Jane Adams, Mrs. I. W. Boltz of Dorothy Dix; and Mrs. J. O. Eaton of Mary Lyons. Others were discussed by Mrs. William Barnes and Mrs. E. J. Aebersold. The program also included a musical reading by Mrs. L. A. Tecumseh Tops Its Bond Quota

JOINS WITH COUNTY IN EXCEEDING ITS QUOTA FOR THIRD MONTH IN A ROW

Tecumseh joined with Lenawee county in February in exceeding its war bond quota for the third month in a row. Reports show that for Lenawee county the sales during February amounted to $223,081. The quota was $215,000. The figures are considered as excellent inasmuch as heavy income tax payments more than likely reduced bond buying.

Tecumseh, during February, purchased $29,737 worth of bonds while its quota amounted to $22,100. The village of Clinton fell for below its $9,000 quota, buying only $3,844. Britton exceeded its $1,700 quota buying $2,137, and Onsted more than doubled its quota of $2,200, buying $4,912.

In November of last year, Lenawee had a quota of $260,000 and fell below it buying only $255,668. In December the quota was $217,000 and sales amounted to $290,045. In January the quota was $264,000 and sales soared to $268,237.

The Lenawee county board of supervisors, in session at Adrian this week, voted to invest $50,000 of the county's surplus funds in war bonds immediately. This figure will greatly aid in maintaining the county's "over the top" record in the month of March.

John Jones Dies

John Jones, aged 79 years, a resident of this community for over 60 years, died last night at 11:30 at Tecumseh hospital, the result of a paralytic stroke suffered earlier in the day. Mr. Jones had been failing for some time and suffered a like attack several weeks ago and was a patient in the hospital then. Since that time he had been with his son, Charles Jones and wife on North Maumee street.

Mr. Jones was born July 27, 1863, in Montgomeryshire, Wales, and came to this country when 16 years of age, locating in Franklin township. In 1884 he was married to Henrietta Jeffries of Franklin, who died August 30, 1935.

Survivors are the son, Charles F. Jones and two grandchildren, Neil and Eleanor. A son, Raymond died when nine years of age.

The body is at the Collins Funeral Home where funeral services will be held Saturday afternoon at 2:30. Rev. Edward Escolme will officiate and burial will be in Grobb cemetery near Tipton.

ASKS SALARY BOOST

Mrs. E. T. Armstrong, county school commissioner, has asked the county board of supervisors to increase the salary of her office from $2,000 to $2,800 annually. She told the board that the state, under a new law, would pay one-third of the salary, which is now paid entirely by the county. She pointed out that even with the increase, it would cost the county $133 a year less at present, because of the state reimbursement.

HERE'S A RECORD

"Dutch" Chilson believes that this is one of the longest, coldest winters that Tecumseh folk have seen in many a year. To prove his point he points to his records which show that the Mill Pond has been frozen for 137 days today. There is still 20-inch ice in the pond.

FIRST BLUEBIRD

W. G. Waldron says that he realizes that one bluebird doesn't make a, spring but nevertheless he reports, that he saw one of the birds last week. First robins already have been seen but the crop of early violets appears to have been de'ayed.

Enforcement of Liquor Laws up to Locality

(Editor's Note: There is much discussion at the present time relative to prohibition and the alleged lax enforcement of liquor laws throughout the State of Michigan and the Nation. That its readers may have a clearer picture of the situation in Michigan, The Herald prints the following special article, written from the Michigan Capital. Next week, another article dealing with the question will be published.)

By Gene Alleman
(Special To The Herald)

Lansing, Mar. 11—What's wrong with the Michigan liquor control system?

The answer is not new. It's at least 75 years old perhaps 7,500 years old.

And here it is: Lack of law enforcement, backed by public opinion.

But before you grab your telephone and start calling for your local legislator at Lansing to do something about it—no doubt, getting the legislature to enact another law for officers not to enforce—better adjust your specks and look at your own front yard.

The solution is so simple, it's difficult to make the public believe that it is true.

If taverns are flouting the law and some of the dance halls and nighteries are "cesspools of vice", initial responsibility for these local conditions rest with your local township boards and county sheriff (if the tavern is outside the town) or with the city council and local chief of police(if it is inside the town.)

* * *

The State of Michigan has a responsibility, of course. It is an important one.

But the first responsibility has been placed by the Legislature in its liquor control act upon the home government.

Do you know that the Michigan Liquor Control commission MUST revoke a license of a by-the-glass establishment if any local government unit—township board, village board, town council—makes a request for such action?

Do you know that all by-the-glass licensees MUST have approval of their township, village or city boards before a license will be issued by the State?

Do you know that local governments MAY prohibit sale of all alcoholic beverages on Sundays, for example?

And did you know that dance permits must have the approval of the chief of police if the establishment is within the municipality, or the sheriff if it is outside the town.

* * *

The fact that 85 per cent of all license fees are RETURNED to home communities for enforcement of liquor control laws is another proof that the legislature intended local governments to police local conditions.

As we size up the situation, this legislative placing of responsibility upon home government does not make the State of Michigan immune from criticism if the public believes that "conditions are bad."

It is the overall responsibility of the State 'government to meet the general problem, and, if the home governments are NOT performing their duty, then it should act itself in a positive manner.

Such was the theme of a report made by a study commission appointed by Governor Murray D. Van Wagoner to make recommendations on possible improvements in our liquor control system. The reported was signed by Federal Judge Frank A. Picard and Harry Rickel and Myron A. Keys. The views are regarded chiefly as those of Judge Picard. This column will deal with some of the recommendations.

* * *

The first recommendation of the study commission would be to give the state commission a discretionary power to retain not more than 20 per cent of license fee money the any municipality or township IF the home government failed to enforce the state law in its own jurisdiction. The state commission would use this money to maintain its own law enforcement agency.

The weakness of this suggestion obviously is this: Lack of enforcement is more prevalent in unincorporated areas—that is, townships. And if you want the law enforced in a township, to whom do you go for action? Many townships do not have police officers despite the fact that they do get 85 percent of the licensing fees. Yes, the records show such to be the fact.

Then who should enforce the law in townships? The county sheriff could be held strictly accountable, IF he received some of the license fees and thus could hire men to assist him in policing township conditions. However, the

THANKS THE NEWSPAPERS

The newspapers of the United States have been paid a tribute that is well deserved by Prentiss M. Brown, Price Administrator, who acknowledges their "invaluable assistance" in explaining canned goods rationing.

We are not among those who chat the praises of the press in the hope of kidding the public into believing nonsense but the fact is that the people of the nation could not have been informed about the canned goods program through any other medium.

Consequently, Mr. Brown was right in saying: "No finer single service in the interest of the American public has been performed during this war than the splendid handling by the nation's press of the OPA processed foods rationing program."

There are public services that the newspapers of the country perform every year that cannot be adequately handled by any other agency. The press does no' expect medals, but at least, it has the right to hope that the people of the nation appreciate the service so generously rendered.

The average reader of The Herald usually gives little thought to public and semi-public notices that are printed without charge to anybody in the columns of this newspaper. Let nobody get the idea that this is without expense to the newspaper.

The truth of the matter is that the newspapers offer so many "public service features" that few people realize that they do. Their service is taken for granted, which is a compliment of a high order even if it does not assist in meeting the payroll.

REPRESENTATIVE NONSENSE

Representative Jed Johnson, of Oklahoma, recently told Secretary of Labor Perkins that "unless this absentee and strike racket stops in war industries, Congress is going to do something about it, whether you can or not."

The question naturally arises, "Why has not Congress done something about it already?" The members of Congress have unlimited authority in the way of passing legislation.

If there is something wrong in the country, it is the business of congressmen to pass whatever laws may be helpful in correcting the condition complained of.

Nothing is gained by idle words, such as those used by Mr. Johnson, unless he knows how to make Congress do something. If he does, this is his chance.

THE OLD JUDGE SAYS...

"How do you feel about this idea of stopping 'em from selling liquor anywhere near army camps, Judge?"

"I was just talking about that with Will down at the barber shop about ten minutes ago. Tell you what I told him, Ned. I say it's up to the Army to decide. Why should we walk in and tell the Army how to do its job any more than I should tell you how to go about putting out a fire? And here's something that strikes me funny. All this worrying seems to be about the boys' conduct around the camps here in this country. You never hear a word of worrying about them drinking when they go abroad. Kind of queer, isn't it, Ned?"

Your Farm Buildings are Part Of Our National Defense
Keep Them In Good Repair For Victory

Yes, Mr. Farmer, your work this year is mighty important—more important, perhaps, than ever before in our nation's history—because the people of this country and our allies are looking to you for food for Victory.

That is a mighty good reason why you should not neglect your farm or any part of it. Keep your building in repair, ready to receive the crops that you raise, to house the stock that is so needed to furnish food to our soldiers and to our home defense line.

It is a part of our job to furnish you with the materials you need to carry on your program. We have plenty of lumber and other supplies and farmers do not need a priority to purchase.

Cleaner Cows Less Labor with CONCRETE PAVED BARNYARD

A concrete paved barnyard is a big aid to dairymen producing high quality milk. Fall, winter, spring and summer it helps keep cows out of mud, dust, filth—cuts down work of cleaning cows before milking. A big factor now that farm help is short and every effort is being made to increase milk production.

When cows wade through mud they waste energy needed for producing milk. Owners say a paved barnyard soon pays for itself by helping produce more and better quality milk.

Paste coupon on penny postal and mail today for free instructions for paving your barnyard or building other durable, thrifty, sanitary structures with concrete.

Enforcement of

(Continued from Page One)

more outspoken sheriffs admit privately that just as they seldom issue traffic violations because to do so would be "politically suicidal", so they might not be too zealous in enforcing liquor laws. Public opinion is the deciding factor; counties with liberal feelings toward the use of liquor are not going to elect (or re-elect) crusading, reformers in the office of county sheriff.

* * *

Some philosopher at the cracker barrel once remarked that the people get usually what they deserve.

If you have "bad" government, then it's probably more YOUR fault than someone at Lansing or Washington.

The state liquor control commission has completed a survey of two-thirds of the counties in Michigan, studying this matter of law enforcement and complaints of violations. Invariably where local officials are on their toes, the state gets no complaints. For instance Lapeer, Hillsdale, Barry and other dry counties just don't stand for bad conditions. There is little for the state to do.

However, a leading city in the Thumb offers an example in reverse. City police have instructions from the city commission to stay out of licensed places. Result: Tavern conditions there are the worst in Michigan! State inspectors can only revoke a license when they can obtain evidence. The city council or commission could revoke any license merely by adopting a resolution. The state must revoke a license when the home government requests such action.

* * *

Under present laws in Michigan, any community can have exactly the sort of conditions in wants.

That is democracy at the grassroots. Is it a desirable policy?

RUGGED AND STRONG

NORTH MORENCI—"I was scared and cold," was 3½-year-old James Stoops only comment after he had been found by a searching party in a wood near his home, last week. The child was lost for several hours after he had told his mother he intended to go out and look around for a few minutes. Despite the fact that Jimmy was without heavy clothing during his wandering he seemed no worse for the exposure.

INFANT SON DIES

Donald Francis, two months old son of Mr. and Mrs. Leonard Kempf, died Friday morning at the home near Tipton.

PLENTY OF SHOES

DETROIT—People who need shoes for legitimate purposes will get them, according to an announcement from the district rationing office here. If more shoes are needed than rationing stamps will buy then applications for supplemental rationing should be made. However, stamps should be used first, it was said.

HOUSE IS DAMAGED

ADDISON—When a shut-off valve to a pressure tank froze up in the United church parsonage here last week, the electric pump kept on working and built up such a pressure that when the tank exploded it blew a hole about nine by five feet in the floor of one of the rooms. Fortunately, members of the family were not injured.

You are an American—independent—free—outspoken—and proud of it! You would probably take a swing at anyone who said you were giving aid and comfort to the enemy.

Yet, if none of your spare dollars are going into War Bonds, you are doing just that—giving aid and comfort to a bunch of Nazis and Japs.

Don't fool yourself. Hitler and all his motley crew are watching the sale of War Bonds and Stamps closely. They grin when sales go down. They know that War Bonds deliver a rain of steel into the camps of the Axis.

Even though you never are able to leave your desk, or your farm, or your workbench, YOU CAN GET AT HITLER. You can get at him with your spare dollars by pledging part of your weekly income regularly to the defeat of the Axis powers.

Pledge 10% of your pay check to Uncle Sam and in return he will pledge to give it back to you with interest. In ten years he will give you back $4 for every $3 you lend him today. For every $18.75 War Bond you buy to whip the Axis, the U. S. Government will give you $25 in ten years. For every $37.50 Bond, he'll give you $50.00.

And if you need any of the money you put in before then, you can get every penny back, after the first 60 days.

Now, when our country needs your dollars, you can start building a nest-egg which will give your family security and the good things of the peace to come.

REGISTRATION NOTICE
for
TOWNSHIP ELECTION
MONDAY, APRIL 5, 1943
To the Qualified Electors of the Township of Tecumseh
County of Lenawee and State of Michigan

Notice is hereby given that in conformity of the "Michigan Election Law," I, the undersigned, Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal vote in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive and name for registration during the time intervening between the 20th day preceding any such election or primary election and the day of such election or primary election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. (See Registration by Affidavit.)

Notice is hereby that I will be at Supervisor's Office

TUESDAY, MARCH 16, -1943
The Twentieth Day Preceding Said Election

As provided by Sec. 1, Chapter 3, Part 2, Michigan Election Law—Revision of 1941.

From 8 o'clock a.m. until 8 o'clock p.m., for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as Shall Properly Apply therefor.

In any township in which the clerk does not maintain regular daily office hours, the township board may require that the clerk of such township shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby further given that I will be at the Supervisor's Office each day from 9 o'clock a.m., to 5 p.m.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration By Affidavit

Sec. 10—Registering of Electors: Any absent voter, as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the township clerk an affidavit for registration which shall be in substantially the following form:

Affidavit For Registration

STATE OF MICHIGAN
County of ..... ss.

I being duly sworn, depose and say that I am a citizen and duly qualified elector of the ..... precinct of the township of ..... in the county of ..... and State of Michigan; that my postoffice address is No. ..... street ..... or R. F. D. No. ..... P. O. .....; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election for primary election to be held upon the ..... day of ....., 19..., the application for which ballot accompanies this application; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan Election Law: Age .....; Race .....; Birthplace .....; Date of Naturalization ..... I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Taken, subscribed and sworn to before me this ..... day of ..... 19...

Signed .....

.....

Notary Public in and for said County, State of Michigan

My commission expires ..... 19.....

Upon receipt of such affidavit in the time specified herein, the clerk shall write in the registration book the name of the applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and properly registered.

Note If this acknowledgment is taken outside of the State, the Certificate of the Court that the person taking the acknowledgment is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township, village or city 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or of some member of his family, or owing to his absence from the township, village or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law or the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall in said matter, wilfully make any false statement, he shall be deemed guilty of perjury: PROVIDED, That any city may provide by its charter or by resolution approved by a majority of the members of its legislative body for the registration of such sick and absent voters, on the last Saturday preceding any election or primary election at the places of voting in the several voting districts of such city, instead of on election or primary election day. (See Sec 9, Part II, Chap. III of Act 351 as amended 1939.)

All the provisions relative to registration in Townships and Cities shall apply and be in force as to registration in Villages.

ONSTED

BANQUET IS HELD

The Onsted Woman's Club held the annual gentlemen's night banquet at the Irish Hills, March 2, with 95 persons present. The Rev. Mr. Wagner gave the invocation and Mrs. Floyd Sherrard acted as the toastmaster. Mrs. Lloyd Kurtz gave a toast to the men in the form of an original poem. Mr. and Mrs. Richard Hill sang a duet and E. Bateman gave a toast to the women. Mrs. Norman Hidden of Adrian was the speaker. A piano solo by Mrs. Mable Sylvester concluded the program. The next meeting will be held at the home of Mrs. Hattie Roberts March 16 at 2 p.m. and officers will be elected.

The Onsted Masonic lodge held a special communication Tuesday evening when the first degree was conferred on three candidates. Refreshmen's were served.

Mrs. George Goss spent the past week with relatives at Elkhart and Goshen, Ind.

Hubert Yeutter, Ernest Dils and Sherrill Hudson of Walworth were in Detroit Thursday for physical examination for army induction.

Cambridge chapter, Order of the Eastern Star will meet Friday evening, March 12. Dinner at 7 o'clock will precede the meeting.

Mr. and Mrs. Gene Armbruster have moved to the former Lester Deans farm which they have purchased.

The tin can pickup will be held in Onsted Friday, March 12.

The Cambridge Farmers club met Saturday at the home of Mr. and Mrs. Edward Russell for regular meeting and potluck dinner. The program consisted of a recitation by Mrs. Charles Newton; song by Mary and Joyce Wilkins; chip basket by Mrs. Russell and a reading by Mrs. Charles Sherrard. The question for discussion was "What Should the Allies do with Germany, Japan and Italy, after the War?"

Rev. F. D. Hague is improving slowly from a recent major operation at University hospital in Ann Arbor.

GRANGE IS OPPOSED TO SALES TAX CHANGE

Charging that any change in the Michigan Sales Tax law might result in a burdensome tax upon real estate, the Lenawee Pomona Grange, in session last week, went on record as opposing a change in the sales levy at this time, even a removal of the tax from feeds and grains.

The Grange also opposed by resolution a proposed repeal of the Sunday hunting law, which permits counties to decide for themselves whether or not Sunday hunting should be permitted. Another resolution asked that a minimum price be established on livestock and other farm products consistent with ceiling prices that distributors might be protected against "squeezes."

WILLOW RUN CHAPLAIN

The Rev. Warren E. Jackson, minister of the First Baptist church of Wyandotte, closed his pastorate there March 1, to become resident chaplain and field worker in the Willow Run Area.

The Rev. Mr. Jackson is a former pastor of the Tecumseh Baptist church and well known here.

SCHOOL BOARD MEETS

The Tecumseh board of education met in regular session in the office of the superintendent last Tuesday evening. The business of the evening included the consideration and adoption of the school and library budgets for the next school year, as presented by the superintendent; the re-appointment of all staff members to their positions; and the adoption of the school calendar for the next school year.

HIGH SCHOOL OPERETTA ATTRACTS LARGE CROWDS

"The Chimes of Normandy," a light operetta, was presented at the high school auditorium here last week Thursday and Friday evenings and attracted large audiences. Leading parts were taken by Mary Jane Hayden, Kathleen Powell, Jack Puffer, Dalton Van Valkenburg, Archie Porter, Jack Osburn, Isabel Hamilton and Yolande Baldwin, supported by a large cast from the school. The operetta was directed by Miss Jean Moulding and Miss Jane Elliott with Gay Larsen as accompanist. The new high school orchestra under the direction of Clare Camburn made its initial appearance.

ANOTHER VOLUNTEERS CLASS

Another volunteer class in Red Cross Nursing Aide is being organized to begin classes the last week in March. The course will consist of 80 hours of class work and volunteers are requested to give 150 hours of service in the hospital during the year.

Any one desiring to enroll is asked to contact Mrs. G. A. Rathbun or Miss Gertrude Spalding at the hospital.

G. O. P. Caucus Chooses Titley

CONTEST FOR TREASURER RESULTS IN NOMINATION OF MRS. AMEY SCUTT

LeRoy H. Titley, Republican supervisor of Tecumseh township, was nominated for re-election at the party's caucus, Tuesday evening, in the council building here. Mr. Titley was unopposed for the party's nomination. The caucus was attended by 145 voters.

The only contest that developed at the caucus was between Mrs. Amey Scutt, incumbent, and Mrs. Margaret Kidman for the office of township treasurer. In the balloting, Mrs. Scutt received 88 votes and Mrs. Kidman 55. Two votes were invalid.

Others nominated are: For clerk, H. H. Hanna; justice of the peace, F. C. Hanna; member, board of review, E. J. Marshall; highway commissioner, George Sanford; constables, Arthur Harding, Neil DePuy, B. W. Mominee and George Isaacson.

R. K. Anderson acted as chairman of the caucus and Ellsworth Collins as clerk. The first three names on the ticket were named as the party's township committee.

The caucus was one of the largest here in some time and undoubtedly the interest was due to the contest for the office of treasurer. However, it was rumored on Tuesday afternoon that Mr. Titley's nomination for supervisor would be opposed by another candidate but such opposition did not appear in the caucus.

As in the village election earlier in the month, there will be one ticket in the field at hte township election on April 5. Tuesday evening was the deadline for a legal party caucus.

Mayor Calls Upon Residents Here To Plant "Gardens For Victory"

PROCLAMATION ISSUED BY ELLIOTT; IDLE LAND SHOULD BE REPORTED

Stressing the shortage of food and labor and the need for complete cooperation on the part of the public in planting Victory Gardens this summer, J. Floyd Elliott, mayor of Tecumseh, today issued a proclamation, setting aside next week as Victory Garden Week, "a time when every resident of the village should make his plans for the planting of Vegetables for Victory."

Th mayor's proclamation mentions not only the shortage of food to feed ours oldiers, our sllies and civilians, but also the difficulty that truck farmers are having due to the shortage of labor and burdened transportation.

"This is a serious time, a time when we should act. It's too late in the fall to plant a garden, we must anticipate our needs during the growing months. I cannot urge too strongly the need for complete cooperation in the gardening program," Mayor Elliott said.

The Rev. Edward Escolme, chairman of Tecumseh's Victory Garden Committee, said today that his committee already is formulating its plans for a gardening campaign in Tecumseh and he indicated that it would be in full swing during the coming week.

"I believe that there are several plats of idle land in Tecumseh that can be made available for garden spots, and that there are a number of men and women who would welcome such gardens, if they know where the land could be obtained," the Rev. Mr. Escolme said.

"I would, therefore, urge any person who has land suitable for a garden site to communicate at once with Miss Marion Whelan at Freeit Lockers, secretary of our committee. She will record the name and it will be turned over to some person who wants to plant a garden but cannot because of a lack of a site."

The mayor's proclamation follows:

"WHEREAS, the present emergency requires the production of greatly increased quantities of foods, not only for our armed forces, our civilian population, and for shipment abroad to our allies, but also since the responsibility of feeding the starving men, women and children of occupied and reoccupied countries has fallen upon the American people

"AND WHEREAS, the farm labor shortage and shortage of farm machinery and equipment makes it difficult for truck farmers and commercial vegetable gardeners to greatly increased their production, and

"FURTHER, since the tansportation facilities of the country are taxed to the limit with the hauling of the instruments of war, and since, even the local delivery of vegetables and similar foods from the farm to the city requires large expenditures of gasoline and rubber

"NOW, THEREFORE, I, J. Floyd Elliott, president of the Village of Tecumseh, do call upon each citizen who has or can obtain suitable land, to plant a Victory Garden in 1943 and to produce and preserve, can or store all food to the limit of his ability.

GARDEN CLUB TO MEET

CHILD STUDY CLUB

The Child Study Club will meet Monday evening, March 22, at the home of Mrs. W. D. Hite, with Mrs. Don Nixon and Mrs. E. T. Rodda as assisting hostesses. Mrs. Carl Cedercquist and Mrs. Hugh Andrews are in charge of the program and the topic is "Some are fast, some are slow."

"I do further, hereby, officially set aside the week of March 21, 1943 as Victory Garden Week and call upon every resident to complete plans for the planting of the garden during this week so that he will be in readiness to start planting as soon as weather and soil conditions permit."

In support of this back-to-the-soil movement and to help Victory gardeners realize the greatest possible yield of good fresh vegetables, the Farm Bureau of The Firestone Tire & Rubber Company has published a pocket-size garden guide book which is free to everyone who requests one at the local Firestone store in the Ford building.

According to C. O. Butler, owner of the store, the book, entitled, "Helpful Information For Growing A Successful Victory Garden", is based on the latest scientific principles of vegetable growing and reflects the Firestone company's 27 years of experience as sponsor of its employees' gardens, one of the largest industrial gardening projects in existence.

In a brief chapter devoted to the selection of a garden spot, gardeners are told how to apportion planting space according to their needs. A planning and planting chart lists the major vegetable crops and provides complete information on planting dates, on the number of feet of row to be planted with each vegetable for each person, spacing between plants, spacing between rows and the number of days before maturity. There are also instructions for canning, drying and storing vegetables. As a guide to people who are planting their first garden a complete plan is marked off, row-by-row, showing when and what vegetables to plant as well as the succession and companion crops that may be planted to insure a large and diversified yield.

Tecumseh Nears Red Cross Quota

HOUSE-TO-HOUSE SOLICITATION IS CERTAIN TO PUT TOWNSHIP OVER THE TOP

"I still am not in a position to announce totals, but this much is certain. Tecumseh township will go over the top in its $3,000 drive for the American Red Cross," the Rev. E. Thomas Rodda, chairman of the local committee, said this morning.

"We have received some mighty fine contributions from firms and from individuals and next week we will announce the cash total. I think, however," the Rev. Mr. Rodda said, "that inasmuch as the drive is to continue in the county throughout the balance of March it would be premature for us to make public our figure at this time. Then, too, our totals are far from complete, because we have not heard from all of our solicitators in the village and in the rural areas."

The house-to-house campaign in Tecumseh is in charge of Mrs. Edna Codling and in the township the chairman in the rural area is LeRoy Titley. Both chairmen reported, Mr. Rodda said, that their solicitators are at work and will be ready to make a detailed report in a few days.

In the business district the campaign here was in charge of Guy E. Belding and he has about completed his solicitation, Mr. Rodda said that Mr. Belding had received some excellent contributions, in most cases honors doubling pledges of a year ago.

The Red Cross drive this month is a double-barreled affair inasmuch as it combines the membership drive with an emergency fund campaign, the latter money to be used almost entirely for the relief of American prisoners in Axis camps. There are thousands of such prisoner at the present time.

"I know that Tecumseh will be mighty proud when the figures are announced," Rodda said. "Again, as she has always done in the past, this village and township will take its place as a leader in worthwhile national wartime effort."

Mrs. C. M. Gilbert Buried In Brookside

Mrs. C. M. Gilbert, a resident of Tecumseh for 40 years, passed away Sunday at the home of her daughter and husband, Mr. and Mrs. Elmer Spring in Pontiac, where she and Mr. Gilbert had been spending the winter. She had been ill for some time.

Williamson Is At Rest Base

LOCAL SQUADRON OFFICER TAKES "TIME OFF" AFTER GUADALCANAL FIGHT

Captain Leon Williamson, son of L. P. Williamson, West Chicago boulevard, is at a rest base, somewhere in the South Pacific, with his Marine aviation squadron, according to a delayed dispatch from the fighting zone.

Capt. Williamson's squadron is the veterans of the battles of Midway and Guadalcanal and the rest was ordered after six weeks of steady front line fighting including foxhold defensive and heavy bomb offensives on Guadalcanal, Williamson was the executive officer of the squadron on Guadalcanal.

Despite the heavy fighting that the squadron has done it has lost only two pilots, one of whom was Master Technical Sergeant Ralph Ackerman of Detroit. He joined in an attack on a Japanese transport, the report said, and started his dive for the ship. His plane continued seaward after the bomb was released and crashed along side the transport just before the bomb scored a hit which sank the enemy vessel.

Although Williamson's father has heard from him from time to time it has been several weeks since he received a letter. He did, however, know that the captain was in the Guadalcanal battles.

Capt. Williamson's two brothers, Richard and Robert, also are members of the U. S. Navy.

INDIVIDUALISM—SYMBOL OF VICTORY

By an ironic twist of circumstances, modern war proves beyond argument that individual initiative is the key to victory and progress.

Captain Eddie Rickenbacker says: "Once you put a boy in a foxhole, he is on his own. Once you drop a parachute trooper behind the enemy's lines, he is on his own. The youth in the cockpit of a fighter, in a tank, on a commando raid, is always on his own. The 'rugged individualist', as a political symbol, may have few friends, but God help us if we can't recreate him on the battlefield and the factory floor." The nation that does not have rugged individualism on its side will lose the war.

This stark truth must come as a shock to the political sharpshooters who have been busy right ere in our own country kicking the props from under a system that was founded on the supremacy of the individual. Captain Rickenbacker is a product of that system. He fought as a soldier, willing to give his life that the system might live. He helped to pioneer the automobile and aviation industries. He has time and again taken chances, as a soldier and as businessman, because he could envisage a bright future, not just for himself, but for his family and all other families of America.

The future he has pictured through the years has not taken its lustre merely from the prospect of comfort and security. Eddie Rickenbacker is a typical rugged individualist. For him there is no future unless his right to take risks, to think up new ideas, to do things on his own hook and reap a fair reward, is safeguarded and encouraged.

The United States was built by men like Rickenbacker. They came across the plains in ox-drawn wagons, fought Indians, dug in the earth for gold, developed farms. They discovered, invented and produced their way to the highest standard of living in the world. At the present moment, they are the men and women who own, operate and work the coal and metal mines, oil wells, power plants, railroads and factories that are turning out the weapons for other "rugged individualists" on the battlefront, who will win this war.

Above all else, this war is being fought to keep the future bright for the descendants of these millions who believe in themselves as individuals. Those who think and act otherwise are running contrary to the character and tradition of this country.

THE OLD JUDGE SAYS...

"A lot of storekeepers in town are worrying about being able to get help these days, Judge. Men are mighty scarce and gettin' more so all the time."

"I know. Even the big companies are having quite a job getting them. Yep, and they need 'em too. Take the beverage distilling companies for example—they need a lot of manpower. Though they're not making whiskey any more, they're doing a 24-hour-a-day job of turning out alcohol for gun powder and synthetic rubber for the government.

"Makes me think back to the days before repeal when a powerful number of people were making liquor, too...only they were a bunch of law-flouting criminals doing it behind closed doors. And the government wasn't collecting a billion dollar excise tax either. Ever stop to wonder where the government could get all its war alcohol today if it weren't for the beverage distillers?"

"But grow in grace, and in the knowledge of our Lord and Savior Jesus Christ. To him be glory both now and for ever. Amen." 2 Peter 3:18.

"OUR REDEMPTION"

On Sunday morning at 10 o'clock our pastor will preach the second in a series of sermons leading up to Easter Sunday. His subject will be: "Our Redemption." If you do not have a local church home we invite you to worship with us.

"OUR LORD'S INTERCESSORY PRAYER"

The Sunday school lesson is based on the 17th chapter of John. We believe you will find inspiration in studying this lesson with a group of your own age. Plan to meet with us Sunday at 11:15 a.m.

YOUNG PEOPLE'S MEETING

Time: 6:30. Leader: Naomi Sallows. Topic: The Ten Commandments.

GOOD ATTENDANCE AT EVENING MEETING

The attendance last Sunday evening was very gratifying. At the meeting at 7:30 p.m. this coming Sunday our pastor will speak on the subject: "Further Thoughts Concerning the Antichrist". This will be the third sermon of a series of "Studies in Prophecy." Please read in the book of Daniel chapters 2 and 7. These chapters together with 2 Thess 2 and Revelation 13 throw light on the one variously called "The Man of Sin," "The Beast." and "Antichrist." Plan to bring a friend with you.

DAMP WASH may be the Answer to your Problem

Yes, there are dozens of housewives in Tecumseh who are taking advantage of our damp wash laundry plan and they tell us that it takes the wash-day drudgery out of their home.

Under our damp wash plan, all flat pieces are washed and ironed—except handkerchiefs—and other articles are returned to you sufficiently damp for ironing.

The cost—it's very small. The convenience—it's great.

See us today about this plan.

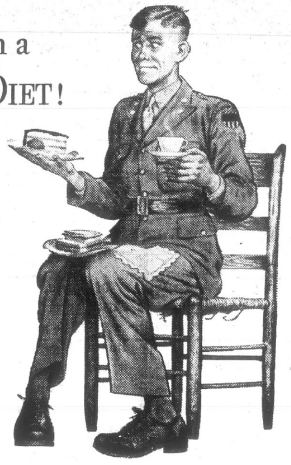
Butch is on a BALANCED DIET!



THIS situation isn't covered by Army regulations. But we're betting that Butch will find a way to handle it!

In fact, we electric companies know just how he feels. We have the same problem. Right now, we're being called on to balance good service and low, regulated rates against fast-climbing costs and tremendously increased demands for electric power.

We're doing it, too. Filling all our war orders. Giving America far more power than all the Axis countries combined. Pushing production *up* and *up*. . . . And besides that, we're balancing a big plate of taxes.

Don't get us wrong. We know the need of wartime taxes. We're proud that business-managed electric companies paid $620,000,000 in taxes last year. That was 23c out of every dollar you paid us — 8c to local and state governments — 15c to the federal government — enough to outfit 1,687,762 buck privates.

How is it possible to make so much power and meet so many taxes *at the same time?* Because of sound business methods and long experience — because men, women and management worked together as a *team.*

But while we're doing all this, *government and municipal power systems are not paying a penny in federal taxes to help win the war. . . . Shouldn't every one do his full share?*

And to vote on the following propositions:

(PROPOSAL NO. 1)

Proposed Amendment To The Constitution to Provide For The Election of Township Officers For Terms of Two Years

A Joint Resolution of the 1943 Legislature proposing an amendment to Section 18 of Article VIII of the State Constitution relative to the election of township officers for terms of two years, and to read as follows:

Sec. 18. There shall be elected on the first Monday of April in each odd numbered year for a term of 2 years in each organized township 1 supervisor, 1 township clerk, 1 commissioner of highways, 1 township treasurer, and not to exceed 4 constables, whose powers and duties shall be prescribed by law. Justices of the peace shall be reclassified as shall be prescribed by the legislature to conform with the provisions of this section providing for biennial township elections.

The Section of the Constitution which would be altered or abrogated in the event of this proposed amendment now reads as follows:

Sc. 18. There shall be elected annually on the first Monday of April in each organized township 1 supervisor, 1 township clerk, 1 commissioner of highways, 1 township treasurer, not to exceed 4 constables and 1 overseer of highways for each district, whose powers and duties shall be prescribed by law.

(PROPOSAL NO. 2)

Proposed Amendment to the Constitution to Validate Certain Alienations or Mortgages of Homestead Lands After the Lapse of 25 Years

A Joint Resolution of the 1943 Legislature proposing an amendment to Section 2 of Article XIV of the State Constitution relative to validating certain alienations or mortgages of homestead lands after the lapse of 25 years, and to read as follows:

Sc. 2. Every homestead of not exceeding 40 acres of land and the dwelling house thereon and the appurtenances to be selected by the owner thereof and not included in any town plat, city or village; or instead thereof, at the option of the owner, any lot in any city, village or recorded town plat, or such parts of lots as shall be equal thereto, and the dwelling house thereon and its appurtenances, owned and occupied by any resident of the state, not exceeding in value $2,500.00 shall be exempt from forced sale on execution or any other final process from a court. Such exemption shall not extend to any mortgage thereon lawfully obtained, but such mortgage or other alienation of such land by the owner thereof, if a married man, shall not be valid without the signature of his wife to the same. Provided, That, notwithstanding anything in this section to the contrary, such mortgage or other alienation of such land shall be valid without the signature of said wife, after 25 years unless within said 25 years from the date of the recording thereof in the office of the register of deeds of the county or counties wherein the property is located, there is filed in said office notice of claim of the invalidity of such mortgage or alienation under this section, excepting that in case of every mortgage or alienation recorded prior to January 1, 1920, said notice of claim may be filed prior to January 1, 1950.

The Section of the Constitution which would be altered or abrogated in the event of this proposed amendment now reads as follows:

Sec. 2. Every homestead of not exceeding 40 acres of land and the dwelling house thereon and the appurtenances to be selected by the owner thereof and not included in any town plat, city or village; or instead thereof, at the option of the owner, any lot in any city, village or recorded town plat, or such parts of lots as shall be equal thereto, and the dwelling house thereon and its appurtenances, owned and occupied by any resident of the state, not exceeding in value $1,500.00, shall be exempt from forced sale on execution or any other final process from a court. Such exemption shall not extend to any mortgage thereon obtained, but such mortgage or other alienation of such land by the owner thereof, if a married man, shall not be valid without the signature of his wife to the same.

Relative to Opening and Closing of the Polls. Sec. 1499, Compiled Laws of 1929

"On the day of elections, the polls shall be opened at 7 o'clock a.m., or as soon thereafter as may be, and shall be kept open until 6:00 o'clock in the afternoon, at which hour they shall be finally closed. The inspector shall cause proclamation to be made upon opening the polls, and shall also cause proclamation to be made of the closing of the polls, 1 hour 30 minutes or 15 minutes respectively before the closing thereof."

THE POLLS of said election will open at 7 o'clock a. m., or as soon thereafter as may be, and will remain open until 6 o'clock p. m., Eastern War Time, on said day of election.

H. H. HANNA,
Township Clerk.

THE TECUMSEH HERALD

NINETY-THIRD YEAR—NUMBER TWENTY-SIX | TECUMSEH, MICHIGAN, THURSDAY, MARCH 25, 1943 | FIVE CENTS PER COPY

Meat Rationing Begins Monday

FATS, FISH, CHEESE INCLUDED IN POINT VALUES; AVERAGES 2 POUNDS PER WEEK

A maximum of two pounds of steak or slightly more than three pounds of hamburger per person will be allowed under wartime point rationing, beginning next Monday, it has been officially announced at Washington. The table of points governing the purchase of meats, fats, canned fish, butter, and cheese was made public late yesterday afternoon. For the average Mr. and Mrs. America it means a tightening of the belt for the duration of the war.

In most every instance, it is believed, the average person will buy less than two pounds of meat per week because they will want to use some of their coupons for butter, lard and cheese or possibly canned fish. Every person is allowed to spend 16 coupon points per week at an average cost of eight points per pound for the entire group.

A pound of butter calls for eight points as does center cut pork chops, loin mutton chips, T-bone, club and porterhouse steaks, Sirloin steak demands nine points. Dried beef is a 12 point item, boiled ham sliced, 11 points and a half or whole ham takes nine points per pound.

Turn To Page Six and Read Official Point Table

A typical weekly budget for one person probably will be two pounds of meat plus perhaps a quarter pound of butter and a quarter pound of cheese. Some meat must of necessity be of a low point type if butter is to be purchased. Lard calls for five points per pound.

The new rationing program will have a direct affect upon the lives of every American. By Monday, about the only important unrationed food on grocery store shelves will be milk, bread, cereals, preserves, fresh fruits and vegetables.

Restaurants and other public eating places will continue without customer coupons, but their overall food supplies are rationed. Officials pointed out that it would be impossible for people to "eat it" to save their home food coupons. Supplies are not adequate, it was said.

Farmers are exempt from the rationing, being allowed to eat all they desire of their own produce. They must, however, collect coupons if they sell any produce to consumers.

During next week, each person must use the Red A stamps in his number two ration book to buy meat, fats, butter, cheese and oils. The following week, any left over A's may be used along with the B stamps, and the third week the A's and B's may be used with the C's. All four weeks stamps must be used before April 30, however.

Change on all meat stamps will be given by butcher whenever necessary. However, in weights less than one-half pound (one pound and three ounces) the fraction is disregarded. If the amount is over the half mark, points must be paid.

The new rationing program goes into effect at 12:01 midnight on Monday.

Lost in Sinking

BRIGHTONS ADVISED SON, EMMETT, JR., MISSING AS RESULT OF ENEMY ATTACK

Mr. and Mrs. Emmett Brighton of Tecumseh, have been notified by the War Department that their son, Pvt. Emmett Brighton, jr., is "missing as a result of the sinking of a ship in the North Atlantic." They were advised several weeks ago that their son was missing in action.

The notice received this week by the parents reads as follows:

It has now been established that he is missing due to the sinking of a ship in the North Atlantic the direct result of an enemy action. The War Department is making and will continue to make every effort to locate him and upon receipt of any further information you will be notified immediately. Deepest sympathy in this period of uncertainty. (Signed) The Adjutant General."

BEGINS TRAINING

Miss Emily Jane Todd who recently enlisted in the WAVES is enrolled for 16 weeks of training in Naval correspondence, bookkeeping and filing at Indiana University in Bloomington, Ind. She is quartered in a college dormitory and has full use of the schools athletic and recreational facilities.

PAWSON-JENKINS

Miss Clara Jenkins of Adrian and Halsey Pawson of Clinton were married in Adrian Monday evening by the Rev. George L. Johnston. Mr. and Mrs. Herbert Wheeler were their attendants. They will reside on his farm near Clinton.

Another Drive Planned For Cans and Fats

Another drive for fats and tin cans will be held in a few weeks and the salvage will be collected by the Girl Scouts.

The Girl Scouts and Brownies wish to thank the people of Tecumseh for their co-operation in the recent drive. More than 200 usable books were collected and 107 pounds of salvage fats were collected and sold. The Brownies also collected quite a stack of tin cans.

FBI Conference Held At Jackson

POLICE AND OTHER OFFICIALS IN ATTENDANCE; HAMMOND IS SPEAKER

In quarterly conferences held all over the nation law enforcement officers have been meeting with representatives of the Federal Bureau of Investigation in an effort ot plan effective means of exterminating and controling enemy fifth-column activity in the United States.

These conference held under the auspices of the FBI Law Enforcement Officers Mobilization Plan have increased in numbers and attendance until nearly every community in the United States is now represented. The conference were instituted in 1939 as the result of a directive issued to the Federal Bureau of Investigation by President Roosevelt.

During the past few days quarterly police conference have been held at Battle Creek, Alpena, Flint, Midland, Lansing, and Jackson. These conferences were conducted under the supervision of John S. Bugas, special agent in charge of Detroit field division of the Federal Bureau of Investigation.

Sabotage, its prevention and control, was the theme of the quarterly conference held in Jackson at the Jackson high school auditorium on Tuesday evening.

Mr. Bugas lectured on modern methods of sabotage being employed by enemy agents and sympathizers. Mr. Bugas made use of slides to illustrate his highly practical lecture.

Judge John Simpson of the Jackson county circuit court presented the viewpoint of the public toward law enforcement in his address entitled, "The Citizen's Viewpoint on Law Enforcement".

Lawrence J. Hammond, Lenawee county prosecuting attorney, discussed a legal question which is of great significance to law enforcement. His interesting discussion on "The Admissibility of and Value of Signed Statements and Confessions under Michigan Law" was well received by the attending officers from Hillsdale, Lenawee and Jackson Counties.

A large number of auxiliary police attended the conference as did numerous plant protection officers who found the sabotage discussions very interesting.

Bomber Crash Victim Buried In Brookside

Burial services were held at Brookside cemetery Thursday for Staff Sergeant Frank Durwent Snell, son of Mr. and Mrs. Frank Snell of Indianapolis, formerly of Tecumseh. Rev. Edward Escome officiated at the services..

Staff Sgt. Snell was one of a crew of seven on a B-24 bomber who were killed March 12 in a crash near Tucson, Ariz. Sgt. Snell who was 25 years of age, was radio operator on the plane. He was born in Tecumseh, moving to Indianapolis with his parents when seven years of age. He graduted from the Arsenal Technical High school in 1935 and before army induction was employed as a shipping clerk. He took his training at Madison, Wis.

Among those who attended the services here were his parents Mr. and Mrs. F. C. Snell, his brother Private Charles Alden Snell and wife of Camp Crowder, Mo., and his grandmother Mrs. Rose Burrow who has been spending some time in Indianapolis with her daughter and husband.

MESSIAH CHORUS TO MEET ON SUNDAY

The Messiah chorus will meet Sunday afternoon at 3 o'clock for rehearsal in the Methodist church. Unusual interest is shown this year. The musical encyclopedia states that the chorus "Worthy is the Lamb" and the final dignified "Amen" which the chorus has been working on, contains the grandest climax to be found in all choral art. It is an exaltation of sound in which all creation seems to join.

Rehearsals are held each Wednesday evening in the Baptist church and each Sunday afternoon in the Methodist church.

Test Students For Navy's V-12

TECUMSEH HIGH SCHOOL DESIGNATED AS ONE OF THE CENTERS IN MICHIGAN

The Tecumseh high school has been designated as one of the centers in which qualifying tests will be administered for the purpose of selecting students who will be eligible for the new V-12 program which is designed to produce officers for the Navy, Marine Corps and Coast Guard. Students who are selected to be trained under the Navy's College Training Program for general duties will receive one and one-third years of study at colleges and universities under contract to the Navy. This period will consist of four terms of college work of 16 weeks duration each. The length of course for students who are in training for specialized service, including chaplain, medical, dental, and engineering officer candidates, will vary from six to twelve terms.

All men accepted for the V-12 program will go on active duty in uniform under military discipline. They will be rated as apprentice seamen, U. S. Naval Reserve.

Qualifying tests will be held in the Tecumseh high school and throughout the nation on or about April 2. Students selected on the basis of officer-like qualifications including scores on these tests will be assigned to the Navy College Training Program.

The following civilians will be eligible to take the April tests:

(1) High school or preparatory school graduates who will have attained their seventeenth and not their twentieth birthdays by July 1, 1943, regardless of whether they are presently attending college; or

(2) High school or preparatory school seniors who will be graduated by July 1, 1943, provided they will have attained their seventeenth and not their twentieth birthdays by that date; or

(3) Students who do not hold certificates of graduation from a secondary school but who are continuing their education in an accredited college or university provided they will have attained their seventeenth and not their twentieth birthdays by July 1, 1943.

In addition to qualifying scholastically for tests, a civilian candidate must also meet the following requirements:

(1) Be a male citizen of the States.

(2) Be morally and physically qualified for this program, including a minimum visual acuity of 18\20.

(3) Be unmarried and agree to remain unmarried until commissioned, unless sooner released by the Navy Department.

(4) Evidence potential officer qualifications, including appearance and scholarship records.

Preliminary application forms for the V-12 program will be distributed through local high schools and colleges. Each applicant will be required to submit this form, properly filled out and certified by a high school principal or college administrator, who will be directed to refuse to certify and thereby to eliminate candidates who obviously are below physical standards or who show evidence of inadequately educational preparation.

Following the tests, successful candidates will be requested to report to the nearest Office of Naval Officer Procurement at their own expense. In some sections of the country, temporary branch offices of Naval Officer Procurement will be set up for the purpose of interviewing candidates for the Navy College Training Program. In each office of Naval Officer Procurement final selection will be made by a selection committee after candidates have passed a thorough physical examination.

Candidates accepted by the Navy will be enlisted in Class V-12, United States Naval Reserve. Those who are under eighteen years old at the time of their enlistment at Offices of Naval Officer Procurement will be placed on inactive duty until they are ordered to college. Those who are 18 years old or order wil be inducted under Selective Service procedures and then enlisted in class V-12, U. S. Naval Reserve, and placed on inactive duty until ordered to college.

Successful candidates will be permitted to indicate their preference for assignment to colleges on the Navy list. The Navy will respect the preference of the student as far as possible. No guarantee, however, can be made that a student's request for a given college will be granted.

BOLAND-KILBURY

Miss Geraldine Kilbury, daughter of Mr. and Mrs. Elwood Kilbury of Tecumseh and Warren J. Boland, Jr., of Jackson were married Saturday afternoon by the Rev. E. L. Hibbard at the Free Methodist parsonage in Adrian.

They left on a short trip and will reside in Jackson where Mr. Boland is employed.

Mr. and Mrs. Chas Boyd Married Sixty Years

Mr. and Mrs. Charles H. Boyd who celebrated their 60th wedding anniversary Saturday March 20, were guests of honor at a dinner given Sunday by their daughter Mrs. Ray Turner at her home in Onsted.

The guests included Mr. and Mrs. Charles Logan and children and Mr. and Mrs. S. Anderson of Jackson, Elwyn Turner of Ann Arbor and Mr. and Mrs. John Saling of Tecumseh.

Callers Saturday were Mr. and Mrs. William Walker of Tipton, Mrs. Margretta Brisbin of Toledo, and Mr. and Mrs. Fritz Gygi and on Sunday Mrs. Harriett Hardcastle and Mrs. Edward Turner and daughter of Onsted.

Rotary Hears Of Scrap Need

WAR PRODUCTION BOARD MEMBER URGES SALVAGE CAMPAIGN; OFFICERS ELECTED

"Salvage needed materials as though your life depended upon it—and it really does," was the admonition of Harry Mudge, of the War Production Board, Detroit, when he addressed members of the Tecumseh Rotary club here Tuesday, following noon-day luncheon at Brees House.

"A few ounces of kitchen fat, an old pair or two of silk or nylon hose, a few pounds of so-called junk iron or some old rubber—all of these things are needed in our war effort and needed badly. The people of Lenawee county and the state of Michigan have done a marvelous job of salvage thus far but we can't quit now. We need old tin cans, we need everything that our soldiers need to carry the battle to the Axis. I know that we are not going to let the boys down, that's not the American way."

Mr. Mudge stressed the need for more scrap steel and iron for the blast furnaces of the nation and declared that while there may be a few piles of unused scrap lying around they would not last more than a day or two at the steel mills. Lenawee county is to be called upon for several thousands of tons of scrap iron next month, and another campaign will be launched in the fall.

"Don't become alarmed because there is a small pile of scrap lying around that hasn't been collected," the speaker said. "We'll get to that. The need for worry is where there is more scrap—it takes scrap to win a scrap."

At a business meeting following the program, M. L. Dannells, the Rev. E. T. Rodda and Larry Larsen were elected to the club's board of directors. The directions in a session elected Mr. Dannells president, Ralph Comfort, vice president, W. L. Jones, secretary and Lester Rogers, treasurer. The new officers will take office in July.

August Vollmer, 75, Ends His Own Life

August Vollmer, aged 75 years, a resident of Franklin township for over 25 years, took his life by hanging yesterday in the barn at his home in Adrian. The body was discovered by his granddaughter Miss Dorothy Baker.

Mr. Vollmer was born in Germany and came to this country when 15 years of age. He had lived in Adrian since 1926, and since the death of his wife and the failure of his eyesight, had become despondent. There will be no inquest.

He leave a daughter Mrs. Anna Smartz with whom he made his home, two sons Richard of Tipton and Fred of LaSalle, and eight grandchildren. His wife, a son William and a daughter Mrs. Ida Baker preceded him in death.

The funeral arrangements have not yet been completed.

Ray Wilbur Wurster of Manchester, Dies

Ray Wilbur Wurster, 18 year old son of Mr. and Mrs. Lawrence P. Wurster if Manchester, died early Monday at Mercy Hospital in Jackson, where he had been a patient three weeks following an operation for appendicitis. Mr. Wurster was taken ill the day he was to be inducted into army service. He was a graduated of Manchester high school and was employed at the Ford plant in Manchester.

Survivors are the parents Mr. and Mrs. L. P. Wurster, his grandparents Mrs. Christine Wurster and Wilbur Short all of Manchester. He was a nephew of Dr. P. A. Scheurer of Manchester.

Funeral services were held Wednesday afternoon at the Emanuel Lutheran church in Manchester with burial in Oak Grove cemetery.

I. O. O. F. MEETING

Members of the I. O. O. F. and Rebekah lodges enjoyed a social meeting in their hall Saturday evening, with games and refreshments.

Tecumseh Tops Its R. C. Quota

CHECK FOR $3,287.77 SENT TO ADRIAN; QUOTA HERE WAS ONLY $3,000

Tecumseh has again gone over the top for the Red Cross.

The membership and war fund campaign, launched here two weeks ago to raise $3,000 for the American Red Cross, was officially over the top yesterday when the Rev. E. T. Rodda, chairman of Tecumseh township, turned over a check to the Adrian chapter in the amount of $3,287.77.

"The people of Tecumseh and Tecumseh township responded nobly to this worthwhile cause and in true Tecumseh fashion we're over the top—one of the first townships in Lenawee county to accomplish its goal.

"I want to thank the workers in the campaign for their untiring effort and next week I want to publish a more complete report of Red Cross receipts," the Rev. Mr. Rodda said, "We haven't checked our lists acurately as yet, but I did want Tecumseh to be one of the early townships to reach its goal. That's why we have sent the check to Adrian—to let Lenawee county know that Tecumseh has again rung the bell."

The campaign this year combined the regular membership solicitation with the war fund drive, the funds to be used for the relief of Americans who are prisoners of the Axis. There are thousands of such prisoners in all parts of the world.

Mr. Rodda was chairman in Tecumseh township, LeRoy Titley had charge of solicitation in the rural areas, and Guy E. Belding was in charge of solicitations in the business district. Mrs. Edna Codling directed a corps of workers who made a house-to-house solicitation in the village.

Pastor Urges U. S. Tradition

PLEADS FOR SPIRIT OF FAIR PLAY, FREEDOM OF SPEECH, PRESS, WORSHIP

The building of a tradition that is distinctly American—based upon the freedom of speech, the freedom of the press, the freedom of worship and a spirit of fair play—was urged by Dr. Herbert Beecher Hudnut, pastor of the Woodward Avenue Presbyterian church, Detroit, when he addressed the Westminster Club of the Presbyterian church here, last Thursday evening.

Pointing to England as a pattern for America's tradition, Dr. Hudnut declared that one cannot visit the British Isles without "feeling the tradition that is distinctly England's." There is something about the atmosphere of the ancient buildings, Hyde Park and the cathedrals that say, "we are a part of English tradition," he said.

"I would like to see a tradition built up on America that is just as much an American tradition as these things are a part of the English tradition. This can be done if we set about it with a determination." Dr. Hudnut declared.

Dr. Hudnut believes that America's freedom of speech, the right to worship as ones conscience dictates, the right for a free press and the spirit of fair play should become the basis for this nation's traditions. He pleaded for frank and open discussions in assembly, in the press and in the pulpit, and declared that the spirit of fair play should be taught in the schools beginning with the kindergarten age.

The meeting of the club was the second of the year, sponsored by the Session of the church and attended by about 90 men. At the conclusion of the program, which followed a dinner, the club was organized with the following directors: E. M. Campbell, Ned Baldwin, Wade D. Jones, Kenneth Hall, Clyde Bailey, LeRoy Titley and John R. Thompson. In the future the club will meet six times annually at a dinner-program. The next meeting will be in May. Membership in the club is not confined to Presbyterians but the organization is for men only.

The Rev. James Cameron Murdoch, pastor of the church, presided at Tuesday's meeting and the invocation was by the Rev. D. S. Carmichael of Holloway. Group singing was led by W. L. Berkhof and the benediction was by the Rev. Norman MacNaughton of the Methodist church.

143 YEAR OLD PAPER

Charles C. Wilson has a copy of the Ulster Co. Gazette, published in Kingston, N. Y., which is 143 years old. The paper is dated January 4, 1800 and the featured news was the death of George Washington. Columns were bordered in black rule. The copy originally was received by his mother the late Mrs. George E. Wilson at her Logan street address.

Samuel J. Wilson, 64, To be Buried, Friday

Samuel J. Wilson, aged 64 years, died suddenly Tuesday morning at his home in Raisin township near Holleway.

Survivors are the widow Mrs. Maud L. Wilson, one son Glenn Wilson, a grandson, one sister Mrs. Nellie Lanning of Toledo and two nephews Wyman Lanning of Toledo and Ira Clare Wilson of Camp McCoy, Wis.

Funeral services will be held at the Belding Fungral Home, Friday afternoon at 2:30, Rev. O. E. Priest of Clinton will officiate and burial will be in Holloway Presbyterian church.

Macon's Chest Fund Over Top

TOWNSHIP EXCEEDS BY 50 PER CENT ITS $400 WAR RELIEF FUND QUOTA

The Macon township's Red Cross membership and war fund campaign already is more than 50 per cent over-subscribed and solicitors are still at work, according to Mrs. L. C. House, chairman. The township's quota was $400 and to date $606.86 has been raised.

Much of the credit for the success of the campaign is due to the untiring effort of the war fund chairman, Mrs. Walter Morden, sr., and her capable corps of assistants. They are: Mills Swick, L. C. House, Miss Ellen Collins, Mrs. August Daisher, Mrs. Herbert Gilmore, Mrs. Merl Cross, Virgil Bortell, Mrs. Effie Gibson, Mrs. Marjorie Taylor, Mrs. Otto Bach, Mrs. Laverne Russell, Mrs. Emily Lewis, Mrs. Percy Cadmus.

"The response of the people has been very generous and wholehearted, and the committee wishes to express its thanks to every person who donated money or service in the campaign." Mrs. House said.

New Officers Chosen By The Music Club

The Music Club met Tuesday evening at the home of Mrs. R. S. Moore for a co-operative dinner and regular meeting. Twenty one attended. Chorus practice was directed by Mrs. Harley McConnell in the absence of Mrs. N. Hart, with Miss Agnes McIntyre as accompanist.

New officers of the club are Mrs. Harley McConnel, president; Mrs. S. Sisson, vice president; Mrs. O. Eaton, corresponding secretary; Miss Virginia Retter, recording secretary; Mrs. John Wintersteen, treasurer; Mrs. Wm. Barnes, librarian; Miss McIntyre, counsellor; Mrs. Maynard Mulvany and Mrs. Moore, directors.

Mrs. McConnell appointed the following committees for the year: Program, Mrs. Sisson, Mrs. Wintersteen and Miss Bernice Parker; membership, Mrs. Nina Heath, Miss Retter and Mrs. Eaton; choral music, Mrs. Hart, Mrs. Mulvany and Mrs. Robert Dannells; ways and means, Mrs. Al Helzerman, Miss Elizabeth Seger and Miss Ruby Preston; cub rating, Mrs. Barnes, Mrs. Duncan Oliphant and Mrs. P. B. O'Brien; music in home, Mrs. Perry Hayden, Mrs. Burtsel Claus and Mrs. W. G. Waldrow; extension, Miss McIntyre, Mrs. W. C. Hospital Needs Nurses Aides

17 NOW ASSISTING AND NEW CLASS IS FORMING; NURSE SHORTAGE SERIOUS

Seventeen local women, who have completed the Red Cross Volunteer Nurses Aide Course here, have, during the month of February, contributed some 359 hours of their time to the care of the sick in Tecumseh hospital, replacing a number of registered nurses on the regular staff who have gone into government service. The fact that these women have made this contribution has enabled the hospital to maintain its high quality of service despite the shortage of registered nurses, and has permitted the institution to continue to serve an average of more than 30 patients daily since the first of the year.

It was pointed out that the volunteer aides serve the hospital without remuneration as a war-time service to the community. They are continuing to take an active part in the work, assisting the registered nurses on the regular hospital staff. However, more of the nurses aides are needed to lessen the work of those who already have received their diplomas.

"I cannot urge too strongly," R. K. Anderson, a member of the hospital board, pointed out, "the registration of other women in Tecumseh in the new Nurses Aide class now being formed. This class will begin its instruction at the hospital next week. If a sufficient number of women volunteer for this course we soon will have another group of aides who will be able to relieve some of the women who already are giving of their time to carry on and maintain our hospital.

"Since Pearl Harbor," Mr. Anderson said, "the Army and Navy and other branches of our service have been calling for nurses. Some of our staff nurses have responded, as we expected. However, to care for the home front we need our hospital and we need the volunteers."

Any woman over the age 18 years is eligible to join the new Nurses Aide Class now being formed. The only requirement is that she be in good health and willing to assist with hospital work in order to release a graduate nurse for more needed professional tasks. The course consist of 80 hours of instruction by Mrs. Dorothy O. Kelly, a graduate nurse. All instructions are given in a special room at the hospital where the class meets once and twice weekly. At the end of the instruction, graduates agree to give 150 hours of their time to public service during the year, and for each year for the duration of the war.

"I cannot say too much in the way of praise for the group of women who are working at the hospital," Anderson said, "They have made a real contribution to the community and we are mighty proud of what they have done."

The Red Cross course is the outgrowth of the Civilian Defense Program and Tecumseh Hospital is one of the few small hospitals in the state authorized to give the course.

When one considers that our hospital is serving an average of 30 or more patients daily, and that more than 250 babies were born at the hospital during 1942, we may know that it is a busy institution. The board of directors is determined to maintain its high ethical standards and we believe that with the aid of the Nurses Aides we will be able to do so for the duration of the war."

Vern Manwaring Weds Joyce Slater of Adrian

Miss Joyce Slater of Adrian and Pfc. Vern Manwaring of Tecumseh were married March 14 in Yuma, Arizona. Pfc. Manwaring is now a paratrooper with the U. S. Marine Corps at Camp Elliott, Calif., and they will make their home in San Diego, Calif., while he remains at Camp Elliott.

The bride is the daughter of Guy Sater of Lyons, Oio and Mr. Manwaring is the son of Mrs. Jessie Manwaring of Tecumseh. He is a graduate of Tecumseh high school in 1940 and previous to his enlistment was employed in the Red and White Stores here and in Clinton. Mrs. Manwaring is a graduate of Adrian high school.

CUTTING BAIT

The phrase, "social security for everyone," is the new political bait being prepared to lure the voter. It is a fine sounding catch phrase.

There is something even greater than full-stomach social security, however. There is individual freedom—the right to do things for oneself.

Political social security that makes one a virtual ward of the state in return for a full stomach and a place to sleep, destroys freedom.

Government can only "give" to the people what it first takes away from them. It can tax or confiscate savings and redistribute them under the guise of equalization of wealth.

But a nation will starve if a majority of the people do not have the individual ambition and incentive to work, and save, and produce new wealth continuously to take care of themselves and that small percentage of unfortunate individuals who will always be wards of the state, and who should be cared for much better than they now are.

Political planning of the lives of all the people in a nation can be carried too far, just as can parental planning of the lives of children—we face that danger in our country. The planners and spenders are beginning to outnumber the workers and the savers.

TRAGIC COMEDY

If the people of this country really wanted to control inflation, they could do so.

The country is faced with rising prices. Why? Read the headlines in the newspapers of a single day. A million and a quarter railway workers demand further wage increases. Hundreds of thousands of coal miners demand additional wage increases. One faction of shipyard workers announce they will withdraw their "no strike for the duration" agreement if a National Labor Relations Boad decision favors another labor faction. And then, labor leaders call on the President to reduce the cost of living.

They all blame the farmer who is short of machinery, short of farm labor, unable to pay war wages, but charged for everything he buys on a war-wage scale.

Can the result be other than higher prices instead of lower? The situation would be comical if it were not tragic.

Unless we, as individuals and collective groups within the nation, show less greed and more love for our country, it is a total waste of time to talk about controlling inflation—no power on earth can stop it, until the explosion comes.

THE OLD JUDGE SAYS...

"I've been meanin' to ask you for the last couple of weeks, Judge, what you think of this prohibition talk that keeps croppin' up every so often."

"I've heard some of it too, Henry, and I feel like this about it...

"It comes from a comparatively small group of reformers...the same type that plunged us into prohibition during the last war. And, as we all remember, into nearly 14 years of the worst crime and gangsterism this country has ever known. Everybody had all the liquor they wanted only it came from bootleggers at exorbitant prices and the government was deprived of millions and millions of dollars in taxes.

"It seems to me, as I told my Congressman down in Washington last week, that we've got all we can do here at home to help win this war without wasting time arguing about things we know, from sad experience, won't work."

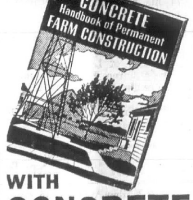
HOW to do it....



WITH CONCRETE

While you're improving your farm for greater "war food" production, do the job *for keeps*, with concrete! Here's a "how to do it" book that will help you build such essential structures as:

Barn Floors	Watering Tanks
Feeding Floors	Septic Tanks
Walks, Runways	Home Improvements
Foundations	Manure Pits
Concrete Masonry Construction	Trench Silos
Cisterns	Hog Wallows
	Soil-Saving Dams

Remember, concrete is fireafe, termite-proof, easy to work with, low in first cost, needs little upkeep, endures for generations—and it requires a minimum of critical war materials.

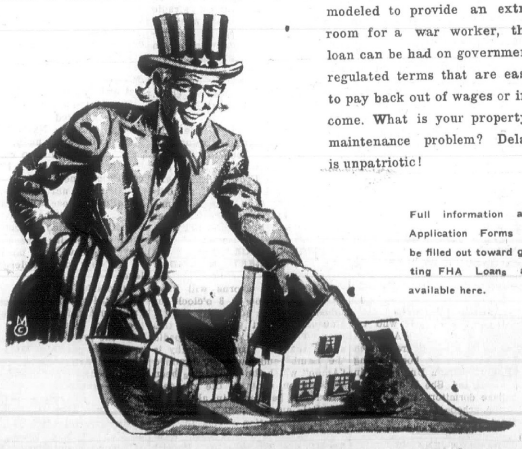
An F. H. A. Loan is Available for Maintenance of Your Property . . .

Our government considers it essential to the future security of the people that property be kept in good repair. It is wartime economy too, to attend to repair needs before they reach costly proportions—in terms of materials and cash. That is why the Federal Housing Administration has established loans for home owners at this time. Of course it is understood that such loans are not available merely for remodeling the "style" of a home; but if the structure, foundation, interior or exterior surfaces are beginning to give way—or if a house can be remodeled to provide an extra room for a war worker, the loan can be had on government regulated terms that are easy to pay back out of wages or income. What is your property-maintenance problem? Delay is unpatriotic!



Full information and Application Forms to be filled out toward getting FHA Loans are available here.

Poster Contest For Poppy Day

LOCAL STUDENTS PARTICIPATE FOR AWARDS IN TECUMSEH AND NATIONALLY

A Poppy Poster Contest, designed to publicize the Poppy Drive, which is conducted each year by the American Legion Auxiliaries, is well under way here. Enthusiastic contestants are already registered under the supervision of Miss Jean Moulding, art instructor at the high school. Anyone in the community, from the fourth grade through and including the twelfth grade, may register as a contestant by conferring with the instructor, who has a copy of the rules, etc.

There will be awarded local prizes of a dollar in defense stamps to the winner in each of three groups, but nine winning posters will be selected from the local group for competition in the District contest, where the cash awards are of greater value and more numerous. District winners will be entered in a department contest and department winners in a national contest. Anyone entering the local contest, therefore, by withstanding eliminative competition, might wind up as a national winner.

The local contest ends May 10th. All registered entrants in the local contest, whether winners or not, will receive a special citation from the Department Committee.

The poppy sale is conducted each year the Saturday before Memorial Day. The poppies are made by healthy, but disabled veterans of World War I, who receive money for making them—often the only money they ever earn and which supplies for them the little comforts not furnished by the hospitals. The sales are conducted entirely by volunteer workers and every penny received goes into direct relief for the disabled soldiers and the dependents of the dead and disabled. This year a national ruling makes it permissable to aid the present armed forces. The bulk of the poppy funds collected in Tecumseh will remain right here in Tecumseh where it is raised, and will be expended by the local Auxiliary unit in relief work for the dependents of our armed forces throughout the year.

"A poppy on every breast" this year will mean that we can care for those whom war has ravaged.

State Vice Regent To Speak To D. A. R. Here

Abi Evans chapter, Daughters of the American Revolution, met Friday afternoon at the home of Mrs. Arthur Brown with 16 members and guests present. The regent, Mrs. Hoyt Whelan, presided and the opening retual was followed under the leadership of Mrs. H. H. Loveland and Mrs. Ida Spencer. The registrar, Mrs. J. Floyd Elliott, reported 65 members in good standing in the chapter, and $5 was voted for the Red Cross. The names of delegates and alternates, who are to attend the state conference from March 24 through 26, in Hotel Statler in Detroit, were announced as follows: Mrs. Whelan, Mrs. Florence Roberts, Mrs. D. F. Wright, Mrs. Edith Cotton Smith, Mrs. B. B. Turnbull and Mrs. Clarence Fisher.

Mrs. O. V. Robinson played a Spanish piano number, "Cordouba," and Miss Jane Elliott gave an entertaining review of three books, "Look to the Mountains" by La Grand Cannon Jr., "The Robe" by Lloyd C. Douglas, and "We Took to the Woods" by Louise Dickinson Rich, after which tea was served. Spring flowers centered the lace covered table and Mrs. Elliott and Mrs. Robinson presided at the silver tea services. The hostesses were Mrs. Brown, Mrs. C. C. Beland, Mrs. Don Hunt and Mrs. Burtsel Claus.

The next meeting will be held at the home of Mrs. Turnbull, when Miss Laura Cook, state vice regent, will be the speaker and reports of the state conference will be given.

MEET THE MAN WHO HELPED MAKE MICHIGAN HIGHWAYS GREAT

LLOYD B. REID, present State Highway Commissioner, has come up through the ranks of a highway department that has built for Michigan the best road system in the Nation.

As an on-the-job highway engineer and as a key administrative official, Reid has worked on every phase of the ten-year program that has given Michigan motorists 5,000 miles of new roads—made the State second to none in quantity and quality of farm-to-market, recreational and industrial highways — *and at less cost to taxpayers than in any previous period.*

Reid Knows the Job!

Your best assurance of well-maintained streets and highways now and well-laid plans for the ones to be built when the peace is won is to continue Reid as State Highway Commissioner. Under his leadership, expert engineers with years of road building experience can be counted on to continue the tradition of good roads in Michigan.

If you believe in good roads and if you believe in supporting the constructive policy which has brought good roads to Michigan, then vote April 5 to continue Reid, State Highway Commissioner.

Do Double Duty

This message is of vital importance to every housewife in Tecumseh. It concerns your food rationing—the saving of your vital RATIONING POINTS.

Without fear of contradiction, we can save you nearly one-half of your ration points through the purchase of frozen foods.

For instance: Two cans of sweet corn cost you 28 ration points. Two packages of cut corn (frozen) cost you only 14 points. There's a saving of one-half in points.

If you are interested in other savings, we invite you to see us. We have a complete stock of Birdseye Frozen Foods from which you may choose.

INSURE AGAINST WINDSTORM LOSS!

Windstorm wrecked this fine property May 29, 1942. The Michigan Mutual paid the loss to the amount of $3,030.75. The property belonged to Henry J. and Rose Hetchler and was located in Handy township, Livingston County.

Your company (The Michigan Mutual of Hastings) has purchased Defense Bonds in co-operation with our Government program.

Every $1,000 you put into Defense Bonds and Stamps moves us one step nearer to Victory and the defeat of our enemies.

This successful windstorm insurance company is built upon the principles of Freedom and Democracy. 57 years the Michigan Mutual of Hastings has served promptly the needs of its members, paying them $7,634,974.10 in windstorm losses.

The Defense effort and War effort will both be better served if you carry ample windstorm insurance in the Michigan Mutual.

PAINT OVER OLD WALLPAPER DRIES IN 1 HOUR—WASHABLE!

● Here are four advantages of Pittsburgh's amazing new type of paint:

1. One coat of Techide is usually sufficient—may be applied right over wallpaper, dingy plaster, on basement walls, etc.
2. Comes in paste form. Add water, and one gallon of Techide paste makes 1½ gallons of paint, enough to cover an average room.
3. Easy to apply and quick to dry.
4. Washable — stays spotless with ordinary soap and water.

S-t-r-e-t-c-h your car's life line with expert Studebaker Service

Get frequent inspections and tune-ups . . . get more miles of essential transportation

THE old methods of servicing cars are no longer completely adequate because rationed mileage has created new operating problems.

And so, Studebaker dealers now handle your wartime service requirements according to procedures that have been worked out by factory experts in the great Studebaker engineering laboratories and on the famous 800-acre Studebaker proving ground.

Avail yourself of this better, more modern Studebaker service, whatever make of car you drive.

HOW TO AVOID THE EFFECTS OF MILEAGE RATIONING

Don't wait till your car gets in trouble from slower speed and lessened driving. Have your car inspected and lubricated at frequent *time* intervals instead of *mileage* intervals. Feel free to consult any Studebaker dealer about car operating problems at any time without obligation.

And to vote on the following propositions:

(PROPOSAL NO. 1)

Prosposed Amendment To The Constitution to Provide For The Election of Township Officers For Terms of Two Years.

A Joint Resolution of the 1943 Legislature proposing an amendment to Section 18 of Article VIII of the State Constitution relative to the election of township oficers for terms of two years, and to read as follows:

Sec. 18. There shall be elected on the first Monday of April in each odd numbered year for a term of 2 years in each organized township 1 supervisor, 1 township clerk, 1 commissioner of highways, 1 township treasurer, and not to exceed 4 constables, whose powers and duties shall be prescribed by law. Justices of the peace shall be reclassified as shall be prescribed by the legislature to conform with the provisions of this section providing for biennial township elections.

The Section of the Constitution which would be altered or abrogated in the event of this proposed amendment now reads as follows:

Sc. 18. There shall be elected annually on the first Monday of April in each organized township 1 supervisor, 1 township clerk, 1 commissioner of highways, 1 township treasurer, not to exceed 4 constables and 1 overseer of highways for each district, whose powers and duties shall be prescribed by law.

(PROPOSAL NO. 2)

Proposed Amendment to the Constitution to Validate Certain Allenations or Mortgages of Homestead Lands After the Lapse of 25 Years

A Joint Resolution of the 1943 Legislature proposing an amendment to Section 2 of Article XIV of the State Constitution relative to validating certain allenations or mortgages of homestead lands after the lapse of 25 years, and to read as follows:

Sc. 2. Every homestead of not exceeding 40 acres of land and the dwelling house thereon and the appurtenances to be selected by the owner thereof and not included in any town plat, city or village; or instead thereof, at the option of the owner, any lot in any city, village or recorded town plat, or such parts of lots as shall be equal thereto, and the dwelling house thereon and its appurtenances, owned and occupied by any resident of the state, not exceeding in value $2,500.00 shall be exempt from forced sale on execution or any other final process from a court. Such exemption shall not extend to any mortgage thereon lawfully obtained, but such mortgage or other alienation of such land by the owner thereof, if a married man, shall not be valid without the signature of his wife to the same: Provided, That, notwithstanding anything in this section to the contrary, such mortgage or other alienation of such land shall be valid without the signature of said wife, after 25 years unless within said 25 years from the date of the recording thereof in the office of the register of deeds of the county or counties wherein the property is located, there is filed in said office notice of claim of the invalidity of such mortgage or alienation under this section, excepting that in case of every mortgage or alienation recorded prior to January 1, 1920, said notice of claim may be filed prior to January 1, 1950.

The Section of the Constitution which would be altered or abrogated in the event of this proposed amendment now reads as follows:

Sec. 2. Every homestead of not exceeding 40 acres of land and the dwelling house thereon and the appurtenances to be selected by the owner thereof and not included in any town plat, city or village; or instead thereof, at the option of the owner, any lot in any city, village or recorded town plat, or such parts of lots as shall be equal thereto, and the dwelling house thereon and its appurtenances, owned and occupied by any resident of the state, not exceeding in value $1,500.00, shall be exempt from forced sale on execution or any other final process from a court. Such exemption shall not extend to any mortgage thereon obtained, but such mortgage or other alienation of such land by the owner thereof, if a married man, shall not be valid without the signature of his wife to the same.

Girl Scouts To Receive Award

COURT TO BE HELD HERE FRIDAY FOLLOWING DINNER FOR PARENTS

About two hundred people are expected to attend the all-Girl Scout Jamboree, which will be started off with a co-operative dinner in the school gymnasium Friday evening, March 26, at 6 p.m.

Brownie, Intermediate, and Senior Service Scouts will seat their guests at their respective tables, decorated appropriately by its own members. Each group will also contribute one number to the program. Community singing will be led by Miss Jean Moulding of the faculty. Ms. Edith Cotton Smith, of the troop committee, will review the year's accomplishments of Tecumseh's Girl Scouts, and a Court of Awards will be held, followed by two reels of up-to-the-minute government films.

Brothers, sisters, fathers, mothers, and grandparents of Girl Scouts who lend support to this meeting will not only encourage the ambitious program of home front defense already being carried out by our local Girl Scouts, but will receive entertainment plus.

Each family is to bring a dish or two to pass, sandwiches, and table service. Coffee and milk will be furnished by the troop committee. Mrs. Cora Pfaus, intermediate leader, is general chairman. She is assisted by the troop committee, headed by Miss Beth Satterthwaite, and the leaders: Mrs. Clifford Wolfe, Miss Beth Cole, Miss Virginia Carlsten, Miss Margaret Roberts, Miss Van Dommelen, and Mrs. Louis A. Carlson.

SEAMAN TALKS TO LEGION AND AUXILIARY

Members of Underwood-Orr Post, American Legion and Auxiliary, held a joint social meeting in their hall last Wednesday evening in observance of the 25th anniversary of the organization of the Legion.

A pot luck dinner preceded the program which included an interesting talk by Clyde Warren. S-1-c, who was the guest of honor. Mr. Warren was in the first convoy sent to Africa and has since made several trips across the ocean.

Mrs. Louis Schneider, first president of the Auxiliary presented past president pins to each of the past presidents and past commanders of the post were introduced. The remainder of the evening was spent dancing.

DIES IN HOSPITAL

Mrs. Minnie Logan, aged 79 years, widow of the late Curtis Logan, died Saturday morning at Tecumseh hospital after a few days illness. The Logan home was near Wamplers Lake.

The body was removed to the Hause Funeral Home in Clinton where funeral services were held Tuesday afternoon. Rev. Alvin C. Brazee officiated and burial was in Reynolds Corners cemetery west of Clinton.

Mr. and Mrs. A. Sisson Married 53 Years

Mr. and Mrs. Alonzo Sisson were surprised by a group of 20 friends Saturday evening in honor of their 53rd wedding anniversary. Progressive games were played and prizes awarded. A co-operative lunch was served and the table was centered with one dozen American Beauty roses, a gift from the Frost families. Mr. and Mrs. Sisson received several gifts.

Those from away who attended were Mr. and Mrs. Lamar Sisson of Detroit and Mr. and Mrs. Kenneth Sisson and son of Whitmore Lake.

Funeral Services Held For Mrs. C. M. Gilbert

Funeral services for Mrs. C. M. Gilbert who passed away Sunday in Pontiac, were held last Wednesday afternoon at Belding Funeral Home with Rev. N. MacNaughton officiating. Hymns were sung by Jack Tonneberger accompanied by Mrs. Kenton Hunt and bearers were Clarence Wagner, M. W. Wilson, A. L. Van Winkle, Albert Tonneberger, Roland Mohr and R. W. Mead. Burial was in Brookside cemetery.

Relatives and friends from away who attended the services were Miss Vera Gilbert of Midland, Mr. and Mrs. Elmer Spring and son Eugene of Pontiac, Miss Ethel Black and Miss Wanda Walker of Wyandotte, Don Pringle of Rochester, N. Y., Mr. and Mrs. E. Y. THE TECUMSEH HERALD

NINETY-THIRD YEAR—NUMBER TWENTY-SEVEN | TECUMSEH, MICHIGAN, THURSDAY, APRIL 1, 1943 | FIVE CENTS PER COPY

Light Vote Is Likely Monday

LACK OF LOCAL CONTEST EXPECTED TO RESULT IN SLOW BALLOTING HERE

Although politicians were forecasting a moderate vote, statewide, in next Monday's biennial spring election, those close to the political ground in Lenawee county declared that voting here would be light because of a lack of local issues. In Tecumseh there is only one ticket in the field for township offices—the Republican—and in all probability less than 250 ballots will be cast.

Voters going to the polls on Monday, which will be open here in the council building from 7 a.m. to 6 p.m., Eastern War Time, will receive four ballots. The first will be the township ballot, the second the state and county ballot, the third the non-partisan ballot for the election of justices of the supreme court, and the fourth is the amendment ballot.

Names appearing on the township ballot, all Republican, are: LeRoy Tilley, supervisor; H. H. Hanna, clerk; F. C. Hanna, justice of the peace; E. J. Marshal, member of board of review; George Sanford, highway commissioner; Arthur Harding, Neil DePuy, B. W. Mominee and George Isaacson, constables.

The state and county ballot lists three parties, Republican, Democratic and Prohibition, and all three tickets are filled for state offices. Two regents of the University of Michigan will be named, a superintendent of public instruction a member of the state board of education and two members of the state boardt of agriculture. The race on the state ticket's centers around the election of a highway commissioner. C. M. Ziegler is seeking the Republican office, Lloyd B. Reid is the Democratic candidate, and R. W. Tuer is the Prohibition choice.

Mrs. Bessie G. Armstrong, who is seeking re-election as county school commissioner on the Republican ticket, is unopposed.

There are four candidates for justice of the supreme court, one of them Bert D. Chandler of Hudson. Two of the four will be elected.

The amendment ballot lists two issues, the first providing for the election of township officers for terms of two years instead of one year, as is at present the custom. The other amendment proposes to validate certain alienations or mortgages of homestead lands after a lapse of 25 years.

Mrs. S. E. Lawrence Dies After Long Illness

Mrs. Sadie Lawrence, wife of S. E. Lawrence, residents of Britton and vicinity for over 20 years, died early Monday at University hospital in Ann Arbor after several months illness. Mr. and Mrs. Lawrence moved to Britton from Saybrook, Ill., in September 1920. Mrs. Lawrence was an active member of the Congregational Christian church as long as health permitted, and belonged to the Dorcas class, and Ladies Aid Society, also the Britton Woman's club. Mr. Lawrence had recently purchased a home on North Pearl street in Tecumseh where they planned to move this spring.

Besides the husband she leaves one daughter Mrs. Doris Forsythe of Britton, one son Louis C. Lawrence, who is a patient at Howell sanatorium, and one sister, Mrs. Anna Belle Coss of Danvers, Ill.

Funeral services were held Monday afternoon at the Niblack Funeral Home in Britton. Rev. O. E. Priest of Clinton and Rev. Gould of Britton officiated and burial was in Ridgeway cemetery.

Fire Department Is Busy Putting Out Grass Fires

The fire department was called out Friday afternoon to extinguish a grass fire on North Maumee street between the Richard Putnam and Grace Austin homes. Both trucks responded to prevent the blaze from spreading to the buildings..

Sunday night a call was answered to the home of Mrs. Kenneth Herrick on West Cummins street where hot ashes had started a small blaze near the garage. No serious damage resulted.

On Monday evening a blaze from burning a rubbish pile in the back yard of the Louis Schenider home, got out of bounds, and the department was called to prevent further spreading. No damage resulted.

Lutherans To Dedicate Organ

LANSING ORGANIST TO GIVE RECITAL AND PLAY FOR SERVICE SUNDAY EVE

The new organ recently purchased by Grace English Ev. Lutheran church, was delivered and installed on Monday and will be dedicated and placed in use for the first time Sunday evening, April 4.

V. J. Schultz, director of music and education at Emanuel First Lutheran church in Lansing, and an outstanding organist, will present an organ recital beginning at 7:30 p.m., and will also play for the dedication service at 8 o'clock. Rev. K. Krauss, pastor of the Lansing church, and secretary of the Lansing church, and secretary of the Ev. Lutheran joint synod of Wisconsin, Michigan and other states, will be the guest speaker.

A special feature of the service will be a vocal selection by the Wintersteen sisters. The dedication service will be in charge of the pastor, R. W. Scheele Lutheran churches of this vicinity have been invited to participate in this service and a hearty invitation is also extended to the public of Tecumseh and vicinity.

The new organ is an Estey, electrically operated, and built into a beautiful modernistic console. In the future it will be played at all regular services by the regular organist, Miss Marie Wintersteen, with Mrs. Oscar Bryan and Miss Margaret Teske a substitute organists.

Lenten services at Grace Lutheran church will continue next Wednesday evening at 8 o'clock with Rev. H. Engel of Saline delivering the sermon.

Mrs. May Hunter Dies; Was Formerly of Macon

Mrs. May Hunter, widow of the late Elmer Hunter of Ypsilanti, died last Thursday afternoon at University hospital in Ann Arbor. Mrs. Hunter who was 70 years of age, was formerly May Walp, daughter of Francis and Katherine Harriott Walp, and was born in Macon. She and Mr. Hunter celebrated their golden wedding anniversary in November 1941 and Mr. Hunter's death occurred in February 1942. She was a member of the Methodist church.

Survivors are two sons Alva and Elmer Jr. of Ypsilanti, two sisters Mrs. Almon Kuder of Macon and Mrs. Elizabeth Healy of Jackson, two grandchildren and two great grandchildren.

Meat Is Short In Most Shops

HEAVY RUN OF LAST WEEK LEAVES LITTLE CHOICE AS RATIONING BEGINS

Although shoppers for the most part had plenty of $20 bills in their pockets and books full of rationing stamps at their disposal, T-bone steaks, sirloin and chops and roasts of all descriptions were at a premium in Tecumseh meat markets this week as housewives prepared to feed their families with the aid of red series point rationing coupons.

"I doubt that any market in Tecumseh had much meat to sell this week," one butcher said, "but I also am of the opinion that few people lacked meat the way we sold it last week Friday and Saturday. There were hundreds and hundreds of pouns of meat sold in the local shops during the last three days of last week—meat enough to last some families for a week or two weeks. It is likely that some families will be out of meat by this week end, and it also is likely that they will have to buy what they can get, rather than be fussy about the cuts."

The reason for the meat shortage here this week is not alone due to the heavy buying of a week ago but because packing houses, to meet last week's heavy demand, slaughtered their entire March quota of livestock. They must, therefore, wait until April to begin killing more meat and that will not arrive in butcher shops until sometime next week, it was said. For the most part, however, there is a goodly supply of processed meats, and chickens, although the price is high, are to be found in most markets.

Market clerks said that a few customers were having difficulty with the new red series ration stamps, used to purchase meats, butter, fats, fish and oils. This week, the "A" stamp is good in the red series, next week the "B" stamp will be used and the third week the "C" stamp, "A" stamps not used this week may be used next week along with the "B" and the third week both "A" and "B" stamps may be used with the "C". The OPA has not yet defined the further use of stamps.

The first food rationing casualty in Tecumseh's business district came Monday night when Mrs. W. H. Packard decided to close the White Star Restaurant on East Chicago boulevard. Mrs. Packard was of the opinion that rationing points she received were not sufficient to warrant the continued operation of the business. She will leave soon to visit a brother in Richmond, Va., and later join her husband in Pensicola, Fla., where he is in the Navy.

Other restaurants here are feeling the pinch of rationing and new hours have been announced in at least two local eating places.

Francis W. Yates, 91, Buried In Ridgeway

Francis W. Yates, aged 91 years, a resident of Britton and vicinity nearly all his life, died Sunday morning at Tecumseh hospital where he had been a patient only a few days. Mr. Yates was a former president of Britton village and the oldest member of the Britton Odd Felows Lodge.

He leaves a daughter Mrs. Elma Bombeneck of Lansing, four sons Lavern C., and Grover C., of Detroit, Earl of Walled Lake and William of Lenola, N. J., a brother John Yates of Britton and 11 grandchildren.

Funeral services were held Tuesday afternoon at the Niblack Funeral Home in Britton. B. J. Beasley officiated and burial was in Ridgeway cemetery.

BIG GRASS FIRE

Both fire trucks were called to Tecumseh Products Company Tuesday, where a grass fire spread in the large field adjoining the plant to the south. No damage resulted but a lot of work was necessary to extinguish the blaze, The trucks became mired in the mud and had to be pulled out by tractor.

Big Barn Near Clinton Is Destroyed By Fire

A large basement barn on a farm owned by Charles Anglemyer on US-12 east of Clinton was destroyed Sunday night by fire of unknown origin. There was no stock in the barn but a wooden silo and some tools were lost. The Clinton fire department responded to the call and prevented the blaze from spreading to nearby buildings.

Mr. and Mrs. Anglemyre who live across the road and a short distance from this barn did not know of the fire until some time later. The loss was partly covered by insurance.

Jas. F. Kelley Ends Own Life

BODY FOUND IN APARTMENT HERE; CORONER HOLDS CASE AS SUICIDE

James F. Kelley, aged 40 years, was found dead Saturday morning in the third floor apartment in the Red & White store building. Mr. Kelley who was employed at the Bruce Foundry, had not appeared for work in three weeks and had not been seen since that time. When he did not call for a pay check due him, Mr. Bruce asked Deputy W. J. Hanna to make an investigation. The door to the apartment was forced open and the body found. Death was due to poisoning. Coroner Ed. Braun of Adrian was called and decided the death was a suicide; that he had been dead about three weeks and no inquest was necessary.

Mr. Kelley was born in Mark Center, O., but had spent nearly all his life in this community.

He leaves the widow in Iowa, seven children all of this vicinity, his father Henry Kelley of Tecumseh, a sister Mrs. Hazel Thompson of DeKalb, Ill., four brothers, John of Lansing, Gerald of Howell, Owen of Hicksville, O., and Thomas of the U. S. Navy.

Funeral services were held Tuesday afternoon at the Collins Funeral Home. Rev. O. V. Robinson officiated and burial was in Brookside cemetery.

The four brothers were all here for the funeral. Others attended from Toledo, Ann Arbor, Lansing, Howell, Hicksville, O., New York City and DeKalb, Ill.

Hospital Auxiliary To Hold Silver Tea

The Tecumseh Hospital Auxiliary will hold a silver tea and musical program at the home of Mrs. Frank K. Spith on Thursday, April 15, from two-thirty p.m. to five-thirty p.m. Mrs. B. J. Pulver is chairman of the committee in charge. This is one of the many projects the Auxiliary is sponsoring to raise funds for hospital equipment.

One of the important functions has been the sewing project, which includes the making of new garments and mending. Each week a group meets for the afternoon at the sewing room. For this work the hospital is indeed grateful, by indebted to the Auxiliary and the community as well.

During 1942, 967 new garments were made and 980 garments were mended representing a total of 898½ hours of work. Several organizations in Tecumseh and surrounding communities as well assisted with the work during the past year.

The Tecumseh Hospital Auxiliary was organized in February 1941. Monthly meetings are held for business purposes and occasional worthwhile programs. The Auxiliary sponsored the first Red Cross Home Nursing class ever given in Lenawee county, which was composed of its members.

The Auxiliary recently purchased a resusitator for the hospital, which is now available for use. They have also assisted with the organization of the Red Cross Volunteer Nurse Aide classes and presented this group with their emblems and pins. Another class of Vounteer Nurse Aides started training this week at the classroom in the hospital, which room also was completed by the Auxiliary during the past year.

The officers for 1943 are: Mrs. R. K. Anderson, president; Mrs. Wm. Niblack, 1st. vice-president; Mrs. Elton Hoss, 2nd vice-president; Mrs. Leon Rosacrans, recording secretary; Mrs. Carl Cederquist, corresponding secretary; Mrs. George Green, treasurer. At present there are over 125 members of the Hospital Auxiliary, many of these from the surrounding communities.

"REHEARSE NEW NUMBER"

More Scrap Is Needed For War

APPEAL IS MADE FOR 1,050 TONS FROM LENAWEE COUNTY FARMS AND HOMES

Another scrap drive, this one to be launched immediately for 1,050 tons of heavy scrap from Lenawee farms and homes in this area during the month of April, has been announced by local implement dealers. For heavy scrap delivered to the local salvage pile, or to any township scrap pile in this area, the committee will pay $10 per ton. For scrap that must be hauled to the pile by committee trucks, the price will be $7. For light metals, cans wire, etc., there is no sale price quoted, but such scrap will be collected.

"We must make a decided effort to make this scrap available to the government this month in a new drive in our war effort," it was said. This scrap is urgently needed to keep our mills going 24 hours a day, seven days a week. We can't let down now, we must not fail our boys in service."

The fact that there are a few scrap piles in some sections of the county has led some people to believe that scrap is not needed now. Such is not the case, however. It is estimated that there are several thousands of tons of unmoved scrap in Michigan, but the total supply available now would only operate the mills for three or four days.

"We wouldn't think of letting our soldiers fire their last round of ammunition before we made more for them to use, and by the same token, we should not expect the steel mills to use up the last pound of scrap before we look for more. The scrap that is now in piles will move out very quickly," the spokesman said, "and we must have more and more."

An advertisement listing the township chairmen of the local drive will be found in another page of this newspaper.

Five Part Play Shows Need For Bond Buying

A five-part play, depicting the need for money in all of the wars that the United States has fought was presented by a group of eight grade students at the regular meeting of the Rotary club here on Tuesday, at Brees House. The play was directed by Aden Mead and Martha Hewlett acted as announcer.

The play, built around the need for money during the days of the Revolutionary War, showed how pupils spirited citizens rallied to the nation's need and loaned their funds freely for victory. Those taking part in the play were Ben Hammack, Don Beaubien, Wilford Waldron, Jim Sisson, Jean Wilson, Louise Wilson, LaMar Cheever, Bruce Taylor, Louise Bowen, Dwaine Louden, Billy Hayden, Jack Barnes, Gordon Pearson, Jeanne Clark, Jesse Gray, Dick Heistand.

W. L. Berkhof, superintendent of schools and who is the local director of band and stamp sales, told the members that during the month of April the federal government would endeavor to raise some 13 billions of dollars through the sale of bonds and stamps. This is the largest sum ever attempted in a month's drive since the war started.

Guests at the meeting were F. N. Lockwood, E. F. Redies, Max Fosdick, H. Lutheuser, Saline Rotarians, Mr. Decker of Toledo, Connie Meyer of Detroit, Rev. Everett Jackson, Ray Nixon, Williamston, Carl Nystrom, Aden Mead, Roy Fisher and M. W. Wilson of Tecumseh.

Speakers will include R. H. Kelley of Lansing, Charles Reese and William Coulton of Columbus, O., Floyd Markham of Ypsilanti, D. P. Barrett, state apiary inspector and John D. McColl of Tecumseh.

Methods for increasing honey and beeswax production, price ceilings, apiary management problems and package bees, are among the topics to be discussed.

Need a Garden?

HENRY FORD MAKES LARGE ACREAGE AVAILABLE TO TECUMSEH CITIZENS

Do you want a Victory Garden?

If you do, and you lack the necessary ground at your own home or in your neighborhood, make application at once to Wade L. Jones, village clerk. He will see to it that you receive the use of a garden spot sufficient in size to grow all of your vegetables, including sweet corn, without one penny of cost to you.

The ground for Tecumseh's community Victory Gardens was made available this week by Henry Ford and announced through his representative here, Edgar Clark. The site is the acreage immediately east of Tecumseh Hospital, and the old race track property. Mr. Clark said that the ground would be fitted early in May and made ready for planting.

"Persons desiring a garden large enough to raise sweet corn and other vegetabes will receive the use of a plot 40 by 80 feet," Mr. Jones said, "Those who do not desire to plant corn will be given a plot 40 by 66 feet."

Service Tests At T. H. S. April 2

QUALIFIED SENIORS AND RECENT GRADUATES MAY TAKE EXAMS ARMY-NAVY COMMISSIONS

Prospective students for the Army Training Program and the Navy College Training Program will take qualifying examinations in Room K of Tecumseh high school building at 9 a. m., Friday, April 2, W. L. Berkhof, superintendent, announced today.

Paul Johnson, instructor in chemistry and Aden Mead, instructor in the social sciences will serve as supervisors.

Application blanks for the qualifying tests are available at the Tecumseh high school office. These blanks, which must be filled out in advance, will admit qualified high school seniors or recent graduates to the tests. Each applicant may indicate on his blank whether he prefers the Army or the Navy which includes the Marine Corps and Coast Guard.

"Most boys accepted for either the Army Specialized Training Program or the Navy College Training Program will eventually become commissioned officers in the Army, Navy, Marine Corps or Coast Guard," Mr. Berkhof said. "The Army and Navy will pay all expenses at the colleges of students selected on the basis of the tests on April 2. Since there will be no further tests for some months, all high school students or recent graduates will have to take the April 2 examinations to qualify for this training. This is an excellent opportunity for every ambitious boy, especially for those who are likely to be drafted within the next year."

The purpose of the tests is to aid in the selection of prospective officer material for the Army, Navy, Marine Corps and Coast Guard. The examinations are designed to test the aptitude and general knowledge of the candidates who will express a choice for the Army or Navy at the time of the examinations. Students selected for the Army Program must undergo further screening during thirteen weeks of basic military training before they are finally qualified for college attendance. Students chosen for the Navy Program, after selection by the Office of Naval Officer Procurement will be detailed directly to College. Those who are selected for either the Army Specialized Training Program or the Navy College Training Progam will attend college with all expenses paid by the respective services.

Public Schools Here To Operate on Fast Time

Following the Spring vacation the Tecumseh public schools will again operate on the old time schedule, with minor changes for the branch buildings, according to an announcement from the office of the superintendent. According to this schedule the school day for the children enrolled in the branch buildings will, with slight variations for the various grades, extend from 8:45 a.m. to 3:30 p.m. with the period from 11:30 to 1 p.m. for the noon recess.

The morning session for all pupils attending the Central building will begin at 8:15 a.m. The elementary grades will be dismissed at 11:40 for the noon recess and the junior and senior high school classes will be dismissed at 11:45. The afternoon session for the same groups will begin at 1 o'clock and the dismissal time will be 3:30 for the grades and 4 o'cock for the junior and senior high school classes.

The change in the time program as outlined above has been deemed advisable by the local school authorities to permit an earlier dismissal in the evening for the many students who hold after school jobs either in the local places of business or on farms in the area.

Spring vacation for local students begins this morning and ends next week Tuesday evening. This means that the new time schedule will be effective with the opening of school on Wednesday morning, April 7

W. S. C. S. LUNCHEON

The Methodist Women's Society of Christian Service will meet Thursday April 8 at the church. FACTS AT LAST

The Secretary of Agriculture has frankly said before the Senate Appropriations Committee: "Since I appeared before you a month ago, I have become increasingly alarmed about our inability to get enough farm labor to reach the goals we have established for farm production. I am more alarmed today than I was yesterday."

"Economic planners" have largely taken farm crops for granted like air and water—something the Lord provides. They have considered almost everything else an "essential" industry ahead of farming. They have a farmer so tied up with red tape restrictions that the time required in complying with them is actually cutting down farm production.

We are not living in horse and buggy days. A minority of our people on farms are feeding a majority of our people in cities. They can't do it without manpower and machinery, nor can they do it on a price basis that ignores farm production costs as compared with industrial production costs.

THE OLD JUDGE SAYS...

"Had any news from George and his family since they moved away, Judge?"
"Yes, I had a letter from him day before yesterday. He's in Kentucky...the family's fine and they all like it there. George says he has a fine job in a beverage distillery. He brought out an interesting point in his letter I hadn't thought of before. He said that while the beverage distillers are working 24 hours a day, 7 days a week turning out war alcohol for the government for ammunition, tires, medical supplies and chemicals, they still are able to account for nearly a billion and a half dollars in taxes each year. That's on account of the fact the beverage distillers, though working 100% for the government, are still able to supply the public with beverages from the reserve stocks made during peacetime.

Red Numbers for Red Stamp Foods

FOOD..& PLENTY OF IT! RATIONED & UNRATIONED

If you've been worried about remembering what foods you can get with your blue stamps . . . and what items you can get with your red stamps, ease your mind. A&P has installed a simple system that lets you know at a glance what stamps to use for each rationed food. When you shop at A&P, the RED RATION POINT NUMBERS on the price tags displayed with rationed foods tell you that these items can be "bought" with RED STAMPS . . . The BLUE NUMBERS on the tags displayed with rationed foods tell you that the stamps you are required to "spend" are BLUE. That's all there is to it . . . Red numbers mean red stamps; blue numbers mean blue stamps.

Your RED stamps of War Ration Book No. 2 are valid for these foods: Fresh, Smoked and Canned Meats, Canned Fish and Shell Fish, Cheese (many perishable cheeses are not rationed!) Butter, margarine, and most fats and oils (mayonnaise and salad dressing are not rationed). RED RATION numbers on A&P price tags on shelves, bins, and displays of foods tell you that RED STAMPS are required for their purchase.

Your BLUE stamps of War Ration Book No. 2 are valid for these foods: Canned and bottled fruits and vegetables, juices, soups, baby foods, dried fruits and peas, beans, and lentils, dehydrated soups, ketchup and chili sauce, etc. These are marked with BLUE numerals to tell you that your BLUE STAMPS are required for their purchase.

WARTIME MEAT RECIPES

MEAT BALLS with Spaghetti

SERVE WITH
Chopped Green Salad
Bread Sticks

1 lb. ground beef
½ lb. ground pork
½ cup bread crumbs
1 small onion, grated
1 egg, slightly beaten
1 tablespoon salt
¼ teaspoon pepper
1 teaspoon ground sage

Sauce
1 cup tomatoes
1 cup water
1 medium-sized onion
1 teaspoon salt
½ teaspoon pepper
1 teaspoon chili powder
1 tablespoon brown sugar

Combine first eight ingredients and mix thoroughly. Form into small balls, about 1½ inches in diameter and roll in flour. Brown balls lightly in lard. Mix sauce ingredients together thoroughly and boil for three minutes. Add meat balls and simmer 45 minutes, until meat is well cooked. Pour mixture over platter of cooked spaghetti and serve with sprinkling of dry grated cheese.

Now that meat rationing is here, we invite you to watch our ad weekly for one of our meat-saving recipes. We feel that it is a part of our job in wartime to tell you how to save meat as well as to sell it to you. Therefore, our advertising is a wartime service to the community.

FROZEN FOODS MAKE

Ration Points

Do Double Duty

Is there a housewife in Tecumseh who would not be interested in saving nearly half of her FOOD RATION POINTS?

If there is, there's no need for her to read this advertisement. However, if she would like to make such a saving, we can show her how.

Frozen foods cost less points to buy than canned foods. For instance, a can of peas cost 16 points while a package of frozen peas costs only 10 points.

There are other savings proportionately large, or larger.

To make your points go farther, buy Birdseye Frozen foods from us.

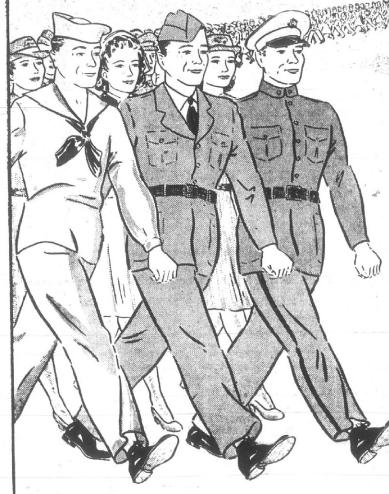
IS YOUR METER READER IN THE 400



★ Almost 400 Consumers Power employees are on leave from their jobs and serving with the armed forces.

Some are meter readers — and that's one reason why meters are being read only every other month, instead of monthly.

Another is that automobiles, tires and gasoline must be conserved so you may continue to enjoy dependable utility service at your home and the place where you work. Perhaps the meter reader came to your house on foot, but still there were 100,000 miles of automobile travel involved in a single reading of all this Company's gas and electric meters on the farms and in the cities and villages of 58 Michigan counties.

For the month when your meter is *not* read, your bill represents a payment on account and keeps the account from piling up on you.

For the month when the meter *is* read (and this reading covers two months), your bill is the amount you would normally pay for the *two* month's period, LESS THE AMOUNT YOU PAID THE MONTH THE METER WAS NOT READ.

We appreciate the spirit of cooperation our customers are showing in this wartime situation.

RESOLUTIONS

Whereas our beloved brother, Myron Donald White, has been called upon to make the supreme sacrifice, and give his life in defense of his country, and

Whereas he shall be sadly missed by Tecumseh Grange No. 166 and his many friends, be it therefore resolved;

That we extend our deepest sympathy to the bereaved family and that our charter be draped for 30 days as a token of respect, and a copy of these resolutions be sent to the family, to the Tecumseh Herald and to the Michigan Patron, and a copy be placed on our record book.

War Loan Goal Here $68,000

$13 BILLION DOLLAR NATION-WIDE SALE TO BE LAUNCHED ON APRIL 12TH

Uncle Sam is calling upon his nephews and nieces to pitch in and chip in—but fast.

From coast to coast the government has set in motion a campaign to raise 13 billion dollars through the second war loan drive—the Treasury calls it the greatest in world history—starting April 12, next Monday.

Of the grand total, Lenawee county's share is $1,980,000, and of this amount Tecumseh has been asked to subscribe $68,000 in "E" bonds. The quota is approximately three times the amount ever before raised locally in a single month since the war started and means that Tecumseh residents must dig a little deeper into savings to reach the goal.

"This is a large sum of money, 13 billion dollars, but I feel confident that it will be oversubscribed nationally." W. L. Berkhof, local chairman of the drive, said today. "In Tecumseh our quota is more than double that of any previous month since the war started, and I am sure that this village will, as it has in the past, over-subscribe the fund."

The local bond drive committee which is headed by Mr. Berkhof is made up of Wade L. Jones, in charge of the retail division; M. D. Dannells, manufacturers division; Aden Mead, public schools; Mrs. Florence Howe and Perry Satterthwaite, clubs and organizations; John R. Thompson, bank; LeRoy Titley, township, Earl L. Wickwire, publicity.

The slogan for the campaign is "Buy an Extra Bond this Month," and it will be carried into every section of the community during the remainder of the month by members of the committee.

The Government wants the money as quickly as possible and for this reason: To help pay the huge war bill and put a damper on inflationary forces by siphoning off into savings in war bonds the money that otherwise would be on the loose, looking for a place to be spent.

Treasury Secretary Henry Morgenthau, Jr., called upon the nation's newspapers—which last fall helped America get over its scrap metal shortage through a drive that netted 6 million tons—to play a leading part in this bond drive.

The government's ideal would be to raise 13 billion in three weeks—although only 14 billion has been raised in war bonds in the last two years—but the campaign will go on unceasingly.

One thing is certain: For the three weeks starting next Monday the bond drive will be the most intensive of its kind ever attempted.

Existing holdings of currency and commercial bank deposits are at new record levels—which means the banks are chockful of money—and a large share of it is available for immediate investment in Government bonds.

Americans this year will have—over and above taxes, insurance, debt repayment and what they can buy—perhaps 40 billion of funds available from current income.

The Treasury believes that unless some of these funds are invested directly in Government securities they will tend to swell the hoards of currency and commercial bank deposits even further and add still more pressure toward inflation.

Speech Contest Here April 14

TECUMSEH, DUNDEE AND MILAN HIGH SCHOOL STUDENTS TO PARTICIPATE

The district speech contest will be held Wednesday, April 14 at Tecumseh high school with groups from Tecumseh, Dundee and Milan participating.

Contests in oratorical and dramatical declamation will be held at 3:15 p.m., in the high school gym and the contestants are Juanita Weyher of Dundee, Lois Holcolm, Avalon Woodruff of Milan, Elizabeth Escolme and Joan Church of Tecumseh in oratorical declamation; Shirley Collins of Dundee, Lenore Larsen and Jean Marie Herrick of Tecumseh in dramatic declamation.

The contests in oratory and extemporaneous speaking will be held Wednesday evening at 7:30 in the high school auditorium and those taking part are JeanDeTar and Patricia Dailey of Milan, Loreen King and Frank Roth of Dundee.

Winners in these contests will be qualified to enter the regional contests in May.

Last year both the oratory and extemperaneous speaking contests, were won by Bob Larsen and Dick Hammel of Tecumseh, but the local school had no entries in these this year.

Elimination contests were held here last week and in addition to the winners those taking part were Martha Jane Kempf, Marda Gene Duncan, Janet Galloway and Mary Louise Stevenson.

Funeral Services Held For Mrs. Andrew Powell

Funeral services were held Sunday in Adrian for Mrs. Andrew Powell of Adrian township, who died at Bixby hospital following a heart attack.

If You Eat T-Bone Steaks You'll See the Point to This Meat Story

Have you tried to buy a T-bone steak in a restaurant recently? If you haven't, don't try. T-bones, it seems, are "out for the duration" in the average eating shop and here's the reason.

T-bone steaks cost points, plenty of them, eight points to the pound. And the quickest way for a restaurant to use up its meat points is to serve T-bones. Twelve steaks and 100 points are shot. Four hundred steak dinners in a month and there goes a month's supply of meat points for the average small town restaurant.

"It just can't be done," one spokesman said today. "The restaurant must serve meats that cost less points if it hopes to serve its regular customers day after day. The serving of 30 T-bones daily for two weeks would come close to exhausting the average restaurant's meat points for a whole month. You can't blame the restaurant owner."

But there's another side to the story, too.

Livestock raisers haven't yet perfected a critter without T-bones. The OPA says that the butcher must cut his meat according to the government's yardstick, which calls for T-bones. The butcher says that the restaurants refuse to buy them, customers don't want them because of the heavy bone content and consequently T-bones in the butcher shop are begging.

There is a ruling that meat markets can reduce their meat point demand for meat if it is in danger of spoiling. But OPA also says that the meat must be dangerously near the spoiling point before such price point cuts can be made. The butcher says that customers don't want spoiled meat and around and around goes the argument.

It's just a genuine headache for the butcher and the restauranter. The butcher wants to sell his meat, the eat shop proprietor would like to buy it for his customers, but there's the POINT.

Undoubtedly something will be worked out by the OPA to take care of the situation but at the present time T-bones probably will continue to hang on the meat hook. The average cutter contains about 45 pounds of T-bone steak, butchers say, for which there is no market.

Restaurants also are facing another terrific headache—how to care for the customers of other restaurants that have closed their doors because of the war and its attendant problems. Meat and other commodity points allowed by OPA are not sufficient, some restauranters say, to care for this ever-increasing load of hungry people.

"It probably will be worked out in some way within a month or two so that we will be allowed to buy more food," one proprietor declared, "but in the meantime I guess some people will have to eat less and shop around until they find what they want."

Ordinarily, chicken and fresh fish would supplement the restaurant's ration supply but fish—like bananas—are practically off the market. As for chickens, well they're worth about 60 to 70 cents a pound dressed, if you can buy them.

Evangelistic Services at Gospel Tabernacle

Elliott Names Town Officers

NEW COUNCIL ORGANIZED; TRAILER CAMP ORDINANCE PASSED; BEER PERMIT DENIED

The village council was reorganized and new committees and officers were named on Monday evening by President J. Floyd Elliott at the first session of Tecumseh's trustees following the March election. The council also enacted a trailer camp ordinance and denied the license of one local beer tavern.

S. Henry Smith was named as president pro-tem of the council and the committees are as follows: Water, streets, sewer: Smith, Rohweder, Truesdale; finance, VanVleet, Truesdale, TurnBull; lighting, Winter, Truesdale, TurnBull; fire, fire limits, Truesdale, Van Vleet, Rohweder; ordinance, TurnBull, VanVleet, Winter; health, Rohweder, Winter, TurnBull.

Albert Bagshaw was named as village engineer with Frank Hoekstra as his assistant. W. J. Hanna was named as marshall with B. W. Mominee as his assistant. F. E. Woodcox was appointed traffic officer and police officers are Edward Wilson, A. B. Harding and Carl Leonard. Dr. H. H. Loveland was named health officer, John R. Zeigler village attorney, Wade Jones, purchasing agent, B. B. Moon as fire chief, Mr. Leonard as truck driver, Clayton Young, cemetery sexton, and the cemetery board is made up of Guy E. Belding, John R. Nyland and Mr. Jones.

J. H. Rohweder was the only new member of the council, other officers having been re-elected. The bond of K. H. Hall, newly elected treasurer, was approved. The salary of the traffic officer was increased to $150 a month, and the salary of the deputy clerk to $15 weekly.

J. H. Scholten's license to sell beer and wine was denied unanimously by the council. Mr. Scholten operates the Tecumseh Tavern. The beer and wine licenses of C. E. Drewyor, operator of the Tecumseh Recreation, and Floyd Russell, owner of Russell's Tavern, were approved.

The council adopted an ordinance regulating the operation of trailer camps within the village limits and the ordinance was given immediate effect. The new law in its entirety will be found in another page of this newspaper.

An agreement with the Township of Tecumseh to furnish fire protection to all farms within the township, the cost of the calls to be paid for by the township at the rate of $25 each, was approved by the council. The new agreement affords fire protection to all homes within the township.

History of Newspapers Told To Rotary Club

"Two Hundred Years of Looking Forward," was the subject of an interesting talk by H. F. Bailey, business manager of the Adrian Daily Telegram, Adrian, when he addressed the members of the Tecumseh Rotary Club at Brees House, Tuesday, following the regular noon-day luncheon.

Reviewing the history of the newspaper since its inception in the 17th century to the present time, Mr. Bailey declared it to be the "mirror which reflects the community, its life and its progress."

Mr. Bailey and Carl Delemater, president of the Adrian Rotary Club, were guests of Earl L. Wickwire, Vernon Rupp of Tecumseh was a guest of the Rev. James Cameron Murdoch.

The program committee of the club has announced that the annual Rotary Ann meeting will be held on Tuesday evening, April 27, at St. Peter's parish house. Dinner will be served at 7 p.m. The committee in charge is D. J. Carson, the Rev. Thos. Rodda and Wade L. Jones.

AVIATION CADET

Harry D. Richard, son of Mr. and Mrs. C. C. Richard, has been selected for aviation cadet training by Hq. Seventh Air Force. Mr. Richard enlisted in the Engineers in November 1941 and has been on duty in the Hawaiian Islands for six miths and is awaiting transfer to flight school on the mainland.

PAST MASTER'S NIGHT

P. E. O. TO MEET

Chapter AJ, P.E.O., will meet Tuesday, April 13, at the country home of Mrs. Francis Pennington for their regular meeting. As luncheon is being omitted for the duration the meeting will begin at 1:30 p.m.

4-H Garden Group To Be Organized Here

Mrs. Neal Pearson has been requested by 4-H club leaders of Adrian to form a 4-H Garden group in Tecumseh among boys and girls over 10 years of age who can raise a garden at least 500 square feet in area.

Those interested are to meet Tuesday evening, April 13 at the home of Mrs. Pearson at 501 West Pottawatamie street when Mr. Ball county 4-H leader will be present.

Mail Delivery Goes With War

SHORTAGE OF CARRIERS MAKES DELIVERY TO WEST SIDE OF VILLAGE IMPOSSIBLE

If you live on the "west side" of the village of Tecumseh, (west of Evans street except for a small portion of South Pearl street) you will have to call at the local post-office to get your mail—if you want it. Mail delivery service in Tecumseh, it seems, has gone with the war.

The difficulty is this: Harold Hall, west side mail carrier, has resigned to accept a position with the Whelan Implement Co., and Clarence Kopka, special delivery carrier and substitute, has taken a job at the Ford Mill. Kenton Hunt, clerk, has been at home ill most of this week, and there is no one to carry the mail. Ira Ashley, rural carrier, has been helping out after he completed his rural delivery, in the downtown district.

Milburn Brooks, east side carrier, has been called to Adrian today for an examination before the Manpower Commission, and Postmaster P. A. Bowen is worrying now that Mr. Brooks may be ordered into a defense plant by the government. The delivery of mail is considered a critical employment but not essential.

"I don't know what the answer is going to be," Mr. Bowen said. "We need three men right now in order to carry on and maybe in another week we will need another one. We're doing the best that we can with the help that we've got, but how much longer we can continue any delivery locally is problematical."

Bowen said that he had contacted several people in an effort to interest them in taking a position but as yet had not been successful.

In the meantime, residents of the west side of town are calling at the postoffice for their mail. And—maybe next week or the week after, unless things change, the east side residents will be doing likewise.

Presbyterians Hold Congregational Meet

The annual congregational meeting of the First Presbyterian church here was held at the church on Tuesday evening.

The Rev. James C. Murdoch, as moderator, presided at the session, which opened with a song, scripture reading and a prayer. Reports were made by all organizations of the church and the following were elected to serve as elders, together with present members of the session: Clyde Bailey, D. J. Carson, Walter Pfaus, E. J. Lowry, Albert Jahn, Roderick Fletcher, John Stirling Charles Kemp was made an honorary elder.

J. F. Spafford was named as head usher for one year with Norman Higgins and William Achoeck, sold as assistants. Miss Marie Koerbig was named he clerk of the congregation for a three-year period.

LeRoy H. Titley presided at the meeting during the election of trustees. Earl Lindsley, R. W. Puffer and K. D. Hall were reelected unanimously. Mrs. Clyde Bailey was named as chairman of the hostess committee.

Wit and Wisdom Club Elects New Officers

The Wit and Wisdom Club, met Monday evening at the home of Rev. and Mrs. O. V. Robinson, with Mr. and Mrs. J. F. Rector assisting in entertaining. During the business session Alvin C. Brazee was elected president; Miss Jean Gillespie, vice president; Mrs. O. V. Robinson, secretary and Glenn Van Denbergh, treasurer for the coming year.

The program consisted of a reading by Mrs. Fred Sheldon; two piano duet by Glenn VanDenbergh and Rev. E. T. Rodda; paper on "Religion, Science and Politics" Rev. J. C. Murdoch; two piano duet Mrs. George Parsons and Mrs. Robinson; musical reading by Miss Jane Elliott.

EVER READY CLASS

The Ever Ready class of the Baptist Sunday school held its regular meeting at the home of Mrs. Mary Brooks. A miscellaneous program was presented and $5 was voted for the Red Cross.

Titley Chosen As Supervisor

REPUBLICAN TOWNSHIP TICKET ELECTED; VOTING FOLLOWS STATE TREND

LeRoy H. Titley, Republican incumbent, was re-elected to the office of township supervisor here on Monday in the state election that went solidly for the Republicans in almost every district of Michigan.

Others elected on the local township Republican ticket are: H. H. Hanna, clerk; Amey K. Scutt, treasurer; George Sanford, highway commissioner; F. C. Hanna, justice of the peace; E. J. Marshall, member of board of review; Arthur Harding, Neil Depuy, Geo. Isaacson and B. W. Mominee, constables. A total of 71 votes were cast. The special issue concerning the renewal of a franchise for light and power to the Consumers Power Company carried by a vote of 90 to 38.

Other townships in Lenawee county also voted solidly Republican in the election and from top to bottom of the partisan ticket, state-wide the G.O.P. candidates were an easy choice. C. M. Ziegler, Lansing, was named as state highway commissioner, planting the Republican banner in that office for the first time in a decade. Dr. Eugene Elliott was re-elected as state superintendent of schools.

Seventy-one year old Circuit Judge Neil E. Reid of Mt. Clemens, held a 4,000 lead today over the four-man race on the non-partisan ticket for a supreme court justiceship. This threatened to defeat Justice B. D. Chandler of Hudson, a Democrat, or Emerson Boyles, incumbent, Republican. It is likely that the outcome of this contest will not be determined until the vote has been officially canvassed.

The two state amendment proposals carried easily.

Tin Can Drive Here Saturday

VILLAGE TRUCKS TO PICK UP METAL FROM CURB; MORE SCRAP IRON NEEDED

If you have a collection of tin cans, cans with the bottoms and tops out and crushed, put them into a container and place them on your curb for the regular tin can collection that will be held here all day Saturday, April 10, Village trucks, manned by the Boy Scouts and others will care for the collection, the Rev. O. V. Robinson, chairman of the drive, said today.

"Our goal for this week Saturday is two tons of tin cans," the Rev. Mr. Robinson said. "We hope to far exceed that goal and we know that it will be possible for us to do if we get complete cooperation, in is one of the urgently needed metals in our war effort and I am sure that the people of Tecumseh will be happy to be of assistance by placing the cans on the curb for the collection."

Fay Whelan, one of the township chairmen in charge of the heavy scrap iron collection in Lenawee county, said today that the program in this area is moving very slowly. During the past week, he said, Tecumseh township has contributed about five tons of scrap metal, including three old automobiles. Other township chairmen, Mr. Whelan said, are making similar reports.

"There seems to be a lot of scrap iron on the farms but farmers feel that they are too busy to bring it to town. I know that they are busy, and we who are chairmen are busy, too. There's an old saying that many hands will be happy work, and if we can get cooperation in this scrap drive it will go over the top without burdening anyone. I am suggesting to the farmers that I contact that they get their iron together and bring in 400 or 500 pounds each time they come to town. In that way it won't mean a great amount of added work to anybody, and it certainly will be benefitting our war effort materially."

Lenawee county's scrap iron quota in this area has been set at 1,050 tons, or approximately 500 pounds from every farm.

CHAOS MUST BE AVERTED

Government officers have yet to perfect a definite food production and distribution program. In the meantime, farmers and merchants are struggling desperately in a maze of red tape with a steadily deteriorating labor force to feed and clothe the nation, to say nothing of the armed services. They are asked to fight a total war against the Axis, and at the same time are obliged to fight for survival in the insane Washington war of bureaucrats. It is an appalling situation.

The National Association of Food Chains has warned that American consumers will go hungry this year unless the government moves promply to solve the pressing manpower and supply problems confronting the food industry. It says: "The situation already has reached the stage where it is creating a serious problem of getting an adequate supply of food distributed to communities and to individual consumers."

Unless corrective measures are taken without delay, there is danger in the not dis ant future of hunger and food riots. Representatives of chains, independent retailers, wholesalers and food processors have reported that following the "work or fight" order of the War Manpower Commission, experienced employes left in droves for "essen tial" war jobs. Labor turnover in these industries is now at the rate of 10 per cent a week. The government's price control and rationing programs, together with efficient distribution, are directly threatened by removal of experienced men from behind the nation's retail counters.

A determined Congress must bring order out of the chaos.

"COME ON GIRLS"

Come and get it, Miss or Mrs.
This is total warfare. This is
Just one more consummate chance
To show how you can wear the pants.

This my dears, is something that'll
Put you with him in the battle.
Bachlorette and fiance
This is opportunity.

Dowager and clinging vine
Show your heart, and show your spine.
Darling daughter, sister, mater,
Save the man, you'll need him later.

Deadliest of all the species,
Cut this last of all the leashes.
Bridge the gap, and share the scrap—
Help the manly little chap.

You are not a bunch of frails:
Show him you are hard as nails.
See the Sergeanette, get the facts,
Jump the fence and join the WAACs.

We've Helped Many Folk To Own Their Own Home

Yes, if you could look at our books you'd be surprised at the number of Tecumseh folk we've helped to own their own homes.

We believe that such loans are sound, that home ownership should be encouraged, that we should make first mortgage loans on residence property.

If you are considering the purchase of a home and need cash, see us. We'll be glad to make the loan if it is in keeping with sound banking practice.

THE OLD JUDGE SAYS...

"I was just tellin' my brother Fred this morning, Judge...there's never been a time in our lives when we got to live up to that old sayin' "United we stand, divided we fall' more than we have to today."

"How true that is, Herb. And for the life of me, I can't figure out why, at a time like this, some folks insist on raising a question like prohibition. I can't imagine anything that would tickle our enemies more than to get us folks over here taking sides against each other, arguing about an issue like that. We've got a he-man's job on our hands to win this war and we can't be wasting our minds, our money and our strength fighting about something we tried for nearly 14 years and found couldn't work.

"I say there's a time and a place for everything, and this is no time or place to be doing any fightin' except the kind that's going to win the war."

Raise More Chickens for Victory!

Chickens are Food for Freedom

As egg layers, eating poultry, or to supply your own family chickens you raise this year will be a part of America's Victory Food Program!

To the farmer who normally raises a "few" chickens we say "increase the number, raise all of the chickens you can." To the farmer who does not raise chickens we say, "raise chickens this year to help win the war."

Poultry, you know, like cattle, sheep and hogs HAVE GONE TO WAR. This year we are interested primarily in food for freedom.

Our job in this effort is to supply you with the needed materials — brooder houses, chicken houses, etc. And we are ready to do our part in this effort. We are offering a 12 x 12 ft. brooder house, delivered, for only $140. This is a house that will last.

Poppy Poster Contest Sponsored by Auxiliary

The American Legion Auxiliary met Monday evening at the home of Mrs. Ned Baldwin. Eighteen members attended and Mrs. Jack Smith presided in the absence of the president, Mrs. Al Bergshaw. The unit voted to send a girl to Girls State again this year and also to buy a $75 war bond.

Mrs. Ruth Keyser read a paper on "Pan-Americanism" and in conclusion refreshments were served. The committee in charge included Mrs. Baldwin, Mrs. O. J. Winter and Mrs. Percy Bowen.

The Auxiliary has ordered 2500 Poppies for Poppy Day and is sponsoring a poppy poster contest in the local schools. Students from the fourth through the 12th grades are eligible to compete and may register with Miss Jean Moulding, art instructor. The contest closes May 10 and all registrants will receive a special citation from the committee in charge.

Prizes of $1 in war stamps will be awarded in each of three groups and the nine winning posters will be entered in the district contest. District winners will enter the department contest and department winners the national contest.

The poppy sale will be conducted the Saturday before Memorial Day and proceeds will be used for direct relief of disabled soldiers who make the poppies and to dependents of dead and disabled service men.

Their family consists of a son Theodore LaBounty of Tecumseh, a daughter Mrs. Clifford Graham of Monroe, six grandchildren, Mrs. Puffer, Mrs. Donald Gleske, Mrs. Carl Pichler, Raymond, Donald and James LaBounty, and two great grandchildren. The three grandsons are all in service.

Carpenter's Work Shop Destroyed by Fire

A work shop belonging to Andrew Kempf, local carpenter, was destroyed by fire early Friday morning with a loss of over $5000 in tools and equipment. The fire was out of control when discovered shortly after 5 a.m. The shop was at the rear of the Kempf home on East Kilbuck street and only steady work on the part of the department prevented the blaze from spreading to the nearby homes. A garage belonging to J. W. McQueen was partially destroyed but his automobile was saved.

Mr. Kempf's carpenter equipment, including motors, lathes, wood working machinery and tools collected over a life time were destroyed in the fire. The loss was only partially covered by insurance.
